

# THE BRETON BOOSTER

## 35th Annual Walk for Children

The Annual Walk for Children is on May 12th hosted by Leduc Elks for the North Central Zone. Registration is from 11-12. Lunch is at 12 noon. Walk starts at 1:00 p.m. Pledge forms are on the Alberta Elks website at [www.abelks.org](http://www.abelks.org)

All proceeds go to our national charity -- The Elks & Royal Purple Fund for Children -- providing funding for children in need and programs related to the early diagnosis and treatment of hearing and speech disorders including ISTAR -- Institute for Stuttering Treatment and Research -- in Alberta.

The Elks & Royal Purple Fund for Children provides Financial Assistance for medical needs of children with hearing and speech disorders under the age of 19.

In complement to Financial Assistance, the charity provides funding for programs that address the needs of children with hearing and speech disorders.

The national charity enables an Elks Lodge to respond at any time to a child in their community with medical needs even if they do not have charitable funds in their own account. In this way, the national charity becomes a local charity. By accessing the Fund when necessary, Lodges can build their profile in the community as a caring organization and one worth joining. By donating to the Fund when they are able, Elks Lodges contribute to an insurance policy of sorts for all Lodges to access in times of need.

See inside for more news about the Breton Elks!

## The Clock Is Ticking

From MP Jim Eglinski

Kinder Morgan suspended all "non-essential" spending on its Trans Mountain pipeline expansion due to opposition from the British Columbia government. The company issued an ultimatum that it will not commit any more money to the \$7.4-billion project unless it can get an agreement from the province to stand aside by the end of May.

The regulation of interprovincial pipelines falls under federal jurisdiction. The Trans Mountain Pipeline passed environmental reviews and regulatory hurdles. The federal government approved the Kinder Morgan Pipeline. My question is simple: as the Trans Mountain expansion is in the national interest, will create tens of thousands of jobs, add billions to the economy and help fund important social programs, why hasn't this Liberal government intervened?

Prime Minister Justin Trudeau vetoed the approved Northern Gateway, as well as killed the Energy East pipeline with last minute rule changes and a regulatory standard that does not apply to any other sector of the Canadian economy. Now, his inaction to stand by his words to proceed with the pipeline has put the Trans Mountain expansion on hold.

In a press release on April 8, the Minister of Natural Resources, the Honourable Jim Carr, stated: "We will act in Canada's national interest to see that this project is built... We have the responsibility to ensure the stability and growth of the Canadian economy and to get our resources to market, and British Columbia shares in this responsibility."

This lack of action by the Federal Liberal Government is unacceptable. This is an economic and constitutional disaster for Canada. A province cannot use underhanded tactics to effectively seize control of the development of this country's resources.

This is Kinder Morgan's call for help. Kinder Morgan has issued an ultimatum. Ms. Notley and Mr. Kenney have answered. The question is, will the Trudeau government act or just give more lip service? It is time for this Prime Minister to show leadership and take action. The clock is ticking.

### **Volunteer Appreciation Night - Friday, April 20th.**

Tickets are now available for our Community celebration during Volunteer Appreciation Week. This event is open to anyone in the community as we feel that there are many different kinds of Volunteers. There are those who belong to a structured group and volunteer with events, projects and activities. But there are also community members that help out their neighbors, do random acts of kindness and are there to lend a helping hand when needed. It takes all kinds of Volunteers to make a Community strong. Our evening will include a Roast Beef Dinner with all the trimmings followed by the entertainment of Ol'Ugly and his humorous Country & Western story telling. Community groups that would like to honor or recognize any of their volunteers at the event, can contact Breton FCSS @ 780-696-3636 or bfcss@telus.net. Tickets for the evening will be available on April 3rd at a cost of \$10/person.

**Summer Employment** – Are you energetic, hardworking and love to spend time with youth of all ages? We are currently looking for 2 individuals that would like to work in our summer program. **The Minster's Seniors Service Awards** recognizes individuals and organizations who volunteer to help seniors in Alberta. Each year, these awards recognize individuals of all ages and organizations that volunteer to support seniors. There are many people and groups who volunteer their time and energy to support seniors in so many ways. Ensuring a senior makes it to an appointment, offering a computer tutorial or just taking the time for a nice chat over a cup of tea on a cold winter's afternoon are a few examples of ways Albertans support seniors. For more information about the Minister's Seniors Service Awards, visit <http://www.seniors-housing.alberta.ca/seniors/service-awards>. Nomination deadline is April 23, 2018. Nomination forms are available on line or at the Village of Breton Office.

## Greetings from the Elks

from Allan Smith, Breton Elks Lodge #402

I realize everyone is patiently waiting for warmer weather and I am sure it will come. In the meantime we need to reflect on the past winter for a short moment and say Thank you to Ken McCulloch, Marv Millner and Wayne Hill for their kind and thoughtful help in helping with the Ice Maintenance this past winter. Thank you, also, to all the Brother Elks in their effort to provide skating pleasure for the community. Thank you in a huge way to Big Tee Restaurant for the coffee breaks during and after the shift of cleaning the ice. It was very much appreciated.

