

THE WARBURG BUGLE

congratulations
CLASS OF 2018

Photo courtesy of One Shot Photography

The Class of 2018 celebrated their graduation on Friday, June 1st. Our seventeen graduates looked sharp at the convocation ceremony, with Hannah Spaulding as their class valedictorian. Glenda Mueller from grade 11 accepted the traditional Warburg School "Summons". This tradition has the current graduating class valedictorian hand off the symbolic summons to the grade 11's to commit to be at this same place next year for their 2019 graduation. The graduates and their guests, along with W.S. staff, moved to the beautifully decorated high school gymnasium for the banquet and dance. We are so proud of our graduating class and encourage them to keep working hard as they have their finals and diploma exams to complete throughout this month.

Community "Blanket Exercise"

From Audrey Brousseau

A "Blanket Exercise" is being held on Sunday June 10th at 2:30 pm at St. Matthew's Lutheran Church and members of the community are invited to join in. The Blanket Exercise is an interactive, educational journey through the history of Canada, experienced from the perspective of First Nation people. The workshop was developed in response to the 1996 Royal Commission on Aboriginal people which recommended education on Canadian Indigenous history as one of the key steps to reconciliation. Participants will experience over 500 years of history in a way that educates, increases empathy, and offers us all a chance for healing and reconciliation.

This event is being organized by the Ecumenical Committee of Thorsby, which is an informal group with representatives from Our Lady of Victory Catholic Church, New Life Christian Fellowship Church, and St. Matthew's Lutheran church. For further information contact Audrey 780-886-0658.

Grades 9-12 observed the SKILLS National Competition June 5th at the Edmonton Expo Centre where they learned about the many trade careers possible for their future.

Our elementary students celebrated meeting their final Accelerated Reading goals for the school year. A total of 48,489,926 words were read in the 5,800 books quizzed on by our Grades 2-9 over the school year! Although our Junior High do not have a celebration event for goal achievement, the improvement of their vocabulary and comprehension are most certainly the reward of practicing with the A.R. program quizzes. Keep reading over the summer break and keep those skills sharp!

Drama 10/20/30 Performance on Friday, June 8th at 6:30 p.m. in our Performing Arts Centre. 3 comedy acts are on the program: Sesame Street; Check, Please!; And I Hate Shakespeare. Admission is \$5/students and \$10/adults

Our Breakfast Program is over for this school year on June 15th. We would like to thank all of the dedicated volunteers for their service to our students in the mornings. We wish you all a wonderful- and well deserved-summer break!

Mrs. Meyer's Elementary Choir performed at the Senior's Luncheon in honour of Alberta Seniors Week. The choir consisted of 30 students from grades 4-6. Thank you, Mrs. Meyer and students, for your dedicated practice toward honouring our community seniors.

We will certainly miss our wonderfully talented Mrs. Meyer as this is her final year at Warburg School. A celebration has been planned for 1:30 p.m. on June 22nd in the Elementary gym. Please join us!

Remember to check our website ws.blackgold.ca to keep up to date. Our School Events calendar is continually being updated with all the great events happening at Warburg School!

MP REPORT

from The Office of MP Jim Eglinski,
Member of Parliament for Yellowhead

New Horizons for Seniors Deadline Extended!

Jim Eglinski, Member of Parliament for Yellowhead, is advising that the Call for Proposals for New Horizons for Seniors Program (NHSP) has been extended until June 22, 2018. The previous deadline was June 15, 2018.

The NHSP call for proposals is seeking proposals for projects led or inspired by seniors. Eligible organizations can receive up to \$25,000 in project funding. Organizations are invited to apply under the following three national level priorities for projects that empower seniors to initiate and participate in activities that:

- benefit vulnerable seniors populations,
- focus on diversity of Canada's seniors; and
- will promote volunteerism to increase an organization's capacity.

Starting this year, organizations that have not benefited from NHSP funding during the last five years can receive up to \$5,000 as part of the new small grants pilot project. These organizations can apply for the small grants up to \$5,000 per project or for the Community-based funding of up to \$25,000 (but not for both). In the context of Small grants Initiative, priority will be given to projects for seniors that meet at least one of the three above priorities.

"Over the years, I have seen many projects under this funding program benefit the seniors in our communities. If you are planning to apply, don't forget you can contact my Ottawa office if you require a support letter," concluded MP Eglinski.

For more information and the application for the regular funding program, visit: <https://www.canada.ca/en/employment-social-development/services/funding/new-horizons-seniors-community-based.html>

Jump Start To H.u.g. Event

From Rhonda Fiveland

"Collectively, we all agree that this H.U.G. event has been blessed by the Grace of God," Fiveland began.

On Friday, May 25, 2018, the family was called into the RCMP detachment in Thorsby. Fiveland stayed in the store with Jo's wife, Meyoung-Hee, awaiting the return of Ed and Kay, Jo's son and daughter and the news they would carry. Upon arrival, Ed burst into tears, "They finally caught him!!!!"

