THE BRETON BOOSTER

Best Year Ever!

2018 Food Drive Results

The annual Breton Food Bank Drive was held the week of Sept. 30th to Oct. 6th, 2018, with the Village being canvassed on the evening of Oct 4th, 2018 from 7:00 - 9:00 P.M.

Breton Elementary School collected an awesome 675.6 lbs of non-perishable food donations from Oct. 1- Oct 5, 2018. Thank you to the staff for promoting this event so well and encouraging the children from the Village and rural areas to bring donations to the school. Thank you to the staff, students and parents for their generous donations!

Buck Mountain Central School also collected 133.7 lbs of food earlier in September in support of the Food Drive. They were unable to participate during Food Drive week Thank you to staff, students and parents for a great job also!

The evening of Oct 4th was a beautiful evening. 24 volunteers came out to canvass the Village, drive for the canvassers, and to sort food when it arrived at the church. Canvassers were all finished by 8:20 P.M. and returned hungry to find hot pizza awaiting them. Thank you to all our volunteers and Breton FCSS (Deanne Young) for providing the pizza and promoting the Food Drive in the Breton Booster. A total of 1109.3 lbs were collected by canvassers and in donation boxes in town. Thank you to the Village Office, Canada Post Office, Alberta Treasury Branch, Breton Supermarket, Breton Family Foods and Breton Faith Covenant Church for allowing donation boxes on their premises. We also thank all the Village people who donated so generously to our canvassers and in the donation boxes.

Coin jars were carried by our canvassers and checks were also dropped off at the church during Food Drive week. A total of $1403.60 in cash was donated.

A donation of 107 lbs of potatoes was also donated, bringing the weight of all donations to 2025.6 lbs. Our BEST year ever!!

The Breton Food Bank is an essential service in our community. However without the generosity of a wonderful community, and the support of FCSS, local businesses, the Faith Covenant Church and volunteers who give so generously of their time, the Breton Food Bank would not be able to serve the less fortunate in our community. May we all take pride in the success of this event and in the service the Food Bank provides. God Bless everyone!

Lloyd Milton Ellis

Oct. 29, 1922 – Oct. 10, 2018

It is with great sadness that we announce the passing of Lloyd Milton Ellis at the age of 95 years.

Survived by his wife Jean Unterschultz, his brother Alvin Ellis (Marion) of Athabasca AB., his sister Grace Guevin of Kamloops, B.C., and sister in-law Gloria Ellis of Carnwood, AB., as well as numerous family and friends.

Lloyd was quick witted with a determined mind. Starting out as Blacksmith repairing equipment for neighbors and friends, soon led him to becoming a Certified Journeyman Welder and Journeyman Machinist. He had many talents, and was a master at critical thinking and creating his many inventions. Musically inclined, at a young age he made his very own fiddle, and taught himself how to read sheet music. Lloyd loved to play at local dances and competed in fiddle competitions. He also taught himself how to dance the old time waltzes where he and wife Jean, would dance at the local country music jams. One of his hobbies was journaling; he started his first diary in 1941 and made his last entry only a few months ago. Lloyd was a remarkable man who will be missed by many.

Lloyd was predeceased by his parents George & Olga Ellis, his first wife Edna Mooney, brothers Ray Ellis (Janet), Cecil Ellis, Iver Ellis (Christine), Ernie Ellis (Kathleen), Ronnie Ellis, and sister Wilma Colby (Gordon).

A Celebration of Life will be held on Wednesday, October 17, 2018 at 1:00 p.m. at the Breton Community Centre, Breton, AB.

Medical / Shopping Transportation Poll - Breton FCSS is exploring the need for transportation to medical appointments. We would look at the possibly of providing a trip to Leduc once a month for medical appointments. If there was room left in the community van others could go along to do their shopping. We also would consider appointments in Drayton Valley one day a month. This would not be limited to only older adults, those with transportation issues would also be eligible. Children requiring car seats would not be allowed transportation. All appointments would be made on the same day of the month in the morning. There would be a fee for each participant.

__ I am interested in medical trips /shopping to Leduc
__ I am interested in medical trips /shopping to Drayton Valley
__ I could afford to pay_____for each trip

Paper copies of the survey are available at the Breton Library or the Village of Breton Office

LETTER TO THE EDITOR

To the Editor:

I would like to make some observations to the letter sent in by Mr.Oberle in the October 3rd Breton Booster.

I find his letters interesting and I can usually find something in them I can agree with him on. However, with this latest letter I have to disagree with him wholeheartedly.

Basically he gives a diatribe on the majority of County Council's decision to build a 1 mile stretch of road on TWP 474. Mr. Oberle claims this was done as a favor for only one landowner who wants this piece of road. The fact is that this landowner, along with others, have requested for the last 30 years that more miles of TWP 474 be built. Previous Councils have dragged their feet on these requests but occasionally a mile or so at a time have been built amid the howls from self interested landowners nearby claiming that building those miles was a waste of money; nobody would use that road as it went "nowhere". Funny, someone always did use it though, usually a farmer who could rent land because the road made it closer to his own.

