

# THE BRETON BOOSTER

## 2019 Food Bank Food & Fund Drive Oct 6th - 12th From The Breton Food Bank

The Breton Faith Covenant Church Food Bank will be canvassing the village on Oct 10th, 2019 between 7:00 and 9:00 p.m. to collect non-perishable items, cheques or cash. Cheques over \$10.00 will receive a tax receipt. Rural area residents are welcome to donate food or funds between Oct 6 - Oct 12th at both Breton Grocery stores, the Breton Post Office, Breton Village Office, Breton Elementary School or Breton High School. Donating at one of these places provides an excellent opportunity for rural residents and also village residents who will not be home on Oct 10th to participate in providing food for families in need.

This year the Food Bank is asking Village residents who are not home and have not already donated to leave their donation on their doorsteps in a box or bag marked "Food Bank Donation". Residents who are not home and/or do not wish to donate or have donated elsewhere are asked to post a "DO NOT CALL" sign on their doors, then our canvassers will not disturb them needlessly.

Please donate cereal, soda crackers, coffee, tea, jam, peanut butter, pasta, rice, dry or canned soup, or canned beans, fruit, veggies, tomato, pasta sauce, fish or meat. Please remember to donate only items that are not past their B.B. dates. Donations of fresh produce will only be accepted at the Faith Covenant Church. Please call 780-696-3669 before leaving home to insure someone will be available to properly tend to your produce upon arrival.

The Breton Food Bank provides an essential service to struggling families in need of a helping hand to provide food to their families. The need is great. We could not provide this service without the generous people in our community. Families are so grateful to our community for the peace of mind they receive by knowing that there is a food bank in our community that is able help them if and when they need help. The Breton Food Bank is proud of our community and their willingness to make our service available to those who require a temporary hand up. May God bless each of you!

## **Carolyn (Kelly) Ramona Udchitz**

**February 25th, 1961 – September 4th, 2019**

It is with profound sorrow the family of Carolyn (Kelly) Udchitz of Breton, Alberta announce her sudden passing on Wednesday, September 4, 2019 at the age of 58 years.

Kelly was the second youngest of nine children born to John and Louise Udchitz. You would think that being born into such a large family that Kelly got lost in the mix but her gifts and unique talents were many.

Kelly was very artistic. She would take a piece of wood and transform it into a bird in a cage or a duck nestled into a nest of rushes. Kelly was raised on a farm and developed a love for animals.

Many times she and Wanda would come across an injured animal in their travels and get it help often incurring out of pocket expenses. She had a huge heart. She leaves in passing her two dogs, Mischief and Tude, which were family to her.

Kelly loved the dynamics and high energy of our large family gatherings (mostly the food). She would buy small gifts for everyone. Last year she bought out the LED turkeys at the Dollar Store and we all got one. Kelly had an amazing personality and sense of humour. She was a profound story-teller and was the life of a party. Kelly was mechanically inclined. She repaired her vehicles and could manufacture make-shift repairs for most everything. She was a heavy equipment operator and aspired to be a race car driver. She was an excellent driver. Kelly kept current on news events and held strong opinions on every topic. If you didn't agree with her she would present her opinion over and over until she wore you down. Kelly was environmentally conscious. Items that one person would discard often had "Potential" for her. She lived by the adage that "one man's trash was another man's treasure".

Despite being taken from us unexpectedly and much too soon she believed that "we are not here for a long time but for a good time". Truer words could not be spoken in Kelly's case. We love you dear Sista! Kelly leaves to mourn her loss and cherish her memory her mother Louise (Smolski) Udchitz, her siblings; Roseanna (Andy) Kremeniuk, Sharon (Terry) Kremeniuk, Anthony Udchitz, Cindy Gronlund, Evalon (Ray) Woloszyn, and Wanda (Brad) Wood, sister in law Iris Watson as well as numerous nieces, nephews, relatives and friends. Kelly was predeceased by her father John Udchitz, her brother David Udchitz and her sister Sue Gronlund.

If friends so desire memorial donations may be made to the

**What is REIKI?** Reiki is a Japanese technique for stress reduction and relaxation that also promotes healing. It is done by light touch and is based on the idea that an unseen "life force energy" flows through us which causes us to be alive. If one's "life force energy" is low, then we are more likely to get sick or feel stress, and if it is high, we are more capable of being happy and healthy.

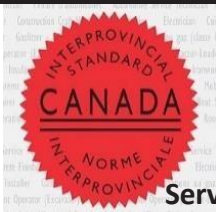

Reiki treats the whole person, creating many beneficial effects that include relaxation and feelings of peace, security and wellbeing. Many have reported miraculous results.

Reiki is a simple, natural and safe method of healing and self-improvement that everyone can use. It has been effective in helping virtually every known illness and malady and always creates a beneficial effect. It also works in conjunction with all other medical or therapeutic techniques to relieve side effects and promote recovery.

**What is REFLEXOLOGY?** Reflexology is a scientifically proven, alternative medicine involving application of pressure to the feet, hands, face or ears with specific thumb, finger, and hand techniques. Crystals are sometimes used on the face. It is based on a system of zones and reflex areas that purportedly reflect with physical change to the body. It reduces stress thus creating homeostasis (balance).

**Learning Commons:** Ms. Holmgren and Ms. Carson are planning to present two of our electronic resources to our new students sometime soon. Ms. Holmgren will be talking to them about Overdrive, which is a site where students can access digital and audio books and load them on to an electronic device for listening or reading. Ms. Carson will present OPAC (Online Public Access Catalog), which allows our staff and students to explore which resources may be available from our LLC or other Learning Commons within our school division. Both these sites require access to the internet to function.

**Garden:** We are continuing to harvest our produce for our students to snack on. Last week we harvested carrots, some snow peas and some tomatoes. We have lots of green tomatoes, so we picked them all on Friday and put them away to ripen safely inside, as we are expecting a visit from Jack Frost soon.

**Covenant Corner**

from Pastor Jeff Gooderham

During his 1960 presidential campaign, John F. Kennedy often closed his speeches with the story of Colonel Davenport, the Speaker of the Connecticut House of Representatives.

One day in 1789, the sky of Hartford darkened ominously, and some of the representatives, glancing out the windows, feared the end was at hand. Quelling a clamor for immediate adjournment, Davenport rose and said, "The Day of Judgment is either approaching or it is not. If it is not, there is no cause for adjournment. If it is, I choose to be found doing my duty. Therefore, I wish that candles be brought."

Rather than fearing what is to come, we are to be faithful till Christ returns. Instead of fearing the dark, we're to be lights as we watch and wait. We want to be found faithful!
