## Holy Trinity Whitsuntide Russo-Greek Orthodox Thorsby Celebrates 100 Years of Existence in the Thorsby area 1919-2019

From Phil Pawlyk (President)

On September 22nd, 2019 approximately 105 guests were in attendance to help celebrate the 100 year anniversary of the Holy Trinity Whitsuntide Russo-Greek Orthodox Church. During the celebration, in honor of the centennial our church was celebrating, a history slideshow was shown and presentations were made by Bishop Matthew, Ft. Igor, Ft. Yevhen, David Borys pres. For Orthodox IX Parishes, Roman Lopushinsky sec. for St. Barbara's Cathedral Edm.

I would like to thank everyone who made it possible, the meetings, set-up, at the church, to make dinner for a successful celebration; too numerous to mention and to all who attended; but I have to thank my daughter Deena, who took time out of her busy schedule to be there very early Sunday morning to help me prepare dinner. Thanks again everyone!

(You can find the history of the church cont'd inside)

Editor's Note: Bishop Matthew, Bishop of Sourzh is stationed in London, England and made the trip across the pond for this Centennial Celebration.

# Together we can make a Difference

The Thorsby Communities In Bloom Society would like to introduce you to a project we are currently proposing that could serve the communities of Warburg, Thorsby, Calmar and Leduc County. The Community Use Mobile Concession Kitchen is a project we see that will fill a huge need in our communities. It would have everything conveniently located in it, with a fully equipped kitchen for all season use and have the ability to reach any part of the community or travel to larger events.

We want to look after our volunteers by making fundraising easier and keeping the “fun” in fundraising. Communities rely heavily on their community groups and businesses with ongoing support to help deliver a quality of life we’ve all come to enjoy in our respected communities. The Community Use Mobile Concession Kitchen would allow over 90 community groups in our communities to have access to this mobile kitchen to fundraise with. Thorsby CIB would manage the bookings until such time as a working committee could be formed representing every community at the table that would take care of all scheduling and maintenance prior to pick up and drop off. There would be a reasonable rental fee charged per day to cover off things such as propane, insurance, and up keep.

Please consider being a part of this exciting project. your generous support would be appreciated in helping us reach our fundraising target and helping keep our communities strong. This self-generating, sustainable project will serve our communities for a long time. If you could let us know of your intentions by **November 15, 2019** we would greatly appreciate it.

## MLA REPORT

from The Office of MLA Mark Smith,  
Member of the Legislative Assembly  
for Drayton Valley - Devon

### More Police Resources for Albertans

The first duty of government is to protect the safety of law-abiding Albertans. After the NDP sat on their hands for four years as crime rates skyrocketed in many rural communities, Albertans gave the United Conservative Party a historic mandate to keep Albertans safe, secure and protected. Our government is committed to giving law enforcement the tools and resources necessary to ensure there is a sustainable reduction in crime and Albertans have confidence that their justice system will protect them, their loved ones and their property.

To ensure we have a law enforcement system that enhances public safety and emphasizes frontline policing, our government is fulfilling our campaign promise to review how police are funded in Alberta. The current model has resulted in a shortage of policing services. We've been listening to Albertans, municipalities and others and are asking for feedback on a number of models on how police should be funded. To be clear, our goal is more police services. Any new funding model that would collect funds from municipalities would be reinvested in frontline policing, leading to an overall increase in funding for police services in Alberta. Unlike the carbon tax, this is not a cash grab. We are investing more in policing, not less.

Rural Albertans deserve better. That's why they elected a government that will ensure the justice system reflects the realities of rural Alberta. We are taking action, the Minister of Justice and Solicitor General is conducting the most comprehensive consultation on rural crime and rural policing in Alberta's history, traveling the province to hear from as many Albertans as possible to help ensure we have safer and more secure communities.

Ensuring Albertans feel – and are – safe and protected goes to the heart of who we are as a government. We want to make sure we fund law enforcement in a way that will enhance public safety for all Albertans and ensure we have more police in our communities.

