

THE WARBURG BUGLE

Awards and Induction

Warburg School recently celebrated our Junior and Senior High Awards and Wall of Fame induction ceremony of former student, Meghan Simpson (Grad '05). We handed out more than \$11,000 in scholarships and awards! We are so thankful for Mr. Terry Proskurniak as he offers an annual \$5,000 scholarship to W.S. graduated grade 12 students that meet the criteria and apply by the deadline. All of the information on how to apply is on our website, ws.blackgold.ca

A new award this year is the Mike Gidosh Award. Mr. Gidosh left \$50,000 to the school with the intent of granting the grade 12 student with the highest average \$1500 each year for the next 30+ years! This generosity is a prime example of how the Warburg community contributes to our school. Without such kindness from individuals and local service clubs and businesses, we would not be able to reward our students with financial compensation for their efforts.

**We gratefully thank our sponsors.
Their generosity makes this event possible!**

Together we can make a Difference

The Thorsby Communities In Bloom Society would like to introduce you to a project we are currently proposing that could serve the communities of Warburg, Thorsby, Calmar and Leduc County. The Community Use Mobile Concession Kitchen is a project we see that will fill a huge need in our communities. It would have everything conveniently located in it, with a fully equipped kitchen for all season use and have the ability to reach any part of the community or travel to larger events.

We want to look after our volunteers by making fundraising easier and keeping the “fun” in fundraising. Communities rely heavily on their community groups and businesses with ongoing support to help deliver a quality of life we’ve all come to enjoy in our respected communities. The Community Use Mobile Concession Kitchen would allow over 90 community groups in our communities to have access to this mobile kitchen to fundraise with. Thorsby CIB would manage the bookings until such time as a working committee could be formed representing every community at the table that would take care of all scheduling and maintenance prior to pick up and drop off. There would be a reasonable rental fee charged per day to cover off things such as propane, insurance, and up keep.

Please consider being a part of this exciting project. your generous support would be appreciated in helping us reach our fundraising target and helping keep our communities strong. This self-generating, sustainable project will serve our communities for a long time. If you could let us know of your intentions by **November 15, 2019** we would greatly appreciate it.

Warburg School News

Submitted by Warburg School

Thank you to School Resource Officer, RCMP Constable Young, for visiting our elementary classrooms with Halloween Safety tips on October 29th.

Our sports season is going great! The volleyball and tripleball teams are succeeding in so many ways and our cross country runners excelled by a mile! It was recently overheard that some of our students were talking about how lucky they are to do all of the same sports one would find at a bigger school. This is thanks to our dedication and volunteerism of our coaches and parents! November 5th at 10:00 am we celebrate our Athletics Awards in the Performing Arts Centre!

November 8th @ 10:30 a.m. will be our Remembrance Day Commemoration, please join us.

Please note the following dates the school is closed: Remembrance Day, November 11th, MidTerm Break, November 12th. There will be no school for students on November 12th due to A.T.A. Professional Development day. Students can enjoy this extra long weekend.

Parent Teacher interviews are November 19th from 4:00 - 7:00 p.m. and on that same evening we will have the first ever Winter Clothing Swap. During the day of November 19th you may drop off your kids' clean, gently used clothes and boots. Then, during the P/T interviews you can come and pick out some new-to-you clothes for your own kids. You do not need to have brought clothes to take clothes. Please keep items to school aged clothes. All items at the end of the night will be donated.

Scholastic Book Fair is coming to our library on November 18-20. We will have the Book Fair open during Parent Teacher Interviews so come on out to this important library fundraiser!

There are some great fundraising activities happening right now for our Europe Trip 2020 group and our Grad '20 Class. Beef Jerky orders, In-DeyGo cookie dough and bathbombs. Ask a high school student or contact our office for more info.

MLA REPORT

from The Office of MLA Mark Smith,
Member of the Legislative Assembly
for Drayton Valley - Devon

Today is not just any day and this article is not just an everyday article that can be skimmed and quickly forgotten because as I write this article it is Budget Day!

How is it going to impact our lives? Are taxes going to go up? Will the budget bring deep and serious cuts in spending? Who will be the winners in this year's budget?

All of these questions are asked in light of a new government that has inherited a \$62 Billion dollar debt that could blossom to \$100 Billion over the next 4 years if spending is not curtailed.

Alberta's debt has been growing faster than any other sub-national debt in the world. Alberta has experienced a deficit budget every year since 2008. Alberta could spend approximately \$10.4 Billion dollars less if our per capita spending matched the average of Canada's 3 largest provinces. We spend about \$2,600 dollars more per person to receive approximately the same level of services.

The budget that the Finance Minister presented to Albertans focused on controlling spending by reducing the budget by about 3 cents for every dollar the government spends. That may not sound like a lot but it speaks to the care that was taken to reduce spending while ensuring that Albertans priorities of Health Care, Education and taking care of the vulnerable would also be reflected in the budget.

The Minister has produced a realistic budget that uses cautious revenue projections. He estimates that there will be .6% real GDP growth this year with growth rates over the next 3 years of 2.7%, 3% and 3%. He has also used a conservative oil price for oil revenue predicting that the WTI price for oil will be \$57.00 this year and that it will likely rise to \$63.00 over the term of the present

government. A possibility of a global recession and how successfully we increase our access to tidewater could affect the predictions of revenue that this budget is built upon.

The budget is built upon prudent budget cuts that look to ensure effective use of tax dollars. With this in mind the government is predicting a 2019/20 budget deficit of \$8.7 Billion dollars while predicting that subsequent budgets will reduce yearly deficits until in the fourth year of the government's mandate there is a projected \$600 million dollar yearly surplus.

Health and Education spending will remain relatively stable with few if any cuts in spending while Advanced Education is looking at about a 5% reduction in overall spending. Municipalities will be facing spending cuts but Community and Social Services will see an approximately 7.6% increase and Seniors and Housing will receive a 1.6% increase and Children's Services will receive a 15% increase. The goal in this budget is to bring Public Sector remuneration in line with other provinces and the budget predicts a 7.7% reduction in the size of the Public Service over the course of the next 4 years obtained primarily through attrition as individuals retire.

Finally, the budget also focuses on Standing Up for Albertans. In light of the results of the Federal election this budget will follow through with the campaign promise to spend \$30 million on the Canadian Energy Center that will promote and defend Alberta's energy industry. There is also the intent to pursue fiscal fairness within the Canada by addressing the billions of dollars that leave Alberta every year through the equalization payments.

The 2019/20 Budget successfully addresses Albertans priorities of Health Care, Education and the vulnerable while facing up to the fiscal realities that have left the province in financial distress. It addresses fiscal issues responsibly with cautious revenue projections and realistic reductions in government spending while increasing spending in some areas but above all it addresses the priorities that Albertans set in the last election.
