

THE BRETON BOOSTER

Winfield Celebrates the Season From Nancy Watson

On November 30th, at 5 p.m., the Winfield Legion welcomed the community to the annual Christmas Tree Light Up.

In preparation of this evening Rick Bauman supplied his equipment and workers to place eight more light strings on the tree, there are now 2700 lights shining brightly. The community was treated to free hot dogs provided by Rimbey Co-op and smokies from an anonymous donor. There were fire pits to roast marshmallows on or just sit around in your lawn chair and visit your neighbors. Refreshments included hot chocolate, coffee, and the bar was open for the adults. Younger members of the community were supplied with small crafts, colouring books and some glow sticks to make time pass until 6 pm.

The Winfield Legion would like to thank everyone that attended and the members that helped make this evening such a success! Smith Hardware surprised the Winfield Legion and the attendees with a fire works display in the park completing the evening. We wish everyone a safe and happy holiday!

Quilts of Valour Keeps Giving From Pte Cassie Kreil

Hi! My name is Pte Cassie Kreil. I am a member of the Canadian Armed Forces and am serving as a Reservist with the 15 Field Ambulance in Edmonton, AB. I joined the Canadian Armed Forces in August of 2017 to fulfil my long time dream of serving my country as a Medic, but also to challenge myself and to grow as a person. This passed year I have completed Basic Military Qualifications which now enables me to continue on into trades training to become a Medical Assistant, which I hope to accomplish in the next few years.

Just recently I was presented with a Quilt of Valour. Quilts of Valour - Canada, is an organization that handcrafts and delivers quilts to active military members and veterans throughout Canada in recognition of their service and dedication to their country. I feel incredibly privileged to be among those men and women who have received this gift, and am truly grateful for all the community support.

Waste Transfer Site: The Waste Transfer Site is now on winter hours. The site will be open Saturdays only from 10:00 a.m. to 4:00 p.m.

Property Taxes: All outstanding taxes are due by December 31st. A penalty of 15% will be levied January 1st, 2019 on taxes and related costs that remain unpaid.

Utility Payments: Due December 31st. All December 31st payments for taxes and utilities will be honored without penalties until close of business on January 2nd

Tax Installment Payment Plan: The Village of Breton Tax Installment Payment Plan Bylaw allows taxes to be paid in twelve monthly installments over the course of the taxation year (January to December). Eligibility for the Plan is contingent upon the prior year's taxes being paid in full, and application must be made by December 15th in the year prior to the year in which the plan is to commence. The first six payments of the year will be calculated as 1/12 (one twelfth) of the prior year's tax levy. The last six payments will be 1/6 (one sixth) of the actual amount outstanding at July 1st (Current year's tax levy less the amounts paid from January to June). A tax payer may enroll up to June 30th, but a "catch-up" payment would be required to cover those payments that would have been made between January and the date of enrollment. Should you have any questions regarding the Tax Installment Payment Plan, please contact the Village Office at 780-696-3636.

Sidewalks: Residents and business owners are reminded they must by Bylaw 07-01 Section 7.17 keep their sidewalks free from snow and ice within 48 hours of a snowfall. Please use ice melt instead of salt to avoid damaging the sidewalk. You are responsible for the cleaning of the sidewalk even if the property is vacant.

Village Office Christmas Hours: Closed December 24th – 31st Closed January 1st, 2019 Regular hours resume January 2nd

FCSS NEWS

from Deanne Young
780-696-3636

Breton Let's Talk Rural Mental Health – Thank you to everyone that attending our information session on Rural mental Health Awareness. Over 75 people were able to attend and start the conversation around Talking More, Learning More and Doing More in regards to having better Mental Health. I am pleased to let you know that we will be able to offer the Mental Health First Aid training that was discussed. This course will be offered before the end of March 2019. Please watch for more details in the new year. Remember to be Tough Enough To Talk.

Community Christmas Dinner – For the last several years Breton FCSS has coordinated a Christmas Dinner for anyone in the community to come together to celebrate the holiday season. It has been a wonderful evening due to all of the Volunteers that assist with the preparations and evening. We are starting to make plans for this year. The date we have selected is Tuesday December 18. We would like to start a list of Volunteers and assign a task that you would like to help with. Tasks will include: Setting up tables and chairs, putting out the table cloths, peeling potatoes, making salad, making stuffing, preparing and carving the turkeys, making coffee and juice, making gravy, setting out the plates, mashing potatoes, putting out the food, collecting dishes, washing dishes and clean up. If you would be interested in helping with any of these tasks, please contact Breton FCSS at 780-696-3636. Families are welcome to help.

