

THE BRETON BOOSTER

Community Shout Out To Warburg and Breton

The Warburg Legion Branch No. 205 has been serving the Village of Warburg and surrounding area since 1946. Over the years the Legion has represented the Veterans and all service personnel then and now very proudly. We have combined our service to include Breton and surrounding area as well. We are proud to stand alongside all Legions in the area from Winfield, Thorsby and Calmar as well as Leduc.

Become a Legion member today! As it is in any community volunteer group in this area, we see the same people completing all that is involved to put on functions, events and support local functions. Well, there comes a time in each community group structure, when some of these volunteers can no longer take on the responsibility for health, retirement or other reasons. All our groups experience this, so we look to bring in younger volunteers to keep these community groups going. We are very happy when we can have new volunteers. Turn-outs for functions have always been a great asset to our Legion and we appreciate those who have attended and had a great time.

The main function we are very proud to put on each year is The Poppy Campaign which entails various events and end with a very popular Remembrance Day Service! The Poppy Campaign is very important to the Royal Canadian Legion of which we are a branch of. This Campaign is held each year with special honor on specific remembrance areas noted on November 11, where a service is held in our local Community Centre. The Poppy Campaign is to recognize those veterans both past and present who have served in previous battles

to represent Canada. This Campaign also acknowledges all service from our Canadian Armed Forces, our Police Forces, our young Reserves and other community public services that serve in these capacities. Along with the recognition of all these services that we honor, we honor their families who have supported their family members with several programs. The Royal Canadian Legion offers several programs to support to all those above.

The Warburg Legion wants to present another Remembrance Day Service this year as well. There is a lot of work put in by volunteers in a short time frame to present this campaign to the communities. This year, due to some volunteers who cannot no longer do some of the volunteer work we are giving a community shout out for volunteers to help us in some of the preparation. We would like to invite those who like to volunteer to attend a meeting at the Legion on October 8, 2019 at 7:00PM.

Some of the areas that assistance is needed -
Wreath Rentals – This volunteer work entails someone who likes to walk and interact with the public. The Legion rents our wreaths so that businesses can support and be a part of the Remembrance Day service.

Poppy Boxes - This volunteer work entails someone who likes to walk, deliver and set up Poppy Boxes. Setting up Poppy Boxes with local businesses as well as public places where people can purchase a poppy.

Luncheon – this is up for discussion and we will look at a variety of ideas. As our usual turnout is 200, we will have to look at the options.

Set up at service – this has a variety of duties as we will explain at the meeting.

Your time is greatly appreciated, and we hope to see you at this meeting. Thank you. For further information please call Deb at 780 848 2923.

Looking for a Volunteer Opportunity this Fall- consider the Big Buddy Mentoring Program – For the past several years Breton FCSS together with Breton Elementary and the Family Wellness Worker have offered a mentorship program called Big Buddies. The program has been very effective. Big Buddies involves partnering students with a mentor from the community. The program is 100% dependent on volunteer mentors from the community. Big Buddies is a volunteer adult mentoring program funded by FCSS that occurs at the Breton Elementary School (BES). Adults are matched with students who would prosper from positive interactions. The Big Buddy commits 1 – 2 hours of their time a month to come to the school, typically at lunch time, to do an activity with the student. All adults engaged in the Big Buddy program must have a current criminal record and child welfare checks completed. All Big Buddies will be orientated, and assistance will be given by the Family Wellness Worker (FWW). If you would like to make a difference in your community and the life of a child please call Brenda Huntley FWW at Breton Elementary School 780 696- 3555.

What is REIKI? Reiki is a Japanese technique for stress reduction and relaxation that also promotes healing. It is done by light touch and is based on the idea that an unseen "life force energy" flows through us which causes us to be alive. If one's "life force energy" is low, then we are more likely to get sick or feel stress, and if it is high, we are more capable of being happy and healthy.

What is REFLEXOLOGY? Reflexology is a scientifically proven, alternative medicine involving application of pressure to the feet, hands, face or ears with specific thumb, finger, and hand techniques. Crystals are sometimes used on the face. It is based on a system of zones and reflex areas that purportedly reflect with physical change to the body. It reduces stress thus creating homeostasis (balance).

The noted English architect Sir Christopher Wren was supervising the construction of a magnificent cathedral in London. A journalist thought it would be interesting to interview some of the workers, so he chose three and asked them this question, “What are you doing?” The first replied, “I’m cutting stone for 10 shillings a day.” The next answered, “I’m putting in 10 hours a day on this job.” But the third said, “I’m helping Sir Christopher Wren construct one of London’s greatest cathedrals.”

The third man’s perspective changed his work from mundane labour to something great and glorious! We are called to view the work we do, whether it is raising our children in the home or cutting hay in the fields, Paul tells us in the book of Colossians; “Whatever you do, whether in word or in deed, do it all for the glory of God!” That perspective will change everything!
