

THORSBY TARGET

CIB Evaluation Day

From Barry Rasch,
Thorsby Communities In Bloom Chair

What a great day our community had with CIB Judges, John Helder and Lorrie McFadden, on Wednesday, July 24. Despite the crazy hail storm that hit our community at about 2:00 am, the planters, although a bit beat up, still showcased well. This year Thorsby CIB has entered into the Novice Category that is a non competing category. The categories being evaluated on were; Landscaping, Environmental Action and Floral. We get a break since we haven't been evaluated for a while.

The morning kicked off at 9:30 at the Municipal Office. Greetings from Mayor and Council, then straight into the Community Profile Book and slide show. A huge thank you to Esso, who donated all the fresh baked muffins for the morning, what a wonderful treat. We lined up to enjoy the incredible patio at the Thorsby Hotel for lunch, only to be forced inside by rain to eat. The meal was incredible with some cultural flavours to enjoy for desert. A huge thank you to the Town of Thorsby for the sponsored lunch. The tours by our amazing businesses were showcased with the great work they are doing and great stories to tell. We also gathered around gardens to tour yards that we paid tribute to in our community for doing an amazing job in making them look spotless. Especially knowing that gardening is time consuming with endless hours spent trimming and weeding. The Thorsby Seniors and the Thorsby Elementary School continue to show how a vision can be made into reality with a plan and the will to get there. The Senior's grant secured greenhouse that will offer relaxation and workshop events and the Thorsby Elementary School with their School yard orchard they hope to use when bigger. At the end of the day we treated ourselves to Soda Pop Floats at the Lions Campground, where we took a short tour on our trails and then travelled to the Rec Grounds

where we showed some of the Thorsby CIB landscaping within the community. We wrapped up with additional questions from the judges to complete their evaluation in the library, as well as a walk down memory lane looking at historic events that took place to end the day at 6:30 pm. This was all possible because of community dedication and pride. Thorsby Communities In Bloom continues to be a very active group that continues to work tirelessly on "Caring For Our Community".

By bringing everyone together we got to enjoy the many stories and friendships that bond our community together. We had a great selection of community champions in attendance, representing many organizations, and we truly appreciated that they could join us for the day, from:

Town Council - Mayor Rod Raymond, Councillors Nathan Raymond, Cory Gilbert, Ken Poffenroth, Town CAO Christine Burke, Town Public Works Wayne Maclean, Economic Development Carol Rempel

CIB Members - Barry Rasch, Tracy Musson, Rod And Elaine Blair, Rosemarie Zurek, Doris Mason

Thorsby Hotel Bar And Grill -Deepak Nair, Thorsby Seniors - Francoise Jardine, Whoop It Up 4-H - Shauna Hayman, Thorsby Municipal Library Gayle Sacuta, Thorsby Target - Laurie Gellert, Thorsby Elementary School - Raylene Jubinville, Tour - Thorsby ARRG0 - Director Hans Korteweg and Assistant Processing Manager, Trent TosczaK, Tour - Arctic Spas - Jason Walker, Tour - Dave and Darlene Mann, Tour - Gary and Charlotte Makowsky

The evaluation will be completed and when released we will share with the community sometime in late August or September.

Thanks to everyone involved!

BYLAW NO. 2019-11

OF THE TOWN OF THORSBY
(hereinafter referred to as "the Municipality")
IN THE PROVINCE OF ALBERTA

This bylaw authorizes the Council of the Town of Thorsby to incur indebtedness by the issuance of debenture(s) in the amount of \$278,413 for the pavement replacement on 54 Avenue between 53 Street and 52 Street within the Town of Thorsby Municipal limits

WHEREAS:

The Council of the Town of Thorsby has decided to issue a bylaw pursuant to Section 258 of the Municipal Government Act to authorize the financing, the undertaking and pavement replacement within the Town of Thorsby.

Requests for proposals have been submitted and specifications have been prepared and the total cost of the project is estimated to be \$295,470 and the Municipality estimates the following grants and contributions will be applied to the project:

Capital Reserves	\$ 17,057
Provincial Grants	\$000,000
Debenture(s)	\$278,413
Total Cost	\$295,470

In order to complete the project, it will be necessary for the Municipality to borrow the sum of \$278,413 for a period not to exceed 20 years, from the Alberta Capital Finance Authority or another authorized financial institution, by the issuance of debentures and on the terms and conditions referred to in this bylaw.

