Why should you use Humic?

Six reasons you should be using Humic..

Humic acid is the most powerful and beneficial input in agriculture and yet there are still many growers around the world who are yet to discover a revolutionary product. It remains a mystery as to why a substance so intensively researched and proven should remain so poorly understood and utilized.

- Humic acid is not a synthetic or man-made product.
- Humic acid is the most powerful known stimulant of beneficial fungi in your soil.
- Humic acid enhances fertilizer inputs, making this investment more efficient and useful.
- Humic acid stabilizes fertilizers that will otherwise leach through the soil or become unavailable.
- Humic acid improves soil structure.
- Humic acid increases crop resilience.

“Essentially, All Life Depends Upon The Soil... There Can Be No Life Without Soil And No Soil Without Life; They Have Evolved

Together.”

Together we can make a Difference

The Thorsby Communities In Bloom Society would like to introduce you to a project we are currently proposing that could serve the communities of Warburg, Thorsby, Calmar and Leduc County. The Community Use Mobile Concession Kitchen is a project we see that will fill a huge need in our communities. It would have everything conveniently located in it, with a fully equipped kitchen for all season use and have the ability to reach any part of the community or travel to larger events.

We want to look after our volunteers by making fundraising easier and keeping the “fun” in fundraising. Communities rely heavily on their community groups and businesses with ongoing support to help deliver a quality of life we’ve all come to enjoy in our respected communities. The Community Use Mobile Concession Kitchen would allow over 90 community groups in our communities to have access to this mobile kitchen to fundraise with. Thorsby CIB would manage the bookings until such time as a working committee could be formed representing every community at the table that would take care of all scheduling and maintenance prior to pick up and drop off. There would be a reasonable rental fee charged per day to cover off things such as propane, insurance, and up keep.

Please consider being a part of this exciting project. your generous support would be appreciated in helping us reach our fundraising target and helping keep our communities strong. This self-generating, sustainable project will serve our communities for a long time. If you could let us know of your intentions by **November 15, 2019** we would greatly appreciate it.

Welcome to the 2019-2020 school year at Warburg School!

Our annual Pancake Breakfast will be held on Friday, September 6th with our staff serving up breakfast starting at 8:15 a.m. until 8:45 a.m. Please join us.

Tuesday, September 10th our senior volleyball girls team will be barbecuing for a team fundraiser at Warburg Community Awareness evening held in our high school gym. Come on out and mingle with our staff!

We welcome some new staff to Warburg School! Mr. Theo Dykstra is our new Assistant Principal. He will be teaching some math and high school physics with a bit of health and PE, too. Mrs. Barbara White is taking over our grade 5 class. She will also be our school's Learning Support Teacher so if you have any questions about special programming for your child she or Mr. Dykstra will be your contacts. We bid farewell to Mr. Hodges, Mrs. Mosicki and Mr. West as they have moved on from Warburg School.

Both Mr. Dykstra and I have classroom teaching assignments this year. I am excited to teach grade 5 science as well as some elementary library, health, some high school CTS and junior high options. Also, Mrs. Hodges will be in the classroom for much of the day teaching grade four, grade seven math and our senior high Foods option.

Please take a look online at ws.blackgold.ca at our new Handbook. It was recently updated and has some important information for families of all ages. We know that teenagers have enough time to be on their cell phones and smartwatches so we have implemented some new guidelines for electronic device use at school; new guidelines and new consequences for those that can't quite cut the cellular virtual cord at school. There is plenty of information

that pertains to school and school division policies and student life at Warburg School. This handbook will be reviewed at our first school council meeting this year so come out to the meeting if you want to discuss it.

The provincial government has discontinued funding the school nutrition program. However, we hope to receive donations from individuals and corporations to support our breakfast program for three days a week. We really need volunteers to help out with this. If you have one or two mornings a month to help us out we would really appreciate it. Please call the school office if you can volunteer.

We have a new sign-in station for visitors to our school. This is located right outside the main office. It is a computer station that you can easily sign-in and out when you come into the school for any reason. All parents are considered visitors to our school and we ask that you sign in and out every time you are in the school building.

Please note that the road in front of the school is considered a school zone right before and after school. This means that general traffic (parents, students) should not be coming down that road during bus drop off and pick up. For the sake of student safety please do not use this road while buses are in use. On that note, please take caution when using our "Kiss-n-Go" drop of at the east/museum doors. There are a lot of little ones that use that door and it is your responsibility as a driver to be aware of your surroundings.

Teachers, secretaries, our librarian, EAs and custodians have all really worked hard in preparations for our new school year. The exterior of the school has been painted and the floors are shiny. We are ready and very excited for you to join us

Please visit our Warburg School website ws.blackgold.ca for any information you require regarding our programs, registration and much, much more. Warburg School can also be found on Twitter and Facebook ('like' our Page), and you can download our App from your Google Play or Apple store, too. We have a variety of ways that we keep our families informed!

Our House Rocks

From Kevin Maine

Summer forgot to show up so let's concentrate on curling. My Juniors, Ethan Chung and Kelsie Cygan have gone for the 2019/2020 season. Ethan is skipping a team out of the Saville Center and Kelsie has joined a girls team and curling out of Leduc. They are both continuing their mixed doubles career, looking to win provincials this year.

Warburg Curling Club will start October 1, registration is open. Evening leagues are Monday, Tuesday, Wednesday & Thursday, possibly Friday, start time 6:30 pm. Leagues are filling up fast.

Seniors are Thursday mornings. Contact Les Nemeth for details and start dates 780.848.2661.

Our Juniors start November 4, registration is October 28th at 7:00 pm at the curling rink. We are looking for 2 people to help with the Junior Program. The Club will pay to send you to a Club Coach Program so you have the basics. Mrs. Meinzinger has retired after many many years of running the Junior Program. Thank you for your many dedicated hours to promote the local junior curling program.

Kyle Townsend has stepped up to help with ice and is taking a Level 1 Ice Tech course, thank you Kyle.

The Club is looking to hire a person in the evening to prep ice and run the lounge approximately 4 hours, 4 evenings a week, possibly 5 nights.

The Club is no longer doing bingos so we are looking for sponsors to advertise on the ice surface call for details.

LADY'S YEARLY EXAM

I went to the doctor for my yearly physical. The nurse started with certain basics.

"How much do you weigh?" she asked.

"135," I said.

The nurse put me on the scale.

It turns out my weight is 180.

The nurse asked, "Your height?"

"5 foot 4," I said.

The nurse checked and saw that I only measure 5' 2"

She then took my blood pressure and told me that it is very high.

"Of course it's high!" I screamed, "When I came in here I was tall and slender! Now I'm short and fat!"

She put me on Prozac.
