

THE BRETON BOOSTER

Greetings

From Breton Elks Lodge #402

Good day everyone. Hope everyone had a Happy Halloween. Next will be Grey Cup for the football fans and then on to Christmas. How time does fly, but then spring will be just around the corner.

In the meantime the Breton Elks are hard at work. Two visitors were planning to remain in the R.V. Park until October 31st. Two new tents have been purchased for the coming tent rental season. A floor curling tournament is scheduled for Feb 1, 2020 in Vegreville.

December 7th is the date for an evening of family time with your kids, grandkids, nieces or nephews to enjoy fun and games with refreshments and snacks topped with a visit from the man named Santa. This is known as the Community Christmas Party sponsored by Breton Elks. Admission will be food donation to the local Food Bank. Doors will open at 7:00 p.m.

On November 21st the Breton Elks will be honored by a visit from our Grand Exalted Ruler. Details to follow on this prestigious visit.

In the meantime, everyone play safe and be kind to each other. Will chat soon.

Connected To War

From Noeline Hoffmann

Every year on November 11th, for as long as I can recall, I have attended a Remembrance Day ceremony. From a young age we are taught about how fortunate we are to be living in a free country, and as we grow older, we learn about the prices that have been, and continue to be paid in order for Canada to be the flourishing place that it is today. These sacrifices are nothing that I have taken lightly, and I am sure that the majority of Canadians and Canadian youth would say the same. Many people worry that once their generation has passed, the tradition of Remembrance Day will discontinue because

the youth of today have never experienced war close-up; that the tradition isn't important to us. I would like to stand for the generations of the future and say that - it is true that we will never personally remember the battles, or the soldiers of yesterday, but we will carry on the memory of them into our tomorrows. We will never forget why we are free, and we will never lose the ability to reflect.

Humans are sentimental beings, and even as generations go by, we won't forget those who came before us. We won't forget to teach our children the lessons we learned from our grandparents. My Opa taught me to eat every last morsel of food on my plate. He licked his own plate. At times, I hated this rule, my little belly far overfilled, I didn't understand; but I kept my thoughts to myself. You don't argue with your elders, and it is a thing of respect to appreciate what you are given. Later on, I learned that my Opa lived through a time of war. Rations were frugal, nothing was wasted. I can say that I have always been content with the things I had, but this small lesson from Opa taught me to be thankful - thankful for the everyday things that I take for granted. I won't know what it was like for my Opa to live the way he did, but I will always remember the many stories he told me. This is the same as the tradition of Remembrance Day. We pay respect to the things that we are given, and honor those who have passed by sharing their stories. Just because the youth of today weren't there to experience the peril of World War I and II, we learn from the second hand stories.

We are all connected to war. Whether it be through our family tree, the news, or the history we learn in school. It affects everyone, every day. Throughout the year we may take our freedoms for granted, but on November 11th we remember why we can enjoy the free life that we do. We reflect on all of the blessings in our lives, and with heavy hearts we send silent thanks to those who have fought, and those who died for our great country, Canada.

Thank you Cheryl J...for letting me be a part of your world, and for all the help and influence, and the kindness and generosity you brought to my world...You will be remembered fondly, and truly missed.

BRAZEAU COUNTY

together with

ALBERTA ONSITE WASTEWATER MANAGEMENT ASSOCIATION

Presents

Septic Sense:

Solutions for Rural Living

November 27, 2019 at 6:00 p.m.

At the Brazeau County Office – 7401 Twp Rd 494

Understanding and taking care of your septic system

Did you know the average person puts 340 liters of sewage through a private sewage system (septic system) every day? For a family of four living in a two-bedroom house, that amounts to 1,360 liters per day and just under half a million liters per year!

Rural property owners are responsible for ensuring their systems operate properly and safely. If you have a septic system on your rural property, you will benefit from attending this workshop. Presenters will teach you how to understand, assess and properly manage your septic system, enabling you to protect your investment in your property and the valuable natural assets associated with your land.

Learn what you can do to properly manage and maintain your septic system. Attend the **Septic Sense** workshop hosted and presented by Brazeau County, with technical expertise provided by the Alberta Onsite Wastewater Management Association (AOWMA) and materials developed by Land Stewardship Centre (LSC).

During the workshop we will cover:

- What a septic system is and how it works
- Regulations
- Design and installation
- Appropriate use of your septic system
- Maintaining your septic system
- Troubleshooting

To attend the workshop, please pre-register by calling Nancy Chambers at the Brazeau County Office at: 780-542-7777 or by email at: nchambers@brazeau.ab.ca by November 20, 2019.

LETTER TO THE EDITOR

Dear Editor:

CORRECTION

In last week's Booster we were given credit for a \$13,400.00 donation. We apologize that the Village of Breton implied that it came directly from us. It did not.

The money came from containers and cash donated by our customers over a period of several years. They deserve the thanks, not us.

The Breton Bottle Depot just facilitated the fundraiser, caring citizens would donate a bag of bottles and cans or small amounts of cash, knowing it was all going to the Building Fund. A dollar here, ten dollars there, it all added up over time.

Please drop by the Bottle Depot, meet the new owners/managers and continue to donate to the new Community Centre, especially now that the construction is progressing.

