# Our House Rocks

From Kevin Maine

Hard to believe that 2018 has already passed and we are into 2019. Here is an update on what's happening at the Warburg curling centre. First and foremost I would like to thank the Breton & District Fish and Game and the Breton Oil Men's for their generous donations. Both were put to use upgrading our concession.

The curling club has had an amazing start to the season. First, our night leagues are full Monday, Tuesday, Wednesday and Thursday, also our Thursday morning senior men's is busting at the seams. I would like to thank all the returning curlers and all the new curlers that have made the first half of the season such a great success.

The junior program is also doing well, it's good to see new up and coming curlers thriving to do their best at a new sport. We are also looking for new coaches for this program as Mrs. Meinczinger is retiring after many years of coaching. We also have two young curlers reaching another stepping stone towards their goals and dreams. Ethan Chung and Kelsie Cygan will be competing in mixed doubles at the provincials in February. Their ultimate goal is the Olympics, with their determination and drive to get better every time they step on the ice, I believe they can achieve this. The four young curlers on the junior competitive team have also been very successful. Connor Hayman, Patrick Kelly, Kelsie Cygan and Ethan Chung have won the A event in every spiel they have been in this year. The last bonspiel they took the skills competition as a team, won the bonspiel, and Connor took first overall in the individual skills with a 31 out of 36, this is a great feat in itself. I look forward to seeing them play in the u18 boys qualifier. To do so Sam Goodie will be playing in Kelsie Cygan's place, I believe this combination can also reach provincials.

I would like to thank all our sponsors and volunteers, for without you the club would not be such a great success. A big thank you goes out to all those who hogged rocks the last 5 weeks before Christmas, you raised \$238.00 for the Christmas hamper program.

All the best in the new year

Kevin Maine

## Following a Dream

From Ethan Chung

I started curling in the Warburg junior curling program coached by Gladys Meinzinger shortly after watching the sport in the 2010 Vancouver Olympics. From there, Kevin Maine began coaching Kelsie Cygan and I, and we formed a mixed doubles team. We competed in the

2016 Alberta Winter Games and have now qualified for provincials in February of 2019. We would not be able to do this without the support of our families, our coach Kevin, or our generous sponsors: Helen Maine with Primerica, and the Warburg Curling Club.

I would like to give a huge thank you to both Helen and the curling club for allowing Kelsie and I to continue chasing our dreams. Without people to support us, we would not be able to do many of the things that we have done and would probably not be in the position we are today. In the future, I would like to curl nationally and internationally in the Olympics and the Brier and that will only be possible with continued support from amazing people. I would once again like to thank the Warburg Curling Club and Helen Maine with Primerica for sponsoring Kelsie and I and helping us achieve our goals.

## Our Sponsors Rock!!

From Kelsie Cygan

of the Warburg Curling Club

Saying thank you does not begin to show how much this sponsorship means to me!

Curling started for me in 2010 with Mrs. Meinczinger who taught me the basics. Since then, it has evolved into so much more! It really is a sport that has changed my life in so many ways and taught me so much! It is my second family. To say I love curling, would be an understatement. A couple years into our Junior Curling, Kevin formed our current 4 person team; Ethan Chung, Patrick Kelly, Conner Hayman and me. In 2015, Kevin approached Ethan and I about mixed doubles, and that began our journey! Kevin talked to us about competing in the Winter Games being held in 2016 in Medicine Hat. He told us right from the beginning that it is not all fun and games. It would take dedication and hard work. It meant showing up, when other kids our age were out having fun. It meant missing out on a lot of things to practise. It also meant that Kevin was missing out on a lot of things too, but he never complained, and neither did we. We were "IN IT TO WIN IT" That has always been Kevin's motto. He believes in us, which in turn has made us believe in ourselves. He has pushed us to be more. We have a love of the game, that he shares with us. We started practising in August of 2015 for Winter Games. When we got on the bus to go to Medicine Hat, Kevin was right there with us. We did not come home with any medals that year, but we felt like winners! What we lacked in a medal, we made up for, with experience gained and lifelong friends in the curling world! Since that time, Mixed Doubles has been a very active and important part of my curling. This year, Kevin encouraged us to try for a spot in Provincials. We attended

playdowns in Beaumont the first weekend in December. We were the youngest ones there. Ethan wasn't feeling 100% and I had hurt my ankle the night before, but we pushed through as Kevin has taught us, and came away with a berth in Provincials being held in Dawson Creek, BC, 2019!!!

The amount of success I have enjoyed in curling the last few years, has been more than I could have ever dreamt of, but I am not finished yet! Ethan and I have a goal to represent Canada in the Olympics!

No matter where we have curled on the weekend, when we come home to our home ice, we have our own personal fan club! The curlers who curl with us and against us on league nights. The curlers who cheer on our victories and tell us we'll get 'em next time if we lose a game. The curlers who follow our progress, like a second set of parents. The curlers who sit and visit with us and make us feel like a very special part, of a very special family. The curlers of Warburg Curling Club, who have supported us through the years. These are the people, and this is the club who has given us, this most incredible sponsorship, and for this, I cannot thank you enough!! Because of your very generous support, we are one step closer to our dream!!

