

THE WARBURG BUGLE

MP Eglinski Announces Funding

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to announce a total of \$144,674 in funding for Yellowhead organizations through the New Horizons for Seniors Program.

Since 2004, the Employment and Social Development Canada program has helped to ensure seniors benefit from, and contribute to, the quality of life in their communities through active living and participation in social activities. The selected projects are either led or inspired by seniors.

The projects include:

The Town of Mayerthorpe will receive \$8,600 for their community garden to build raised planter beds, a sun shelter, and a cement pad for seniors with disabilities so that they can continue to harvest and distribute produce.

The Thorsby Seniors Citizen Club will receive \$23,500 to upgrade their activity center. This will include purchasing a greenhouse for gardening, leather working tools for leather working, and kitchen equipment for cooking classes.

The Edson and District Recycling Society will receive \$25,000 for their Senior Mentorship Program's community garden. Seniors involved with the organization will mentor youth and community members through workshops on garden maintenance, pruning and harvesting.

The Warburg Cultural Society will receive \$25,000 to make improvements to their Cultural Centre. This will include renovating the kitchen and craft area to allow seniors to participate in activities such as quilting and cooking classes.

The Cadomin Legion Branch 124 will receive \$24,054 to repair their damaged roof to allow seniors to continue participate in activities such as darts, foosball and air hockey.

LETTER TO THE EDITOR

Our sidewalk was cleaned and I asked the town secretary if our name was on the list and she said “no”, but yesterday we got a bill from the town for \$40 for snow removal.

The Town of Warburg has a snow removal policy which is reasonable but our last snow-fall came with -30°. There was a warning of frost bite within minutes. The forecast was for warmer weather on the third day. The Town office had their workers shoveling snow at -30°. Is the Town after the mighty dollar, \$40 for cleaning snow? Could they knock and ask if we want them to clean, or get someone else to clean the snow? Or is the Town concerned about the town law? Remember each one of us has a higher law maker (Almighty God) to whom we will have to answer to for how we treat people.

I am 80 years old and not up to shoveling snow and my husband Roger has cancer and he is given 6 months to live. Often he tires very easily and often he doesn't have the energy to walk around, much less use a snowblower. So if possible please ask me if you can clean the snow. The Town did NOT clean the snow off my neighbor's sidewalk ... why not?

Library Chatter

Wow 2017 is over and 2018 is here and the month of January just seemed to fly by!

The new books are slowly coming in and when processed, will be on display on the new books shelf by the computers.

The book club is reading *The Paying Guests* by Sarah Water, this group meets every couple of months to decide on a new book, read it at home and then meet up and talk about the book.

Moms and Tots is every Thursday 9:30am-12pm with free time in the Library after, to pickup and borrow books to take home. Also Q&A time for moms and caregivers, to ask advice on child care.

The Library Board Meetings are held the third Wednesday of the month at 6pm, the public is welcome to attend these meetings.

Donation of books and magazine policy: For items to be processed for Library use, the publication of item for magazines is the current year, books current publication year, or hard cover in good condition and publication date 2010 or newer. Paperbacks have to have a publication date of 2014 or newer and in new condition.

Warburg School News

Warburg School Student Council is once again invited to Leader in Me Symposium! This is the second year that our Student Council has been invited to participate in the Symposium in Edmonton, on Feb. 14th. They will be doing a one hour presentation to educators from all over Alberta, about all the ways Warburg School shows leadership. A few of the students will even get to sit on a Q&A panel made up of a dozen students from around the Edmonton Area, so that educators can ask them questions about Leader in Me and their school. They were asked to return because they were such a hit with the educators that attended last year. They are looking forward to participating in this province wide event. This is quite an honour for our students to be asked to present again! To quote the Symposium website, "The Leader in Me Symposium is the most influential and inspiring event series for educators in North America. Together, we are transforming paradigms in education by empowering students to model 21st-century leadership skills in order to achieve their full potential." (Leader in Me, leaderinme.org/events).

Our school PEP rally on January 19th was a huge success, and we were impressed by our Panther alumni! These enthusiastic fellows came out with their school pride and competitive spirit well intact and gave quite the basketball performance for their family, friends and our current players! Thank you to the following fellows for coming out: (Class of) Trenton Meyer ('97), Brad Geiger ('99), Jeff Tomaszewski ('01), Jay Leech ('01), Derek Mayr ('03), Orrin Forster ('03), Alex Prins ('11), Hicham Elawar ('12), Luke Tessier ('12), Cody Davis ('13), Bradley Prenioslo ('14), Eric Lumley ('15), Aeran Anhorn ('15), Owen Sippola ('17), Scott Heidt ('15). Thank you to our Student Council for organizing this fun event for our community. Also, thank you to our Senior Girls Basketball team for running the concession, and our Panther Spirit Cheer Squad. Cheer Coach MacGregor put together a great halftime pom-pom shaking performance with students from grades 1-6.

With only a little time remaining after the Christmas Concert, the elementary Music Option class wanted to do one last performance before this Option was over. They chose to perform "The Unbirthday Song" from Alice in Wonderland. One Monday, January 29th we walked over to Cloverleaf Manor with our balloons, candles and beautiful birthday cake. The students sang and danced and wished everyone a happy unbirthday! Although the audience was small, the people there appreciated the

students' efforts. It was a relaxed and fun experience. Thanks to the students (great attitude and performance) and Mr. Meyer for providing the cake. Yum!

Our Student Council is holding a "Water bottle and Juice box Drive" February 5th-7th, in support of our Breakfast Program. The class with the most donations will get a prize, sponsored by our Parent Council. Of course, the Breakfast Program will accept donations (and volunteers!) at any time of the year as the volunteers serve many students in the mornings! Please contact Deb Mellafonte if you would like to volunteer: 780-848-2923

February 7th our Senior Basketball team will be playing an exhibition game versus R.C.M.P. and staff at 1:45 p.m. in the High School gym.

