

THE WARBURG BUGLE

Congratulations

2018 Alberta Baseball Player of the Year
Bantam A
TYLER FORSTER

“Tyler (pictured below) is a dedicated player and had an exceptional year with the Thorsby Bandits as a first year Bantam player. Although Tyler could play any position, he was our go to back catcher all season long. His positive attitude and amazing sportsmanship was a huge contributor to our team’s success this season. If at any time throughout the game our players began to struggle, Tyler would call a time out, gather the team and encourage the players to regroup. His calming demeanor could be felt from the stands. Tyler would support and cheer on his teammates from the field or dugout no matter the situation. If a teammate was feeling down he always had something positive to say. In return, his coaches, teammates, and all the parents have the utmost respect for him.”

From War Came Love

On October 9th, Warburg High School students, and many community members, were privileged to listen to Dr. Eva Olsson, a holocaust survivor, speak her wisdom of love and tolerance to each other- in spite of our differences. Dr. Olsson is 93 years old, lives in Ontario and this is her last speaking tour, so we are beyond grateful that Black Gold Regional Schools, along with teachers, Nicole Harish and Brilene Wohlgemuth, brought Dr. Olsson to high schools across our district.

Our grade 9-12 students were rapt with attention while listening to Dr. Olsson’s personal account of the horror of a regime that murdered millions of people. Those who have heard her story are now the witnesses to pass along the message of love and tolerance, to learn from history and to never have it repeated and also to stand up for others and to stand up to hate, to love your family and tell them so. Please ask a high school student to tell you about Dr. Olsson’s message.

Dr. Eva Olsson has authored three books, along with an audiobook and a DVD Documentary, “Stronger than Fire” of her return to Hungary and Germany.

Week 42 - The Most Active Week for Auto Theft in Alberta

As the weather cools, auto theft heats up.

In a recent RCMP analysis, the 42nd week of 2017 was the most active in terms of reported auto thefts in Alberta RCMP detachments. That is why, in October and November, RCMP detachments across the province will be working with peace officers and local volunteer community groups to remind citizens to secure their vehicles, and to remove valuables and registration out of sight.

Quotes:

“Stolen vehicles are used to commit more property crime, to transport illicit goods and often become hazards on the road. Preventing auto theft is key to our Crime Reduction Strategy and we have seen a decrease in theft of motor vehicles between 2017 and 2018. Anything citizens can do to prevent and deter vehicle theft will go a long way towards reducing crime, overall.”

- Supt. Peter Tewfik, Officer in Charge of Crime Reduction Strategies, Alberta RCMP

“Vehicle theft is a crime of opportunity. We are still finding that at least fifty percent of vehicle thefts in Alberta happen because the keys were inside or the car was left running.”

- Insp. Mike Lokken, Detachment Commander Stony Plain/Spruce Grove/Enoch RCMP

“Stolen vehicles are used by criminals to commit all types of crimes. By simply locking your car, you are making a difference in keeping our communities safe.”

- Garth Kohlsmith, President, Alberta Citizens On Patrol Association

Quick Facts:

In 2017, an average of 34 vehicles per day – a total 12,362 vehicles – were reported stolen in Alberta RCMP detachments. This figure is up 32% from 2014 when 8,359 vehicles were reported stolen. Last year, the 42nd week of the year was the most active period for reports of stolen vehicles.

Last year, Monday mornings at 8:00 am were the most active period for reports of stolen vehicles. From January to August of 2018 – 6,667 cars were reported stolen in Alberta RCMP detachments. The most popular vehicle type during this period? Trucks at 51%.

During the same period, Alberta RCMP received over 7,000 reports of theft from a vehicle.

These are simple steps citizens can take to prevent auto theft:

- Keep your vehicle locked at all times.
- Always close windows and lock all doors.
- Never leave your vehicle running while unattended.
- Don't keep your garage door opener in your car. This could give thieves easy access to your house and valuables.
- Don't keep vehicle registrations and other IDs in the vehicle. They are used to steal your identity.
- Park in well-lit areas with pedestrian traffic.
- Hide valuables like loose change and electronic devices from view.
- Keep shopping bags out of sight.

Help keep Albertans safe. For more crime prevention tips, visit [facebook.com/RCMPinAlberta](https://www.facebook.com/RCMPinAlberta) or [twitter.com/RCMPAlberta](https://www.twitter.com/RCMPAlberta).

