

THE WARBURG BUGLE

“COD GONE WILD”

Fundraiser for Warburg Cultural Society

June 23, 2018

Sponsored by Warburg Cultural Society
and County of Leduc

Great music! Great food! Great fun!

These were the comments that were made throughout the evening and afterwards by those who attended!

The crowd of 147 were entertained with Celtic Music by “Cod Gone Wild” from Vernon, BC. They had everyone dancing and clapping both on the dance floor and in their seats.

A variation of a Jiggs dinner was served complete with appetizers and dessert.

People were entertained by the “Kiss the Cod” portion of the evening.

First step was to become official Newfoundlanders. Led by Andrew from the band, they got down on one knee, bowed their heads and repeated Newfoundland Oath. Second, they had to eat some Newfoundland sausage (bologna). Third they had to kiss a very smelly cod. Fourth, they ended this Cultural experience with a drink of Screech (rum). Finally, these brave people received an official “Kiss the Cod” certificate!

Congratulations to all who did this and to Russell Barager for being such a good sport and holding the cod! (The worst job of the whole evening!)

Numerous live auction items included a week in Puerto Vallarta, donated by Bancarz. Accounting, Russell and JoAnne Liba won that bid. Thank you to everyone for your bids.

The auction ended with two – four day old baby goats, donated by Sunnybrook Goat Dairy. Everyone oohed and awed as they were carried around the room. The lucky winners were Dwayne and Laurie Mayr. Lucky grandkids will be bottle feeding them for the next 10 weeks! Formula and bottle included!

Thank you to Janette Barager and Pat Bancarz for spearheading this event and to all helpers and anyone who supported us in any way!

LETTER TO THE EDITOR

Dear Editor:

We are seniors that have just had the bottom of our retirement enjoyment destroyed. We have been fortunate enough to purchase a travel trailer, which we have kept insured to the fullest on a policy of its own. It's not under our house or vehicle insurance! Our policy states "Pay actual cash value of the loss or damage at the time of loss".

While travelling down the highway a piece of side-wall, of plywood and fiberglass was torn off by the force of travelling wind. It was returned to our home, we made an insurance claim as instructed by our insurance policy. Our local insurance agent filed a claim for us and told us an adjustor would be out. Sure enough, a nice young man arrived, shakes our hand and inspects our trailer. He explained to us that water had dissolved the glue, which caused the fiberglass and plywood to tear off while driving. No problem, the inside of trailer was in mint condition and we had excellent insurance coverage we were informed by the adjustor. He even told us that he had dealt with the same situation a few days ago and the insurance company had covered it in its entirety. Another hand shake and we were left feeling secure.

We got a call stating we had water damage and insurance coverage was not going to cover it. I then talked to the local insurance agent, they stated they only file the claims and now it is out of their hands. Thanks after 50 plus years of paying insurance, great customer service.

Our insurance policy stated "We will pay the actual cash value of the loss or damage at the time of loss". Is this not loss of use of our trailer? There is absolutely nothing in our policy about water damage. Please, everyone out there, don't sit back and relax because your property is insured. The loop holes in policy are huge and are vaguely written to be interpreted by however the insurance company chooses. Patricia Simpson

CALL: 1(780)515-0888

It has been an amazing journey over the last 9 months as your representative for County West and I just wanted to share some of our Board's successes with you.

In 2017-2018, the Black Gold Regional Division No. 18 Board of Trustees:

- Reinstated international field trips/travel for high school students, following consultation with parents/guardians and students. We agreed that the positives that come from international travel are numerous to our youth. International field trips/travel will continue to be optional, meaning parents/guardians are able to choose whether their child participates.
- Secured Government of Alberta approval for an expansion to École Secondaire Beaumont Composite High School, as well as one modular classroom at Caledonia Park School and two modular classrooms at West Haven Public School.
- Celebrated the opening of École Champs Vallée School in Beaumont.
- Approved a contractor to begin construction on a new teaching and learning space for Beaumont Outreach School and Black Gold Home-Based School. They will be located in the Beaumont Community Centre (CCBCC) in the fall.
- Approved a \$132.6 million budget for the 2018-2019 school year to be submitted to Alberta Education.
- Recognized the talents of approximately 300 Black Gold Regional Schools students and

teachers in the Celebration of the Arts 2018, including the following Warburg and Thorsby participants:

Warburg - Hayley Gruninger's art was featured on the front of the program, Art 20 Students at Warburg School on the back of the program, Display of Art featured in the Lobby of the Winspear, Drama production of Monty Python: The Parrot Sketch performed by Anthony Allen & Amy Drysdale, Pietro's Return played by Glenda Mueller on the Accordion

Thorsby - Junior/Senior High School Band performed 2 songs. Seven Nations Army (White Stripes) & Morning Moonlight (written, composed. Arranged by Thorsby High School Senior Music Class)

- Visited each of the Division's 32 schools and experienced first-hand the dedication to Inspire Success.

It is amazing to witness the talent in our community and our region! I am so fortunate to be part of a great Board and a great team. The Black Gold family and our administration has been so supportive and I am grateful for the opportunity to represent County West.

These are just some of the highlights of the 2017-2018 year. There is more information about Board initiatives and decisions at www.blackgold.ca. I also send out newsletters throughout the year to the parent councils of Warburg, Thorsby Elementary and Thorsby High School. If you would like to receive these updates, please email me at shawna.ofstie@blackgold.ca