The estimated lifetime of the project financed under this bylaw is equal to, or in excess of 25 years.

The principal amount of the outstanding debt of the Municipality at Dec 31, 2018 is \$3,262,159.30 and no part of the principal or interest is in arrears.

All required approvals for the project have been obtained and the project is in compliance with all Acts and Regulations of the Province of Alberta.

THEREFORE, THE COUNCIL OF THE TOWN OF THORSBY DULY ASSEMBLED, ENACTS AS FOLLOWS:

1. That for the purpose of purchasing municipal paving the sum of TWO HUNDRED AND SEVENTY EIGHT THOUSAND AND FOUR HUNDRED AND THIRTEEN DOLLARS be borrowed from the Alberta Capital Finance Authority or another authorized financial institution by way of debenture on the credit and security of the Municipality at large, of which amount the full sum of \$278,413 is to be paid by the Municipality at large.
2. The proper Officers of the Municipality are hereby authorized to issue debenture(s) on behalf of the Municipality for the amount and purpose as authorized by this bylaw, namely the pavement replacement.
3. The Municipality shall repay the indebtedness according to the repayment structure in effect, namely semi-annual payments of combined principal and interest instalments not to exceed TWENTY (20) years calculated at a rate not exceeding the interest rate fixed by the Alberta Capital Finance Authority or another authorized financial institution on the date of the borrowing, and not to exceed FIVE (5) percent.
4. The Municipality shall levy and raise in each year municipal taxes sufficient to pay the indebtedness.
5. The indebtedness shall be contracted on the credit and security of the Municipality.
6. The net amount borrowed under the bylaw shall be applied only to the project specified by this bylaw.
7. This bylaw comes into force on the date it is passed.

Gear up your child for school the right way, with a comprehensive eye exam

It's that time of year again: summer is winding down, and it's time to get ready for back to school. Most parents' routines involve shopping for new clothing and school supplies so their children are prepared to succeed. What many parents tend to overlook is their child's most important learning tool: their eyes.

"Early comprehensive eye exams are critical to helping children succeed in life" says local optometrist Dr. Sara Starko. "A child's eyes are constantly used in the classroom and at play."

One in four children has a vision-related learning difficulty. A child with a visual problem won't know how the world looks and will assume that what they are seeing is normal. What's more, children with uncorrected vision or eye health problems face many barriers in life: academic, social and athletic.

It can be hard for a child to catch up after struggling and falling behind through the basics of reading, writing, and math. Countless children in Canada are told every day that they have a learning disability when in reality the problem was their vision. A vision screening is not enough.

"A child who sees 20/20 can still have a vision problem," says Dr. Starko. Visual acuity is one aspect of our visual system, but the skills needed for successful reading and learning are much more complex. Vision-related learning problems can cause children to reverse words when writing or copying, confuse the same word in the same sentence, skip lines while reading or read the same line twice. "Optometrists don't just check sight. They check how well the eyes work together and how sight is processed."

Vision problems aren't always obvious (especially if it's a problem with only one eye), and the development of a growing child's eyes doesn't stabilize until age 20. Alberta Health Care covers a comprehensive eye exam every year for children 18 and under. Dr. Starko recommends that babies have their first eye exam between six and nine months.

Straight Out of Thorsby

From the County of Leduc, from Alberta and Canada, from Singapore to the U.K., from Australia to Holland, from the USA to Panama, Thorsby graduates are making a difference. This is the 29th installment in a series of profiles which indicate what a small school and community can produce.

The people who conduct the interviews are Audrey Brosseau and John Elson. If you have suggestions please contact John at 780-789-3822 or Audrey at 780-886-0658.

HARVEY ZINGLE

Summited by his wife Donna Zingle

Harvey was born March 1, 1934 to Nick and Stella Zingle. They resided on a farm a few miles out of Thorsby. Nick and Stella remained on the farm until retirement when they moved into Thorsby and became active in the Seniors' Association.

