

# THE BRETON BOOSTER

Look. Listen. Learn. Be aware.  
Fire can happen anywhere!

From Breton FCSS

October 7, 2018, marks the beginning of this year's Fire Prevention Week. This year's campaign, "Look. Listen. Learn. Be aware. Fire can happen anywhere," works to educate people about three basic but essential steps to take to reduce the likelihood of having a fire — and how to escape safely in the event of one.

**LOOK** - Look for places where a fire could start. Identify potential fire hazards and take care of them.

**LISTEN** -Listen for the sound of the smoke alarm. You could have only minutes to escape safely once the smoke alarm sounds. When you hear the alarm, go to your outside meeting place, which should be a safe distance from the home and where everyone should know to meet.

**LEARN** -Learn two ways out of every room and make sure all doors and windows leading outside open easily and are free of clutter.

In many ways, fire safety practices are quite simple. If we keep things that will burn (fuels such as paper, peat moss, wood, compost, etc.), away from things that are hot enough to ignite those things, even slowly, it will prevent ignition – and with no ignition, we have no fire. This is the fundamental premise of the Alberta Fire Code: to separate fuel and ignition source.

One of the problems we see regularly is that people are unaware of the things around them that may ignite. An example is the soil that plants are grown in. These plants require soil that provides nutrients and contains things such as compost and peat moss, both of which are organic fuels. When someone places a cigarette in a plant's pot, the fire does not occur instantly, so individuals may not realize until much later that they have started a fire. The unextinguished cigarette smoulders

inside the soil, building up heat and searching for more fuel and oxygen. As it heats up, sometimes over several hours, it heats the organic material in the soil to its ignition point, causing a visible fire to start. If there are other combustible materials in the vicinity, they will be ignited and the fire will grow, often going unnoticed until significant damage has been done.

The same concern arises with cigarette butts thrown from vehicles. The butt continues to smoulder and often gets blown into the ditch at the side of the road where it heats dry grass to its ignition point. In Alberta, we know from experience that this may result in rapid fire spread, often exacerbated by dry conditions and strong winds. These entirely preventable fires have caused major damage to property and livestock, and have placed firefighters in danger.

Fire, like all other risks and hazards, is something that all Albertans, adults and children, need to be aware of at all times, in the home, at work and outdoors.

As we do every Fire Prevention Week, we want to remind everyone to clean and test the smoke alarms and carbon monoxide alarms in their house monthly.

Testing your smoke alarm with smoke from a blown out candle is the preferred way of verifying its function, carbon monoxide alarms work on different, time-weighted exposure principles and can only be tested by pushing the "test" button as per manufacturer's instructions.

We strongly encourage all Albertans to work with your partners, children, family members, tenants and neighbours, to draft, discuss, and practise their fire escape plans. These plans need to be specific to your residence and take into account its type and location, as well as the usability of the identified escape routes. Your local fire department and the Office of the Fire Commissioner are always ready and willing to answer any fire safety questions and provide additional guidance upon request. Our goal is the same as yours: to ensure you are prepared in the event of a fire and to help everyone get out safely  
Yours in safety, Kevan D. Jess, Fire Commissioner

*Janet Ann Carson*

Janet Ann Carson of Breton, Alberta passed away peacefully, with her family by her side, at the Rimbey Hospital and Care Centre on Friday, October 5, 2018 at the age of 64 years.

Janet will be lovingly remembered and sadly missed by her husband and best friend, Gary; her two sons, Blake Holmes (Teresa) of Calgary; and Clinton Holmes of Fort McMurray; and her daughter, Carla (Derrick) McWaid of Langdon, Alberta; as well as four cherished grandchildren: Ashley, Wesley, Devon, and Justice. She will also be lovingly remembered and sadly missed by her siblings: three brothers, John (Helen) Stamp of Red Deer; Tom (Sonja) Stamp of Delburne; and Rob (Tammy) Stamp of Madden, Alberta; and three sisters, Marilyn Romick of Sherwood Park; Joyce (Dale) Hughes of Calgary; and Brenda Seerattan of Edmonton; in addition to many nieces and nephews, and several close friends.

