## The Breakfast Program

From Deb Mellafont

The Warburg students in the program make us very proud with their enthusiasm, friendliness, politeness and smiles each morning as they go through the breakfast line. I have stood in line serving them and said 116 times, have a great day! We start serving breakfast at 8:10 a.m. and don't stop until 8:35 a.m, with a steady stream of students.

Some big thank you's this month to a lot of great people big and little. Mrs. Babcook and the Volleyball Team – the girls came in pairs for a whole week, helped make toast, serve the students and were a big help to the volunteers. Mrs. Heidt and Mrs. Maltais for helping in the morning with the students in line. It's really cute when we all stop for O' Canada and sing it out in the hallway. Thanks to all the teachers who have patience when their students come in a few minutes after the bell. Some new volunteers came and tried out the routine at the breakfast program and I am happy you all did. If you are interested in coming back, just call me. Thank you to Dianne Bachand, Chris Sarvas, Sandy MacLean, and others, who remain anonymous, for your waffles, cookies, biscuits, muffins and cinni buns etc. There is nothing like home cooking! Special thank you to students who made jelly for our program, sooooo good! Thanks to Warburg Insurance & Alberta Treasury Branch for their donation of water and juices. We have received financial donations this month that will help us tremendously with our groceries. I would like to thank them all in person, but some wish to remain anonymous so here it is... THANK YOU FOR ALL YOU HAVE GIVEN! Last but not least thanks to those who help out by dropping off water, juices and fruit, this is so greatly appreciated.

For any questions or for volunteering, call Deb at 780. 848.2923 or stop by the office and speak with the staff. For those in need of assistance with hampers please contact Terri at FCSS at 780 848 2828! For all our young teens, contact Cody Lewis at 780 848 7577 to find out how you can spend a great evening with The Meeting.

# Remembrance Day And The Poppy Campaign

From Deb Mellafont

The Warburg Legion Branch No. 205 members were so very grateful for all those who attended and assisted with our 2017 Remembrance Day Service. We had an attendance of 262.

Our Silver Cross Mother was a member of the Warburg Legion Branch No. 205 – Comrade Iris Mitchell (pictured below). Her father was Private Ralph George Mitchell, a paratrooper who was in active service in the United Kingdom, Central Mediterranean Area and Continental Europe in WWII. He received the 1939-1945 Star, The Italy Star, The France and Germany Stars, Defence Medal, War Medal 1939-1945, Canadian Volunteer Service Medal.

To put a program and service together takes a lot of hands and great communication. The members have so much to do in the weeks prior to our service with wreath rentals, dropping off and picking up the poppy trays, organizing the luncheon, articles, poster and literacy contests that our schools participate in. One of the highlights is when our members can attend the services at Breton Elementary School and Warburg School.

- The Warburg School – Warburg Legion Branch #205 along with other service officers were guests at their Remembrance Day Service on November 10, 2017. This was a very memorable service with the students and staff actively involved. Service was followed with a lunch.

- The Breton School - Warburg Legion Branch #205 along with other service officers were guests at their Remembrance Day Service on November 10, 2017. This was a very memorable service with the students and staff actively involved. Service was followed by dinner served to us by the students.

It was very impressive to see our youth involved in the history presentation, band and public readings or as part of the Parade.

- The Annual Poster and Literary Contest

The Royal Canadian Legion has sponsored the Poster and Literary Contests for all students in the Canadian school system for the last 50 years. The youth who participate in these contests assist the Legion in fostering the tradition of Remembrance amongst Canadians.

- The Poster Contest - Having two divisions of Colour or Black & White, this is broken up into 4 categories: Primary, Junior, Intermediate and Senior. These students will submit drawings, sketches focusing on Remembrance illustrating Canadian symbols, provincial flags, coats of arms, loss of our veterans, representation of flowers, the Poppy and Forget-Me-Not, birds, animals, Canadian historical and current military dress, etc.

- The Literary Contest – This contest also has two divisions, Essays and Poems relating to events or personal expression in the art of writing or poetry.

Judging all the tremendous entries submitted is done at the local level in the Legion Branch based on guidelines from the Royal Canadian Legion. Prizes are awarded for First Place entries and are submitted at Provincial Level by The Royal Canadian Legion command, then onto Ottawa where they are reviewed at National Level. These winning works of art are displayed in a magazine in Parliament, and the winners are flown to Ottawa to meet the Lieutenant Governor General.