# Holy Trinity Whitsuntide Russo-Greek Orthodox Thorsby Celebrates 100 Years of Existence in the Thorsby area 1919-2019

From Phil Pawlyk, President

I'd like to welcome our readers; of the TARGET; to a short history, Bishop Matthew, Deacon Andrew, Ft. Igor, Ft. Yevhen, parishioners and guests to our 100th year of our church parish.

Well everyone, we did it, our church lasted a hundred years and so did the 6 poplar and spruce logs that hold the church off the ground, which were brought by horse and wagon from the Genesee district. Sometime around the spring/summer of 1917 and the summer 1918, Peter Shymanski, Andrew Paholka, Mike Paholka and Nick Harrish bought two acres of land from the CPR, and with the help of Andrew Paholka, Mike Paholka and Nick Harrish the four of them began to design and construct the church. The material and labour was supplied and donated by all the members. It took about a year-and-a-half to build the church, in the fall of 1919 Thanksgiving service was held for the first time in the church, not quite finished, other than at someone's house; as I was reminded several times by the elder parishioners, when I would question them on church history.

We have documentation that the church was built and used by February 15th, 1920. In checking with the county, nowadays if you want to build a building you get a permit first and then the building gets built, when the church was built the permit was given after the building was built and inspected or finished to the point of occupancy.

Over the past century the clergy who served were under the direction of Bishop Alexander 1916-1922 and Right Reverend Archimandrite Arseny 1909-1910 - 1926-1937. The following clergy served the church, The Reverends Borichevsky, Fedina, Kuzin, Marinetz, Andrew Kokolsky 35 years of service, 1931-1966, Stakhowsky, Sokolowsky, Tovstiuk, Grigory, Margitich, Cherkasshin, Borcha, Petluchenko, Politylo, Vlodek, Kit, Semdiuk, Kisil serving 21 years from 1997, and our present day Father Yevhen Protsenko.

Our church has been worked on over the years. In 1950 Mr. Daruda built a new iconostasis, then in '53 Mr. Lipinski painted all the icons, and also painted the icons in

St. Peter and Paul Church across the road from the seniors bldg., in 1943. In the '40's the siding that was on the church was replaced with stucco and the foundation was put into place. The siding was then used on the hall which was built along the fence line next to the church. The hall was used for picnics, with the late Dennis Kuta as general manager of the store selling candies, chips and pop. The church interior was spruced up with wall panels, new sub floor and rug in the '80's. When we applied for an improvement grant to the government we were turned down because they said we altered the building. Who would have thought?

Just some facts in a hundred years: the first to be baptized was Mary Kuta 1922. First marriage Bill Stasko and Annie Terlesky in 1924. In 1944 Mrs. Sophie Kuzio made a motion at a yearly meeting to purchase the keeper of the gift (little church for the altar table) at the time it was a great expense. We lost a ¼ acre of land when Glen Park Road was paved in the '80's, then we built a fence. The Dool family erected a bell tower in memory of their parents, a few years later the Church bell was stolen (in 2010). The arched sign with the church name was built and erected by Marlene Lykas' (Kuzio) family. Two benches used for meditation and relaxing were donated in memory of the late pres. Ed Harrish's family. Lighting struck the church July 2016 and blew a hole in the roof. And something to think about, we've had about 150 members, some have moved away, there is 100 in our cemetery, and the rest are here today.

There you have it, a 100 years in a few minutes, and THE REST IS HISTORY.

LARRY KILLALY

Part 1 of 2

I grew up in the Pigeon Lake area, attending Thorsby schools from Grade 2 through Grade 12. In my Junior High School years I became quite interested in the Royal Canadian Mounted Police. I did a lot of reading and research on the Federal Police Force. As well, during my High School years I met Cpl Barry Gibson, who was in charge of the RCMP Thorsby Detachment. He was very supportive and once I completed high school he encouraged me to apply to the RCMP. Barry Gibson became a close friend of mine and we kept in constant contact throughout my career.