Janet was predeceased by her parents, Thomas and Janet Stamp.

A Public Funeral Service in Celebration of Janet's Life will be held at the Faith Covenant Church, Breton on Tuesday, October 16, 2018 at 1:00 p.m. with Pastor Jeff Gooderham officiating. Interment will follow in the Breton Cemetery, Breton.

If friends desire, memorial tributes in Janet's Memory may be made directly to the charity of one's choice. Condolences to the Family may also be expressed by e-mail to: [special\\_reflections@telusplanet.net](mailto:special_reflections@telusplanet.net) Funeral and Burial Arrangements for the Late Janet Ann Carson entrusted to the care of

**Adult Exercise Class** - Wednesday Mornings – Looking to get active this year? The Adults Exercise Program is returning on Wednesday mornings at the Breton Golden Age Club. This class will run from 10:30 – 11:30 am. Equipment is provided. This class will focus on toning, balance, increased mobility, strength gains, and increased flexibility. Participants will be able to either do the exercise standing or sitting, which ever their ability will allow. This program is facilitated by Cassie Kreil a certified instructor. Participants will be asked to pay a small fee of \$1/class. Join today and start to get fit with friends. This is a drop in group so you are welcome to start attending at any time throughout the year. Started Wednesday October 3.

**Medical / Shopping Transportation Poll** - Breton FCSS is exploring the need for transportation to medical appointments. We would look at the possibly of providing a trip to Leduc once a month for medical appointments. If there was room left in the community van others could go along to do their shopping. We also would consider appointments in Drayton Valley one day a month. This would not be limited to only older adults, those with transportation issues would also be eligible. Children requiring car seats would not be allowed transportation. All appointments would be made on the same day of the month in the morning. There would be a fee for each participant.

- I am interested in medical trips /shopping to Leduc
- I am interested in medical trips /shopping to Drayton Valley
- I could afford to pay \_\_\_\_\_ for each trip

Paper copies of the survey are available at the Breton Library or the Village of Breton Office

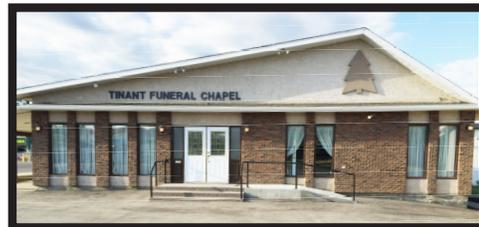

**Fundraising Opportunity** – We are looking for a community group to host 4 – 6 Community Movie Nights between October 2018 and April 2019. All costs for the evening including hall rental, advertising and movie license paid by Breton FCSS. An honorarium will be paid to the group. A concession can also be made available with the proceeds going to the hosting group. Please contact Breton FCSS at 780-696-3636 for more information.

**Halloween Hoopla and Haunted House** – Wednesday October 31 – Breton FCSS is excited to partner with The 2019 Breton High School Grad Class to host a Halloween Hoopla and Haunted House. Mark your calendars for this fun, safe family evening. We also will start taking candy or monetary donations for treats to hand out that evening. In exchange you will receive a sign for your door indicating that you have donated to the community event.

**Breton Food Drive** – Thank you to all of the Volunteers that helped with the Community Food Bank Drive. This is a very important service for our community and would not be available without the support of the community and all the volunteers that coordinate the service through the Faith Covenant Church.

**Let's Talk Rural Mental Health** – Save the Date - Thursday December 6, 2018. We invite all community members to join us for a delicious evening meal catered by StarKist Catering, followed by speakers from the Do More Ag Foundation. Learn about the challenges to those in rural areas and how to support their Mental Wellness. Supper tickets are \$10/ person and will be available October 25 at the Village of Breton Office.

