

THORSBY TARGET

Can You Help?

Sometimes, when we see a tragedy we want to help but don't know what to do. We think, oh, they probably have enough help, I'd just be in the way, or what could I really do?

Well, as of 11:30 a.m. Wednesday morning, this is the help that the family needs the most...

"In terms of any needs and concerns, we desperately need anyone with quads, sleds, or ATVs to come to our Command Centre in Devon, at the River of Hope Church at #2 Saskatchewan Ave. We have been sending search teams out all day and will continue to do so until Kathleen is found. We are also seeking absolutely everyone that is able to come search on foot. We need spotlights, flashlights, batteries for flashlights, and power banks for cell phones while searching. Anyone with horses and dogs would be greatly appreciated to aid in the search."

If you have equipment but don't have a way to get it to Devon they have contacts on their Facebook page that may be able to help.

Please spread the word to people you know with access to these items.

The Facebook page is continually being updated with information and requests to the community. You can keep up to date on the needs of the family and search at MISSING: KATHLEEN FERRAZ

If you're not on Facebook, but want to help, stop by the Command Centre (address above) at the River of Hope Church in Devon.

MISSING: KATHLEEN FERRAZ

DEVON, ALBERTA, CANADA

On SUN-JAN-06-2019 Kathleen's vehicle was located on the median near the Devon Bridge on HWY 60, just north of the small community of Devon, Alberta. The keys were still in the ignition but Kathleen could not be found nearby. It is believed that she may have been picked up or possibly wandered off in a disoriented state.

Kathleen is 25 years old and 5' 5" tall with a slightly plump build. She has hazel eyes and reddish-brown hair. She is believed to have been wearing the fur-trimmed parka seen in the image above.

If you live in the area please check your own property and any security, dash or trail cams in your possession for evidence of Kathleen, her vehicle or any other vehicles or persons in the area at the time she went missing.

If you have ANY information related to Kathleen's disappearance please contact DEVON RCMP at 780-987-3413 or Crime Stoppers at 1-800-222-TIPS.

feature of the month

feature BUSINESS of the month Thorsby Family Chiropractic Clinic

Dr. John Hunter opened the Thorsby Family Chiropractic Clinic in April of 1998.

He decided on Thorsby as he likes the ambiance of a small town. He enjoys helping the people of the town and surrounding area maintain better health.

It has been “the fastest 20 years of my life!” he claims.

The first patient to walk in the doors was Wally Bensen and since then we have seen over 3,000 additional patients. We have provided improved health potential to mayors and council and people of varying careers including wheel maker Harry Harrison and his wife Kay.

One of our early patients, Eugene Mantei, at 93 years old, continues his monthly maintenance at the clinic. Another is Gerry Senio, patient #33. “The whole Senio family has been a blessing, and his wife Donna, our receptionist, continues to help us serve the people. Thank you all!”

Many people are under the impression that chiropractic care is only for back and neck problems. We work with the nervous system to provide overall health maintenance and correction for the entire body of several different ailments.

NEW PATIENTS ARE ALWAYS WELCOME!

Straight Out of Thorsby

From the County of Leduc, from Alberta and Canada, from Singapore to the U.K., from Australia to Holland, from the USA to Panama, Thorsby graduates are making a difference. This is the eighth installment in a series of profiles which indicate what a small school and community can produce.

JANE ISAKSON

Dear Thorsby,

Greetings from Whitehorse Yukon! I attended Thorsby Jr. And Sr. High school from 1978 to 1983, grades 7 through 12. Our home was at Pigeon Lake and the years there were extremely happy ones. After graduating, I attended Camrose Lutheran Collage (now UofA Augustana campus) and earned a BA in Scandinavian Studies (Norwegian language and literature). I was also a little sidetracked when I took up the sport of biathlon. That extended my program length when I started to compete with the national team. Those were interesting years of competing and travelling, culminating in the 1992 and 1994 Olympic Games in Albertville France and Lillehammer Norway. As much as I learned from those experiences, the most important thing I came away with the knowledge that success is more connected to hard work and perseverance than anything else. After I 'retired' from sport, I found that it had given me the confidence to pursue my real dream of becoming an artist, I returned to school, completing a Fine Art degree at the UofA in 1998. At that time I was also lured north to Whitehorse by a kind man (who became my life partner) and a Golden retriever, and there started a painting practice based on my love of nature and the outdoors.

My vocation has brought me a great deal of fulfillment, I have had some proud moments

such as having a painting purchased by Canadian foreign affairs for the Canadian consulate in Canada House in the UK. I have had the opportunity exhibit my work in public institutions and to attend many artist residencies over the years that have taken me to some very interesting and inspiring places in both Canada and abroad, the most recent in Taos New Mexico.

Over the years it has always been a pleasure to have maintained some contacts in Thorsby and see its developments when I visited my parents. With the recent passing of my father and selling of the family home, I may not pass that way so much any more, but I will always have fond memories of the community.

Kind regards and warm wishes,
Jane Isakson

MP REPORT

from The Office of MP Jim Eglinski,
Member of Parliament for Yellowhead

Canada Summer Jobs 2019 Now Open

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is encouraging organizations in his riding to apply for the 2019 Canada Summer Jobs (CSJ) Program. This unique funding initiative helps employers create summer job opportunities for those between the ages of 15 and 30.

Please note that updates have been made for CSJ 2019 that will make it easier for employers to provide good quality summer jobs.

- Fewer barriers to good quality jobs: expanded eligibility to include all youth between the ages of 15-30 who are legally entitled to work in Canada – not just students.
- Updated eligibility criteria: the eligibility criteria have been changed to set out what is and isn't eligible for funding.
- Better job matching: All positions will be posted on jobbank.gc.ca and on the App, to get the word out and help match young people with employers and good quality jobs.

Everything can be submitted online through the Government Grants and Contributions Online Service. You can complete the application at your leisure and track its status once it has been submitted.

Funding is available for not-for-profit organizations and public and private sector employers with 50 or fewer employees. If you are a non-profit organization you can receive up to 100 percent of the provincial/territorial minimum hourly wage, as well as employment-related costs. Public-sector employers and small busi-

nesses can receive up to 50 percent of the provincial/territorial minimum hourly wage.

CSJ focuses on local priorities, including:

- 1.Organizations that provide services to, and that express an intent to hire, youth who self-identify as being part of the groups which are underrepresented or have additional barriers to the labour market;
- 2.Opportunities for youth to gain work experience related to the skilled trades;
- 3.Opportunities for youth in rural areas, remote communities and Official Language Minority Communities;
- 4.Small businesses, in recognition of their contribution to the creation of jobs; and
- 5.Organizations which deliver supports or services to seniors.

I encourage you to take advantage of this program and apply for funding **by January 25th, 2019.**

For more information on CSJ, including the eligibility criteria and application guide, visit Canada.ca/Canada-summer-jobs, a Service Canada Office or call 1-800-935-5555.

“Canada Summer Jobs is designed to focus on local priorities, while achieving tangible results for both our youth and our communities, and I know it will benefit many,” concluded MP Eglinski.
