

feature BUSINESS of the month

TREASURES THRIFT STORE

MISSION STATEMENT

"To provide access to quality, gently used items at affordable prices and to give back a share of the profits to the community."

"TREASURES" is a new Thrift Store in Warburg, located in the Community United Church building at 5112 – 53 Street. We are open every Wednesday from 10:00 a.m. to 2:00 pm.

Thorsby United Church operated a Thrift store in Thorsby for many, many years, and with it's closing last fall, it seemed like a natural progression to re-vive it in Warburg. We felt that it would be a benefit to the community to have this type of business here, and we have been over-whelmed with good wishes and positive feed-back.

In the summer of 2018, we began the transformation of the fellowship room of our church building into a sales area. New paint, shelving and clothes racks have given us a clean, bright space to display the many lovely items we offer for sale. We have a nice selection of ladies clothing, men's clothing, boys' and girls' clothing, as well as some for toddlers. We have a nice variety of purses and accessories, some shoes, and our housewares area seems to have a bit of everything. We also have a good assortment of toys for girls and boys. Our bookshelves are getting very well stocked, too, so if you are a reader, this is a great place to stock up on books!

Our business is built on the generosity of the community. We accept donations of CLEAN (Please!), gently used items that may no longer fit, or you may no longer have a use for. We sell these items to consumers, and, in turn, we will share our profits with the community. Win-win! Please bring your donations to the church on Wednesday morning or Friday morning. Because of our limited space, we are NOT able to accept any furniture, pet items or sports equipment, including skates. Also, we cannot accept any safety items such as baby car seats or bicycle helmets.

We are run by a committee of volunteers who answer to the Community United Church. If you would like to volunteer a few hours a week or month, we would be glad of your help! Feel free to talk to us about it at "TREASURES" any Wednesday between 10:00 and 2:00. You DO NOT have to be a member of the United Church – just a willing worker.
