

THE WARBURG BUGLE

H.U.G. Event

Healing Using Generosity

Saturday June 9, 2018

Open House 10:00 a.m. - 4:00 p.m.

BBQ 11:00 a.m. - 2:00 p.m.

Fas Gas Thorsby, AB

On October 6, 2017, Ki Yun Jo (known as Jo), the owner of FAS GAS in Thorsby, was killed when he held onto the mirror of a stolen vehicle that committed a gas and dash robbery at his station.

On June 9, 2018, one weekend before Father's Day, we, the community, are hosting an open house with the goal of supporting the grieving family and stimulating financial support of the family's GoFundMe page.

My name is Rhonda Fiveland. I am organizing this event. I am a local, small contractor. I have arranged with my paint distributor, Benjamin Moore in Leduc, owner Dave Allen, to provide all paint and supplies necessary to paint the exterior of the gas station with the FAS GAS colours for free. I will lead the painting with volunteers.

The high painting of the building will be completed in advance. Man Cave Rentals from Pigeon Lake has donated a lift for me to use. On the day of the event, I will have several volunteers help me complete the lower level painting.

I have spoken to Dan Dick; the owner of Dick Construction from Wetaskiwin. He is going to coordinate with his suppliers and shingle the roof of the gas station for free. This, too, will be completed in advance of the event for safety and pragmatic reasons.

I have been speaking with the family regularly for the last two weeks. This business is in need of many things to get it up to date and fully operational. Last Thursday, the hot water tank began leaking, flooding the utility room. The age of the hot water tank and how it is vented

has led to the need for not only a new hot water tank but a new furnace as well; an unexpected expense of \$6000.00.

The tanks in the ground are over forty years old. Therefore, the insurance company is requiring an update. This is an expense that can run hundreds of thousands of dollars.

The hope is that the media can assist me in stimulating the community to assist this family. Jo knew everything about this business and had a plan. He was able to repair most things that needed to be repaired and had the knowledge of who to contact when he needed outside sources.

This family, Meyoung-Hee, Jo's wife, Ka Yung (Ka), Jo's daughter, and son Sung Hyun (Ed), are extremely overwhelmed. Not only are they in a position to have to learn this business, they are doing so while grieving.

Respectfully, I look forward to your support and am open to any ideas of how to make this campaign more successful.

Thank you, Rhonda Fiveland
A Better Choice Contracting Inc.

Successful candidates can expect year round work and excellent wages.

Pre-Employment Screening is a pre-requisite to hire.

Please email resume along with a current drivers abstract to resumeswb@gmail.com

COUTURE, Dyanna Marie

Dyanna Marie Couture, beloved wife of Richard Couture of Standard, passed away suddenly and entered heaven's gates on April 7, 2018, at the age of 34 years.

Dyanna was born on March 27, 1984, in Camrose, Alberta. Dyanna met Richard, the love of her life, in 2009 and they married on January 1st, 2014.

Besides her loving husband Richard (step son's Wesley and Normand), she will be lovingly remembered by her family: mother Patricia Noble; and brothers Dale, Rick, Shaun, Dan and Dallas Noble.

She was predeceased by her father, Ted Noble, on February 1, 2013. Dyanna was a loving wife, friend and Minister and will also be dearly missed by numerous nieces, nephews, extended family, friends and her four-legged fur babies.

Dyanna ventured on her path in life with the study of law. After a brief period, she got a higher calling. She knew for certain she was meant to be a Minister. During her short time with us, she made a tremendous impact on the lives of many. Through her work with young hearts in Sunday school, to the numerous congregation members she guided during Sunday sermon. When she was not helping others, she enjoyed crocheting and challenging herself to see what crocheting project she could accomplish.

