

THE WARBURG BUGLE

Black Gold School District Recognizes Janet Sarvas

Warburg School would like to congratulate Janet Sarvas on receiving the Black Gold School District 2019 Superintendent's Service Award of Excellence! The Award was presented by Superintendent Bill Romanchuk at the BGSD Welcome Back & Awards Ceremony on September 20th. As the beautiful glass award is engraved, "in grateful appreciation and distinguished recognition of your ability to demonstrate spirit and excellence and inspiring others to perform their best. Your work is truly exceptional." Janet was nominated by Vicki Fritz with support from Wendy Maltais and Dalene Slusarczyk.

Dalene Slusarczyk stated, "I have known and worked with Janet over the past 20 years, and can honestly say that she does so much more than just her "job" every single day. It could be said that Janet and her library personifies the heartbeat of our school. She is one of the few people on staff who sees and interacts with everyone in our K-12 school: teachers, students, admin, parents and visitors! Her genuine interest and acceptance of everyone helps to embody what it means to be a small school with a big heart. You will always receive a smile and a warm welcome from Janet, and I know that she has touched many lives over the years. Janet is compassionate, hard-working, resourceful, and full of good humor.

How has Janet contributed to our staff and school? It seems like Janet is always there, filling in where we fall down or fall short of time, or uplifting our staff to recognize the many small successes and celebrate events. Throughout the years, Janet has been invested in showcasing our school in the most positive ways. She began with publishing our school newsletter, and now updates our social media, website and organizes and displays the photos on the school televisions of our many events and successes. Not only that, but her love of books has

transpired into hundreds of hours of dedication to organize and label the mountains of books for our Accelerated Reading Program -- and that means books from K-9!! This is by no means everything, but shows Janet's dedication and perseverance."

Michelle Gidosh wrote, "Janet is a vital member of our school who works behind the scenes in our school everyday. She creates a welcoming environment for all of our staff and students in the heart of our school, our beautiful library...we are so very happy that her hard work and love for our school has been honoured with the Superintendent's Service Award of Excellence!"

Upon notice in June that Janet was the Superintendent's selection for the award our Warburg School staff kept the secret until her name was announced at the ceremony. The staff very much enjoyed her shocked reaction to the announcement. The BGSD staff ensured that Janet's family was present to see her receive the award with pride. This was a great moment of celebration for Warburg School. Janet is only the fourth recipient of this prestigious award, which was established in 2016.

Long Service pins and awards were given out at the ceremony as well. W.S. retirees Vicki Fritz and Debbie Heidt were presented gifts from the Black Gold School Board Trustees.

Together we can make a Difference

The Thorsby Communities In Bloom Society would like to introduce you to a project we are currently proposing that could serve the communities of Warburg, Thorsby, Calmar and Leduc County. The Community Use Mobile Concession Kitchen is a project we see that will fill a huge need in our communities. It would have everything conveniently located in it, with a fully equipped kitchen for all season use and have the ability to reach any part of the community or travel to larger events.

We want to look after our volunteers by making fundraising easier and keeping the “fun” in fundraising. Communities rely heavily on their community groups and businesses with ongoing support to help deliver a quality of life we’ve all come to enjoy in our respected communities. The Community Use Mobile Concession Kitchen would allow over 90 community groups in our communities to have access to this mobile kitchen to fundraise with. Thorsby CIB would manage the bookings until such time as a working committee could be formed representing every community at the table that would take care of all scheduling and maintenance prior to pick up and drop off. There would be a reasonable rental fee charged per day to cover off things such as propane, insurance, and up keep.

Please consider being a part of this exciting project. your generous support would be appreciated in helping us reach our fundraising target and helping keep our communities strong. This self-generating, sustainable project will serve our communities for a long time. If you could let us know of your intentions by **November 15, 2019** we would greatly appreciate it.

The Art Gallery of Alberta Travelling Exhibit is being displayed in our school library. The photography exhibit is called 'Bystanders' and gives a perspective from the lens of street photographers who enter public spaces as "bystanders" to the scenes that unfold before them. You are welcome to come and view the exhibit, but please sign in at the station inside the front doors upon entering the school.