Elementary classes go skating on February 5th, 12th and 14th. If you have any skates or helmets that you would like to donate to our physical education program, please contact the school.

No school on Thursday, February 8th & Friday, February 9th for the A.T.A. Teacher's Conference.

F.C.S.S. is offering crafts for kids during these days. Please Bev @ 780-293-6594 to register.

Identity Theft / Identity Fraud Let's Not Become a Victim

What is Identity Theft?

The basic definition of identity theft and identity fraud is: Identity theft refers to the preparatory stage of acquiring and collecting someone else's personal information for criminal purposes. Identity fraud is the actual deceptive use of the identity information of another person (living or dead) in connection with various frauds (including for example; impersonating another person and the misuse of debit card or credit card data).

As of January 8, 2010, Senate Bill S-4 became law, making it illegal to possess another person's identity information for criminal purposes.

Some of the Facts:

- Identity theft techniques can range from the unsophisticated, such as dumpster diving and mail theft, to more elaborate schemes using the internet.
- Technology, mainly the Internet, facilitates more elaborate schemes, such as skimming, phishing, and hacking as criminals gather profiles of potential victims. Computer spywares and viruses, designed to help thieves acquire personal information, are an emerging trend. You can be infected through an unknown downloaded program or opening and responding to an unsuspecting email.
- Victims of identity theft or fraud can experience financial loss and difficulty obtaining credit or restoring their "good name".

Identity thieves are looking for the following information: Full name, date of birth, Social Insurance Numbers (SIN number), full address, mother's maiden name, username and password for online services, driver's license number, personal identification numbers (PIN), credit card information (numbers, expiry dates and the last three digits printed on the signature panel), bank account numbers, signature, Birth Certificate, and passport number. Any number or combination of these identifications can result in your identity being compromised and cause hardship for you and your family.

What your information could be used for:

Criminals can use your stolen or reproduced personal or financial information to:

- access your bank accounts to steal your money
- open new bank accounts to apply for loans under your identity

- transfer bank balances from your account to an account either, opened in your name or another account that is under control of an identity thief
- apply for loans, credit cards and other goods and services under your name
- make purchases using your credit cards and money
- hide their criminal activities under your name and identity
- obtain passports or receive government benefits while impersonating you

How can you find out if your identity was stolen?

The best way to find out is to monitor your hard copy or on-line financial accounts frequently and to check your credit report regularly for any unusual activities. If you receive calls from collection agencies about unfamiliar accounts, or if you applied for credit and were unexpectedly turned down, you should investigate further.

Report it

If you suspect or know that you are a victim of identity theft or fraud, or if you unwittingly provided personal information or financial information:

- Step 1 - Contact your local police force (RCMP or EPS) and file a report.
- Step 2 - Contact your bank/financial institution and Credit Card Company.
- Step 3 - Contact the two national credit bureaus and place a fraud alert on your credit reports.
 - o Equifax Canada at Toll free: 1-800-465-7166
 - o TransUnion Canada at Toll free: 1-877-525-3823
- Step 4 - Always report identity theft and fraud. Contact the Canadian Anti-Fraud Centre at 1-888-495-8501 Service Canada at 1-800-206-7218 (If your SIN card has been compromised)

Prevention is the best way to deal with this crime:

- Identity theft can occur over the Internet (email) or telephone, via fax or regular mail. Therefore, be particularly wary of unsolicited e-mails, telephone calls or mail attempting to extract personal or financial information from you. If an email or phone call asks you to log into your online account or give the numbers to your account over the phone, BEWARE, this is a common tactic to extract valuable information used to steal your identity.
 - Ask yourself if you really need all of the identity documents you carry in your wallet or purse. Remove any you don't need and keep them in a secure place instead.
 - Periodically check your credit reports, bank and credit card statements and report any irregularities promptly to the relevant financial institution and to the credit bureaus.

- During transactions, it's safer to swipe your cards yourself than it is to allow a cashier to do it for you. If you must hand over your card, never lose sight of it.
- Always shield your personal identification number when using an ATM or a PIN pad.
- Memorize all personal identification numbers for payment cards and telephone calling cards. Never write them on the cards.
- Familiarize yourself with billing cycles for your credit and debit cards.
- Trash bins are a goldmine for identity thieves. Make sure you shred personal and financial documents before putting them in the garbage. This includes ATM slips or receipts
- Cut up expired and unused cards credit / ATM cards.
- When you change your address, make sure you notify the post office and all relevant financial institutions (your bank and credit card companies).
- Don't fill in forms that ask for more information than you feel is necessary.
- Beware of social media sites that ask for information that could put you at risk. Do not post personal information on social media sites as these sites are checked regularly for potential targets of "identity theft" thieves. The above information was compiled from the RCMP and Service Alberta web sites.

Education is a strong proponent of our group which is made up of citizens volunteering to provide a safe community environment in which to live. If you would like additional information about joining our Association, email us at LeducRuralCrimeWatch@gmail.com or call us at 780-980-7234. We will do our best to answer your questions.

There are three public crime prevention and awareness meetings coming up at the New Sarepta Agriplex, Wednesday February 7th, 2018 at 6:30pm. And, a second meeting is scheduled for Rollyview Community Hall, March 10th at 1:30pm in the afternoon. Then a repeat presentation at the Telford Community Park Hall on Range Road 260 March 13 at 7 pm. Join us for a crime prevention presentation and question and answer session. The RCMP will be in attendance for all events. More community meetings in your area are in the planning stage and will be announced soon.