**Warburg
School News**
Submitted by Janet Sarvas

Our **retirement celebration for Mrs. Heidt** on September 28th was an awesome tribute to a long time staff member of our school and we wish her all the best. We now congratulate Mrs. Sherri Bunn in her new position as Head Custodian and welcome Mrs. Kristy Johnston to our school as Custodian. Our custodial team, which also includes Mrs. Theresa Anderson, work hard to keep our large school building gleaming with cleanliness and we all appreciate their efforts every day!

On Monday, October 15th at 12:30 p.m. we celebrate our **High School Academic Achievement Awards** for 2017-2018. Along with our Awards celebration we welcome our newest inductee on our Student Wall of Fame, Fraser Hallan. Fraser graduated from Warburg High School in 1963 and made many contributions to the national and international petroleum industry. Please join us and Mr. Hallan's family in celebrating this Warburg School alumni achievement, along with our current student achievements.

Our **Junior Panthers Co-ed Soccer** team finished up their season with a silver medal in league finals. Nice work, Panthers! Thanks to our coaches, Mr. West and Mr. Head, as well as our awesome cheering squad of parents!

Bruen Gidosh, Ian Spaulding, Patrick Kelly, Matt Gruninger, Ethan Robinson, Adam Plouffe, Nathan Akins and Rory Gidosh were our **Cross Country** athletes competing in Athabasca on October 10th. Results were not in at press time.

Volleyball season is in full swing and we have several teams playing games/tournaments at home and away. Please check our website

calendar of school events for schedules. Also, you can download our **Warburg School App** at your Google Play or Apple Apps Store. Garfield's for Jr/Sr lunch, calendar, morning announcements and more can be found on our App!

Mr. Arnold has been taking his **Outdoor Education** class fishing at Ashland Dam over the last few weeks. Thanks to Sinopec Daylight Energy and Thorsby & District Fish & Game Association for this great fishin' spot!

Important Dates:

School Council Meeting on Monday, October 15th, 6:30 p.m.

Meeting for our 2019 Graduating Class on Tuesday, October 16th.

Professional Development Day for Staff on Friday, October 19th. No School for students on the 19th.

Influenza is serious. Immunization works. Get Immunized.

Alberta's influenza immunization program is ongoing.
Influenza immunization is offered, free of charge, to all Albertans six months of age and older.

 Alberta Health Services

Free Cancer Education Event

From Alberta Health Services

CALGARY — People living with cancer are invited to attend a free Alberta Health Services (AHS) event designed to help them with life after treatment.

Presented by Cancer Control Alberta, Living Your Best Life with and Beyond Cancer will be held Oct. 26 from 9:30 a.m. to 12:30 p.m., and is also open to families and friends of cancer patients and survivors, as well as healthcare professionals.

Topics and speakers include:

- Eating Well to Live Well: Nutrition for the Cancer Survivor - Lindsay Lee, registered dietitian
- Living Well: Positive Psychology and Well-Being - Kevin St. Arnaud, psychology resident
- Physical Activity for Living Your Best Life - Dr. Nicole Culos-Reed, Professor, Faculty of Kinesiology, University of Calgary
- Hear it from the Oncologist – Late and Long-term Effects - Dr. Dean Ruether, Associate Professor

The public can watch the live broadcast at one of the following locations:

- Calgary: Tom Baker Cancer Centre
- Edmonton: Cross Cancer Institute
- Medicine Hat: Margery E. Yuill Cancer Centre
- Camrose: Camrose Addiction & Mental Health Clinic
- Bonnyville: Bonnyville Healthcare Centre
- Drumheller: Drumheller Health Centre board room
- Grande Prairie: Grande Prairie Cancer Centre

Registration is required. Visit <http://bit.ly/book-cancerpatiented> or call toll free at 1-855-258-9963. For more information contact cancerpatienteducation@ahs.ca.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

I AM ENOUGH.

I am full of sparkle & compassion. I genuinely want to make the world a better place. I love hard. I practice kindness. I'm not afraid of the truth. I am loyal, adventurous, supportive, and surprising. I am a woman. I am enough. I make mistakes, but I own them and learn from them. Sometimes I make a lot of mistakes.
- Molly Mahar

2018 Women's Conference

Saturday November 3/18

9am-3:30pm

Warburg Community Hall

\$30

Sessions Include:

Yoga- Yoga is a great form of exercise! Physically, it increases flexibility, mobility, strength, & balance through low-impact movement. Psychologically, it helps keep your mind sharp & increases positive emotions, mindfulness, & self awareness.