## Straight Out of Thorsby

*From the County of Leduc, from Alberta and Canada, from Singapore to the U.K., from Australia to Holland, from the USA to Panama, Thorsby graduates are making a difference. This is the seventh installment in a series of profiles which indicate what a small school and community can produce.*

### LORNE SCHMIDT

Lorne grew up on the farm of his parents, Ervin and Ella, south of Thorsby. He graduated from Thorsby High School in 1979.

#### EDUCATION AND MUSIC

In the fall of 1979 Lorne was admitted to Red Deer College, subsequently moving on to Camrose Lutheran College (now the Augustana campus of the U. of Alberta). During this time he studied at the Canadian Lutheran Bible Institute. After a transfer to the U. of Alberta he graduated in 1984 with a B.ED. (major in physical sciences and minor in mathematics). Music was always an important part of Lorne's life and he took up the guitar at age 13. While he was involved in pursuing an education he played in a band that did weddings and parties in the Calmar/Thorsby area. After his time at U. of A. he took a year to tour Canada and into the U.S. with a Christian musical group for New Creation Ministries. His teaching career was launched in 1985 and he joined a band in the Innisfail/Red Deer area, also venturing into community theatre. This continued after his marriage and subsequent move to Red Deer where, on occasion, he performed gospel music in area churches.

#### WORK

Lorne commenced teaching Jr./Sr. High math, physics, and science at Spruce View School and remained in this position until 1992, when, after getting married, he relocated to the H.J. Cody School in Sylvan Lake. Again, teaching Sr. High math & physics, he completed eight

years at H.J. Cody.

By 2000, it was time to make another move – this time to what was expected to be a two year adventure in China. By now Lorne was the father of two children and some insular souls thought the move risky – no sense to it. A position was obtained at Yew Chung International School in Shanghai (a city of more than 24 million). The two year adventure in China turned into four years of teaching math, physics and science and was then extended by another move – not back to Canada but to Singapore where the first two years were spent teaching the usual subjects at the Overseas Family School.

In 2006, still at the same school, Lorne moved into administration becoming High School Deputy Principal and also coordinator of the International Baccalaureate Diploma Program. (This program offers advanced standing at certain colleges and universities. Some Alberta schools offer it as well). He became acting principal of the school for the year 2015-16. In the fall of 2018, and after fourteen years in Singapore, and a total of eighteen years in Asia, he took a position as Secondary School Principal at the International School of Macao (Macao).\*

#### FAMILY

Lorne's parents, Ervin and Ella, after leaving the farm, moved first to Thorsby and then to Leduc, where they reside today. Ella is the author of the history, *On a Solid Rock*, published in 2009. Ervin in his younger days played trombone, trumpet, banjo and guitar in the Strawberry Jammers (fictitious name for the band but they performed in the Strawberry district, north of Thorsby). His all-around skills came from an innate gift as he never had a formal lesson.

Lorne married Hiede in 1991 and their children Garrett and Christina were born in 1994 and 1996. Hiede is also a teacher and when the job at Yew Chung opened up she was employed in the kindergarten and has continued

in this position in Macao (Macau) as well. The old saying “the apple does not fall far from the tree” applies through the Schmidt line to the present. The talents of Lorne and his parents have shown up in Garrett, who graduated High School with an International Baccalaureate Diploma (2012), and in Christina with the same qualification in 2014. Garrett went on to study at Berklee College of Music in Boston, graduating with a Bachelor of Music degree in Film Scoring. He is now a freelance composer in Markham, ON. He married in 2018. Christina studied at New York U. (Tisch School of the Arts). She received a Bachelor of Fine Arts with a major in Acting. Presently she works as a free-lance actress in New York City.

#### THE PRESENT AND FUTURE

The Schmidts are still on the international teaching circuit and have no plans to do otherwise in the near future. Modern technology has allowed them to stay connected with their Thorsby roots. They consider themselves proud Canadians and visit friends and relatives in the town and district at least once a year. Visits to the farm where Lorne grew up and the house in Thorsby have instilled in Garrett and Christina a sense of “home” in Canada.

#### PHILOSOPHY

Charlie Pride, in his song “Kiss an Angel Good Morning”, has a line asking: “How does a man get to be this way”? Lorne often has to pause and ask himself (in a somewhat different context), the same basic question: “How did a farm boy from Thorsby ever end up in metropolises such as Shanghai and Singapore”? The answer: “When you grow up in a strong supportive community like Thorsby you gain the confidence to try new things and experiences”.

No one could say it better.

became a semi-autonomous region under China in 1999. It is located on the Pearl River estuary within China but it is separate from China both politically and economically.

Have you thought about what you'd like your New Year's resolution to be? More importantly, have you thought about how you plan to reach your goal? As the saying goes, "A goal without a plan is just a wish." Set yourself up for a successful 2019 with these tips to help you reach your goals.

### Five Tips for a Successful New Year

- Identify your goal. Be sure that you make your goal specific and attainable. Trying to do too much can actually derail you.
- Move on from old goals. If you didn't achieve last year's goal, or maybe even your goal for the last several years, it's okay to forgive yourself.
- Make a plan. What are steps you can take every week to help you reach your goal? Consider setting mini weekly goals to help you reach your overall goal.
- Ignore negative thoughts. At times, you might feel like you've fallen off track. Don't beat yourself up about it. Instead, think about what you have done well so far. Just because you've had a bad day, week or month, doesn't mean you can't start fresh tomorrow.
- Get excited! Consider your goal something you want to do rather than something you

"should" do. If you want something, you generally feel more positive about working for it.