The RCMP arrested and charged a man allegedly responsible for Jo's death. Kay's response was simple, "Relieved!!!!" Ed expressed that he felt more sad. That for seven months he had been bottling up his emotions as he hung on to the magnitude of his father's death; the loss of his father, the impact on the business and the stress he carried because the culprit remained free. Meyoung-Hee cried, "Now I can let go of my fear that this person was still coming into our store." Fiveland smiled, "You could literally feel the change of the family's energy. Meyoung -Hee's smile radiated throughout the store. Ed stood taller. Kay bounced from task to task. I am just so happy for this family. They needed and deserved this closure."

The rest of the day was spent preparing for the arrival of Dan Dick and his crew to re-shingle the gas station Saturday morning.

Dan arrived with his crew of fifteen at 7:00 AM including his mother, Joan Dick who would be dubbed the Crew Chief for the day. When asked why she chose to participate, "Simple. My son told me of his plan to help this struggling family and I wanted to help him and ensure his crew had a great day." Fiveland explained, "I had talked to Dan in advance. He was bringing his large dump trailer to haul away the old shingles. I asked him if we could take advantage of that and do a yard clean up the same day. We hauled away old coolers and tore down an old shed."

It was a symbolic day of purging. Meyoung-Hee and her children cleared out unwanted and unnecessary items inside and outside the store as the reality of Jo's killer's arrest sunk in. Fiveland sighed, "It is truly the unexpected that brings tears to your eyes. "

Dan Dick had the option of hauling the garbage to the Leduc dump forty five minutes away and simply dump the garbage or go to the closer Sunnybrook Station fifteen minutes away and unload all by hand. Fiveland requested the closer dump station. "That is where Ed

works. The friend of Jo's who referred me to do the estimate five years ago," Fiveland stated. "We took Jo's son, Ed with us and Ed was able to tell Ed in person that his father's killer had been arrested. It was so worth the extra work of unloading the garbage by hand."

Another unexpected event occurred. Fiveland explained, "I had brought my weed whacker to trim around the building where we would be painting but I did not bring my mower." As Meyoung-Hee fired up the store push mower and began mowing the half acre of lawn, the front wheels of the mower bent sideways and were barely hanging on. Fiveland laughed, "What else could happen to this family! I live twenty minutes outside of Thorsby. Instead of making the round trip back to my house for my mower, I drove around the neighbourhood. I saw a husband and wife working in their yard so I stopped. I introduced myself and asked if I could borrow a push mower." Fiveland giggled, "He 'one upped' me. He told me his name was Tod and he was a long time patron of Fas Gas and knew Jo."

Tod drove his riding lawn mower over and completed the mowing. He has offered to mow for the family every week until they can get a mower. "It's the right thing to do," Tod responded, "Jo was always good to me. What is a few hours to help out his family."

Dan's crew consisted of a dozen high school students with an average age of 16. When asked how they came to work for Dan for this event, they collectively responded, "We all belong to the same church. Dan is our Bishop at the Church of Latter Day Saints, a Mormon church in Wetaskiwin." Six of the students had to leave at 3:00 PM. They volunteered to help Dan on the day of their High School Graduation supper and dance. Dan commented, "They are all a great group of young men and women; hard working and committed."

The day turned into a multi-cultural experience. Besides melding religions and non-denominational people working side by side, Joan Dick had prepared chili on a bun. While Meyoung-Hee had marinated beef to BBQ; a Korean dish known as BBQ Galbi. And, of course, as all good mothers, fruit and vegetables complimented the meal. It was a feast shared by all including Tod, the unplanned arrival.

At the end of the day, as the tools were packed and the rest of Dan's crew drove away, the Jo family took a moment to reflect on the events of the last two days. Jo's son Ed had a wonderful addition. His girlfriend had flown in from New York Friday night. Sara commented, "I can't believe it. You would not see this kind of generosity for a single family in New York. There is such a strong sense

of community. People are just so nice!!" Kay responded, "This is just such a blessing. My family feels so much love from our community with all of their support." Ed stated, "I am speechless. I am just so grateful. These people don't know us and are so generous. It makes me believe that there is still goodness in our society. Our society has been going through many tragedies recently and a lot of people are in pain right now. I hope our story spreads and influences those people."

Meyoung - Hee had the final word, "It is indescribable. Every day since my husband's death, I have a smile on the outside because of our customers. But I am always so sad on the inside. Today, after the news and sharing with these people, my heart is comfortable. Today is the first day that I am smiling on the inside as well. My family, we wish very much to be able to help others in the future as we are being helped right now."

The Jo family is still in need of considerable financial support. As the roof has been shingled and the painting of the exterior begins, the family still faces the reality of digging up and replacing the fuel tanks. An expense estimated at over \$500,000.00.
