

THE WARBURG BUGLE

Student Leadership Conference:

'Ignite My Potential'

By: Ashley Kelto, Hannah Lange, and Hayley Johnson

On March 22nd we attended a Black Gold Regional Division Youth Leadership Conference at West Haven School. We went there along with other Warburg students, Mr. West and Mr. Head.

We were shown what other students did to show leadership skills in their school. We also listened to two keynote speakers, radio personality, J'Lyn Nye and former NHL player, Carlin Nordstrom. They both talked about their lives. We learned from them to never give up, and that 'YES YOU CAN!' After that, we went to different activities. We learned to stay active, and push yourself to your limits. Be yourself, express yourself, and stay you. Think about life and just breathe.

We also saw some entertainment from students our age, they showed leadership skills, and to express who you are. All in all it was a great experience, and we loved it.

Warburg School Bamfield Marine Centre Field Trip

By Amy Drysdale

During Spring Break 4 staff and 16 students from Warburg School traveled to Bamfield Marine Science Centre located on Vancouver Island. After flying from Edmonton to Nanaimo and taking a slow four hour bus ride along logging roads we reached the small town and research facility of Bamfield British Columbia. Over the next three days we spent time doing a wild variety of hands on scientific activities such as collecting and examining plankton, doing a dredge and looking at all of the different life forms, examining tidal pools, learning about different local species and their adaptations, touching and holding a variety of creatures, and of course, a relaxing afternoon on the beach. Between these events we passed time by playing violent card games and gambling food during Uno. Many things were found, such as our bond

as a group, many pieces of sea glass, and Spencer's sea fork.

We are really thankful to everyone who supported our fundraising which helped us to take this trip of a lifetime!

LETTER TO THE EDITOR

Dear editor,

With the forthcoming election, I felt the following is worth sharing, the author is unknown.

Dear Canadians,

Today we mourn the passing of a beloved old friend, Common Sense, who has been with us for many years.

No one knows for sure how old he was, since his birth records were long ago lost in bureaucratic red tape. He will be remembered as having cultivated such valuable lessons as:

- knowing when to come in out of the rain
- why the early bird gets the worm
- life isn't always fair
- and maybe it was my fault

Common Sense lived by simple, sound financial policies (don't spend more than you can earn) and reliable strategies (adults, not children, are in charge).

His health began to deteriorate rapidly when well-intentioned but overbearing regulations were set in place.

Reports of a 6 year old boy charged with sexual harassment for kissing a classmate; teens suspended from school for using mouthwash after lunch; and a teacher fired for reprimanding an unruly student, only worsened his condition.

Common Sense lost ground when parents attacked teachers for doing the job that they themselves had failed to do in disciplining their unruly children. It declined even further when schools were required to get parental consent to administer sun lotion or an aspirin to a student, but could not inform parents when a student became pregnant and wanted to have an abortion.

Common Sense lost the will to live as the churches became businesses and criminals received better treatment than their victims.

Common Sense took a beating when you couldn't defend yourself from a burglar in your own home and the burglar could sue you for assault.

Common Sense finally gave up the will to live after a woman failed to realize that a steaming cup

of coffee was hot. She spilled a little in her lap, and was promptly awarded a huge settlement.

Common Sense was preceded in death:

- by his parents, Truth and Trust,
- by his wife, Discretion
- by his daughter, Responsibility,
- and by his son, Reason.

He is survived by his five stepbrothers:

- I Know My Rights
- I Want It Now
- Someone Else Is To Blame
- I'm A Victim
- Pay Me For Doing Nothing

Not many attended his funeral because so few realized he was gone. If you still remember him, pass this on, if not, join the majority and do nothing.

Henry Klooster
Leduc, AB

Submitted by Warburg School

April 16th is an important day for our community. Our Provincial Election is taking place AND the Warburg School Student Led Conferences for K-6 and Parent-Teacher Interviews for grades 7-12. Also, the Book Fair will be open in the Library Learning Commons and a Staff Chili Cook Off, come taste and judge our chili recipes! Once you have been out to place your Provincial Election vote, come on over to the school and enjoy this 4:00 p.m. - 7:00 p.m. family event!

Scholastic Book Fair runs from April 15 - 17 and this "Dino-Mite" event is sure to please our shoppers! Pick up your Easter book treats for your family and support our library at the same time! The Fair is open from 9:00 - 4:00 on Monday & Wednesday, with extended hours on Tuesday the 16th for our Family Night-open until 7:00 p.m.

