October 18th our grades three through twelve participated in Student Vote 2019. The Student Vote program is an engaging and authentic way for our students to learn the electoral process of voting at a mock polling station with ballots, student officers manning the polls, counting the votes and acting as party scrutineers. Our Warburg School results are then sent in to be tallied and the final results of Canadian students across Canada is released on the Student Vote Canada 2019 website: <https://studentvote.ca/canada/> Thank you to Mr. Skinner for registering our school for this Federal Election Student Vote. Ask your child about their voting experience!

October 22nd we are celebrating success at Warburg School with our Junior/Senior high awards and our newest Wall of Fame member, Meghan Simpson! Please join us at 12:30 p.m. in our Performing Arts Centre.

Parent Council meeting on Wednesday, October 23rd at 4:30 p.m.

Our elementary students look forward to Constable Young coming in to talk about Halloween safety. She will be in the PAC on October 29th to share her tips for safe treating (no tricking!!).

Leadership opportunities abound in elementary! Our grade 6 students have been learning about the fine art of cricket play in PE. This has afforded many in the class to use their leadership skills in teaching and mentoring others in the class. Grade 5 students, Marlowe and Dallas led the elementary assembly last week. These two were terrific emcees; they spoke clearly and concisely and were able to improvise and think on the spot - exactly why

their teacher mentor, Mrs. Slusarczyk chose them or this role.

The Great Pumpkin Carving Contest is coming to Warburg School. To enter, bring a carved pumpkin to the office for judging. Classes will be voting for their favourite pumpkin on October 30th. Families are invited to drop off their carved pumpkins between October 24 to the 29th. The top prize could see you and your family at the movies. Pumpkins will need to be picked up to go home on October 30 at the end of the day.

The Art Gallery of Alberta photography exhibit, "Bystanders", will be in the library until October 29th. You are welcome to come and view this street photography exhibit but please sign in at the computer kiosk upon entering the school.

Student Photo retakes are on October 29th.

Congratulations to our junior girls volleyball team on winning the Ecole Leduc Junior High tournament October 4th.

Our dual credit students are working hard on their post secondary credits- while still in high school!! Several students have taken this great opportunity to get ahead in their studies toward careers. We also have students enrolled in our Elevate Aviation program, as well as Registered Apprenticeship Program (RAP). There are so many great opportunities to be found at Warburg School! Contact Mrs. Maltais or Mrs. Hodges for more information!

The Flu

from the Royal Care Guardian Pharmacy Team

It's flu season! Every fall/winter we live in fear of being infected by the nasty little bug that can leave us bedridden for several days. I would like to share some information on what exactly the flu is and what you can do to protect yourself.

The flu is a virus that is easily transmitted between people causing illness. While some form of the flu can be mild, it should not be ignored as it can lead to hospitalization and even death.

How can you protect yourself and those in your community? The #1 way of preventing the flu is by getting the flu shot. Every year, research is done to look into which strains of flu will be most common and the province creates an immunization program. This year's flu program has already begun at Royal Care. Our Pharmacists can give the flu shot free of charge to anyone 9 years and older. Otherwise, public health clinics and your family doctor are among many other places you can get the flu shot. Other ways to protect yourself from the flu include diligent hand washing and staying at home if you yourself are infected.

Please stop by our pharmacy for your flu shot or if you have any questions about the flu or your health. Thank you and if you have any questions that you would like answered please come to the pharmacy, phone us at 780.789.3686 or email us at pharmacy2561@gmail.com.

Stop in and check out our new Christmas decor and don't forget we offer FREE Delivery!

PPC

PEOPLE'S PARTY OF CANADA

PERSONAL RESPONSIBILITY, INDIVIDUAL FREEDOM,
RESPECT, FAIRNESS

Douglas Galavan is a founding member of **RALLY CANADA** and has been an instrumental part in the recent pro-pipeline rallies to fight for Alberta's economy and in defeating the NDP's Bighorn Park proposal by Shannon Phillips. He will continue to fight for Alberta's economy.

