

THORSBY TARGET

Appreciating the Youth

From Patti Skarpinsky

Thank you to everyone who volunteered and sponsored the FCSS and ATB Youth Appreciation. We had Calmar, Warburg and Thorsby high school students come out for the afternoon and be fed a delicious lasagna lunch by The Last post (Ashley Gilbert). We were honored to be Entertained by Paul Woida, professional Looper and musical artist and Carla Cuglietta guest speaker and humanitarian . Carla is the co-founder for the Young Leaders and well known for her work with youth.

SPONSORS: ATB, Logos IT Solutions, Lone Wolf Mechanical and Art Burnett, Thorsby Lions, Councillor Ivor Foster and MP Gerald Soroka....Door prizes were donated by Kollbrook Esso, Dr. Tran Davies, Black Gold School Division, Town of Thorsby , Town Of Calmar, Leduc County, Thorsby Recreation, Coffee Pucks and Poutine Canteen, Rabbit Hill Ski Resort, Councillor Nathan Raymond and Sam's Balloons. Thank you to the Thorsby Historical and Cultural Society for donating all the pop and cheesecake, and also thanks to Leduc County Food Bank for the ice cream cups and squares for dessert!

VOLUNTEERS make it happen! Thanks to Marcia Mielke (Chairman for FCSS Advisory Board), Marlene Kobeluk (Community Hall Manager), Terri Syniak, Marg, Brandee (Leduc County FCSS) Sandi Raymond (Sam's Balloons), Gayle (Library Manager) Constable Bailey Young with the Thorsby RCMP, Christine Burke (Thorsby CAO), Councillor Nathan Raymond and Councillor Ivor Foster, ATB Manager Matt Straker and ATB Shae Ohlmann and my student advisory board member, Jade Raymond. Thank you to all the principals who worked with me to help get the message out to the youth and take time out of busy schedules and budgets. Your support was so appreciated.

Our youth need to see their vision and believe...and

then work for that vision.... youth need love and support and positive role models. Everyone has a story, and everyone has a special gift and purpose, but that seldom comes easy for anyone. Believe in yourself and do not be afraid to work hard towards your vision and lead your life . It is your story.

Please feel free to give my FCSS office a call and chat anytime and to look at what resources are there for you. 780-789-4004 Patti

Remembrance

From Phyllis Madiuk

The day was Monday, November 11, 2019; The hour was 10 am, the place - the Jr/Sr High School and the event was, yes, the Royal Canadian Legion Pioneer Br. 144 & 2561 RCA Cadets' Remembrance Day Service. As the saying goes "if you have it, they will come". And come they did, all 300 plus, trudging through the snow to come to see and listen to MC L/Col Al Bratland, Chaplain Scott Brown, Pastor Glen McBride, The Community Choir, Soloist Gwenyth Agar, Capt. Maureen Sewchuk's Cadets become the "Sgt at Arms - Honor Guard, Flag Party and poem reader" and bugler, Amanda Patrick.

Mayor Rod Raymond delivered an interesting message about D-Day and the countries it involved. Amy Kissler, a Calgary lass gave an account of what she'd seen while visiting Belgium, France and the Netherlands a short while ago, and what an affect it had on her, especially after seeing her great uncle Pte Austin Dunlop's name on a large memorial at Vimy Ridge. Amy has strong feelings for Thorsby as her grandparents, Orden & Marilyn and great grandparents, Arnold & Linda lived in Thorsby. In fact, Mayor Rod & Sandi Raymond currently live in their house.

The choir, under the direction of Amissa Jablonski and pianist, Kelli Warren, did an excellent job with their hymns, especially "In Flanders Fields", as did Gwenyth Agar with her solo.

Wreath laying is equally as important in the service, and a big thank you to those who took the time to do so. Elected officials present S/Sgt Harp and Cst. Bailey Young, Mark Smith, MLA Drayton Valley-Devon, Councillor Kelly-Lynn Lewis, Trustee Shawna Ofstie, Mayor Rod Raymond, Comrades Rod and Elaine Blair.

