

THE WARBURG BUGLE

MEDIA RELEASE

Leduc County Council Approves 2019 Budget, Sets Tax Rates From Leduc County

Leduc County council approved the final 2019 budget and set the 2019 tax rates at its regular council meeting on Tuesday afternoon.

Council approved a \$92.2 million operating budget, which covers day-to-day municipal operating expenses, and a \$17.4 million capital budget, which includes infrastructure costs for buildings, roads, bridges, and equipment. This results in a 1.5 per cent tax increase over 2018.

The 2019 budget demonstrates Leduc County's commitment to providing efficient and effective services in the region and allows us the flexibility to make decisions that will meet the changing needs of our customers. Our council recognizes that many residents and businesses are still struggling as a result of the economic downturn, and by keeping tax increases to a minimum, we hope to support our ratepayers the best we can. - Mayor Tanni Doblanko

2019 capital budget highlights

\$9.1 million for the annual road-surfacing program; this includes \$1 million for the Rural Road Initiatives program

\$1.2 million for capital equipment and vehicle purchases for protective services

\$800,000 for bridge rehabilitation

\$640,000 for upgrades to Nisku and New Sarepta bulk water stations

2019 operating budget highlights

\$1.1 million for parks and recreation, including a \$500,000 contribution to the Beaumont Aqua-Fit Centre expansion

\$5 million for road maintenance projects, which includes \$3.4 million for the annual gravelling program

2019 tax rates

The 1.5 per cent tax increase results in minimal tax increases for most land owners. Approximately 84 per cent of Leduc County property owners can expect a property tax increase of less than \$100 over 2018. Eight per cent of property owners can expect an increase between \$101 and \$250 and the remaining eight per cent can expect an increase of more than \$250.

Property taxes are made up of municipal taxes, external requisitions, local improvement tax and the provincial education tax. Leduc County is obligated to collect the provincial education tax, as set by the Government of Alberta, as part of its property taxes. Because the provincial government did not adopt the 2019 budget prior to the election, the exact amount of education taxes to be collected has not yet been determined. Leduc County has maintained the education tax rate from 2018. Once the newly elected provincial government adopts its budget and sets the education property tax amount for 2019, any difference will be reflected on your 2020 property tax bill.

Property tax notices will be mailed to residents in mid May. Taxes are due by June 30, 2019.

Phyllis Elizabeth Lind

On April 23, 2019 Phyllis Elizabeth Lind of Buck Creek passed away peacefully in the Drayton Valley Hospital at the age of 78.

Phyllis was born on September 13, 1940 in Edmonton, AB to Halvor and Elisabeth Saubak. Phyllis grew up on the farm by Alsike with her sisters Doris, Hannah, Agnes, Gladys and her brothers Bill, Earl and Henry. She married Lawrence Lind of Buck Creek on April 4, 1961 and raised their children. She was well known for her excellent gardening skills and always raised some of the best vegetables in the community.

Phyllis is survived by her children, two sons Jody (Sherry), Robert (Carol), one daughter Laura (Andy) Anderson, three granddaughters, Kristina, Amy, Sara, one grandson Vance, one great grandson Logan, one sister Doris and one brother Bill.

She was predeceased by her husband Lawrence in 2014, her infant son Fredrick in 1967, her siblings Hannah, Agnes, Gladys, Henry, Earl and her parents Halvor and Elisabeth. She will be sadly missed by all of her family and many friends.

Funeral service will be held on
Sunday, May 5th at 2:00 p.m.
at the Buck Creek Hall
with Faith Van Manen officiating
Interment to follow at the Buck Creek Cemetery.

If so desired memorial donations may be made to the
Alberta Diabetes Foundation
HRIF - East 1-020 1A University Campus NW
Edmonton, AB T6G 9Z9.

Reggie D. Pomeranz

Reggie D. Pomeranz passed away suddenly in a motorcycle accident in Maricopa, Arizona, on Friday, April 12th, at the age of 54.

Reg was a cherished husband, father, brother, and son. He will be especially missed by his wife Lorelei; his two daughters, Shelby and Brooke; his parents, Ruth and Dennis; and his siblings, Joe, Joyce, and Jim. Additionally, countless family and friends will mourn the loss of this great man.

Reg was an important part of several communities and was renowned for his ability to connect with people from all backgrounds.

The Celebration of Life Service
was held at the
Drayton Valley Omniplex Arena
on Thursday, May 2nd.

If friends so desire, memorial donations
may be made to
Running Free Country Fellowship
(Cowboy Church) or One Broken Biker at
www.onebrokenbiker.org.

Thorsby 4-H Multi Club

Submitted by Ashton Dobko
Club Reporter

The Thorsby 4-H Multi Club is moving towards the final stretch of another great year.

The beef project members had a calf tour day originally scheduled for February 10, but it had to be postponed due to the cold winter weather. So we had it on March 3. It was still a cold day but it was cool to see each other's calves.

Shortly after, on March 12 the members of the club went to Rabbit Hill for a fun night of skiing and snowboarding.

Moving on to April, members with a beef project had a mini show and clipping day on April 7. After practicing for the show day, which is on May 6, we had a wiener roast and members gave their calves a much needed haircut. The cleaver members then had a day on April 20 to bring their baby calves and practice leading and showing them for their show day, also on May 6.

Upcoming Events for the 4-H members are:

Highway Cleanup on May 4 for the horse and pheasant project members.

Then on May 6, there is the **Show Day and Sale** for the beef project and cleaver members. The opening ceremonies are at 11:15 am with the show to follow and the sale starts at 5:30 pm.

The horse project members will be attending the **District Horse Show** on June 8.

And lastly, the club will have its **Windup and Awards Banquet** on June 27.

That will wrap up the year for the club.

**Warburg
School News**
Submitted by Warburg School

Warburg School hosted “Breathe Smart”, a presentation from the Alberta Lung Association, for Grades 6-12 on Thursday, April 26th. Our students were shown and allowed to touch (with gloves) pig lungs that were healthy and a set that were diseased. This very graphic display resonated with students and hopefully they will now visualize the dire consequence on their lungs from unhealthy habits, such as smoking and vaping. (Pictured top right)

The Alberta Lung Association made contact with our school to schedule the presentation due to the philanthropic work of students, Hannah Lange, Mya Macpherson and Hayley Johnson. The trio worked hard this winter on a Genius Hour project to raise awareness and funds for the Lung Association. The Lung Association presented the girls with certificates and swag for being Lung Champions. (Pictured bottom right)

Farm Safety was the topic of the day on April 25th for our elementary classes. As many of our families live and work on farms, it is imperative for our students to recognize the hazards and safety skills necessary for their rural lifestyle. This annual presentation is always appreciated and we encourage parents to ask their student what they learned from the Farm Safety lady!

May 2nd we welcomed Concrete Theatre back to our school for a theatrical performance for our high school students. Concrete Theatre focuses on social issues affecting students and creates performances to educate and promote deeper thinking and positive choices.

May 16th our high school students will receive information on Dual Credit Programs during a special assembly. The BGRS Dual Credit Programs are an exceptional opportunity for our senior students to receive credits toward post secondary while still in high school! Contact Mrs. Hodges for more information.

Senior High students presented their experience of Elevate Aviation at our Black Gold Regional School Board meeting in April. The Elevate Aviation program has introduced a whole new realm of career opportunities to explore for our Warburg students within the Edmonton International Airport area.

Junior High Orientation Night for Grade 6 students & parents and High School Orientation for Grade 9 stu-

dents & parents will be held on May 27th.

Provincial Achievement Exam - May 7: Gr. 9 English and May 8: Gr. 6 English Language Arts. Watch for upcoming events on our Events and Activities calendar on ws.blackgold.ca

Registration for new students link is open on our website homepage. We have recently welcomed a new student from South Korea! A big Warburg welcome to this new family in our community!

There is always something exciting happening at Warburg School, so check us out by following us on Facebook, Twitter or visit ws.blackgold.ca

MLA REPORT

from The Office of MLA Mark Smith,
Member of the Legislative Assembly
for Drayton Valley - Devon

Well the election is over and Albertans have spoken!

Albertans voted in droves, the largest voter turnout since the 1930's. Of the 37, 099 eligible voters in the Drayton Valley-Devon constituency 25,437 people voted, that was a 68.9% voter turnout. The new Legislature will have two political parties. The United Conservative Party elected 63 MLA's to form a majority government and the NDP elected 24 MLA's making them the Official Opposition. I am very humbled that the constituents of Drayton Valley-Devon elected myself as one of the 63 United Conservative MLA's. Thank you!