The Warburg Legion Branch #205 currently works with schools in Breton, Warburg and The Warburg Colony School. Packages for entries are taken to these schools for students to participate in these contests. At the local level prizes are awarded for First, Second and Third for various categories. All entries are returned to the students.

Warburg Branch No.205 of the Royal Canadian Legion would like to thank the public and businesses for their generous contributions during the 2017 Poppy Campaign.

When you wear a poppy or display a wreath of poppies, you honour those who made the ultimate sacrifice in the service of their country and it also helps Veterans and their families. The poppy is our emblem of supreme sacrifice. It is the symbol of Remembrance!

All money raised through this campaign is placed in trust at all levels of the organization to be used for those purposes authorized in the General Bylaws of the Royal Canadian Legion. No matter what amount you contribute it is gratefully accepted. These donations are held in trust in Poppy Funds, with the basic purpose to provide immediate assistance to those who are currently serving or retired Veterans from the Canadian Armed Forces and RCMP and their families who are in need. Funds may also be used for specified purposes such as disasters declared by Provincial or National Government where veterans are impacted in their communities.

Also, bursaries are granted to children, grand- children and great grandchildren of veterans, for their education. Other uses for the Poppy Funds are support for elderly or disabled veterans and families, veteran care in the form of drop in centres, meals on wheels, medical appliances, transportation, and related services to Veterans and families. Any Veteran and their families are eligible for financial aid from the Poppy Fund. Visit [www.legion.ca](http://www.legion.ca)

The Warburg Legion Branch #205 would like to thank the following for their involvement in the 2017 Remembrance Day Service. All levels of Local, Provincial and National Governments, RCMP, All Service Personnel, The Warburg Girl Guides, Thorsby Army Cadets, Village of Warburg, Pioneer Agricultural Society for the hall and those who made this service possible.

The Warburg Legion Branch#205 would like to thank those, both individuals and businesses, who have contributed to the 2017 Wreath Rental Program and Poppy Tray Campaign.

**Congratulations to our volleyball teams** as they wrapped up their season with medals all around! Every team came home with a medal from their league play-offs! Thank you to our dedicated coaches for their time and effort with our student athletes.

We are now into **Basketball** season and have the following teams participating:

Senior Girls & Boys, Junior Girls & Boys, Elementary Boys & Girls teams. There will be a lot of cheering from our awesome Panther fans with all of these basketball games happening. Check our website [ws.blackgold.ca/](http://ws.blackgold.ca/) calendar for game schedules.

Our life skill squad has initiated a **Food Hamper Challenge** this month. The squad challenges all classes to bring in non-perishable food items to be donated to our community Christmas Elves program. The winning class will get a "sweet" prize!

Our **Accelerated Reading** program is going strong with over 2,100 books read since September from grade 2-9, over 14 million words! Please continue to encourage your student to keep reading and learning. Research is well documented that reading with your child enables them to have better success in academic achievement.

**Thank you** to our Parent Society volunteers for working the Casino fundraiser on November 29/30th. A late night for volunteers but well worth the effort when our programs and activities can happen for our students. As well, our Parent Society held a Phil's Fudge fundraiser. We thank everyone for selling and buying fudge! Every little bit helps to fund extra activities for our students.

Our **Breakfast Program** is going strong. This group, led by the amazing Deb Mellafont, serves breakfast to up to over 100 of our students everyday!!! We so appreciate these volunteers that help to fill our tummies every morning. We can always use more volunteers. Please call the school if you have an hour and a half in the morning to butter toast and see the smiles of our awesome students.

Our **Christmas Angel tree** is set up in the school entrance and we already have a few presents peeking out from under it. The Angel tree gifts are for local families in need of Christmas gifts for their children. Please bring in your new unwrapped gift by December 8th.

**Mark your calendars** for these eagerly anticipated December events: Christmas Concert - December 21st. Christmas Community Dinner - December 22nd 11:00 a.m. Hockey Academy Panther Cup - December 22nd-after dinner.

# Mail Thefts Increase

From Strathcona County RCMP

RCMP are presently investigating a large number of theft of mail incidents that have occurred at various locations throughout Strathcona County during the past week.