As we all have the greatest confidence that the weather is going to improve immensely, several members will be attending the Spring District Meeting being hosted by Edmonton #11 Lodge April 14.

The Annual Walk for Children will follow on May 12 hosted by Leduc Elks. Registration is from 11-12. Lunch is at 12 noon. Walk starts at 1pm. Pledge forms are on the Alberta Elks website.

A spring cleaning is also planned for the local campsites in preparing for another camping season.

The Breton Elks will be hosting the Pancake Breakfast on July 1st.

## Alder Flats 4-H Multi Club

Submitted by Jay Hopfe

Alder Flats 4-H Multi Club held their Communications Competition on January 27, 2018. All the kids did amazing jobs on their speeches. Moving on to the District Competition both Erich and Emily came in second and will be going on to Regionals. We wish them good luck.

Alder Flats Multi club volunteered at the Lions seniors supper in Winfield in January.

Some of the highlights that we have done this year was having a pizza party while watching the Drayton Valley Thunder Hockey Team play against the Bonnyville Pontiacs winning 3-2.

Some of the kids will be attending the Red Deer Rebels Hockey game against the Medicine Hat Tigers in March.

One of our future activities will be curling.

## Design with Fido in Mind

Most Canadians would probably agree: a house is not a home without a pet. Over two thirds of Canadian households own at least one cat or dog and many own both – that's a lot of furry friends. The problem, however, is that a pet can take a toll on your living space and put a damper on your design plans. Whether it's scratching floors, staining carpets, or wreaking havoc on your new sofa set, cats and dogs often have their own design ideas. Thankfully, there are plenty of stylish options available to make your home more pleasant for your pets, and your pocketbook.

**Carpets** - As comfy as carpets are, they aren't always the best flooring option for pets. Carpets get stained, collect pet hair, and tend to retain odours. Stain resistant carpets can help alleviate these problems but be careful, as most are treated with a topical application of chemicals that may be harmful to your pet's long-term health. As a safe, cost-effective alternative, try using an area rug or even carpet tiles. Square carpet tiles join together to create a full carpet or area rug and allows you to mix and match designs and colours. As a bonus, you'll have the flexibility to replace soiled or overused tiles at minimal cost.

**Flooring** - The pitter patter of a pet's paws is best kept to harder surfaces. Hard surfaces are healthier for your cat or dog, easier to maintain, and cooler for pets with thicker coats to lie on. Wood surfaces such as oak, cherry, and maple are also scratch resistant and more durable than other woods. For a low cost flooring alternative, try using tile, bamboo, laminate or even rubber flooring. These types of surfaces will resist your pet's claw marks and help prevent odour retention too.

**Fabrics and Furniture** - Let's face it, keeping your dog or cat off the couch isn't always easy. So, when searching for pet-friendly furniture, opt for tightly woven fabrics that can resist tears and rips. Crypton, for example, is a nearly indestructible synthetic fabric. It's stain-resistant and perfect for defending against muddy paws and the dirt and grime that pet fur can leave behind. Quality leathers, ultra suede and micro fibers are all extremely durable, odour resistant, and easy to clean. And if purchasing a new sofa isn't in the plans, try using a slipcover. Slipcovers can be custom designed to fit over any sofa, chair, or futon mattress that Fido likes to sleep on when you're not home.

A pet friendly-home doesn't mean that your design ideas have to 'go to the dogs'. With the right mix of fabrics, flooring, and furniture, you and your pet can live in comfort and style.

### Community Volunteer Income Tax Program FREE INCOME TAX PREPARATION

For low income persons, families, seniors and students. We will begin taking information for tax season on March 1. Although this is something that most of us would like to avoid thinking about and doing, I am afraid that this is unavoidable. You should file an income tax form each year, even if you have no income to report. By doing this you may receive benefits that you did not know you were eligible for. Also in the event of the death of your spouse, benefits can easily be transferred to you if you have filed a return for the last calendar year. If you did not file a tax return in 2016 you may not be receiving benefits from the government that you are eligible for. The focus of the Community Volunteer Tax Program is to assist those individuals who have limited income. This includes seniors, families and students. If your income was in one of the following categories you may qualify for assistance.

· 1 person	30,000
· 2 person family	37,000
· 3 person family	40,500
· 4 person family	43,500

We are not able to complete returns with income from the following sources:

Capital Gains or Losses, Farming Income, Rental Income, Self-Employment, Interest exceeding \$1,000, Bankruptcies, Deceased Persons

This service is FREE to those who qualify. If you require this service, please gather your information and bring it to the Village of Breton office Monday to Friday between 8:30 – 4:00. Clients will be notified when your return is completed. The program will run from March 1 – May 1, 2017

We require the following information in order to complete your return:
