

THORSBY TARGET

May Long Weekend In Thorsby 2019 From Kristen Szepesy

This May Long Weekend in Thorsby was a huge success thanks to all our amazing community groups who made this weekend so successful! With family events at the Recreation Complex such as the ninja warrior inflatable, 24 foot inflatable climbing wall, toddler playground inflatable, sand pit bank, carnival games, balloon artist, the Haymaker Rodeo all weekend, pancake breakfast, and all the great events that took place during the long weekend. Huge thanks to the Town of Thorsby, Thorsby Recreation, Thorsby Ag Society, Thorsby & District Cultural & Historical Society, Communities in Bloom, Thorsby High School 2020 grads and parents, Thorsby Mayor & Council, The Chamber of Commerce, The Lion's Club, The Seniors Centre, Dwayne Harrish for live music at the Recreation Complex, The Last Post, Coffee Pucks & Poutine Concession, Thorsby Hotel Bar & Grill, Thorsby Municipal Library, Thorsby FCSS, Leduc County & Leduc County FCSS, Thorsby Fire Department, Thorsby RCMP, all those involved in organizing the parade, all those who participated in the parade, all the wonderful families who came out to make this weekend such a successful one. And anyone else who made this weekend a memorable one and keeping this community thriving!

Also, congrats to the lucky winner, pictured above, Bennett Senio who won the grand prize draw from Thorsby Recreation this weekend! Thanks to everyone in this community for being so supportive! See you next year!

My apologies to the advertisers and reader's of the Thorsby Target for having the paper out so late this week.

I had an unfortunate accident last weekend which required me to have emergency surgery on Wednesday.

Thank you for your understanding and your patience.

The Town would like to apologize to the Haymaker's Centre for the incorrect information that was included in our advertisement regarding the cost to enter the Haymaker's Rodeo for seniors.

Entrance for Senior's was inadvertently shown as free, when in fact there was a \$7 charge.

We sincerely apologize for any confusion and inconvenience that this may have caused to both the Haymaker's and the seniors.

May Long Burger Cook Off

From Ashley Gilbert
The Last Post Restaurant & Bar

On Saturday, May 18 The Last Post hosted the first Food Cook Off, with 5 contestants competing to determine who could make Thorsby's Best Burger.

We had a Bannock Bison Burger with blueberry BBQ sauce from Colton Straw, The Cow Patty made by Mike Sigvaldason, The smokehouse with a burger aioli from Dan Culford, The Carolina ½ pound patty stuffed with veggies, sauce and cheese created by Frank Raffa, The Thor Burger was crafted by Mitch Williams. People of Thorsby were the judges and with every purchase of a sample plate they received 2 tokens to vote. It was a close call between two burgers but in the end, it was ..."The Cow Patty" created by Mike Sigvaldason that won the competition.

Last Post Restaurant & Bar is new to town. Currently we offer lunch and catering with free delivery to all residents and business of Thorsby. We are located out of the community hall kitchen until the renovations are completed on the building. Follow our renovations on Facebook and Instagram. Our restaurant doors will be open Fall 2019 and will be giving the people of Thorsby a fresh take on a steakhouse offering locally sourced meat and produce with a small menu cooked to perfection.

I would like to acknowledge the people and businesses that helped us with our first cook off. Ranchland Meats, because we cannot have the best burger without having the best meat. GWI for lending me the great location and man power. Mitch Williams for sharing his burger cook off idea with The Last Post, we will be making this an annual tradition to host a cook off on May long. To the people of Thorsby for coming out, buying a sample platter, and taking the time to vote, your constant support of a new restaurant in town is truly heartwarming. We are looking forward too many years of serving the great people of Thorsby.

May long weekend traffic operations focus on safety

Leduc County peace officers issue 21 charges,
16 warnings

Leduc County peace officers welcomed the spring season with a number of proactive enforcement

operations over the Victoria Day long weekend. Over the four-day period from May 17 to May 20, peace officers travelled 2,941 kilometres and issued a total of 21 charges and 16 warnings for speeding, intersection safety, and gaming and liquor violations.

This past weekend our peace officers charged 19 drivers with speeding. Although we are disappointed that motorists continue to drive above posted speed limits, we are pleased with the significant decline in the number of charges laid compared to last year. We will continue to patrol roadways in the area to make sure motorists can get where they are going safely. Clarence Nelson, director of Enforcement Services

Three excessive speeders were charged, including a vehicle travelling 128 kilometres per hour in a 90-kilometre-per-hour zone on Airport Road near Nisku. Two additional motorists were charged with speeding at more than 30 kilometres per hour over the posted speed limit.

In addition to traffic operations, peace officers assisted Leduc County Fire Services at the scene of three separate incidents.

In 2018, peace officers issued 55 charges and 31 warnings over the same four-day period.

2nd Place - Lynn Watson - 948
3rd Place - Eugene Senio - 934

High Hand was Split between Eugene Senio, Marvin Wagar and Rod Blair all with 20.

GROWING UP IN THORSBY AND FAMILY TIES.

Growing up in Thorsby was a very positive experience. I had great role models in my life beginning with two wonderful parents, Dave and Alma Ruff, and three sisters who looked out for me over and over. To this day we are a very close family even though Dad and Mom are no longer with us. We carry on our family traditions – I do not know how many families can say that they celebrate every Christmas together as we do. We are lucky in that our parents raised us to appreciate the value of your family. Even with our parents gone now, bless their souls, we continue the well-established traditions. We celebrate the holiday together and we each take a turn at hosting the festive occasion. I am very proud to say that, at one point in time, we actually had four generations of family members together to celebrate. I am not the only one of the family who has achieved success. The four of us were brought up to be respectful and caring and all developed a very strong work ethic. We were raised to be independent females and we have accomplished what we believe to be successful and rewarding careers.* (see below)

As a youngster I had various jobs, ranging from working in the theatre, baby sitting, short order cooking at the snack bar (located where the Town Office is today), cleaning houses and gardening for the elderly. I joined and was active in the Brownies, Girl Guides, Explorers and C.G.I.T. Later on I played on a ladies softball team. At school I participated in the young Voyageurs program. We hosted students from New Brunswick and

we were hosted by families in Quebec. I played many school sports and won some awards. In 1972-73 Thorsby won the provincial girls' basketball championship in Redwater. I played on the team during the regular season but as I was only in grade nine, did not participate in the finals. In high school I got some excellent experience by organizing a curling program and setting up various bonspiels. That year I won an award as school Athlete of the Year.

EDUCATION

I graduated from THS in 1976 and enrolled at the University of Alberta. In 1980 I graduated with a B.ED (major in P.Ed, minor in Sociology) and embarked on a career that was to last 33 years, all in the County of Lac Ste. Anne.

THE WORKING LIFE

My first job was teaching physical education at Mayerthorpe High. I coached everything from soccer to volleyball, basketball to badminton and track and field between 1980 and 1990. The Team Handball program saw us advance to the Winter Games numerous times. I was awarded Coach of the Year in the County, sponsored by Blue Ridge Lumber and had a Sr. Girls' Volleyball team that won the zones and moved on to the Provincials in Chestermere(late '80's)

In 1990 I took a position as assistant principal at Sangudo Jr. Sr. High school and remained there one year at which time I moved back to Mayerthorpe as assistant principal of the High School. I was in that position for 18 years. In 2009 I became principal of the school and finally retired in 2013 after 33 years in education.

As an administrator I am most proud of my success in organizing the Interagency Committee. It was composed of such agencies as school administration, school counselling, R.C.M.P., social services and probation officer. The goal was to help children at risk and provide them with necessary supports In 1990 I took a position as assistant principal at Sangudo Jr. Sr. High school and remained there one year at which time I moved back to Mayerthorpe as assistant principal of the High School. I was in that position for 18 years. In 2009 I became principal of the school and finally retired in 2013 after 33 years in education.

As an administrator I am most proud of my success in organizing the Interagency Committee. It was composed of such agencies as school administration, school counselling, R.C.M.P., social services and probation officer. The goal was to help children at risk and provide them with necessary supports to keep them working in a posi-

tive way to turn their life around.

I was able to start the Mayerthorpe Chapter of S.A.D.D. (Students Against Drinking and Driving). We attended many conferences at the provincial level. I applied for a grant and we received \$25,000 that made it possible to attend the National Conference in New Brunswick. Our students were able to make a difference with their campaigns and letters of recognition from the local R.C.M.P., and K Division out of Edmonton attested to this. I became an advocate for Victim Services.

On a personal level I played fastball, curled, golfed and taught aerobic exercise classes in the community.

PHILOSOPHY OF LIFE

1. Over the years as an educator I learned a great deal about students, their families and unfortunately about the extra baggage the students often walk into school with. Sometimes they show up physically but mentally they are not present. To them the school is a safe haven. In such a situation we need to show empathy, encourage learning and let them know we care.

2. All human beings (including students) have positive qualities that we need to tap into. Kids make bad choices as we all do at some point in our lives. As an administrator I found that when students got into trouble (fighting, using inappropriate language, breaking rules), that, although there were consequences for their actions they were still good people who had made bad choices. The discussion would be based on how the situation could have been handled differently so that the same thing would not happen again.

LIFE AS of NOW

My husband Doug and I continue to farm at Sangudo. We both enjoy the outdoors – quadding, camping and our dog Misty. I sub at Mayerthorpe and am an active member on the Youth Justice Committee for our jurisdiction. I have a huge garden and flowers to brighten up our yard.

FINALLY I WOULD LEAVE THIS COMMENT:

I remember in Grade 8 we read a story called The Lottery . To this day I do believe that life is like a lottery – when your number is drawn, your time is up. So we all need to make the most of life, try not to worry about things we have no control over and, most of all, MOVE FORWARD.

*(Editor’s note by Laurie Gellert: the Ruff household in Thorsby produced two school principals, one M.Ed and a very successful banker)

The advertisement graphic features the SmartLife logo at the top, which includes a blue Wi-Fi symbol above the text "smartlife" in a blue sans-serif font, with "AUTOMATION & ELECTRICAL" in a smaller font below it. The main heading "Security Cameras" is in a large, bold, blue font. The central image shows four types of security cameras: a large white dome camera, a smaller white dome camera, a black bullet camera, and a white bullet camera. A hand is holding a smartphone in the foreground, displaying a live video feed from a camera. Below the images, there are five lines of text in blue, each describing a feature: "REMOTE VIEWING FROM YOUR MOBILE DEVICE", "INDOOR AND OUTDOOR OPTIONS FOR YOUR HOME, OFFICE, SHOP AND BARN", "WIRED OR WIRELESS CAMERAS", "ALL VIDEO BACKED UP VIA HARD DRIVE OR IN 'THE CLOUD'", and "NO MONTHLY FEES". THIS WEEK'S TOPIC: YARDWORK

The majority of people like to take pride in their yard and for most folks, cutting their lawn weekly becomes somewhat of a ritual as soon as the snow is gone and that first splash of rain turns everything green. For others, due to time constraints, working away etc. it can quickly become an unwanted choir, however, residents are required to cut or mow grass a minimum of at least once per month between May 1 and October 31, to ensure it doesn't exceed 15 cm in height.

If you are fortunate enough (well some may not consider it so, I guess) to have a boulevard adjacent to your property, you also get the pleasure of maintaining that too.

Its never too soon to start.
