Haymaker Rodeo Weekend Something for Everyone!

Saturday starts off the busy day with a pancake breakfast at the Community Hall followed by the Slack performance at the Haymaker Center. After catching some of the rodeo action you can head downtown and take in the parade with a salute to the Haymaker Rodeo where the theme this year is Western.

Before and after the parade be sure to visit the local shops where there are sure to be some great weekend deals! Kids and the young at heart can have their faces painted during the parade to get the May Long weekend party started. The Thorsby Communities In Bloom Society will have a Barbecue Stand operating on Main Street leading up to and after the parade to chow down on some good BBQ.

This is a fundraiser for the group. They will be offering burgers, hot dogs and cold drinks.

Every dollar raised will support another great-community project.

After the parade you can meander along main-street and check out the awesome cars that were in the parade this year.

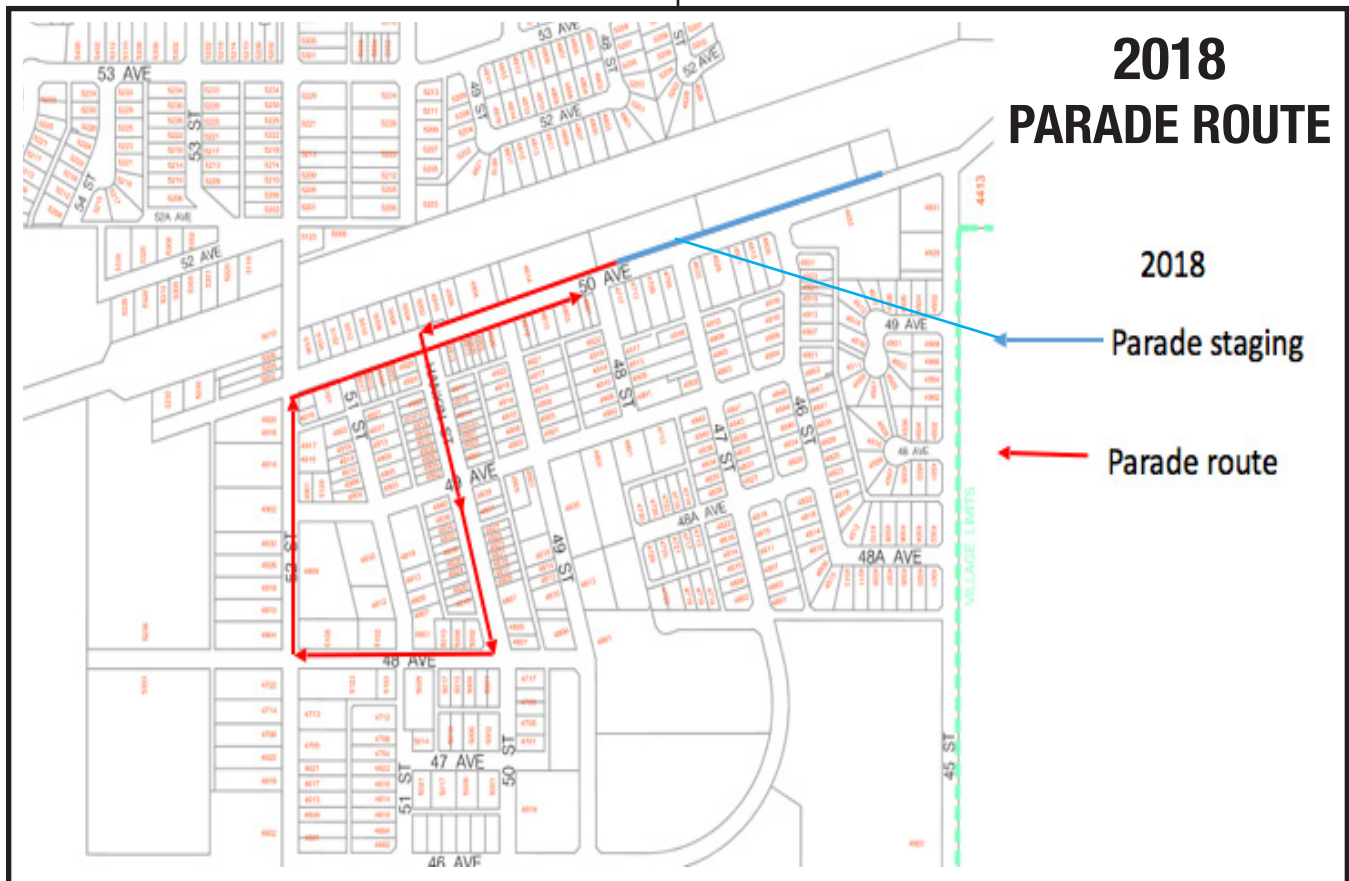

Rodeo performances pick back up at 5:00 pm with the finals being on Sunday at 2:00 pm.

Saturday night you can kick it up at Thorfest 2, featuring Sweet Tequila plus The Party Hog! The evening will be full of great tunes, great door prizes, live auction and a 50/50! There's still a few tickets left so get yours soon! Call for more info.

Not quite enough for you? Well then head on down to the Thorsby Hotel where there are events for adults only planned all weekend.