WHAT MAKES THE PPC DIFFERENT FROM ALL OTHER PARTIES:

- ★ The PPC is **NOT** promising BILLIONS of dollars worth of campaign promises trying to buy the votes of Canadians. We recognize Canada is broke from years of poor spending.
- ★ The PPC does **NOT** believe that CO2 is the main driver of climate and Canada is not in a "climate emergency". We will focus on real pollution that affect our water, air and soil and we will **NOT DESTROY CANADA'S ECONOMY** for a United Nation's agenda. There will be NO CARBON TAX and we will not chase away industry with "heavy emitter's tax".
- ★ The PPC will remove Canada from the Paris Accord and United Nation's Migration Act! Canada is a sovereign nation and we will reassert our sovereignty!
- ★ The PPC will reverse legislation with regards to **FREEDOM OF EXPRESSION** and will never yield to restrict FREE SPEECH as it is the cornerstone of Canada's freedom.
- ★ The PPC will **ELIMINATE CAPITAL GAINS TAX** - this applies to farm business too! We have an innovative tax plan that is fair to ALL Canadians- see our tax platform.

Talking about money is sexy

Financial health – or rather, the lack of it – can be a romance killer. Financial issues are among the biggest reasons why couples split up.* In fact, it's been estimated that money problems are the prime cause of 90% of divorces**. So, if you're entering a relationship, already in one, or newly married, how do you talk about what could be the biggest elephant in your emotional room: your personal finances as they are now and as you want them to be through your life together?

The experts tell us that communication, building trust, and honesty are vital keys to healthy relationships***. And that's why talking about money is sexy – because it's a very good way to be open and honest with your partner while taking necessary positive steps for building your relationship and a solid financial future together.

Here are some tips for successfully integrating your financial lives fairly and in ways that match your shared lifestyle.

- Never keep big or small financial secrets! Each of you should disclose assets, financial commitments (such as loans) and credit history. Full disclosure is a must because if you're considering sharing a credit card or applying for a loan together, your partner's bad credit history could lead to some unpleasant surprises.
- Recognize your differences. You may be a saver; your partner may be a spender – create a financial framework and budget that suits both of you.
- Decide if it's best to maintain separate bank accounts, credit cards and investments or to merge some or all of these financial items to eliminate duplication and enhance financial benefits. (For example, by pooling your investments you may enjoy a more robust portfolio.) Make your decisions with a clear understanding of tax and legal implications.
- Decide who will manage day-to-day finances – paying the bills and so on – and who will manage your

overall financial affairs. If one or both of you brought personal assets into the relationship – a car or home, for example – should you keep them or sell them?

- Have a frank discussion about how you are going to achieve your financial goals such as buying a home or starting a family. Talk about your finances and financial goals regularly.
- A marriage contract or prenuptial agreement isn't the most romantic notion. But they're especially important if you want to exclude certain assets from an equalization of family property upon relationship breakdown, like a business or family cottage, or to protect assets for children from a prior relationship. Don't wait for irreconcilable differences to arise before speaking with a family lawyer.
- Plan to save on taxes. Although couples must file separate individual tax returns, there are many tax-planning strategies that can reduce your total tax bill now and in the future. Take advantage of all your deductions and income-splitting opportunities including, where appropriate, pension income-splitting and/or spousal Registered Retirement Savings Plans (spousal RRSPs), both of which can deliver tax savings.
- Arrange life, disability and other insurance coverage to ensure each of you is protected if one partner becomes disabled or dies.
- Whatever you do, be open about your finances and try to make decisions together.

Yes, talking about money is sexy and necessary for the good health of your relationship and financial future together. Your professional advisor can help you build the right financial plan for your shared future.

October is Spinal Health Awareness Month

What are your favourite ways to take care of your back?

- Celebrate Spinal Health Awareness Month by adding some stretches to your self care routine. Stretching can go a long way in helping to prevent injury and to protect your back. Visit www.straightenupalberta.com for a free stretching program, brought to you by Alberta's chiropractors.

- We rely on our backs to carry us through the work day – consider doing your back a favour by trying “active sitting” or taking some time at lunch to stretch and walk around.

- Housework requires muscle – and a healthy back! Take a moment to stretch and get your spine ready for some work. Visit www.straightenupalberta.com for a free stretching program, brought to you by Alberta's chiropractors.

- Try a new kind of exercise for Spinal Health Awareness Month. Strength training can be done in the comfort of your own home or outdoors.