Snow Angels - Unfortunately the weather man is telling us that winter is on its way. The students at Breton Elementary are offering to be our Snow Angels for the community this winter. The students from the school will be matched together to come and clear your sidewalk. The program will be available to those residents of the community who are unable to shovel their snow and clear their sidewalks due to physical restrictions and age. They must have no family in the area to offer assistance. Residents will be responsible for their snow removal on the weekends, school holidays and if the weather is extremely cold and the students are not able to be outside for long periods of time. Please

stop by the Village of Breton Office to complete an application form if you qualify for the program or would like more information. 780-696-3636. Thank you to the students and staff of Breton Elementary for being Leaders in our Community. There is very limited space in this program and those with the greatest need will be considered first. If you would like to assist with snow shoveling for the elderly on a VOLUNTEER basis please contact the Village office at 780-696-3636

Community Movie Nights are Back! – We hope that those that ventured out enjoyed the movie night on Friday. We will offer another Movie Night on Saturday December 29. This one will be a Matinee and there will be a concession with lunch items for those that wish to have lunch before the movie starts. We will be showing – Nanny McPhee Returns. Get your friends together and enjoy a movie during the holidays.

Christmas Tree of Honor and Remembrance – The tree will be placed at the Breton Library from December 4 until January 3. Members of the community are invited to place an ornament on the tree with the name of the person they wish to remember during the Christmas season. The ornament will be provided. We invite all community members to place ornaments on the tree to remember those that have passed on. These may be family & friends that you have recently lost or have passed on in previous years. For more information please contact Deanne at 696-3636 or bfcss@telus.net Thank you to the Breton Library for partnering on this project. Note: There is no cost to place an ornament on the tree.

Not Just Another Day - Dealing with Grief During the Holidays

Christmas is a time of the year where everyone seems to be in a joyous mood. Enjoying the sights and sounds, the celebrating and festivities. This is a tough time for those who have lost a loved one and it can feel intrusive and you may not feel like celebrating. The season reminds you of who is missing and it hurts. Here are a few suggestions to help with the stress and sadness you feel at this time.

Acknowledge and accept your feelings – The person you love is not there to share Christmas; you need to accept the tears, and the loneliness; anger and depression are all natural reactions to loss.

You don't need to prove that you are "strong" or "doing well."

Plan a head – You may be afraid to face the holidays. You and your family may have many questions and doubts:

- What will the day be like? Will we spend time crying or will we pretend that nothing has changed?
- Should we keep the same traditions, or should we try something new?

It is helpful to discuss these fears and questions ahead of time with family members and make some plans for the holidays. Sometimes keeping the old traditions gives people a sense of stability, a feeling that not everything in their world has changed. Other times, it helps to explore alternatives and try something new or different. You must remember to do what is comfortable for your family. You may try buying a gift or making a donation in the memory of your loved one, buying a special tree ornament each year, or lighting a candle on Christmas Eve and talking about the special person that you have lost, while the candle burns.

Do what is most important – Holidays are generally packed with activity. There is often the pressure and stress of having so much to do and so little time to do it in. You need to set priorities; don't over-extend or attempt to do it all.

Be with others – When people are hurting, they need emotional support from others. On difficult days, such as the holidays, try to be with those who are understanding and caring, such as family and friends. It is the gift of love that truly helps to heal. Over the Christmas season, you can't choose whether or not to feel pain, but you can choose how to manage it.

How to Help Children Through the Holidays - Try asking the children and other members of your family these open- ended questions so that they can see what is really important:

The part I'm looking forward to the most is...
The part I'm not looking forward to at all is...
To make the day still feel special to me this year, I think we should...
This year I don't want to...
Or I still want to...

Community Christmas Dinner

Do You Love Christmas?

You are invited to attend our FREE Community Christmas Dinner and celebrate the season with friends, family and neighbors. This dinner is hosted by the community for anyone that does not have someone to celebrate the season with. For those that are working over the holidays and may not be preparing a Christmas Dinner. For anyone that is unable to travel to see family and friends during the Christmas season. Or just those that would like to share a meal with those in our community during the holiday season.

Tickets are FREE but we ask that you pick them up at the Village of Breton Office between November 30 - December 12 so we can plan appropriately.

If you know someone who would enjoy the evening, please invite them to attend.

Covenant Corner

from Pastor Jeff Gooderham

Dr. J.B. Gambrel tells an amusing story from General Stonewall Jackson's famous valley campaign. Jackson's army found itself on one side of a river when it needed to be on the other side. After telling his engineers to plan and build a bridge so the army could cross, he called his wagon master in to tell him that it was urgent the wagon train cross the river as soon as possible. The wagon master started gathering all the logs, rocks and fence rails he could find and built a bridge. Long before day light General Jackson was told by his wagon master all the wagons and artillery had crossed the river. General Jackson asked where are the engineers and what are they doing? The wagon master's only reply was that they were in their tent drawing up plans for a bridge.

Sometimes we spend more time making plans to serve the Lord then actually getting out there and serving Him. James tells us in James chapter 2 verses 14 to 17; "What good is it, my brothers, if someone says he has faith but does not have works? Can that faith save him? If a brother or sister is poorly clothed and lacking in daily food, and one of you says to them, "Go in peace, be warmed and filled," without giving them the things needed for the body, what good is that? So also faith by itself, if it does not have works, is dead." It is much easier to remain in the tent making plans, but sometimes we just need to get out there and serve!

The Warburg Legion Branch No. 205 Time to wind down

This week we wound up our Poppy Campaign for 2018 and there is no better way then to announce our winners for the Poppy and Literary component for this year. We can honestly say there are a lot of young people in the Breton, Warburg and Thorsby area that speak from their hearts and have an exceptional artistic quality about them. We sure are proud of you all!