Families of the deceased:

From out of town; Joan & son Brent Erickson, Ordan Kisser, MLA Mark Smith from Drayton Valley, Amy Kisser from Calgary, Patricia Schmidt from Sylvan Lake, Edward Sulz from Wetaskiwin, Hubert Johnson from Mayerthorpe, L/Col Al Bratland, Peggy Hostyn, Jennifer Palmer from Leduc, Grant Nystrom from Edmonton and Dale Pycrz

from Beaumont.

Local; Larry & Donna Branton, Ed Kowal, Grant Johnson, Peggy Lunde, Bernard Brewster, Heather Grabowski & Murray MacKenzie, Larry Gitzel, Glen Halladay, Maggie Culford, Irene MacPherson, Ernest Jablonski, Gordon Krekoski, Will & Chris Agar, Fred DeBoer, and me, Phyllis Madiuk.

Organizations; 2561 RCA Cadets, Capt. Sewchuk, Alberta Free Masons - Mitch Williams, Chamber of Commerce - Sandi Raymond, Communities In Bloom - Rosemarie Zurek, FCSS - Cathy Kuzio, Leduc County Fire - Capt. Vince Warren, Elementary School - Rhett & Lillianna Warren, Lions - Rick Hart, Seniors - Pat Nystrom, Cultural & Historical Society - Sam & Marlene Kobeluk

Business; Blue Falls Manufacturing - Donna Sagar, Bilar's Garage - Grant Bilar, Family Restaurant - Vicky Patrick, GWI, Accurate Drain - Cory Gilbert

Friday, Nov. 8th was set up day at the school and we were fortunate to have Mr. Brent Proc and some of his class help set up chairs, tables and to bring the wreaths from the music room and set them up at the back of the gym and have everything in place. On the same token, what goes up, must come down, and again we were fortunate to have Capt. Vince Warren and his Firemen to help clean up as well as Capt. Maureen Sewchuck's Cadets to put things away. A job well done.

Of course lunch would not be available if it wasn't for all you generous people out there and of course it would not be served without the organization and serving of our chief, Marion Snider and her helpers - our own Ocean Robb, and her granddaughters, Jessica and Melissa Sewchuk.

We must not forget the "before" preparation. A thank you to Nathan Raymond and Christine Burke for preparing the Service Pamphlets.

Thank you's didn't float around too much in this report, but believe me when I say that on behalf of our Pioneer Branch 144 Royal Canadian Legion and the 2561 RCA Cadets, we say a big, heartfelt thank you to each and every one of you that made our Remembrance Day the success that it was.

Poppy fund donations totalled \$1608.60!

Thank you

for allowing us the opportunity
to earn your business and for your
continued support.

LETTER TO THE EDITOR

Dear Editor:

Kudo's Patti Skarpinsky...you did it again! On Monday, Nov. 18th, I attended the lunch for Youth Appreciation.

I was happy to see approximately 180 students in attendance, along with teachers, special guests and entertainment.

I don't know where Patti gets her energy from? She is an amazing lady. Thorsby is extremely lucky to have her.

Paul Woida, singer, songwriter, was fantastic. The students were rocking in their seats to his music. Carla Cuglietta, what an interesting speaker. I watched the students, you could see they were mesmerized with Carla. She is an inspiring young lady. To have amassed so much knowledge in such a short time. I imagine the students will be talking about this luncheon for a long time!

And last but not least, the lasagna, salad and desserts catered by The Last Post were delicious!

Respectfully submitted,
Irene MacPherson

3 reasons why chasing big returns is a losing race

BY IG WEALTH MANAGEMENT / SEPTEMBER 2019

Over time, stock markets may be more predictable than you think. A long-term strategy can be more effective than trying to time the markets and chasing big, one-time returns.

