H.U.G. Event

Healing Using Generosity

Saturday June 9, 2018

Open House 10:00 a.m. - 4:00 p.m.

BBQ 11:00 a.m. - 2:00 p.m.

Fas Gas Thorsby, AB

On October 6, 2017, Ki Yun Jo (known as Jo), the owner of FAS GAS in Thorsby, was killed when he held onto the mirror of a stolen vehicle that committed a gas and dash robbery at his station.

On June 9, 2018, one weekend before Father's Day, we, the community, are hosting an open house with the goal of supporting the grieving family and stimulating financial support of the family's GoFundMe page.

My name is Rhonda Fiveland. I am organizing this event. I am a local, small contractor. I have arranged with my paint distributor, Benjamin Moore in Leduc, owner Dave Allen, to provide all paint and supplies necessary to paint the exterior of the gas station with the FAS GAS colours for free. I will lead the painting with volunteers.

The high painting of the building will be completed in advance. Man Cave Rentals from Pigeon Lake has donated a lift for me to use. On the day of the event, I will have several volunteers help me complete the lower level painting.

I have spoken to Dan Dick; the owner of Dick Construction from Wetaskiwin. He is going to coordinate with his suppliers and shingle the roof of the gas station for free. This, too, will be completed in advance of the event for safety and pragmatic reasons.

I have been speaking with the family regularly for the last two weeks. This business is in need of many things

to get it up to date and fully operational. Last Thursday, the hot water tank began leaking, flooding the utility room. The age of the hot water tank and how it is vented has led to the need for not only a new hot water tank but a new furnace as well; an unexpected expense of \$6000.00.

The tanks in the ground are over forty years old. Therefore, the insurance company is requiring an update. This is an expense that can run hundreds of thousands of dollars.

The hope is that the media can assist me in stimulating the community to assist this family. Jo knew everything about this business and had a plan. He was able to repair most things that needed to be repaired and had the knowledge of who to contact when he needed outside sources.

This family, Meyoung-Hee, Jo's wife, Ka Yung (Ka), Jo's daughter, and son Sung Hyun (Ed), are extremely overwhelmed. Not only are they in a position to have to learn this business, they are doing so while grieving.

Respectfully, I look forward to your support and am open to any ideas of how to make this campaign more successful.

Thank you, Rhonda Fiveland

Lions Clubs International is the largest service club organization in the world. We have more than 1.4 million members in more than 46,000 clubs worldwide. **Where there's a need, there's a Lion.** We're men and women serving in more than 200 countries and geographic areas. Lions serve. Our motto is "We Serve." Founded in 1917, we are best known for saving sight, but we also feed the hungry, aid seniors and the disabled, care for the environment and so much more. Lions are a global service network of volunteers that make a difference in their local communities. **Lions give sight.** By conducting vision screenings, equipping hospitals and clinics, distributing medicine and raising awareness of eye disease, Lions work toward the goal of providing vision for all. Through the support of the Lions Clubs International Foundation (LCIF), Lions have helped provide more than 153 million treatments for river blindness and 72 million doses of a sight-saving trachoma medication through the SightFirst program alongside our partners. Lions and LCIF have also helped provide vision screenings for more than 22 million children through the Sight for Kids partnership program. **Lions serve youth.** Our community projects often support children and local schools through scholarships, recreation and mentoring. Internationally, we offer many programs to empower youth, including the Peace Poster Contest; youth camps and exchanges; and Lions Quest, an LCIF positive youth development program. Our Leo clubs help young people develop leadership skills while impacting their communities through service. There are 168,000 Leos and 6,700 Leo clubs in more than 140 countries and geographic areas worldwide. Lions receive grants and the world receives benefits. Since 1968, **Lions Clubs International Foundation has awarded more than 12,600 grants** totaling more than **\$949 million in support** to Lions' humanitarian projects. As the official charitable organization of Lions Clubs International, LCIF helps Lions improve the lives of millions of people through four pillars of service: saving sight, supporting youth, providing disaster relief and meeting humanitarian needs. Through the Foundation's generous support of large-scale humanitarian initiatives, Lions are able to extend their reach from local communities to the global community in order to serve those who need us most.