Make Up Essentials- Deonna Fetzko from Aurora Hair & Make-Up Artistry will take you back to the basics and guide you in proper makeup applications & must have products.

Bath Tables - Join Tiffany Torkelson as you create your own bathtub table. You will leave this session ready to relax with a beautifully decorated board to hold your wine glass, a book/tablet and a candle fitting perfectly over your bathtub.

Painting-MaryAnn Cygan will guide you in creating your own masterpiece.

Appies & Cocktails - Join Levi Mass And the Crew from Rig Hand Distilleries to create delicious appetizers and cocktails to enjoy and share.

Nia- This combined Cardio dance workout led by Kammi Rosentreter will combine simple moves with dance, martial arts, emotion and spirit.

LOOK. LISTEN. LEARN.

Be aware.
Fire can happen anywhere.™

FIRE PREVENTION WEEK: OCTOBER 7-13, 2018
firepreventionweek.org

Look. Listen. Learn. Be aware. Fire can happen anywhere!

From Breton FCSS

October 7, 2018, marks the beginning of this year's Fire Prevention Week. This year's campaign, "Look. Listen. Learn. Be aware. Fire can happen anywhere," works to educate people about three basic but essential steps to take to reduce the likelihood of having a fire — and how to escape safely in the event of one.

LOOK - Look for places where a fire could start. Identify potential fire hazards and take care of them.

LISTEN -Listen for the sound of the smoke alarm. You could have only minutes to escape safely once the smoke alarm sounds. When you hear the alarm, go to your outside meeting place, which should be a safe distance from the home and where everyone should know to meet.

LEARN -Learn two ways out of every room and make sure all doors and windows leading outside open easily and are free of clutter.

In many ways, fire safety practices are quite simple. If we keep things that will burn (fuels such as paper, peat moss, wood, compost, etc.), away from things that are hot enough to ignite those things, even slowly, it will prevent ignition – and with no ignition, we have no fire. This is the fundamental premise of the Alberta Fire Code: to separate fuel and ignition source.

One of the problems we see regularly is that people are unaware of the things around them that may ignite. An example is the soil that plants are grown in. These plants require soil that provides nutrients and contains things such as compost and peat moss, both of which are organic fuels. When someone places a cigarette in a plant's pot, the fire does not occur instantly, so individuals may not realize until much later that they have started a fire. The unextinguished cigarette smoulders

inside the soil, building up heat and searching for more fuel and oxygen. As it heats up, sometimes over several hours, it heats the organic material in the soil to its ignition point, causing a visible fire to start. If there are other combustible materials in the vicinity, they will be ignited and the fire will grow, often going unnoticed until significant damage has been done.

The same concern arises with cigarette butts thrown from vehicles. The butt continues to smoulder and often gets blown into the ditch at the side of the road where it heats dry grass to its ignition point. In Alberta, we know from experience that this may result in rapid fire spread, often exacerbated by dry conditions and strong winds. These entirely preventable fires have caused major damage to property and livestock, and have placed firefighters in danger.

Fire, like all other risks and hazards, is something that all Albertans, adults and children, need to be aware of at all times, in the home, at work and outdoors.

As we do every Fire Prevention Week, we want to remind everyone to clean and test the smoke alarms and carbon monoxide alarms in their house monthly.

Testing your smoke alarm with smoke from a blown out candle is the preferred way of verifying its function, carbon monoxide alarms work on different, time-weighted exposure principles and can only be tested by pushing the "test" button as per manufacturer's instructions.

We strongly encourage all Albertans to work with your partners, children, family members, tenants and neighbours, to draft, discuss, and practise their fire escape plans. These plans need to be specific to your residence and take into account its type and location, as well as the usability of the identified escape routes. Your local fire department and the Office of the Fire Commissioner are always ready and willing to answer any fire safety questions and provide additional guidance upon request. Our goal is the same as yours: to ensure you are prepared in the event of a fire and to help everyone get out safely. Yours in safety, Kevan D. Jess, Fire Commissioner