I would like to mention that during this period of time the requirements for acceptance into the Force were somewhat different than they are today. For example: you had to be male (no females at this time) and you had to remain single for five years. There were also height, weight and age restrictions. As you well know, times have changed.

After successfully proceeding through the application process (approximately one year) I was accepted and sworn in at Edmonton. I was given a specific time to report to Depot Division (Training Centre) Regina, Saskatchewan. Upon successfully completing basic training I was transferred to Ottawa Ontario along with the rest of my troop which consisted of a total of 32 members. This posting put us right in the middle of the FLQ crisis. During the next year my duties consisted of Security Duties at Government House (the Governor-General was Roland Michener ) and VIP duties with Prime

Minister Pierre Elliot Trudeau.

As a rookie one memory stands out in my mind. During this time I and a Senior Cst were given the assignment of following the Prime Minister to his summer home in Quebec and remaining there with him for a period of time. On the way the Prime Minister was driving his Mercedes sports convertible rather fast, and we were trying to keep up in our Chevrolet sedan on the winding, twisty roads, I still think the PM was occasionally looking in his mirror smiling and enjoying the moment - watching us do a little sliding on the corners with his sports car hugging the road. While spending time at his summer cottage I had the opportunity to speak several times one-on-one with the Prime Minister and also had occasion to play frisbee with him after dinner.

After spending one year in Ottawa I was transferred to the province of British Columbia where I spent time at several different detachments doing general duties and General Investigation Duties (Plain Clothes). In 1980 I was promoted to Cpl and placed in charge of the Whistler Detachment where again I met up with Prime Minister Trudeau on the ski hill.

Also, during my time at Whistler, I had dealings with Clifford Olsen-the infamous killer of several young people in British Columbia. He had been arrested and confessed to killing and burying one of his victims in Whistler. We were able to find the body and investigate further.

The most important thing that happened to me while posted at Whistler was meeting my future wife Beth. She was the first female member of the RCMP to be stationed at the Squamish Detachment, the neighbour to the Whistler Detachment. Beth is originally from Bedford Nova Scotia. Whistler and Squamish shared the same Court House and while attending court I met Beth. Most people say things usually end in court; well ours started. We married in 1986 and were transferred together to the Lower Mainland, I went to the Surrey Detachment, and Beth was transferred to the Richmond Detachment. Later on we were both transferred to the Kelowna Detachment, Kelowna , B.C.

Beth retired in 2012 after serving 31 years in the Force. She had an excellent career, consisting of general duties, plain clothes duties, internal inves-

tigations and anti-corruption investigations. She was involved with Staffing and Personnel and also the Unsolved Homicide Squad. She retired as a S/ Sgt in charge of the Criminal Investigation Unit in Vancouver, BC. We have two daughters who have great careers both living and working in the Vancouver area.

In 1985 I was chosen for the Forensic Polygraph Program and attended the Canadian Police College in Ottawa to complete the training. This consisted of interrogation techniques, verbal and non-verbal communication, body language psychology etc. After the certification period I conducted forensic testing in the lower mainland of B.C. and throughout the interior. All of the examinations were criminal in nature, some were highly extreme profile cases.

After several years conducting forensic polygraph testing I was invited to proceed through the Commissioned Officer Process which was long and drawn out, and consisted of oral boards, research papers, and written examinations. Once successful I was placed on a waiting list and in 1996 received my Commission being promoted to Inspector. At this point I was transferred back to Vancouver as an Executive Officer in the B.C. Police Commission. My duty consisted of conducting compliance audits on all B.C. non-RCMP Municipal Police Departments. Upon completion of my duties at the BC Police Commission I was transferred to the Burnaby Detachment and was placed in charge of the Plain Clothes Section.