Those are the results but I want to take the opportunity to thank all of the candidates that ran in the Drayton Valley-Devon constituency. Elections can only happen when citizens put their names forward as candidates and commit to offering the people political choice. Each one of the candidates should be congratulated for the efforts they put forward as they placed their vision of Alberta before the people. I would also like to thank all of the constituents that exercised their franchise regardless of who they voted for. Albertans clearly voted for change this election. They voted for an Alberta where the primary objective of the government must be to control government spending and rebuild the economy. Jobs, Pipelines and the economy were the primary election issues for Albertans and as a member of the government I will do my best to ensure that we rebuild this economy, provide the jobs needed by Albertans and get our oil and gas to tidewater. This will not be an easy!

Over the last four years the government raised taxes and still spent in such a way as to create a yearly deficit of \$8-10 Billion dollars. We now have a \$60 billion dollar debt and 3 billion dollar yearly interest payments to go along with it. This will have to be addressed while at the same time we are going to have lower taxes and reduce regulatory red tape in order to attract the foreign capital needed to grow the economy. During the election we pledged to move quickly should we be elected into government and that is exactly what we are going to do.

MLA's will be sworn in to office on May 21st and the Speech from the Throne will occur the next day on May 22nd to start the newest session of the Legislature. The election is over and it is now time to roll up our sleeves and start turning political vision into fiscal reality and start rebuilding the Alberta economy.

Are you a first time home buyer?

How can a Realtor help you?

Educate you, find you a home, negotiate an offer, help in finding a licensed home inspector, communicate with all parties involved, and finalize loose ends for closing.

How can I help you?

As a Red Seal Journeyman Carpenter with years of experience I know the ins and outs of what you are about to purchase. I have professionally renovated homes from top to bottom and you can use the experiences that I have gained. I have an eye for detail and professional training to assist you in what will be one of the biggest purchases of your life. I look forward to helping you better understand the home buying and selling process to assure a smooth transaction.

Leduc County Hawkweed Program

Orange, Meadow and Mouse-Ear hawkweeds are classified as prohibited noxious weeds under the *Alberta Weed Control Act*. These weeds have the ability to spread rapidly and completely overtake established ecosystems. Once established, these weeds are extremely hard to control and remove from properties.

What Leduc County is doing:

Leduc County is taking a proactive approach by strategically targeting infestations of hawkweed less than five acres. Leduc County has a **Hawkweed Spraying Program** to give landowners an additional option in stopping the spread of these highly invasive weeds. The program covers all invasive species of hawkweed, including:

Orange Hawkweed

Photo credit: Nicole Kimmel, Alberta Agriculture

Meadow Hawkweed

Photo credit: Nicole Kimmel, Alberta Agriculture

Mouse-Ear Hawkweed

Photo credit: Catherine Herms, The Ohio State University

What you need to know about hawkweed:

- It's a perennial weed that has very high seed production and the ability to reproduce through lateral stolons or rhizomes.
- Most species of hawkweed are characterized by low rosette basal leaves with a single stem growing up to 70cm and produces orange or yellow flowers that will bloom several times a year.
- Control options are limited. It's recommended you use herbicides registered for use on Hieracium spp./hawkweeds or hand digging where all stolons and roots can be removed.
- If you are grazing livestock, hawkweed will decrease the amount and quality of grass available and will thrive in over-grazed areas.

For more information about the **Hawkweed Program**, please visit www.leduc-county.com/services/weed-control or contact Leduc County Agricultural Services at **780-955-4593**.

The above-listed information was sourced from Alberta Invasive Species.

I will always make you smile
BECAUSE **You Smile.... I Smile**

**THE GOOD NEWS IS
I'VE MADE IT TO MY
GOLDEN YEARS.
THE BAD NEWS IS,
THERE AIN'T NO GOLD.**

Four worms were placed in four separate test tubes:

- 1st in beer
- 2nd in wine
- 3rd in whiskey
- 4th in mineral water

The next day, the teacher shows the results:

- The 1st worm in beer, dead.
- The 2nd in wine, dead.
- The 3rd in whiskey, dead.
- The 4th in mineral water, alive and healthy.

The teacher asks the class:

- What do we learn from this experience?

And a child responds:

- Whoever drinks beer, wine and whiskey, does not have worms.

😂😂😂 Send it to your friends so they do not have worms 🐛👍🍺🍷🍻

"Ceaser" a very rare and almost extinct breed of draft horse, Suffolk Punch. Spring is here! Thanks Linda Mond's for the beautiful pic! Have a funny / cute pet pic? Email it to media@community39.com