The thefts involve small parcels and cards, along with general mail being stolen from compartments in community mailboxes located throughout rural Strathcona County.

## Tips to prevent mail box thefts:

- Pick up your mail promptly after delivery. Don't leave it in your mailbox overnight.
- If you're planning a holiday, have someone retrieve your mail on a daily basis OR for a small fee, Canada Post will hold your mail at the delivery office and deliver it upon your return.
- Check the physical security of your mailbox to ensure there are no gaps or damage.
- If you see a damaged or overturned mailbox, contact Canada Post to report.
- Do not send cash or cheques in the mail.

"During the holiday season, this type of theft sometimes spikes as thieves hope to find Christmas cards with cheques or cash in them", said Cst. Chantelle Kelly of the Strathcona County RCMP. "We are urging people to check their mail every day to lessen the risk of losing important pieces of mail."

For further information and tips regarding mail security, please visit [www.canadapost.ca/postalsecurity](http://www.canadapost.ca/postalsecurity).

Residents are encouraged to contact their local RCMP detachment if they believe they are a victim of mail theft or if they observe suspicious vehicles or persons loitering around community mailboxes. To remain anonymous contact Crime Stoppers by phone at 1-800-222-8477 (TIPS) or by internet at [www.tipsubmit.com](http://www.tipsubmit.com) or by SMS (check your local Crime Stoppers [www.crimestoppers.ab.ca](http://www.crimestoppers.ab.ca) for instructions).

"Do all the good you can,  
By all the means you can,  
In all the ways you can,  
In all the places you can,  
At all the times you can,  
To all the people you can,  
As long as ever you can."

Gait Riders Club News  
by: Faythe Robinson**

Our club started off this October with a 2 day clinic at the Calnash Arena in Ponoka, learning proper saddle fit, bit fittings and purposes, Western pleasure and a jumping class! Our club sends good luck vibes to our member Sheraton Giesbrecht on submitting her 4-H record book for judging.

Our fall tire recycling program in October brought in over 1500 various tires! This is our only fundraiser so if you have tires of all sizes, not on a rim, we will take them off your hands.

Our 4-H awards supper was November 29th at the Hoadley Hall.

We have some exciting additions to our club this year. We have 2 pony and cart projects and we have added a drill team!

If you are interested in joining 4-H we are accepting members till November 30th. After November 30th is a \$100 late fee.

Please contact Connie Kluczny @ 780-682-2371.

**MP REPORT**

from The Office of MP Jim Eglinski,  
Member of Parliament for Yellowhead

**Canada and Our Troops Must Come First**

Earlier this month, the Prime Minister announced that the Liberal government would offer up to 200 ground troops, transport and attack helicopters, cargo planes and military trainers for future United Nations peacekeeping operations.

The announcement comes more than 14 months after the Trudeau government committed to providing up to 600 troops and 150 police officers for UN operations.

The announcement confirms that this Prime Minister has failed to stand up and advocate for Canadian interests on the world stage. Despite two years of promises, it is clear that he is willing to let the UN decide what our priorities are as Canadians, rather than keeping with our greatest tradition of confronting evil and tyranny in all its forms.

In our 2016 consultations on the Defence Policy Review, we heard from Canadians that the men and women of the Canadian Armed Forces deserve stable, predictable, long-term funding, that Canada must take a principled stance on the world stage, work with our allies, and that our defence policy must be focused first and foremost on the defence of Canada.

Instead, the Liberal government quietly rolled out a policy in September that cancels the benefits of injured soldiers. They are focused on slashing defence spending, cozying up to foreign nations with questionable human rights records, and returning to United Nations peacekeeping to fulfill political desires.

This Prime Minister has enjoyed talking about a naïve historical notion of Canadian peacekeeping, but he needs to get serious about explaining why a dangerous mission in sub-Saharan Africa, or anywhere else we allow the UN to send our troops, is in our national interest.

Our troops will be facing the prospect of casualties, as well as the challenge of dealing with terrorists and child soldiers. To date, this Liberal government is unable to answer basic questions about where our troops will be going, and why they will be deployed. It's time for some transparency about just what this mission will look like and what the risks are.

The office of the papers will be closed for the holidays from December 25th - January 3rd.

During this time there will be no papers published.