Walk for Mental Health

Promoting awareness and support!

Do you or someone you know battle with Mental Illness? Mental illness and emotional dysregulation are becoming more and more prevalent in communities across Canada. Many people sadly suffer in silence, afraid to ask for help for fear of being judged. **Help end the stigma! #GetLoud**

There are many fundraising events for various illnesses, but Mental Health events seem rare. Alberta Teachers' Local No 8 (Black Gold Teachers) are organizing an event in Devon on May 27! **Please join us!**

A Thorsby Elementary teacher's personal experience was what precipitated the planning of this mental health event. Tragically, TES teacher, Mrs. Maxwell, lost her 23 year old son, Tom, to suicide last month. She fought tirelessly to get the support needed for her son's mental illness. She accessed all the tools available through AHS, to no avail. And though her story ends tragically, she is grateful for one thing, she found a free class to help her learn how to communicate effectively to a loved one with severe emotional dysregulation. The skills she learned gave her a renewed HOPE for a relationship with her son before he died. The class was provided by the "Sashbear Foundation" (an all-volunteer Canadian registered charity). And these skills she learned not only can benefit a parent but also a teacher. Skills that can be used in homes & classrooms. Donations from this event will go to the Sashbear Foundation, in hopes it can help those who are struggling, as well as parents, teachers and students.

"Tom's Walk"

(In memory of Thomas Maxwell)

Sunday May 27 at 1:30 pm in Devon, Alberta

Meet at Devon's Field of Dreams baseball park on the south side of Devon off of Highway 19 (at the playground on the north end of the field). We will be walking to Voyageur Park which is located on the banks of the North Saskatchewan River (about 5 km). Busing will be available to return to the ball diamond (thank you so much Art Burnett for donating your bus & services)! Food will be provided following the walk so stay and make connections with each other and help fight the stigma that comes with mental illness.

To **donate or register** for "Tom's Walk" and join our team click on the following link <https://borderlinewalk.dojiggy.com/ng/index.cfm/b02fb7e/reg-pages/pledge/TomsWalkinDevonAlberta>. A t-shirt is included in the registration. BE SURE TO REGISTER BY MAY 18 SO T-SHIRTS CAN BE SHIPPED FROM TORONTO IN TIME.

The Sashbear Foundation

Making waves for mental health and suicide prevention

Please note that several "Sashbear Foundation Walks" for Mental Health will be Canada wide on May 27. The Devon walk begins at 1:30 pm (not 9 am).

FOR THORSBY FAS GAS

Thorsby, AB

Saturday, June 9, 2018

Open House 10:00 - 4:00 PM

BBQ 11:00 - 2:00 PM

Please come and support Jo's family as they continue to grieve the loss of their husband and father, while struggling to maintain Jo's vision for this gas station.

Every year, as the month of May comes around; we announce that "May is Crime Prevention Month". What does that mean? Well, it means that everyone should take a few minutes to look at what you are doing around your farm, home, or business, on a regular basis, to reduce the risk of becoming a target, or victim of crime.

Crime prevention on your property varies depending on where you live. Take for example, a driveway or entrance gate. If you live in an urban setting, then a gate at your driveway is not practical. But in a rural setting, a gate at the driveway entrance may be a practical and a cost effective deterrent to crime. Gates can be ornamental, or a simple barbed wire gate. Some 'home made' gates are very effective and can be designed to look stylish as well.

Driveway alarms that announce the arrival of a vehicle or person that has entered your property are becoming very popular. They have different ring tones and some alarms are effective up to one kilometer away. Most are wireless and can be installed on a fence post with the base station installed in the home or work shop.

Keeping your yard, acreage or farm yard neat and tidy shows that you care about your belongings and you will protect them with some type of security. This could be a simple lighting, censored or day night type of lights or a full version of a security system that may include cameras and horns. Lights have changed drastically over the last 5 years and the new LED flood type lights are very energy efficient and provide excellent light for use with the night time cameras. This ensures a good quality picture in the event that you are broken into and the need for a suspect picture is required.

