Public Assistance Needed

from Breton RCMP

Breton RCMP is seeking public assistance concerning the following incidents:

On September 15, 2017 a break and enter and theft occurred on a residential property on Highway 22, near Township Road 465. Suspect gained entry through a window and stole two firearms.

On Sunday, September 17th a wire theft was reported to Breton RCMP. Sometime over the past week approximately 400 feet of ground wire was stolen from a Bonterra Battery site located north of Alder Flats, AB. Thieves entered the location and cut multiple pieces of the wire from their holding trays.

CONTINUED

If you have any information regarding this or other crimes, please contact the Breton RCMP at (780) 696-3520 or Crime stoppers at 1-800-222-8477 or www.crimestoppers.ab.ca.

Boat Theft

from Leduc RCMP

Leduc RCMP are investigating the theft of four boats and trailers worth a total estimated value of \$800,000.

On September 13, 2017 Leduc RCMP responded to a complaint of a break and enter at a boat dealership. It occurred sometime in the early morning, after 1:00 a.m. The boats are all 23' Nautique Super Air G23, and each boat and trailer combination is worth approximately \$200,000.

Investigation thus far indicates that four pick-ups were used and they left the dealership eastbound on Highway 39. A description of the suspects is not currently available.

These boats are very recognizable and Leduc RCMP are seeking public assistance in locating these boats and identifying the culprits involved.

If you have information about this investigation, please call the Leduc RCMP at 780-980-7200, or call your local police detachment. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at www.tipsubmit.com, or by SMS.

NEW OWNERSHIP

Hi, I'm Rick Hart!

devonchrysler.com

I have lived in the Town of Thorsby for nearly 20 years. I am the Past President of the Thorsby Chamber of Commerce, Past President of the Thorsby Lion's Club, I have been Vice Chairman of Leduc Foundation and a Board Member of the 39/20 Alliance. I have also served on Town Council for the past 13 years, 3 years as Mayor of Thorsby and 10 years as a Councillor. I have enjoyed my time contributing to the community but have decided to begin a new chapter and continue with my sales career.

I have worked in farm equipment sales for Case and Argo as well as for Chrysler Dealerships in the area and I am looking forward to new adventures and opportunities with DEVON CHRYSLER.

I would like to invite my friends and former customers to stop by for a coffee and an opportunity to see the great products at DEVON CHRYSLER.

See you soon,

Who's Who in the Electricity Zoo

KEEPING TRACK IN A CHANGING MARKETPLACE

AFREA has been busy keeping up with developments in the electricity sector and advocating on behalf of our member REAs. Listed below with a summary description, are a few of the items we have been working on and information about the regulatory bodies we interact with when we represent you.

1. The Market Surveillance Administrator is **reviewing the Regulated Rate Option** at Alberta Energy's request. On June 1, 2017, the Regulated Rate Option was capped at \$0.068/kWh through passage of Bill 16 in the Legislative Assembly. The AFREA continues to provide feedback on this change and is working closely with the MSA.
2. FortisAlberta Inc. has **applied for an order from the Alberta Utilities Commission** to: a) confirm its service areas on land annexed by municipalities, and b) compel REAs to turn over wires, substations, and their corresponding members. AUC Proceeding 22164 is ongoing. It directly involves three REAs that are AFREA members. The AFREA is representing its members and one additional REA in disputing this application. We have engaged legal counsel and technical consulting expertise to assist us.
3. The Alberta Utilities Commission (AUC) is tasked **with investigating distribution-connected generation**. Proceeding 22534 involves how renewable (solar, wind, hydro) and alternative energy sources could be expanded in Alberta to produce electricity close to power users. The AFREA is participating as a key stakeholder in this proceeding, at the request of the AUC.
4. In June 2017, the AUC approved changes to **Rule 024: Rules Respecting Micro-Generation**. The AFREA has represented our members' interests in this Consultation. The Rule changes were effective July 4, 2017.

After 75 years in the business, the environment has likely never been more complex than it is now. Even in these far-reaching scenarios, we have not mentioned all the agencies involved in running Alberta's electricity industry.

While we ask for member input into these cases, we recognize it's a zoo—not just technical detail, but of too many acronyms and players to keep track of. But it is possible. Here's a list of "who's who" to detangle it for you.

Thank you to our member REAs for representing their members and the unique nature of their REA when providing input. It will continue to be needed! Please keep reading your E-News for updates in these matters.

You can influence the future of all REAs by staying engaged in this way.

KEY ELECTRICITY PLAYERS IN ALBERTA

Alberta Utilities Commission (AUC): Our principal regulator—the AUC operates with many of the same powers as a court of law.

Alberta Electric System Operator (AESO): The AESO operates the provincial power grid 24/7 by dispatching the power sold by generators.