Don't forget this weekend you can get 1/2 price camping at the Thorsby Lion's Campground. Spots are already filling up, so get there quick, it's first come - first served!

Have a great time, stay safe and enjoy all the May Long Weekend activities in Thorsby!

The Alberta RCMP gears up for National Road Safety Week

From Alberta RCMP

The Alberta RCMP is proud to participate with the Alberta Sheriffs in Canada Road Safety Week, May 15 to 21, 2018, and National Impaired Driving Enforcement Day on May 19. The dates were strategically chosen as Victoria Day Weekend typically marks the beginning of the “summer” and road trip season for many Albertans and Canadians. Sponsored by Transport Canada and endorsed by law enforcement agencies across the country, the national campaign is part of Canada’s Road Safety Strategy which aims to make Canada’s roads the safest in the world by 2025.

“Road safety is a shared responsibility between all road users. We all have a role to play to ensure our own safety and that of others on the road,” says Superintendent Gary Graham, Alberta RCMP Traffic Services.

As part of the campaign, RCMP officers will set up checkpoints at strategically selected locations across Alberta to curb the behaviours that put road users most at risk: drug or alcohol impaired driving, distracted driving, aggressive driving and failure or improper use of seatbelts.

“During the Victoria Day weekend, we typically witness an increase in traffic volume and a greater mix of cars, RVs and motorcycles,” explains Superintendent Rick Gardner, Alberta Traffic Sheriffs. “As more people are traveling to enjoy the first long weekend of the season, collisions are more frequent. We remind Albertans to drive responsibly and safely.”

Safe driving habits can reduce collisions on roads and save lives. Some road safety tips include: using seat belts at all times and ensuring young passengers are properly restrained with age and size-appropriate safety seats or seat belts; driving within allowed speed limits; never driving while impaired or using the phone; and watching for pedestrians and for vehicles stopped or slowing down in the next lane as they may be yielding to a pedestrian.

Public assistance needed in identifying suspect

From Thorsby / Breton RCMP

Buck Creek, Alberta - On May 7th, 2018, Breton RCMP received a report of a break and enter that occurred the previous night between 4:30-4:45 a.m., at the Buck Creek Liquor Store. Entry was gained through the front door, causing extensive property damage.

Several suspects were involved in the break and enter and were armed with a firearm. The vehicle used in the offence was a silver four door sedan with five spoke rims.

Thorsby RCMP are seeking the public's assistance in identifying the suspect or vehicle in the picture attached. The vehicle and suspect should not be approached. If you have any information that could assist in this investigation, please contact the Thorsby RCMP at 780-789-3951, or Crime Stoppers at 1-800-222-8477 or www.crimestoppers.ab.ca if you wish to remain anonymous.

Aluminum Tabs?

From The Breton Elks

Have you been saving aluminum pop can tabs? Have you forgotten why? Have you lost track of who was collecting them? We can help. Alberta Elks started collecting aluminum for recycle several years ago and the Breton Lodge is happy to assist in this endeavor. Beverage can tabs plus aluminum baking pans or aluminum pull lids from canned nuts, infant formula, etc. are all eligible for recycling. With a little advance notice, the Breton Elks Lodge have also accepted aluminium eavestroughing, canoes and wheels for recycling. With the proceeds from this project, the Alberta Elks Foundation is buying equipment for hospitals in rural Alberta. All of us can easily assist the Elks by setting a jar or bottle near our can recycling container and dropping the tabs in. When you have any sizable amount they may then be dropped off at Breton Library or Darren Scott Accounting in Breton. Alberta Elks hold their annual spring meeting the second weekend of June so if you have tabs that you would like to send, bring them in so that they can be delivered at that time. It takes very little effort for all of us to help the Elks help our rural hospitals.

MP REPORT

from The Office of MP Jim Eglinski,
Member of Parliament for Yellowhead

New Horizons for Seniors

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to advise that Social Development Canada has launched the New Horizons for Seniors Program (NHSP) 2018-2019 call for proposals for Community-based Projects.

Programs like NHSP not only encourage seniors to stay involved in their community, but also increase their social participation and inclusion. This is key to enhancing their well-being and quality of life, as well as to enable them to stay active and share their knowledge, skills and experience with other community members.

The NHSP call for proposals, open until June 15, 2018, is seeking proposals for projects led or inspired by seniors. Organizations are invited to apply for funding, under the following three national priorities, for projects that empower seniors to initiate and participate in activities that:

- benefit vulnerable seniors populations,
- focus on diversity of Canada's seniors; and
- will promote volunteerism to increase an organization's capacity.

Eligible organizations can receive up to \$25,000 in project funding. Starting this year, organizations that have not benefitted from NHSP funding during the last five years can receive up to \$5,000 as part of the new small grants pilot project.

"I strongly encourage all local organizations to submit applications for this funding. These

activities empower seniors, enabling them to pursue an active lifestyle, expand their social network and explore new learning experiences that will better equip them to face the challenges of our rapidly evolving society," concluded MP Eglinski.

For more information and the online application, visit: <https://www.canada.ca/en/employment-social-development/services/funding/new-horizons-seniors-community-based.html>