## Seniors Need Our Assistance

From the Breton Golden Age Club

The members of the Golden Age Club in Breton are planning to extend the length of their building to have availability to floor curling in their facility. The anticipated cost to complete this addition is quoted eighty thousand dollars.(\$80,000).

A grant of twenty five thousand dollars (\$25,000) through New Horizons for Seniors has been applied for and if approved we will receive in 2019.

Another application has been sent to the Community Enhancement Program for twenty seven thousand five hundred dollars.(\$27,500) if approved will be received in 2019.

However we need to match the CFEP (either by dollars or by equipment or volunteer hours) As a result we are appealing to the community and business members for any assistance they can provide.

THANK YOU

Yours sincerely

Breton Golden Age Members

## Santa's Anonymous Gets Ready for Another Year of Giving

From the Alder Flats, Buck Lake, Winfield and surrounding areas Santa's Anonymous Committee

It is nearing the Christmas season and we are reminded that there are some families who do not have the resources to give their families a Christmas dinner or provide their children with a present under the tree. The members of the Santa's Anonymous Committee try to make sure those in need in our area are provided with a turkey dinner and some presents for family members and a little help with staples for the winter season.

Please take a moment to think of those less fortunate and put something in the donation boxes or tins in local stores. We thank you for considering to donate to this worthy cause and wish you all best wishes for the Christmas season.

If you know of anyone in need in our area who might benefit from a little extra help please make a referral to Lois Gilbertson at 780-682-2388. Please call before December 9, 2017.

## MP REPORT

from The Office of MP Jim Eglinski,  
Member of Parliament for Yellowhead

### Changes to Parental Benefits

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents that the Government of Canada has announced that Employment and Social Development Canada intends to launch the new parental sharing benefit on March 17, 2019.

This new measure will provide an additional five weeks of Employment Insurance (EI) parental benefits when parents agree to share parental benefits, or an additional eight weeks for those who choose the extended parental benefit option. Parents with children born or placed for adoption on or after March 17, 2019, will be eligible.

As women make 85 percent of all parental claims and take longer leaves from the workplace, the EI parental sharing measure allows pregnant workers and their families to consider their personal, health and workplace circumstances when choosing when to begin their maternity leave.

For more information, please visit: [www.canada.ca/en/employment-social-development/news/2018/09/backgrounder-parental-sharing-benefit.html](http://www.canada.ca/en/employment-social-development/news/2018/09/backgrounder-parental-sharing-benefit.html)

### Benefit Changes for Families with Critically ill Loved Ones

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents that the Government of Canada has moved forward with the following changes to the Employment Insurance (EI) program in order to better support workers who take time off work

due to specific life events:

Caregivers who provide care to a critically ill or injured adult family member now have access to a new benefit of up to 15 weeks.

Immediate and extended family members of children who are critically ill will now have access to a new benefit that was previously available only to parents. It replaces the Parents of Critically Ill Children Benefit and continues to provide up to 35 weeks of benefits.

Parents are able to choose the option that best meets their family's needs: standard parental benefits (taken over 12 months at a benefit rate of 55 percent) or extended parental benefits (taken over 18 months at a benefit rate of 33 percent).

Eligible pregnant workers are able to receive EI maternity benefits earlier, up to 12 weeks before their due date. This increased flexibility allows pregnant workers to consider their personal, health and workplace circumstances when choosing when to begin their maternity leave.

These changes apply to EI-eligible workers, as well as self-employed Canadians who opt into the EI program for access to EI special benefits, and who meet minimum income and other requirements to qualify for EI special benefits.

These improvements were informed by consultations on EI maternity, parental and caregiving benefits.

For more information, please visit: [www.canada.ca/en/employment-social-development/news/2018/09/backgrounder-ei-maternity-benefits-and-leaves.html](http://www.canada.ca/en/employment-social-development/news/2018/09/backgrounder-ei-maternity-benefits-and-leaves.html)