"O people, the Lord has told you what is good, and this is what he requires of you: to do what is right, to love mercy, and to walk humbly with your God" – Micah 6:8

A Funeral Service will be held on Saturday, May 12th, 2018 at Standard NAZARETH LUTHERAN CHURCH (1020 1st Street, West Standard, Alberta, T0J 3G0) at 2:00 pm. A lunch will follow at the Standard Community Hall (across the road from the church). To send condolences, please visit Dyanna's obituary at www.wheatlandfuneralhome.ca.

4-H Alberta

Now Hiring

Kitchen & Janitorial Services Supervisor (PT)

The 4-H Foundation of Alberta is seeking a part time Kitchen & Janitorial Services Supervisor to work at the 4-H Centre at Battle Lake.

Duties include:

- scheduling kitchen and janitorial staff
- ordering food
- occasionally assisting with food preparation
- recruiting contract staff to assist with kitchen and janitorial duties
- work with our Admin. Assistant to prepare for scheduled client events
- work with our Site Maintenance Manager to set up facility for events
- perform other related duties as assigned

Qualifications:

- Proven experience as a supervisor in this capacity
- Ability to cook if required
- High school diploma or equivalent
- Food Safety Certification (training would be made available)

Closing Date:

As soon as a suitable candidate has been found.

Typical hours for this position are 8:30 am - 4:30 pm, 3 days per week unless kitchen duty is required of the Supervisor. There will be times when evenings and/or weekend work is necessary. Pay is \$18.50 / hour.

Interested applicants to forward resume to jones@4hab.com. Thank you to all applicants for your interest. We request no phone calls please.

Thank you

The family of Stanley Cygan would like to thank everyone for the love and support shown to us during the loss of our loved one. The food, gift baskets, flowers, donations, cards, visits, phone calls and kind words spoken to our family regarding the recent passing of a wonderful husband, dad, and grandpa, are greatly appreciated.

A special thank you goes to the doctors and nurses from the Leduc Community Hospital for their care and support, to Aubert Giffen for his kindness and officiating at the Celebration of Life, to the Warburg United Church ladies for the wonderful lunch they served, and to our friends and relatives who brought extra desserts to the service. A thank you, also, to Reg Glubish, Gail Elsenheimer, Bob Bach and Cathy Bach for providing the music, to the pallbearers and honorary pallbearers, to Mike Hauck for reading the Eulogy, and to Laine Cygan and Kelsie Cygan for reading "Born To Be A Farmer". We would also like to thank Serenity Funeral Homes for their help, support and care during this difficult time, and for doing the beautiful video tribute.

Thank you all once again. Your kindness and thoughtfulness are truly appreciated.

Marg Cygan & Families

“A Family Remembers”

A Tribute to the Life of Elsie Osbak

Part Three of Three - From Nolan Osbak

In 1958, when Elsie was ready to teach again, after having Tracy, son #3, in 1956, things were somewhat different. The family was living on their homestead farm and the school Elsie would teach at was the Genesee Central School. That meant Vern would drive Elsie to school everyday and would be going past Grandma & Grandpa Osbak's place so Tracy could be dropped off there in the morning and picked up in the afternoon.

Genesee Central School was made up of several districts, Genesee North, Old Genesee, Howard, Templeton and parts of Avon Moor and Strawberry. The site is now at the bottom of the Genesee cooling pond. Elsie taught Grade 4, 5, & 6, later just 5&6 from Sept/58 to June/68. In Sept/68 she transferred to Warburg Elementary where she finished her career in 1982. Edmonton Power expropriated their farm so they found a semi-wild quarter in the New Moose Hill area. With the help of their boys they made a nice home there. There was an acreage subdivision out of the quarter for Tracy. Gary was in Sherwood Park with his family and Nolan stayed at his parents place and went driving truck from there. For the first time in their lives Elsie and Vernor could take things easier. Together they enjoyed auction sales and ice fishing. Elsie enjoyed farm fairs and gardening. Vernor enjoyed woodworking. He made roll top desks, one for each of his sons. He also did custom haying for some neighbours for a while as the machinery had all been moved to the new farm. As the years went by the ill health began to appear. Vernor's arthritis and diabetes began to worsen and he died April 29th, 2001. Elsie's health began to deteriorate too and by October 2014 she had to leave home for good, spending time at the Drayton Hospital, Sunrise Village in Drayton Valley and the last year and ten months in Breton Long Term Care. But even in these places the teacher in her corrected the nurses' grammar. Elsie had always been a strong willed, independent minded, opinionated woman. Because of her, 2 grand daughters are independent. Kara became a doctor and Nikki has been on her own in Calgary for years. Elsie's two surviving grandson's treat their wives with respect and they both chose women who are independent. Vernor accepted Elsie's ways as his own mother took part in making big decisions. His grandmother was out trapping muskrats to earn money for her oldest grand daughter so she could become a teacher. She was in her sixties when she did this. And what do Elsie's sons think of their mother? I can't speak for the others, but no.2 son says "Well done Mom!"