Not locking your vehicles is the number one cause of vehicles being stolen. It seems to be a crime of opportunity that is growing every year. In 2017, 39% of the vehicles stolen in Leduc area had their keys in the vehicle. Use of a steering wheel locking device, is very effective in reducing your risk of becoming a victim of auto theft. Even the newer automobiles, that use a key FOB to start your car when you enter the vehicle, can be circumvented as well. Do not keep your FOB in your vehicle and place the FOB in a tin can, in your home, to prevent the criminal from stealing your FOB code by reading the signal remotely.

Fraud is a favorite target of the sophisticated criminal

and takes many forms. Fraud can happen to anyone. A simple trick to make you believe you are getting a great deal when you are not, is a form of fraud. Impersonating a legitimate business or individual is also fraud that we see every day. Keep personal information out of the hands of the criminal by not responding to 'too good to be true' offers. Do not respond to email offers and telephone calls selling items at great prices.

Pick pockets and stolen purses continue to be a criminal's method of getting your identification and money. Setting your purse on a checkout counter can be stolen in a flash, when you look away for a second to care for a fussy child. You can prevent some attempts at theft but you can never be 100% ready for the fact that you have become a victim. Take a few minutes today and record all the information that is in your wallet or purse, such as credit cards, health care and drivers' license. Keep this information in a safe place along with the contact numbers of all information sources so you can cancel and have your documents reissued. These contact numbers are usually on the back of your credit cards and Alberta registries can issue new Drivers licenses and health care card can be directed to Alberta Health. Remember to only carry necessary information with you.

Remember, to always be aware of your surrounding and practice the old adage, "Don't feed the bears" referring to a practice of not making the criminals' job easy, when they try to turn you into a victim.

Announcements of upcoming community crime events; 'Secure it or lose it' license plate temper proof screw program will be at the Leduc Recreation Centre east parking lot Saturday May 12 from 1 pm. to till 4 pm. hosted by the Nighthawks and Leduc RCW.

Leduc County Council Approves 2018 Budget

Leduc County council approved the final 2018 budget and set the 2018 tax rates at its regular council meeting this afternoon.

Council approved an \$86 million operating budget and \$33.3 million capital budget, which represents a 1.16 per cent tax increase over 2017.

The 2018 budget solidifies Leduc County's commitment to efficient, effective services in the region and allows us to support new initiatives that will enhance these services and give us the flexibility to make decisions that will meet the growing needs of our customers.

Mayor Tanni Doblanko

The 2018 capital budget includes \$7 million for the annual road surfacing program, \$1.1 million for a fire station expansion in the New Sarepta fire district, \$920,000 for capital equipment and vehicle purchases for protective services, \$2.2 million for bridge rehabilitation and \$335,000 for parks and recreation purposes. The 2018 operating budget includes major projects of \$2.2 million for parks and recreation; with a \$1.5 million portion going towards the Warburg arena upgrade.

2018 tax rates - The 1.16 per cent tax increase results in minimal tax increases for most land owners. Approximately 82 per cent of Leduc County property owners can expect a property tax increase of less than \$100 over 2017. Twelve per cent of property owners can expect an increase between \$101 and \$250 and the remaining six per cent can expect an increase of more than \$250.

Property taxes are comprised of municipal taxes, other requisitions, local improvement tax and the provincial education tax. Leduc County is obligated to collect the provincial education tax, as set by the Government of Alberta, as part of its property taxes. Leduc County's total 2018 education property tax is \$24.9 million, which represents an approximate 3.36 per cent, or \$800,000, increase over 2017.

Tax notices will be mailed to residents no later than the last week of May 2018. Taxes are due by June 30, 2018.

Fire Restriction Issued for Leduc County

As a result of dry conditions, high winds, and no relief in the forecast, Leduc County is now under a Fire Restriction. Leduc County fire guardians are prohibited from issuing fire permits, and all fire permits previously issued are suspended, as per the Forest and Prairie Protection Act.

All outdoor fires burning at the time of the restriction's issuance are to be immediately extinguished, and individuals must use extreme caution when using burn barrels or fire pits. Leduc County fire officials will continue to monitor the situation, and will update the public when conditions improve.

For further updates and information, please visit our burning and permits page or www.albertafirebans.ca.
