

THORSBY TARGET

And the Celebration Continues...

On Friday, August 16th 2019 the Thorsby Hotel Bar and Grill celebrated it's 90th Anniversary. Thorsby and area residents from all age groups showed their appreciation and celebrated this historic building and it's current and past owners and staff. Mayor Rod Raymond, Town of Thorsby Council and MLA Mark Smith offered congratulations to the Thorsby Hotel Bar and Grill in reaching such a successful milestone of 90 years in business.

Current owner, Deepak Nair had this to say "Thanks for making our 90th Anniversary Part 1 celebration a success. What a colorful journey it's been. We appreciate the Government recognition from all levels including Town of Thorsby/Mayor Rod Raymond and entire Council, Legislative Assembly of Alberta/ MLA Mr. Mark Smith and House of Commons /M.P. Mr. Jim Eglinski. This recognition is dedicated to all the previous owners, staff and guests of the Thorsby Hotel, Bar and Grill from 1929 through 2019. We are really proud to represent and are thrilled to be a part of this beautiful legacy. Special thanks to The One 93.1FM - Leduc's Best Country for their wonderful support of this celebration. We will make sure to continue to maintain the Thorsby Hotel, Bar and Grill as an important historic part of Leduc County."

Join us for Part 2 in the continuing celebration on Friday, August 30th at 5pm as we continue with more guest speakers, The Borch Bros. who will entertain us with some old time fiddle palying and an Italian Buffet dinner.

Heads up Everyone!

LAVERS, Howard Charles Shepherd

October 15, 1963 – August 20, 2019

Howard Charles Shepherd Lavers passed away on the morning of August 20, 2019 at the age of 55.

A self-proclaimed news, trivia, music, and sports junkie, he would have probably been more interested in noting that October 15 is also the anniversary of Wayne Gretzky passing Gordie Howe as the NHL's All-Time Scorer in 1989, and that August 20 is the day the Rolling Stones released "(I Can't Get No) Satisfaction" in the UK in 1965, than he would commemorating his own birthday or asking people to mourn his passing.

Howard will be missed by his step-father Patrick Hatfield; children Celia (Cody) and Andrew; brothers Mark, Christopher, and Jamie; grandson Grayson; partner Sandy; as well as numerous nieces, nephews, relatives, and friends.

Certainly, he will also be missed by his "critters," Sydney (dog) and Puppy (cat).

Howard was predeceased by his parents, Doreen and Jim.

Details on a service are to follow.

Why should you use Humic?

Six reasons you should be using Humic...

Humic acid is the most powerful and beneficial input in agriculture and yet there are still many growers around the world who are yet to discover a revolutionary product. It remains a mystery as to why a substance so intensively researched and proven should remain so poorly understood and utilized.

- Humic acid is not a synthetic or man-made product.
- Humic acid is the most powerful known stimulant of beneficial fungi in your soil.
- Humic acid enhances fertilizer inputs, making this investment more efficient and useful.
- Humic acid stabilizes fertilizers that will otherwise leach through the soil or become unavailable.
- Humic acid improves soil structure.
- Humic acid increases crop resilience.

“Essentially, All Life Depends Upon The Soil... There Can Be No Life Without Soil And No Soil Without Life; They Have Evolved

Together.”

HENRY SULZ

Submitted by Peggy Lunde
and assisted by Angie Parie

Henry Sulz was born in Schuler, Alberta on June 3, 1920. His parents were Stephan and Elisabeth (Wegner) Sulz, immigrants from Bessarabia (Romania). He was the third youngest of a family of eleven children. In about 1928 they left the severe drought in southern Alberta and moved to the Dneister area southwest of Thorsby. Henry was baptized that year in the Evangelical Lutheran Church by Rev. A. Goos. He was about 8 when he started school at Dneister (just across the road from their homestead). His older brother Jacob and sisters Frieda (Fink) and Emma (Mason) also attended school with him. According to his sister Emma, Henry was a funny little guy as a boy, and regularly entertained his siblings with his antics.

When he was ready for High School, the option was to attend Thorsby High. (He was the only one in his family to reach that goal). He boarded with his oldest brother John Hier, and his wife Lillian. His cousins Doreen (Hostyn) and Veona (Zingel) and Lyle were great company for him. He graduated from Thorsby High School in 1938, but quietly, without the fanfare that his grandchildren enjoyed! (Tony & Angela Osterlund, Aaron & Jordan Lunde).

After graduation, he joined the RCAF, and took the train to Belleville Ontario for the necessary education in this endeavor. While there he met

Miss Margaret Basden, who was a nanny working in nearby Ottawa. Long story short...they fell in love, and got married on June 11th 1943 near her mother's home in Windsor, Ontario. Shortly after, he had to return to base to finish his training, leaving Margaret (pregnant) at her family home.

Henry received his "Wings" as Flight Sergeant on September 3, 1943. He was sent to England as part of the Royal Air Force, working as a navigator on an Avro Lancaster bomber. They flew many tours across the English Channel, hundreds of black bombers together with no radar, relying on the navigator to keep them on the right track.

I arrived while Dad was overseas. By the time I was 10 months old, on November 4, 1944, his plane and one other in the 626 Squadron had a "wing touch" incident on the way to a bombing raid on Bochum Germany. Needless to say, they both crashed to earth, landing in a field in Belgium. The locals of nearby Courtrai gathered up all the victims' bodies and buried them in their St. Janstrasse Cemetery, with Padre Larkin of #145 Wing officiating.

The Belgian people have great pride in their cemetery, and have taken wonderful care of our airmen. There is a collection of telegrams and letters, which were sent to my Mum during this sad time, including some from Canada's Prime Minister George Drew, and King George of England. Following my father's death he was commissioned with the Rank of Pilot Officer.

In 2009, I had the amazing but eerie pleasure of climbing into an actual functioning Lancaster bomber at Edmonton's City Center Airport. I sat in the Navigator's chair for a while...what a feeling of "chills". My eldest son and daughter also had the honor of this experience.

Then, in 2015, I had the privilege of visiting Pilot Officer Henry Sulz's grave in Belgium. I was with Tony, his wife and youngest daughter on this trip. This was a really emotional event for me, as I had taken along a small portion of my mother's ashes to leave with him.