Balancing Pool: The Balancing Pool is an independent corporation created to market power from older generation contracts that were unsold after the electricity market was deregulated.

Market Surveillance Administrator (MSA): The MSA monitors the wholesale electricity, retail electricity, and natural gas markets investigating issues that come to its attention through surveillance or complaints.

Utilities Consumer Advocate (UCA): The UCA represents, informs, and educates consumers on electricity (utility) matters.

Warburg School News

Thank you to all of the families who came out to our Welcome Back pancake breakfast on September 8th, and the Community Awareness BBQ on September 14th. The Senior Girls volleyball team were busy serving customers hot bbq'd food and really appreciated the funding support for their upcoming season. We continue to see new families registering at our school and welcome them to our community!

Welcome back to our Hot Lunch providers! Mrs. Flad and Mrs. Nancy Swartz volunteer for our Junior/Senior concession, Garfield's. Our Parent Council members volunteer to coordinate our Hot Dog Monday's and Pizza Friday orders. Tammy Turner and Tanya Arsenault are back in the kitchen with the T and T Hot Lunch menu. You will find all of the menus/order forms on ws.blackgold.ca/Parents/Hot Lunch.

The wonderful Breakfast Program crew is ready to start serving a nutritious start to the school day on Monday, Sept.25th! Thank you to Deb Mellafonte for coordinating this program, and also to the amazing volunteer servers. If you would like to help out, please contact Deb at 780-848-2923.

All of our sports teams are practicing and ready to embrace the challenge of competition. Cross country running, golf and volleyball are a few of the extra-curricular sports we offer. Spectators are welcome to come to home games to cheer on the teams. Check for game schedules on ws.blackgold.ca/calendar/school events

W.S. Hockey Academy students are back on the ice under the instruction of Mr. West. Two groups spend alternate afternoons with hockey drills and skills.

Thank you to those who came to the Alberta School Councils' Association workshop on September 19th. There was a small but mighty group of parents that are keen to learn more about how to get involved in the school. The goal of the School Council is to support and enhance student learning. How can you get involved in student learning at the school? Come to our next meeting which will be held on September 26 @ 7:00 PM.

Our next school council meeting will see our two school trustee candidates, Sam Kobeluck and Shawna Ofstie each make a short presentation and answer questions from you, our parents. Please come out and meet these candidates and hear what they have to say. September 26, starting at 7 PM.

Our school library is preparing for an awesome influx of new books through the Indigo Adopt a School

program, as well as, the upcoming Scholastic Book Fair!

Please look for Warburg School under the Adopt a School website. Our students, and Mrs. Sarvas, are greatly appreciative of the book donations so far via the Adopt a School website. Indigo will match donations and if someone from our "Warburg School" page writes a story that is chosen as Top Five in the province we could receive \$2500! Indigo only runs this program until October 2nd so please check it out soon!!

Scholastic Book Fair runs from September 29th to October 3rd. This year we will be open until 7:00 p.m. on both Monday and Tuesday for the convenience of our family shoppers.

Did we mention that our students are voracious readers? To date our students have read almost 2 million words and we are only in week 3 of the school year! Amazing!

Library Chatter

Warburg Library has had an amazing summer, Summer Assistant Jade has done a great job with programs she has run for both the Library and FCSS. The Summer Reading program ran every Wed. from 1-3pm and there were always a group of enthusiastic kids to join in the fun. Tuesday was Lego fun and patrons built whatever they could imagine. Jade made sure to read with the younger patrons so when they started back to school in the fall, they would be prepared. We say good bye and thank you to Jade, she is off to her new job and adventures, good luck to Jade and we hope to see her around for visits.

Staff is putting together the fall programs for the Library and some of the ideas are, Basic Alphabets for Pre-Kindergarten Kids and a Monthly Book Club. If anyone has suggestions as to programs they would like to see at the Library in the future or programs they would like to run, let staff know on facebook, email warburglibrary@yrl.ab.ca or phone 780-848-2391

Buck Mountain Central School News

Submitted by Ms. Natalie Turgeon

Join us on the morning of September 28th for the 2017 Terry Fox Run. The whole school will be participating. The school will be collecting donations that will go to the Terry Fox Foundation. Terry Fox understood that great accomplishments are achieved with dedication and commitment. Your ongoing support for Terry's mission to advance critical research to end cancer is needed.

In conjunction with the Terry Fox Run students will be participating in Orange Shirt Day on September 28th. Wear an orange shirt to commemorate the story of residential schools. Students will be participating in class discussions surrounding Orange Shirt Day which will provide an opportunity for schools to come together in the spirit of reconciliation and hope for generations of children to come.
