## In Flanders Fields

By: Lieutenant Colonel John McCrae

In Flanders Fields the poppies blow  
 Between the crosses, row on row,  
 That mark our place; and in the sky  
 The larks, still bravely singing,  
 Fly scarce heard amid the guns below.  
 We are the Dead. Short days ago  
 We lived, felt dawn, saw sunset glow,  
 Loved, and were loved,  
 and now we lie In Flanders fields.  
 Take up our quarrel with the foe:  
 To you from failing hands we throw  
 The torch, be yours to hold it high.  
 If ye break faith with us who die  
 We shall not sleep, though poppies grow  
 In Flanders fields.

*In honor and remembrance of  
 their sacrifice and service.*

### **WORKING WELL WORKSHOP**

Telford Community Club (48142 Range Road 262)  
Tuesday, Nov. 27 from 6 – 9 p.m.

Consider how your life would change if you lost your water supply. Did you know that a poorly maintained water well can put your water supply at risk of contamination and reduce your well yield?

If you are one of 450,000 Albertans who use their water well for household purposes, the key to ensuring your water supply is safe and secure is knowing how groundwater works, learning about your well and understanding how to properly maintain it.

Proper water well siting, construction, maintenance and plugging will help protect your well from biofouling and contamination, save you costly repairs, and ensure your well water yields are sustained over many years.

Find out what you can do to protect your well. Attend the **FREE** water well management workshop being hosted by Leduc County and presented by the Working Well program, with technical expertise provided by Alberta Agriculture and Forestry, Alberta Environment and Parks, Alberta Health Services and licensed water well drillers.

**During the workshop we will cover:**

- Groundwater – how it works
- Water quality and quantity testing
- Well protection – protecting your well from contamination
- Basic well maintenance
- Water sampling – how to do it

For more detailed information please visit [workingwell.alberta.ca](http://workingwell.alberta.ca)

# OLV Smorg: A Community Feast

By Amissa Jablonski

Smörgåsbord - a type of Scandinavian meal, originating in Sweden, served buffet-style with multiple hot and cold dishes of various foods on a table (thanks Wikipedia!). Rather fitting given Thorsby's Scandinavian roots.

This past Sunday marked the 51st annual Our Lady of Victory Smorg at the Thorsby Community Centre. Thanks to the support of our local community, it was another smashing success! Feeding nearly 200 attendees, diners were delighted by a variety of salads (including my personal favourite of marinated onions); a duo of the Ukrainian standards of homemade perogies and cabbage rolls; three different meats - turkey, meatballs in mushroom gravy, and freshly carved roast beef; and, of course, a huge selection of fresh baked pies. If anyone went home hungry, they should have lined up for seconds - there were plenty!

Officially started in 1967 as a small parish fundraiser, the Smorg soon became a beloved community event that parishioners and Thorsbians (Thorsby-ites?, Thorsby-ers?, Thorsbianese?) look forward to each November. In the 1930s & 1940s, the Smorg was predated by a series of chicken dinners that the women of the parish put on to raise money to build the current Roman Catholic church in town. The Smorg itself has gone through a series of evolutions as well and has included a popular quilt raffle, which was resurrected last year to celebrate the Smorg's golden anniversary.

We could not run this event without the generosity of our congregation. The Parish Council would like to send a huge thank you out to everyone who helped prepare the meal and donated the items for supper. Additionally, this evening would not be a success without the

support of the community. Thank you to all of those who joined us for friendship, fellowship, and a feast!

Above: The fresh, home-made pies were the perfect end to a perfect feast!

## Break and Enter Arrest in Leduc County

On November 5, 2018 at 08:00 AM Leduc RCMP were dispatched to a Break and Enter in Leduc County. Once members arrived on scene they were updated that the suspect had left the scene on foot. Members contained the area and dispatched Police Dog Services. Before the Police dog arrived on scene members located the suspect. When approached, the suspect uttered threats towards an RCMP member while throwing gasoline at the member and throughout the building structure. After a short altercation the suspect was taken into custody. The RCMP member did not sustain any injuries. The building structure was damaged by the resulting fire.

A 20-year-old male from Calmar was charged with the following Criminal Code offences in relation to the break and enters:

- Break and enter (x2)
- Possession of property obtained by crime over \$5000
- Arson
- Resist arrest
- Fail to comply with recognizance
- Assault a peace officer
- Uttering Threats

He has been released on a recognizance and his next court date will be in Leduc Provincial Court on November 8th at 09:30 AM.

“We are very thankful no one was seriously injured” says Constable Bridget Morla of Leduc RCMP. “We rely on the public’s assistance with reporting suspicious behaviour and this is a prime example of the public noticing something out of the ordinary and reporting it”.