Postscripts

1. After closing, the Onion Creek School building was

moved to Buck Creek.

2. When Templeton closed in June/52 the school building was moved across the road to Hartfelders and used as a machine shed for many years until it met its demise at the hands of Edmonton Power. The teacherage and coal shed were both moved to the new Genesee School site and used until the spring/62. In summer of '62 the Rainier teacherage was moved in as it was bigger and the Templeton teacherage was sold to a family in the Howard district. The coal shed was destroyed. In 2011 I went to an auction sale in the Howard area and there was the old Templeton teacherage for sale. It still looked in pretty good shape except for the interior walls having some holes in them. It sold for \$600. I hope it still exists.

3. The Strawberry Ridge building was moved about a mile down the road and remodeled into a farm house.

4. The Genesee North school building was sold in the summer of '63 to a farmer to be used as a grainery. It currently resides on a farm one mile east and one mile north of the power plant. It was no longer needed as a new cement block school had been built at Genesee in '62. Genesee was closed in June of 1972 and the big 2 room school was moved to Thorsby by movers to be used for storage. It was later sold to Vic Brandt of Warburg to be used as an auto repair shop. It currently is used by Wilf Brandt Trucking as an office. It has an identical sister school building in Breton and one similar in Warburg. Both are used as museums. The new school was used as a community hall until it was destroyed for the cooling pond.

June 1962 Genesee Central School (taken in front of the Genesee North School building which had been moved to the site). Front Row: Larry Snider, Marvin Miller, Frank Gaydar. Back Row: Janet Mertz, Barbara Gaydar, Laura Hansen, Linda Proc, Carol May, Leslie Broadbent, Larry Stocknick.

June 1962 Genesee Central School; Mrs. Avis McKee, Mrs. Elsie Osbak, Mr. Roman Baydaza (Principal), Mrs. Davies.

Celebrate Seniors' Week ~ June 3rd - June 9th

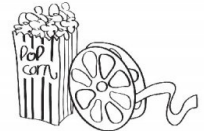

ANY senior in our community(55+), is welcome to attend these events. Warburg FCSS with support from our Village residents and local and/or surrounding businesses have coordinated the following events.

Entertainment by Carolyn Meyer and her students.

Wednesday, June 6th - Rocky Mountain House Museum

Join us on a bus trip to step into the past. This museum showcases the history of the pioneers who homesteaded in this area, worked in the lumber camps and sawmills, and sent their children to one-room school houses.

We will be stopping for a picnic lunch as well.

All this for only \$8.00 Limit of 16 people

Please call Cloverleaf Manor to register at 780-848-7717

Warburg School News

Submitted by Janet Sarvas

Thank you to our students and staff for their efforts toward our **Community Clean Up** on Friday, May 4th. Students in elementary picked up litter on the school grounds and high school students were in charge of areas from the LRT garage at the South end of our Village, to the North end at the corner service, working along the main ditches. All of our students took an active role in caring for their community and we thank them for being stewards toward making Warburg an even better place to be!