You hear about winners all the time. They're the people who got in at the right time and made a lot of money by buying the right stocks or investing in the right sector. It's natural to want to get in on the action. Occasional success may lead you to believe that one can consistently time the market. But is it worth it to try?

3 reasons to avoid market timing:

1. Long-term investors benefit from not jumping in and out of the market.

No matter what increments of time are examined, - days, weeks, or years - stock markets tend to go up roughly two-thirds of the time. And that's based on data going back over 60 years. No one knows when a crash may occur or a particular stock will tank. But for an individual with a reasonably long investment horizon, this trend adds up to predictability.

Predictability generates the confidence needed to stay invested and committed to a plan instead of reacting to hype or emotion.

2. Over the short term, it's anybody's guess

The stock market gives little or no warning when it tumbles. Individual stocks can take a dive based on economic events or bad press. Geographic sectors can drop based on speculation about political events. While these things can't be timed with any accuracy, a good financial plan, that is based on your time horizon and matched to your risk tolerance, provides a balanced approach to investing and can help you ride out the turbulence with confidence.

3. Timing requires selling

Timing the market means buying low and selling high. Investments have to be sold in order to realize any gains. When you sell, your money will be out of the market, sitting on the sidelines. During the time you are not invested, you could miss out on returns that could have been predicted by simply staying invested.

When it comes to timing, time itself is your best ally. Invest for the long term, based on your goals, as part of a complete financial plan that leaves you feeling confident in any market.

Straight Out of Thorsby

From the County of Leduc, from Alberta and Canada, from Singapore to the U.K., from Australia to Holland, from the USA to Panama, Thorsby graduates are making a difference. This is the 41st installment in a series of profiles which indicate what a small school and community can produce.

The people who conduct the interviews are Audrey Brosseau and John Elson. If you have suggestions please contact John at 780-789-3822 or Audrey at 780-886-0658.

TRACY GULICK - Class of '86

Notes about me:

I attended Thorsby for all of my schooling and graduated in 1986. During high school I worked a couple summers for the Village of Thorsby, so I have pulled weeds, mowed, read water meters and painted all over the community. I completed a Bachelor of Science in Physical Therapy from the University of Alberta in 1991. I married Gordon Gulick and we live near Falun and have raised 2 kids, Chad and Susan. My parents, Roger and Alda, as well as my brother Jimmy and his family, all live near Thorsby.

It's an honor to be asked to write about reflections of Thorsby and the path I took from there; it's fitting to be asked by Mr. Elson, since his Social Studies classes in high school were my most memorable. I remember being really interested and learning diligently about topics such as Prime Minister Mulroney, communism and the USSR, nuclear arms race, World Wars, famines, etc. I also know that some of the topics scared the crap out of me and caused me to worry about the world! Mr. Elson presented ideas in a meaningful way, and I am grateful for the knowledge I gained in his classes.

I remember Biology classes from high school, and I remember disputing answers to math problems. I remember taking Physics 30 by

correspondence, way before "online learning"! I also played volleyball, but mostly basketball, and I remember that I was aggressive although not very skilled. I think being part of a team, and being coached and representing our school gave me some valuable lessons.

I grew up riding horses and competing in rodeo events, which are more individual rather than team-focused. The sport was obviously my true passion, as I continue to ride and compete today. My husband and I both have enjoyed competing and have raised our kids in this lifestyle as well. Most weekends through most of the year, and often longer family trips as well, are planned around horses and rodeos. Week-nights are often spent riding and preparing. This shared passion with extended family and friends is what gives my life its structure.

I feel lucky to have chosen Physical Therapy as a career, which I still enjoy after practicing for over 28 years. People are generally appreciative of Physical Therapists, since we strive to alleviate pain and optimize independence for movement. I work at Wetaskiwin Hospital, which is a large enough facility to allow for rotating through different areas of patient care. I have also worked for short periods at Breton and Drayton Valley hospitals. I have worked with colleagues from different countries and clients of all ages and diagnoses. Providing evidence-based assessment and treatment for everything from elbow fractures to cancer to stroke recovery to chronic pain to scoliosis, as a few examples, is very challenging and rewarding. Continuing education in this career is also diverse and enjoyable. Dry needling techniques, promotion of walking with Nordic Poles, and the GLAD program (self management of hip and knee osteoarthritis) have been recent learning foci for me.

