# George Spady Society Cloverleaf Intensive Supports Program

In February, an innovative new program began operating in Wing 1 of the Cloverleaf Manor in Warburg. The Cloverleaf Intensive Supports Program (ISP) is a partnership of the George Spady Society, the Leduc Regional Housing Foundation and Alberta Health Services. With 13 residence rooms, a lounge area and office space, ISP will serve individuals who need ongoing supports to maintain a healthy quality of life in a communal living setting. The Program is an extension of services that Cloverleaf Manor has been providing in the Warburg community since opening its doors over 40 years ago.

Each ISP resident has an individually designed care plan based on personal needs. A wellness recovery approach is embedded in all program services. Plans vary and may include assistance with independent living skills such as paying bills, living in a community, and coping with stress.

All residents go through an extensive referral process coordinated through Alberta Health Services. The application process can take up to two months with a referral committee making the final decision. Staff from the three partnering agencies make up the referral committee: Cloverleaf Manor's onsite manager, the Alberta Health Services (AHS) Recreational Therapist/Case Manager for the program, and the George Spady Society (GSS) Case Manager and Program Manager of the Cloverleaf Intensive Supports Program. The referral committee takes into consideration factors such as physical health, mobility issues, and the ability to take care of personal needs. Safety is considered from multiple perspectives—that of the individual being referred, the safety of the other residents in the Manor, and safety of the

community.

A priority of the Cloverleaf Manor Intensive Supports Program is developing and promoting a sense of belonging and community engagement. For example, personal wellbeing is supported in Wing 1 through a daily smudge ceremony and a weekly Creating Your Own Calm (mindfulness) session. These sessions as well as creative arts activities are open to all Cloverleaf Manor residents. Other activities for Wing 1 residents include a coffee group at Two B's Flowers and Bistro, a walking group, Karaoke afternoons, movie nights, and gardening. Everyone is looking forward to summer barbecue picnics.

Skills and support are shared with the community as well. The AHS Recreational Therapist, with support from the GSS Case Manager, has been developing collaborative activities like the Community Kitchen for all Cloverleaf Manor residents and for the community. This 8-week program (May 7 – June 25th) is held on Tuesday evenings at the school, starting at 5 p.m. In May, a personalized self-empowerment program focused on wellness was held in the basement of the Warburg Village Office.

Support from the community for the new Intensive Supports Program is greatly appreciated by all partners and staff. Working collaboratively with community agencies and businesses continues to create opportunities for residents' growth and engagement.

A special thank you from the ISP project partners to the following for their invaluable support: Warburg Family and Community Support Services (FCSS), Leduc County FCSS, Warburg School, Leduc Facilities and Recreation, Two B's Flowers & Bistro, Warburg Registries, Warburg Alberta Treasury Branch, Warburg Thrift Store, Warburg Post Office and Warburg Public Library.

### Technology & Real Estate

Technology in the real estate market is always evolving, with more and more listings being posted solely on the internet. As a home buyer it's imperative that you are up to speed. Too often buyers miss out on their dream homes simply because they didn't have access to the listings.

### How I can help you

As your real estate expert, it's my job to keep you informed on all newly-listed homes that fit your desired specifications. If you're not internet-savvy, or if you are tired of waiting around for listings, call or email me today to find out how I can keep you on top of the latest market listings.

## The Youth Drop In Centre

The Breton Faith Covenant Church was excited to hold the first Youth Drop In on May 10th. This new venture was developed in hopes to fill a void for the teens of Breton and the surrounding area. The primary purpose of the youth centre is to invest in the lives of young people ages 12 – 18 by providing a safe community to belong to, to meet other teens, and have the support of adult mentors. We offer a variety of activities, food, and opportunities to maximize their potential and discover hope!

Parents are invited to the coffee house upstairs, to enjoy coffee and snacks with other adults while the teens are at the drop in centre downstairs!

We couldn't have done this without the generous help and support of the community. Thank you to the individuals and organizations who have given monetary donations or donations of equipment (from gaming tables to coffee makers).

All Youth are invited Friday, June 14th from 7 to 10 pm for "S'mores Night". Other snacks are available, for a small cost, at our concession. Join us also on Friday, June 28th, same time, same place for "Wing Night"!

For more information or if you have a donation of resources, please contact the church office at 780-696-3669 or Jenn Barg at 780-514-0318.

## Leduc County Issues Fire Restriction

On May 29, 2019 a fire restriction is issued for Leduc County

As a result of dry conditions, high winds and no relief in the forecast, Leduc County is now under a fire restriction.

All outdoor fires currently burning must be extinguished immediately and all fire permits are suspended; no fire permits will be issued for the duration of the restriction, as per the Forest and Prairie Protection Act.

It is best to postpone burning in approved burn barrels or fire pits until a significant amount of moisture is received; individuals must use extreme caution if they choose to burn in this manner.

Leduc County's fire officials will continue to monitor the situation, and will update the public when conditions improve. For further updates, please visit [leduc-county.com/fire-bans](http://leduc-county.com/fire-bans) or [albertafirebans.ca](http://albertafirebans.ca).