Mr. Hodges hosted a **Quiz Show for Education Week** with 17 teams entering to compete. At press time the Finale had not been held, but we anticipate that the questions will be incredibly varied, in true Mr. Hodges style, with the intention of digging out the nuggets of random knowledge these students carry in their brains for just this type of occasion. We have some stellar competitors!

The Kindergarten class will be serving snacks at their **Mother's Day Picnic** on Friday, May 11th at 1:00 p.m. Happy Mother's Day!

Our Senior Girls Rugby team-coached by Mr. Head-will be travelling to St. Joseph's High School in Red Deer on May 11th to compete in their first ever tournament! The girls have been practicing hard twice weekly and have certainly been tough at the tackling practice! We wish them luck in their inaugural tournament.

Warburg Parent Society is teaming up with Mabel's labels for our new fundraising campaign. This fundraiser is done completely online through Mabel's labels and there's no need to send in paperwork or money to the school. Just visit Mabel's labels on their website or at campaign.mabelslabels.com and look for Warburg school. This campaign runs until the beginning of October. The labels are waterproof, durable, can be personalized and are perfect for upcoming camps! A great way to support school activities and keep your kid's stuff out of the lost and found!

Next School Council meeting is on May 22nd at 7pm, we hope to see you there!

High School students are now busy preparing for their **final exams** which take place 6 weeks from today! Grade 11's should be meeting with Mrs. Hodges to ensure their graduation requirements are being met.

Grade 6 and Grade 9 parents and students have a **student/parent information night on May 29th**. This is to prepare the grade 6's for junior high and the grade 9's for high school! Contact Mrs. Hodges at the school for more information, or check out our Warburg website.

Just a reminder that there will be **no school on Friday, May 18th for a P.D.day and Monday, May 21st is Victoria Day. So enjoy the LONG weekend!**

Grade 3 learn about measurement in math class!

Mr. Drysdale is planning a **Spring 2019 field trip** for W.S. students to the Bamfield Marine Sciences Centre. This world class facility is funded by a consortium of Western Canadian Universities and is dedicated to the study and conservation of marine life. The BMSC is located on the West Coast of Vancouver Island. Interested students and parents are invited to an information session on Tuesday, May 29th from 6:00 - 7:30 p.m. at the school. Contact Mr. Drysdale for more information.

Every year, as the month of May comes around; we announce that "May is Crime Prevention Month". What does that mean? Well, it means that everyone should take a few minutes to look at what you are doing around your farm, home, or business, on a regular basis, to reduce the risk of becoming a target, or victim of crime.

Crime prevention on your property varies depending on where you live. Take for example, a driveway or entrance gate. If you live in an urban setting, then a gate at your driveway is not practical. But in a rural setting, a gate at the driveway entrance may be a practical and a cost effective deterrent to crime. Gates can be ornamental, or a simple barbed wire gate. Some 'home made' gates are very effective and can be designed to look stylish as well.

Driveway alarms that announce the arrival of a vehicle or person that has entered your property are becoming very popular. They have different ring tones and some alarms are effective up to one kilometer away. Most are wireless and can be installed on a fence post with the base station installed in the home or work shop.

Keeping your yard, acreage or farm yard neat and tidy shows that you care about your belongings and you will protect them with some type of security. This could be a simple lighting, censored or day night type of lights or a full version of a security system that may include cameras and horns. Lights have changed drastically over the last 5 years and the new LED flood type lights are very energy efficient and provide excellent light for use with the night time cameras. This ensures a good quality picture in the event that you are broken into and the need for a suspect picture is required.

Not locking your vehicles is the number one cause of vehicles being stolen. It seems to be a crime of opportunity that is growing every year. In 2017, 39% of the vehicles stolen in Leduc area had their keys in the vehicle. Use of a steering wheel locking device, is very effective in reducing your risk of becoming a victim of auto theft. Even the newer automobiles, that use a key FOB to start your car when you enter the vehicle, can be circumvented as well. Do not keep your FOB in your vehicle and place the FOB in a tin can, in your home, to prevent the criminal from stealing your FOB code by reading the signal remotely.