We consider all entries as winners, as their participation in any of our Poppy and Remembrance Day Campaign is of the utmost importance in recognizing the talents of our youth today. Thanks to all the teachers and parents who helped these young people attend services, be a part of the services, and be a part of the Poster and Literary component. Your help is greatly appreciated and we are honoured that you took the time to introduce this to the students.

From Breton Elementary School we have 3 winners for the Color Poster Entries –

First Place – Junior – Selena Crier, Second Place – Jada Ross, Third Place – Taylor Johnson

From Warburg School we have 3 winners for the Literary Entries – Poems-

MLA REPORT

from The Office of MLA Mark Smith,
Member of the Legislative Assembly
for Drayton Valley - Devon

The Alberta oil patch is in a crisis that some are calling a 5 Alarm Fire or Oil-magedon! The problem is that over the last 5-10 years the oil industry has ramped up oil production to meet international demand but environmentalists, various levels of government and the courts have combined to stop the building of pipelines to get the oil to tidewater and an international market.

It is difficult to cut back oil production because it could damage some of the oil fields, at around 35 million barrels we have reached our capacity to store oil and it must now be placed on the market. The result is an oversupply of oil in the Western Canadian market that has dropped the price for what we can receive for a barrel of Western Canadian Select down to somewhere around \$10 barrel. The difference between what we receive and what the rest of the world would receive for a similar barrel of oil is called the differential and at times we have had as much as a \$50 dollar difference between what we receive and what the international market is receiving. Some oil companies are even having to sell their product at a loss.

The ramifications of this are serious. Companies that are vertically integrated like Husky, Suncor and Imperial are able to produce, have pipeline access and can refine their product, they are still making money. However, many small and medium sized oil companies are stuck receiving the WCS differential and are on the verge of going broke. Some are cutting back on staff, shutting in wells and trying to weather the storm, the rest are shutting their doors.

Drilling companies are choosing not to drill and the many small oil communities in the Drayton

Valley-Devon Constituency are witnessing closures of service companies almost every day. Many companies are saying they can survive for another 2 months but cannot guarantee that they will be around in 6 months.

It doesn't get any more serious than this and in reality the problem is more complicated than I have time to write about. So what can we do about it?

The long term answer is to increase our capacity to transport our oil to international markets whether by rail or pipeline or truck. If we decrease the oversupply of oil by about 400,000 barrels per day then the price will increase back to about \$20 a barrel differential and most companies will be able to produce oil and make a profit.

But rail and pipeline take time and we have run out of time. That is why the leader of the Opposition, Jason Kenney, has laid out a plan for mandatory curtailment. As Conservatives the United Conservative Party would prefer to leave an oversupply up to market forces but in the face of a collapse of the oil industry and on the advice of many oil experts the party has come out in favour of mandatory restrictions.

Many in the oil industry are split on this issue. Husky, Imperial and Suncor have not been open to mandatory curtailment. Many companies on the verge of closing their doors have already voluntarily reduced production for a combined 200,000 barrels a day. Others in the industry simply want the market to decide. In an admittedly unscientific poll I polled 213 constituents and 121 did not support mandatory curtailment, 72 did support mandatory curtailment and 8 were undecided.

Mandatory curtailment is a tough call but it is one of the few options that may have an immediate effect on the oversupply and could save companies and jobs in the short term. The opposition is pleased the government has decided to implement the curtailment.

Drayton Valley

Thousands of letters to be delivered to Alberta Legislature For December 10th, 2018

Background:

December 4th at the *Rally in Drayton Valley* we collected hundreds of signed letters from the crowd to be delivered to the Prime Minister of Canada. Since then the initiative has exploded into the thousands ... Saturday the letters from the people of Drayton Valley and Brazeau County were bagged for delivery to our elected officials at the Alberta Legislature to forward to the Prime Minister of Canada.

The small team from Drayton Valley **will be driving them on Monday accompanied by one of the Christmas Season's most beloved characters** ...

Who:

This is a small team from the ad hoc group that created the Rally in Drayton Valley on December 4th that had well over 1100 persons attend in support of Canadian families and the Oil & Gas industry.

Where/When:

Join the team in front of Alberta Legislature at 12:15 pm (noon hour) **TODAY** as they arrive to deliver, meet the team and their special guest before they enter Legislature security at 12:30 pm to present the Alberta Minister of Energy and deliver the bags of letters to be forwarded.

Why:

- **The visuals** as the team is being joined by **accompanied by one of the Christmas Season's most beloved characters**.
- **Information** see the **many thousands of letters**, hand signed, by the people of Drayton Valley Brazeau County **and talk to the Team made up of residents, business owners and workers**.
- **The message ... this is about the many thousands of families across Canada suffering from the indecision of government on moving the Oil & Gas industry forward.**

A police officer called the station on his radio.
"I have an interesting case here. An old lady
shot her husband for stepping on the floor she
just mopped."
"Have you arrested the woman?"
"Not yet. The floor's still wet."