October 18th, Mr. Skinner and the Grade 9 class will run the polling stations for our Student Vote 2019.

On October 22nd @ 12:30 p.m. we will celebrate our Junior/Senior Academic Awards and induct a new member to our Student Wall of Fame! (Look for her biography in the next Bugle edition). Or check out our website ws.blackgold.ca

Our volleyball season is well underway! Check out our calendar on ws.blackgold.ca to see when there are home games. Go Panthers!

Black Gold School District Summer School offered a two-week program whereby students were able to build a regulation go-Kart donated by Edmonton and District Kart Racing Association (EDKRA). EDKRA further donated track time for students to test drive their karts. Students earned high school credit in the Automotives stream for this project. This is a world-class facility, and the organization did a fantastic job. Superintendent Romanchuk would like to send to the Association a certificate of thanks. This was a great opportunity for students, and proved that learning can be fun!

Our students and staff wish everyone a very happy Thanksgiving! We are all very thankful for our community.

The Warburg Legion Branch No. 205 COMMUNITY SHOUT OUT!!!

The Warburg Legion Branch No. 205 has been serving the Village of Warburg and surrounding area since 1946. Over the years the Legion has represented the Veterans and all service personnel then and now very proudly. We have combined our service to include Breton and surrounding area as well. We are proud to stand alongside all Legions in the area from Winfield, Thorsby and Calmar as well as Leduc.

Become a Legion member today! As it is in any community volunteer group in this area, we see the same people completing all that is involved to put on functions, events and support local functions. Well, there comes a time in each community group structure, when some of these volunteers can no longer take on the responsibility for health, retirement or other reasons. All our groups experience this, so we look to bring in younger volunteers to keep these community groups going. We are very happy when we can have new volunteers. Turn-outs for functions have always been a great asset to our Legion and we appreciate those who have attended and had a great time.

The main function we are very proud to put on each year is The Poppy Campaign which entails various events and end with a very popular Remembrance Day Service! The Poppy Campaign is very important to the Royal Canadian Legion of which we are a branch of. This Campaign is held each year with special honor on specific remembrance areas noted on November 11, where a service is held in our local Community Centre. The Poppy Campaign is to recognize those veterans both past and present who have served in previous battles to represent Canada. This Campaign also acknowledges all service from our Canadian Armed Forces, our Police Forces, our young Reserves and other community public services that serve in these capacities. Along with the recognition of all these services that we honor, we honor their families who have supported their family members with several programs. The Royal Canadian Legion of-

fers several programs to support to all those above.

The Warburg Legion wants to present another Remembrance Day Service this year as well. There is a lot of work put in by volunteers in a short time frame to present this campaign to the communities. This year, due to some volunteers who cannot no longer do some of the volunteer work we are giving a community shout out for volunteers to help us in some of the preparation. We would like to invite those who like to volunteer to attend a meeting at the Legion on October 8, 2019 at 7:00PM.

Some of the areas that assistance is needed -

Wreath Rentals – This volunteer work entails someone who likes to walk and interact with the public. The Legion rents our wreaths so that businesses can support and be a part of the Remembrance Day service.

Poppy Boxes - This volunteer work entails someone who likes to walk, deliver and set up Poppy Boxes. Setting up Poppy Boxes with local businesses as well as public places where people can purchase a poppy.

Luncheon – this is up for discussion and we will look at a variety of ideas. As our usual turnout is 200, we will have to look at the options.

Set up at service – this has a variety of duties as we will explain at the meeting.

All materials and information will be available at meeting.

Your time is greatly appreciated, and we hope to see you at this meeting. Thank you. For further information please call Deb at 780 848 2923.

Dating after 40 is like trying to find the least damaged thing at a thrift store that doesn't smell.

I was walking past a farm and a sign said 'Duck, eggs'.

I thought: "That's an unnecessary comma - and then it hit me."