I guess in summary I would say that the philosophy "well, you gotta do something!" fortunately has been working for me, in life and career.

From Gayle Sacuta

Dear Community Members. Do you have a library card? Our library staff makes sure as many people as possible have access to the extensive array of resources: physical books, e-resources and more, available at our library and through the provincial resource sharing network.

But you don't even need a card to attend our programs. Please drop by the library this coming week for our session on Tuesday, November 26, starting at 6:30 pm with snacks. We are located in the Arctic Spas Recreation Centre:

Teaching your kids about money, presented by Karen Stix.

Karen is a member of the association of Chartered Professional Accountants of Canada. She volunteers her time to bring information to the public. Check their website: <https://www.cpacanada.ca/> for more information. We are lucky to have Karen share important, neutral information about how to live in a financially healthy way, in a welcoming atmosphere. In February she will visit again with a Wills and Estate Planning session.

A Cold Car or No Car?

From RCMP

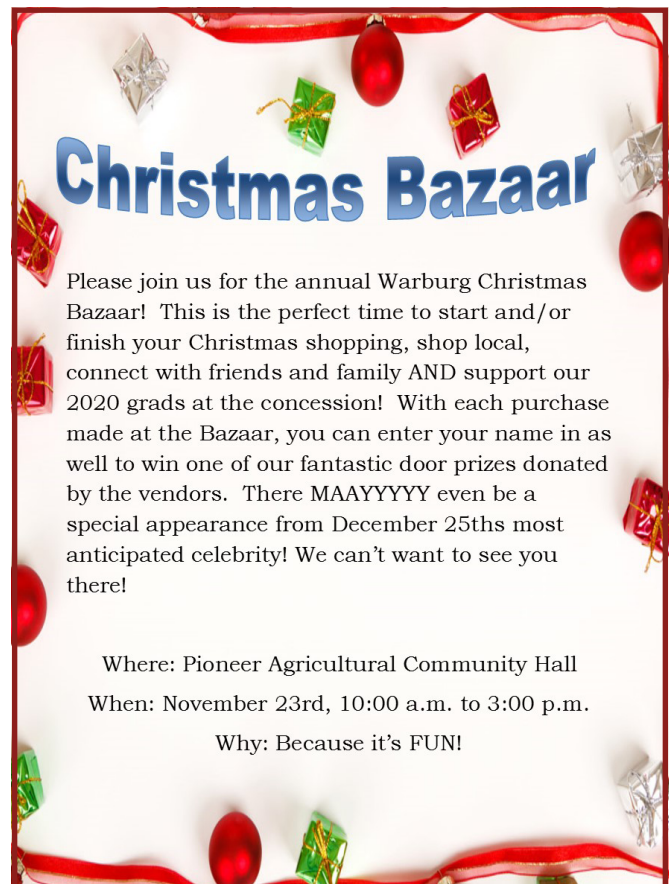

The RCMP would like to remind the public not to leave vehicles running to warm up with the keys inside.

Vehicles locked from the outside with keys in the ignition are also an easier target for thieves to break the window or punch the lock and steal the vehicle. Use a remote starter, or wait inside your vehicle for it to warm up to prevent targets for thieves.

Never leave your car running unattended even for a minute to run inside. RCMP also suggest to the public to never leave spare keys inside the vehicle.

A cold car or no car?

If you have information on a crime, please call the Breton RCMP or if you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), or by internet at www.tipsubmit.com. You do not have to reveal your identity to Crime Stoppers, and if you provide information to Crime Stoppers that leads to an arrest(s), you may be eligible for a cash reward.