Two of those self interested landowners farm the right of way of 474 tax and rent free and in one case they have done so for years. This might not be a problem if there was no request for this road to be built but even then is it fair they're using public land rent or tax free? Perhaps if they know they could be ordered off the property and given a certain amount of time to vacate it is. But they certainly shouldn't be able to block the building of the road.

Previous Councils always used the most expensive way to build this road (example) it had to be on a 100' right of way which of course they didn't have so they would have to buy the extra land from those landowners who naturally wouldn't sell and it was unsafe for school buses to go on anything narrower. Never mind most roads are only 66' wide and seemed to be safe for buses even with 16 inches of snow on them at tmes. And the clincher for not building it was that nobody wanted it anyway, so they said. I guess they heard what they wanted to.

I have always understood that the main reason for a county to exist was to build and maintain a road system. For the time being at least it appears the majority of this Council agrees with that.

From time to time there has been talk of having a bypass road for Hwy 39. As much as possible this would be TWP 484. One major obstacle on 484 is the Modeste Creek crossing, but the fact there should be a bypass road for Hwy 39 should support having a bypass road for 616 too. The prime candidate for this should be 474. Both these bypass roads could be used for local traffic and farm machinery as well.

Mr. Oberle seems to stress that only people living along roads that are being proposed to be built should have the right to decide their fate. Does that mean if a right of way goes through where nobody lives it should not be built?

He is also concerned about funding for community halls. Unfortunately, if there is no local support for a community association to exist all the government funding in the world won't save it. But he figures to really spread the money around we should build a soccer field for the kids in Breton. In fact, each county division could have a soccer field. Well, what about Drayton Valley? With all the rest of us getting soccer fields might they not want to dip into the county pot of largesse and get a couple of fields too? In all the time I have spent on earth I have never realized until now what I want most of all is a soccer field!

Since we're dwelling in the land of silliness right now I have a proposal to make too. Instead of disturbing mommy earth by making soccer fields why don't we all apply to the county for a grant so we can go and buy "Wacky Tobaccy" and get good and "stoned"? That way we won't care if there are any roads or soccer fields or not. We will have mellowed right out and County Council can truthfully say they can no longer function because everything has gone to pot!

Yours truly,
Nolan Osbak

Breton Ag Society Update

Submitted by Alice Fenton

With fall upon us (okay, hopefully not winter), the Breton Ag Society is back and in full swing with many different activities planned and in the works.

We have been meeting this summer and early fall to update and revise some of our outdated bi-laws. We found there were a few changes that needed to be done to make us a more consistent, up to date organization. If you would like to see any changes we are making please contact Darren Scott.

With the Royal Purple unable to host the Fall Supper, the Ag Society has agreed to step in and host this event. In conjunction with the Breton High School Grad Class of 2019 silent auction, there will be a community supper on Monday November 5. Please watch for more details closer to the event.

On Sunday November 18 we will be hosting a Home-Based Business Expo. This will be a trade show type event at the community hall and will promote home based businesses in our area. If you would like to promote your crafts, or business please contact Alice @ 780-696-2395. The fee to rent a table will be $20. Come and see what local people have to offer- please join us on November 18 from 11-3. It is free to attend and there will be a small concession to grab a quick lunch.

The Ag Society is looking at partnering with Breton FCSS to bring agricultural safety/mental wellness programs to Breton. Breton FCSS has booked a Rural Mental Health evening on Thursday December 6. This evening is for all community members, not just farmers themselves. Living in a rural community we all have friends or family in the agriculture sector that struggle from time to time. It would be great to assist with stress and know how to help in those hard times. Breton Ag members will be in attendance to assist with the evening. Tickets are $10 per person and are available at the Breton Village office and the ATB.

We all need to make our roads safer! We are in the planning stages of an evening to inform all residents the rules for moving equipment, and animals on Alberta roadways. Many things that are done on our roads are not safe and every year many people are killed or involved in an agriculture road accident. Once again, this event is not only for agricultural producers but the typical rural Albertian who travels on roads in our community. If you have ever passed a tractor or slow-moving equipment, had to stop for cattle being moved down the roads then this is an event you need to attend. More details to follow once they are confirmed.

The Breton Ag Society is always looking for new members. You do not have to be on the board, although we welcome that as well! A yearly fee of $1 is all it takes to become a member. As we increase our presence in the community it will take more volunteers to assist with various activities we are planning. Don't like attending the one meeting a month that is okay as well. Sometimes, all we need is an hour or two to help with an event. If you would like to attend a meeting or two we will be more than happy to walk you through our organization. If you are interested in becoming a board member please know that your $1 membership fee must be paid 30 days prior to our annual meeting in December.

If you have any questions, please ask an Ag Society member. If you would like to become more involved, join us at our next general meeting being held November 8 at 7pm at the community hall. Everyone is always welcome.
