

THORSBY TARGET

Your Input Needed

From Town of Thorsby

Council is committed to find better ways to engage the community members and to encourage public participation.

One of the ways to get your input is through a short survey. This survey takes about 5 minutes to complete and will provide the Town valuable information in order to make informed decisions based upon the opinions of the community. The survey is regarding dog licenses, recreational usage and utility billing.

You can find the survey online at www.thorsby.ca or on our facebook page. If you don't want to fill it out online, we have paper copies in the office.

The deadline for the survey is April 2nd. Your participation is greatly appreciated.

Thorsby RCMP Prevent Break and Enter in Progress

From Thorsby / Breton RCMP

On March 18, the Thorsby RCMP observed a suspicious vehicle parked in a driveway which ultimately led to arrests and the recovery of stolen property.

At approximately 7:00 p.m., while on patrol in the rural area, Thorsby RCMP members spotted what appeared to be a suspicious vehicle parked on the driveway of a

residence near Township 480 and Highway 778. The RCMP determined that the vehicle had a fake licence plate. A male and female were arrested outside the residence, and further investigation revealed a break and enter in progress within that residence.

Both have been charged with numerous offences including breaking and entering, possession of stolen property and other offences related to failing to comply with conditions of their prior releases. A search of the vehicle revealed other stolen property from other detachment areas.

Both remain in custody and are scheduled to appear in Provincial Court of Alberta in Leduc on March 22nd, 2018.

Partnerships with community members are important to the RCMP in ongoing crime prevention. If you see something or someone suspicious, report it to your local detachment.

The New Year has been off to a busy start for the club! On January 6, 2018 the club hosted their public speaking day. Congratulations to everyone for a job well done! First place winners were:

Junior Speech- Stephanie Wagner
Intermediate Speech- Colby Borys
Junior Presentation: Ethan and Ashton Dobko.
Stephanie Wagner attended the District Public Speaking

On January 27, members from our club attended a judging clinic at the Bull Congress in Camrose. We had a great day and learned a lot.

District Curling Day was a fun filled day held at Calmar Curling Club on February 8th.

On February 11, the members of our club went on a calf tour. Everyone's calves are looking very good.

We are happy to announce that our club has a new Pheasant Project that will be starting in May.

Upcoming events for our club include-
Our Mini show that will be held on April 8th.

Our Beef Achievement Day will be held on May 7 at the Thorsby Haymaker Center. Mark it on your calendar and please come out to support our club!

The Horse Achievement Day is June 9th.

I asked my trainer which machine at the gym I should use to impress beautiful women... he pointed outside and said "The ATM machine"

Leduc County's response to Coal Community Transition Fund announcement

From Leduc County

The provincial government announced yesterday that Leduc County will receive \$250,000 in funding from the Government of Alberta's Coal Community Transition Fund (CCTF).

The funding announced is appreciated, however, it falls significantly short of what is required to help mitigate the impacts of the government's coal policy. In November of 2017, Leduc County submitted an application to the CCTF for \$1.9 million, which was intended to serve as support for the county in the short term as the transition from coal takes place.

Leduc County is working diligently with the federal and provincial governments to secure funding to help diminish the impacts of the shift away from coal-based electricity, which will cost the county approximately \$20 million. This recent announcement is disappointing. The Government of Alberta had pledged to support community members and municipalities, like Leduc County, who are adversely affected by the transition away from coal. By not receiving the amount of funding requested, the impacts of the coal phase-out will be felt more deeply by our residents and stakeholders. We will continue to work with both levels of governments to address the consequences of this transition.

Mayor Tanni Doblanko

Leduc County is home to the Genesee Generating Station, which has a projected end-of-life date of 2029. The Genesee Generating Station directly and indirectly employs an estimated 450 people. Phase out of coal-fired electricity generation is expected to impact 75 households in Leduc County through loss of employment.