Fraud is a favorite target of the sophisticated criminal

and takes many forms. Fraud can happen to anyone. A simple trick to make you believe you are getting a great deal when you are not, is a form of fraud. Impersonating a legitimate business or individual is also fraud that we see every day. Keep personal information out of the hands of the criminal by not responding to 'too good to be true' offers. Do not respond to email offers and telephone calls selling items at great prices.

Pick pockets and stolen purses continue to be a criminal's method of getting your identification and money. Setting your purse on a checkout counter can be stolen in a flash, when you look away for a second to care for a fussy child. You can prevent some attempts at theft but you can never be 100% ready for the fact that you have become a victim. Take a few minutes today and record all the information that is in your wallet or purse, such as credit cards, health care and drivers' license. Keep this information in a safe place along with the contact numbers of all information sources so you can cancel and have your documents reissued. These contact numbers are usually on the back of your credit cards and Alberta registries can issue new Drivers licenses and health care card can be directed to Alberta Health. Remember to only carry necessary information with you.

Remember, to always be aware of your surrounding and practice the old adage, "Don't feed the bears" referring to a practice of not making the criminals' job easy, when they try to turn you into a victim.

Announcements of upcoming community crime events; 'Secure it or lose it' license plate temper proof screw program will be at the Leduc Recreation Centre east parking lot Saturday May 12 from 1 pm. to till 4 pm. hosted by the Nighthawks and Leduc RCW.

Upcoming community crime prevention and awareness sessions;

Leduc County Council Approves 2018 Budget

Leduc County council approved the final 2018 budget and set the 2018 tax rates at its regular council meeting this afternoon.

Council approved an \$86 million operating budget and \$33.3 million capital budget, which represents a 1.16 per cent tax increase over 2017.

The 2018 budget solidifies Leduc County's commitment to efficient, effective services in the region and allows us to support new initiatives that will enhance these services and give us the flexibility to make decisions that will meet the growing needs of our customers.

Mayor Tanni Doblanko

The 2018 capital budget includes \$7 million for the annual road surfacing program, \$1.1 million for a fire station expansion in the New Sarepta fire district, \$920,000 for capital equipment and vehicle purchases for protective services, \$2.2 million for bridge rehabilitation and \$335,000 for parks and recreation purposes. The 2018 operating budget includes major projects of \$2.2 million for parks and recreation; with a \$1.5 million portion going towards the Warburg arena upgrade.

2018 tax rates - The 1.16 per cent tax increase results in minimal tax increases for most land owners. Approximately 82 per cent of Leduc County property owners can expect a property tax increase of less than \$100 over 2017. Twelve per cent of property owners can expect an increase between \$101 and \$250 and the remaining six per cent can expect an increase of more than \$250.

Property taxes are comprised of municipal taxes, other requisitions, local improvement tax and the provincial education tax. Leduc County is obligated to collect the provincial education tax, as set by the Government of Alberta, as part of its property taxes. Leduc County's total 2018 education property tax is \$24.9 million, which represents an approximate 3.36 per cent, or \$800,000, increase over 2017.

Tax notices will be mailed to residents no later than the last week of May 2018. Taxes are due by June 30, 2018.

Fire Restriction Issued for Leduc County

As a result of dry conditions, high winds, and no relief in the forecast, Leduc County is now under a Fire Restriction. Leduc County fire guardians are prohibited from issuing fire permits, and all fire permits previously issued are suspended, as per the Forest and Prairie Protection Act.

All outdoor fires burning at the time of the restriction's issuance are to be immediately extinguished, and individuals must use extreme caution when using burn barrels or fire pits. Leduc County fire officials will continue to monitor the situation, and will update the public when conditions improve.

For further updates and information, please visit our burning and permits page or www.albertafirebans.ca.