Shout out to our Bamfield Marine Sciences Centre field trip group. We have heard the trip was "amazing" and that our school group was keen on learning and exploring. Look for the article by Amy Drysdale regarding the Bamfield Trip on the front page of this edition of the Bugle.

Check our website: ws.blackgold.ca for scholarship opportunities for Warburg School students. We are fortunate to have wonderful support from our community for scholarships. Check the deadlines for applications and if you have any questions please contact Mrs. Hodges. Did you know that Warburg School has an App? The App is where many of our Junior/Senior High students order their Garfield's lunch, check Daily announcements and find their PowerSchool link. Find our Warburg School App at your Google Play or Apple Store. It is FREE for you!

Badminton season is here! Junior and Senior High teams are practicing for their upcoming competitions. Find the schedule on our Events and Activities calendar on ws.blackgold.ca

Our Breakfast Program is looking for volunteers. This short period of time delivers a nutritious start to our students day and the morning interaction produces smiles from student and volunteer alike! If you have an hour in the mornings and would like to volunteer, please contact program coordinator Deb Mellafonte at 780-848-2923

April 12th is a Professional Development day for staff so school will be closed.

INDEPENDENT

My campaign is based on these four principles:

1. To build support for and to sponsor a Referendum for Alberta Independence.
2. To return our province from Party politics to People politics, where legislation closely aligns with the will of the People. The Alberta Freedom Alliance believes in Direct Democracy to the extent that is reasonable and possible. We are committed to meaningful and verifiable accountability to Party members, voters, citizens and taxpayers.
3. To pass legislation that will institute the principles of Initiative, Referendum and Recall.
4. To work towards an immediate end to Equalization and the Redistribution of Alberta taxes.

Library Chatter

From Gail O'Neil

April showers bring May flowers, everyone is thinking about spring! The dirt warming up and being able to plant gardens. Staff at the Library are also thinking of what patrons will need to help them be successful in the new season, we have put out planning and planting books for inspiration and advice.

New books:

Adult Fiction: *The Woman in the Lake* by Nicola Cornick, *The A List* by J.A. Jance.

NonFiction: *Where Monsters Hide: sex, murder and madness in the Midwest* by M. William Phelps, *Birth Without Fear* by January Harshe, *Eat to Sleep* by Heather Thomas and Alina Tierney, *The CBD Oil Miracle* by Laura Lagano, *Little Big Minds* by Marietta McCarty, *Auto Repair for Dummies* by Deanna Sclar.

Junior NonFiction: *National Geographic Kids: Wildflowers*, *NGK: Insects*, *Utterly Amazing Earth* (packed with pop-ups, flaps and explosive facts), *Easy Wood Carving for Children: fun whittling projects for adventurous kids*.

Junior Fiction: *Treasure Seekers* by Thea Stilton, *Wings of Olympus* by Kallie George, *Young Captain Nemo* by Jason Henderson.

Early Picture Books: *Catwoman*, *Wild One* by Jane Whittingham, *Little Blossom Stories: The Case of the Lost Pig* by Cecilia Minden, *Cor-duroy's Garden* by Don Freeman and lots of leveled reading books, too many to list here.

I'm taking care of my procrastination issues; just you wait and see.

Night Hawk Auto's SERVICE TIP OF THE WEEK

Winter tires wear faster in summer conditions.

Get more tire life and switch your winter tires out for your summer tires.

I will always make you smile
BECAUSE **You Smile.... I Smile**

After months of research I have finally figured out how to have a healthy lifestyle...

Eat five small meals per day and run. Also, eat only breakfast and dinner, and walk. Also, eat lots of protein and lift, and don't even do any cardio, it's bad for your joints. Also, don't eat too much protein and make sure you're sleeping a lot. But don't be sedentary. But don't be too active, it's bad for your blood pressure. Make sure you replace all your lost salt, but never eat too much sodium. It's easy, just eat vegetables. Don't eat potatoes though or corn. Fruit is obviously good for you, and also it's all sugar and is bad for you. Sugar, I forgot to mention, is a vital source of quick burning carbohydrates that your brain needs to survive, and you should avoid it at all costs. Protein is hurting your kidneys. Make sure you eat a lot of it. Drink water. Never starve yourself unless you're calling it "intermittent fasting" and then it's okay to starve yourself a little bit. Don't over hydrate. Being vegan is obviously the healthiest lifestyle, and also no it's not. Fish is obviously super good for you, and it's full of mercury and killing you. Get some sun every day for Vitamin D and skin cancer.

Tippy and Two's (cats) neighbour,
now that there are no pesky dogs that bark!
Thanks Corinne!
