Safety at forefront of May long weekend traffic operations

From Leduc County

Leduc County peace officers issue 55 charges, 31 warnings. Leduc County peace officers ushered in the summer season with a number of proactive enforcement operations over the Victoria Day long weekend.

Over the four-day period from May 19 to May 22, peace officers travelled 4,728 kilometres and issued a total of 55 charges and 31 warnings for speeding, distracted driving, intersection safety and gaming and liquor violations.

This past weekend our experienced and dedicated peace officers charged 39 drivers with speeding. Although we are disappointed that motorists continue to drive in excess of posted speed limits, we are encouraged by the decline in the number of charges laid in comparison to last year. We are confident that these charges will act as a deterrent for these and other motorists in the future. - Clarence Nelson, Director of Enforcement Services

Three excessive speeders were charged, including a 37-year-old Edmonton motorist travelling 144 kilometres per hour in a 90-kilometre-per-hour zone on Range Road 263 near Township Road 492. Two additional motorists were charged with speeding at more than 40 kilometres per hour over the posted speed limit.

Other infractions included a 47-year-old male from Calmar who was charged with stunting after laying a patch of rubber on Highway 795 near Township Road 480.

In addition to patrolling the roads, Leduc County peace officers also conducted a boat patrol on Wizard Lake on Victoria Day, which resulted in an equipment violation. Boaters are reminded to always ensure that they have their Pleasure Craft Operator's Card available when enjoying the water and, at minimum, one personal flotation device (PFD) per person on board.

In 2017, peace officers issued 97 charges and 34 warnings over the same four-day period.

**Lin-Berry Buck Club
Report
by: Reese Holmgren &
Myah Robb**

March to May

The Lin-Berry-Buck 4-H is getting close to the end of the club year and our club is wrapping up the year with our final activities.

On April 7th our club went to the Drayton Valley Bowling Alley and spent the evenings knocking down pins. It was super fun!

On May 4th our club, along with the Drayton Valley inter-club, went around Drayton Valley inviting companies to our annual Show and Sale on Monday, May 28th.

On May 5th Lin-Berry-Buck got their hands dirty by picking up trash in the ditches outside Breton.

On Saturday, May 12th our club will held our annual Mini Show where we practice for Show Day. The Show on May 28 starts at 9 am in the morning, and the sale is at 7 pm. Hope to see you there!

MP REPORT

from The Office of MP Jim Eglinski,
Member of Parliament for Yellowhead

No Clarity on Carbon Tax

Justin Trudeau is trying to ram through his carbon tax. He has failed to tell Canadians how much this tax hike will cost or what it will achieve. Over the last two years, Conservatives have asked the government dozens of times to tell us how much a middle-class family will pay in new taxes and each time the Liberals have covered up the truth. Multiple requests for information filed with the government have resulted in the release of documents that have key information blacked out.

Canada's Conservatives have also repeatedly asked how much the Liberals' carbon tax will reduce greenhouse gas emissions, but the Prime Minister and the Minister of Environment have refused to answer. When asked directly to provide real numbers on how much the Trudeau carbon tax would actually help the environment, Environment Minister Catherine McKenna could not even answer the question. That's unacceptable when Canadians are footing the bill.

The Parliamentary Budget Officer released a new report recently which found that the Liberal carbon tax will take \$10 billion out of the Canadian economy by 2022, while other estimates argue the cost could be as much as \$35 billion per year. This will hurt jobs, workers, and their families.

While the Liberals admit that gasoline prices will go up by at least 11¢ a litre and that the cost of heating one's home will increase by over \$200, they will not tell us what the overall cost will be for an average Canadian family.

Justin Trudeau is making life more expensive for Canadian families. Gas prices, electricity rates, taxes and mortgage payments are all increasing, making it difficult for families to make ends meet. His Liberal government has raised income taxes on 80% of middle class taxpayers, boosted payroll taxes, and now he is ramming through a carbon tax that will inflate other consumer prices.

Conservatives understand that you cannot tax your way to a cleaner environment. Our party will continue to fight for lower taxes and continue to call on the Liberals to immediately end their carbon tax cover-up. We will always stand up for our energy workers and, when we are voted into government in 2019, we will undo the damage Justin Trudeau has done.