Harvey attended a small one room school (Weed Creek) until grade 9. This school was across the road from their farm. From there he attended Thorsby High School until he graduated in 1952. He was the only male amongst the females that graduated. One fond memory of his time there occurred when an inspector came to his math 31 class. Mid way through the class Mr. Spanner and the inspector began to argue about the correctness of a math solution Harvey had presented on the blackboard. The argument continued even when the dismissal bell went. As Harvey said "to this day he didn't know who won the argument". Harvey was very appreciative of the calibre of teachers such as Mr. Spanner that taught at THS. He was convinced that it was due to this excellent teaching that he received the highest math score in the Grade 12 Departmental Exams, and was given a scholarship as a result. He then attended the University of Alberta where he obtained is B.Ed. (1956), M.Ed. (1960) and Ph.D. (1965).

Most of his career was spent in the Faculty of

Education at the University of Alberta, working in the area of Educational Psychology. His last role before retirement was that of Dean of Education (1991-1996).

His professional accomplishments and awards were numerous. He received professional awards such as: Honorary Life Memberships in the Guidance Council of the Alberta Teachers' Association as well as the Canadian Guidance and Counselling Association. He was made a fellow of the Canadian Psychologist's Association of Alberta. When he retired, he received the distinction of being called Professor Emeritus. The honor he was most delighted with was when his former graduate students initiated a scholarship called the Harvey Zingle Scholarship which has been awarded each year to a Master's level student in Counselling Psychology (presently in the amount of \$4500.00).

He lectured, presented workshops and papers, evaluated university programs and served as external appraiser of counselling in many countries. He wrote several books and hundreds of articles for professional journals.

While working full time at the university, Harvey also had involvement with other roles. In 1967 he started the Family Counselling Clinic in Leduc. For a span of time he served part time as the Head of Psychology at the Glenrose School Hospital as well as at the Misericordia Hospital.

Along with his academic career, he served on various boards and committees in the community such as: President of the CORE Committee of Young Life Edmonton, Chairman of Advisory Committee of the Canadian Mental Health Association and President of the Greater Edmonton Fastball Association. He also served on the board of St. Steven's College in the Pastoral Counselling Program, ran the youth group in his church and conducted many workshops for church members.

As an only child he vowed he would never just have one child. We ended up with three chil-

dren: Wade (Patrizia), Sheree (Shawn) Rankin and Randy (Melissa). They gave us 9 grandchildren: Nicole (Rob) Wells, Christopher (Laceigh), Sabrina, Adam, Hannah, Molly, Gabriel, Rafael and Beckett. There are now 2 great-grandchildren Finn and Nash. He loved our kids and wanted them to grow up God loving, compassionate towards others, wise, respectful and hoped that they would use their talents in a positive way. As a result of his modeling these qualities, they achieved those goals, as they have found careers such as: teachers, psychologist, businessman, computer programmers, builder and hospitality industry worker.

On top of raising our kids our home was open to all. When people were hurting, or in distress, or for whatever reason his comment was always "come and stay with us for a while" and in his own special way he encouraged others to overcome whatever problems they experienced. Many people came and stayed with us. He was a great listener and seemed to make everyone he met feel they were important and special (and to him they were). He was an eternal optimist (saw the glass half full), He never seemed to panic over events.

He will be forever remembered as a man who loved his family; and was deeply respected and loved in return. He touched the hearts of many people in all areas of his life: work, community, church and the various boards he served on. He was a blessed man who thought nothing mattered more than his wife, children and grandchildren.

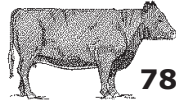

Upon retirement he spent many hours building decks, basements and on other projects for his family. In the process he enjoyed the many hours he spent with his grandchildren. He also travelled and played Slo-pitch Fastball.

Harvey passed away on December 16, 2007. His big hugs, compassionate nature, willingness to help others and big smile continues to be missed by many.