Sincerely,
Neil and Rosemary Durrant

BRETON FCSS NEWS

from Deanne Young 780.696.3636

Halloween Hoopla and Haunted House – Breton FCSS would like to thank all of the community members for their donations of treats and monetary donations for our Halloween Hoopla and Haunted House. This is always a well attended event for families in the community. We certainly would not be able to offer such an event without the efforts of the students of Breton High School. Their hard work and creativity was very evident on Halloween night. We hope everyone enjoyed themselves.

Community Movie Night – Sunday November 10th – Thank you to the students and volunteers of the Breton High Drama Club for being our hosts this year. The first movies were very much enjoyed. They are excited to share with you on November 10th – The House with the Clock in the Walls at 4:30 followed by the classic Rebel Without a Cause starting James Dean at 7:00 pm. Free admission, free popcorn, everyone is welcome to attend.

Rhymes That Bind – November 13 & 27. The second and fourth Wednesday morning from – 10 – 11:30, Breton Community Room, in the Civic Centre – Rhymes, stories, crafts, snacks and a fun and social time for preschool children and their caregivers. Free – Call 780-621-8400 for more information. Facilitated by DV ParentLink

Older Adult Trip – Our next older adult trip for the year will be on November 20. It will be a trip to Kingsway mall in Edmonton. Cost is \$5 / person and there is a limited amount of space. Please register at the Village office. We will be leaving at 9:00 am and returning at approximately 3:30.

Community Christmas Dinner – For the last several years Breton FCSS has coordinated a Christmas Dinner for anyone in the community to come together to celebrate the holiday season. It has been a wonderful evening due to all of the Volunteers that assist with the preparations and evening. We are starting to make plans for this year. The date we have selected is Tuesday December 17.

We would like to start a list of Volunteers and assign a task that you would like to help with. Tasks will include: Setting up tables and chairs, putting out the table clothes, peeling potatoes, making salad, making stuffing, preparing and carving the turkeys, making coffee and juice, making gravy, setting out the plates, mashing potatoes, putting out the food, collecting dishes, washing dishes and clean up. If you would be interested in helping with any of these tasks, please contact Breton FCSS at 780-696-3636. Families are welcome to help.

The traffic safety focus for the month of November is Occupant Restraints.

It's important to buckle up every time you drive. No matter how short the trip a seat belt and child safety seat protects you and your family if involved in a collision.

Occupant restraints facts:

From 2012 to 2016, there were 341 unbelted fatalities in Alberta.

Nearly a quarter of those fatalities were 18- to 24-year old men.

Properly used seat belts can reduce fatal and serious injury by 45-65 per cent depending on the type of vehicle and seating position.

Properly used seat belts can reduce fatal and serious injury by 45-65 per cent depending on the type of vehicle and seating position.

A 2017 Driver Attitude Survey indicated 69 per cent of Albertans agree all children 5-9 years of age should be in an approved child restraint. 95 per cent of Albertans agree when driving or riding in a motor vehicle, one should always wear a seatbelt. Without a booster seat, a child is three and a half times more likely to suffer a significant injury.

Overall, 97.4 per cent of Albertans are using occupant restraints, combining urban and rural areas, according to CCMTA

During 2016, 53 people died and 375 people sustained injuries as a result of not being properly restrained at the time of the collision. Restraint users had a much lower injury rate (6.8 per cent) than those not using restraints (24.1 per cent) in collisions. Occupants using a restraint reduce the likelihood of sustaining an injury and the severity of injury decreases (2016).

ATTORNEY: Now doctor, isn't it true that when a person dies in his sleep, he doesn't know about it until the next morning?

WITNESS: Did you actually pass the bar exam?

ATTORNEY: The youngest son, the 20-year-old, how old is he?

WITNESS: He's 20, much like your IQ.

ATTORNEY: She had three children, right?

WITNESS: Yes.

ATTORNEY: How many were boys?

WITNESS: None.

ATTORNEY: Were there any girls?

WITNESS: Your Honor, I think I need a different attorney. Can I get a new attorney?

ATTORNEY: How was your first marriage terminated?

WITNESS: By death..

ATTORNEY: And by whose death was it terminated?

WITNESS: Take a guess.

ATTORNEY: Can you describe the individual?

WITNESS: He was about medium height and had a beard

ATTORNEY: Was this a male or a female?

WITNESS: Unless the Circus was in town I'm going with male.

ATTORNEY: Do you recall the time that you examined the body?

WITNESS: The autopsy started around 8:30 PM

ATTORNEY: And Mr. Denton was dead at the time?

WITNESS: If not, he was by the time I finished.

ATTORNEY: Doctor, before you performed the autopsy, did you check for a pulse?

WITNESS: No.

ATTORNEY: Did you check for blood pressure?

WITNESS: No.

ATTORNEY: Did you check for breathing?

WITNESS: No..

ATTORNEY: So, then it is possible that the patient was alive when you began the autopsy?

WITNESS: No.

ATTORNEY: How can you be so sure, Doctor?

WITNESS: Because his brain was sitting on my desk in a jar.

ATTORNEY: I see, but could the patient have still been alive, nevertheless?

WITNESS: Yes, it is possible that he could have been alive and practicing law.

Do y'all remember, before the internet, that people thought the cause of stupidity was the lack of access to information?

Yeah. It wasn't that. 🧐

They say you're only as old as you feel.

Well I feel like I've been exhumed from the tombs of Egypt, given a cup of coffee and been sent to work.
