## B.L.G. BUILDERS LTD.

*Celebrating*  
**40** Years  
in the construction business 1978 - 2018

**Bernie Geiger, Owner / Operator  
and Sons and Family**

*Congratulations to Bernie Geiger!  
- B.L.G. Builders Ltd.*

Bernie and Deb Geiger moved their family from Leduc to Warburg in 1978 to start a new life and raise a family. B.L.G. Builders first succeeded in Rimbey constructing metal buildings and grain bins. After sitting behind a desk for a number of years, Bernie decided construction was his expertise. From there Bernie and his sons, Chris, Brad, Greg and Phillip went onto specialize in various construction and sub trades. Bernie and his sons have left their mark from one end of Alberta to the other, including construction in Hawaii. Warburg and surrounding towns have been home to Bernie and his family, not to mention his daughter Jill and grandchildren as his source of pride.

**Motto: "If it's too tough for anybody else, it's just right for us!"**