Municipalities Battle it Out at the Track

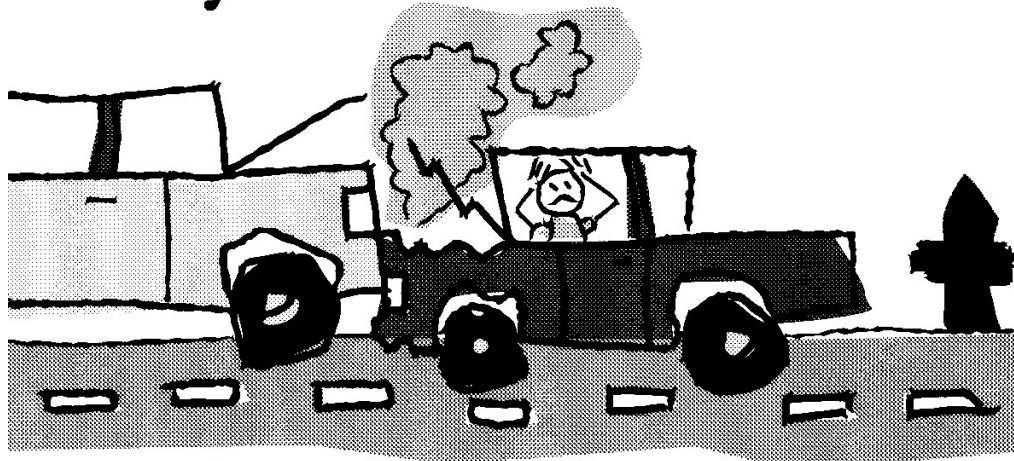

From Warburg Mayor Kevin Maine

On July 6th representatives from 10 municipalities met at the Rotax Kart Track run by the Edmonton & District Kart Racing Association. This kart track association is the largest family-orientated association in Canada, and a long time hidden gem in the Village of Warburg. The event was a challenge put out by Mayor Kevin Maine of Warburg to other mayors and councillors in Leduc County, Brazeau County and all municipalities within their boundaries.

Earl Wong, President of the Edmonton Kart Racing Association and his highly experienced staff showed great patience with 20 plus inexperienced kart racing politicians. With a short video and some kart track basics they were set loose three at a time onto the 1.1 km track. Speeds varied from just over a minute to well past two minutes. When the track averages for the regular experienced kart track racers is between 45 to 50 seconds, I can only imagine that this was like watching paint dry for Earl and his staff. Times were recorded and Councillor Wheeler from Drayton Valley was crowned champion and received a bronze car from the kart track. Councillor Gilbert from Thorsby came in second, even after crashing and taking out one of his opponents in the pre trials. Councillor Mayr from Warburg trailed in third, even after using one of the faster karts for his trial times. Mayor Young from the City of Leduc clocked one of the pre trials fastest times; officials found out later, in the pits, that his throttle had stuck. With a few spin outs and only one crash there were no injuries. It was an experience that all will remember for a long time. A bbq was supplied by the Village of Warburg with salads supplied by the Cloverleaf Manor. Spectators are always welcome at no charge to watch the races at this hidden gem in the Village of Warburg. Impaired Boating: Learn the Risks

From Leduc County

Impaired driving
— whether on roadways or waterways —
is illegal; impaired boating is impaired driving

Leduc County and its partners are hosting an impaired boating awareness event to educate users at one of the county's most popular boating destinations about the risks and consequences of impaired boating.

Boaters and members of the public are invited to attend the family-friendly event on Aug. 10 from 11 a.m. to 4 p.m. at the Wizard Lake boat launch to learn the risks and consequences of impaired boating.

Educating users of our lakes about impaired boating will help keep these waterways safe for all. Impaired driving is a preventable killer that has long-lasting impacts on families, friends and communities; education is one way we can help ensure all users of our waterways return home safe after a day at the lake. Clarence Nelson, director of Enforcement Services

Attendees can get a sense of how alcohol or drug impairment could affect their operation of a boat, by using Fatal Vision Goggles and remote-controlled boats. They can also enjoy "freeze out" impaired driving freezies and take home free giveaways.

Leduc County is proud to host this impaired boating awareness event alongside many community partners, including the Leduc and Thorsby RCMP, Alberta Fish and Wildlife, MADD, Wizard Lake Watershed and Lake Stewardship Association, Wetaskiwin County, Leduc Rural Crime Watch, Transport Canada and Office of Traffic Safety.
