## LETTER TO THE EDITOR

As Thorsby and area geared up for another Christmas In The Village evening of family fun in the community, I was disappointed to see such a negative "Letter To The Editor" wrote in such a way that it attacked our Community FCSS Coordinator. My letter won't single out anyone by name as that does not accomplish anything, but I feel a need to try to explain the process that delivered the event.

The Youth Appreciation Event to our community, in my opinion, was such an exceptional new idea for our community. It promoted the need to have additional youth engagement, it brings the school and town together to break down barriers and work together which I believe is vital for community success. It was also a great event that welcomed other neighbouring community schools into our community.

The decision to host this event was not made by one individual, but rather by many such as, the FCSS Board, ATB (Sponsor), Student engagement and the High School Principals. The grades and times were a collaborative effort collected from discussions held. Often to reach a specific age demographic you have to select an age range and limited funds and space also add to the consideration.

Our High School Principal has been a tremendous asset to our community, which I see often as an active parent in the school with children at the High School level. I also know that our FCSS Coordinator has delivered outstanding events in our community that recognize the value of our Volunteers and Seniors annually. With this being a first-time event there may have been a few hurdles to get through but I'm

hopeful we will continue to see more events like this next year.

Our community is healthier when we openly communicate to each other, respect differences, and continue to build relationships of strength by working together as a community should. In closing, I think we have created an event that will inspire our youth and make them feel they have a valued voice in the community.

Congratulations to all that worked hard to organize this event, and remember, feedback is vital in sorting out ideas going forward.

Thanks,  
Barry Rasch

# Open Letter to Thorsby

Dear Residents and Businesses:

I would like to start by saying thank you for coming out to our 26th Annual Christmas in the Village Customer Appreciation night. I hope that everyone enjoyed the evening on December 6th. This event is one of the finest events of the year where everyone has a chance to get together and explore what all the businesses in the Town of Thorsby have to offer.

Each year members of our business community sponsor this event and donate funding to support things such as the horse drawn wagons, the fireworks, the smokies, hot chocolate, and of course the appearance of Santa at ATB. In order to show recognition for their generosity, this year and continuing forward, any eligible business which is a member of the Chamber of Commerce and made a significant donation of \$200 or more to this great community event, will have their annual membership dues waived. Thank you to all the businesses who continue to contribute annually to our event for the past two and a half decades! Other donated items included in our raffle baskets which helped us raise just over \$200, and with the combined funds from the Jail and Bail, we were able to provide a gift of over \$470 to assist the Thorsby FCSS Christmas Elves this year! Thanks, Ashley Gilbert and Pastor Glen McBride for your combined effort in the Jail and Bail and to the ladies who put the baskets together.

Christmas in the Village is put together by a small volunteer committee of the Thorsby and District Chamber of Commerce members, who work tirelessly to bring such an amazing event to life. Thank you to our Committee Chair Darlene MacPherson, as well as her committee members, Amisa Jablonski, Sandi Raymond, Mercedes, Jade, Ashley Gilbert, Linda Legault, and Linda McBride. Besides the committee itself, several people go the extra mile as members of our community. My Uncle Rick for helping me set up and fetch pallets, Dave Bryan for keeping us warm at the bon fire, and Eric for being our First Aid attendee. And can't forget our volunteer elves running around handing out glow bracelets, Thanks Mya MacPherson and Jenna Lawrence.

The Town of Thorsby always host and awards prizes for the Gingerbread house contest at Bilars, Thanks Kristen! A huge shout out to Thorsby Public Works who dedicate their time in preparation and cleanup, weeks leading up to and after the event!

Once again, our Grad Class came out to cook and help load the wagons and in return the Chamber grants \$500 dollars towards their spring Grad Ceremony. Thank you Grad Class of 2020, and I wish you the best of luck in all of your future endeavours. Great job!

Every year the businesses of Thorsby open their doors late for people to meet and experience what each business has to offer, besides showcasing their services and

products, each establishment provides additional draws for prizes, free goodies, treats and beverages. There are new businesses, Chamber members, and new owners of existing businesses downtown this year that took part. It is great to see positive change and retention.

This year, with the assistance of our Town Manager and Marlene Kobeluck, we were able to establish a pop-up market in the former Hoffman's Home Hardware building featuring local vendors and home-based businesses from the area. Thank You Richard for generously donating your space and your years of support to the Chamber of Commerce as well as our whole community. Also, thanks to the all the vendors who came out, and Mrs. Burke and Mrs. Kobeluck for setting this up.

I was given the pleasure of being this years Town Crier and had the opportunity to engage with everyone and make an official proclamation from the Town that officially made the 1st Friday of December each year the official start to Christmas in Thorsby! I also got to hand out some Thorsby Bucks to the kids so they could purchase candy from Coffee Pucks and Poutine at the Arctic Spas Rec Centre. The end of the night went out with a bang thanks to our annual fireworks display.

The Thorsby & District Chamber of Commerce has been around since 1932, and was originally formed by local businesses owners, some of whose children, grandchildren and now even great grandchildren still operated those same businesses in the area. The Chamber has been involved in great things in Thorsby over the years. Businesses have the advantage of working together for sustainability in our ever-changing community. There are added benefits in being a Chamber member, included but not limited to, special rates on insurance of all types, discounts on things like point of sale systems, shipping, fuel and consultation services. To date the Chamber has 42 members, 14 of which have recently joined and are excited for the future potential of commerce in Thorsby. Big changes are in the works such as our ongoing social media presence, a new e-mail and website, new promotion, and events bringing speakers and small training sessions to businesses. I am excited to see the changes. I will be seceding my position as President in 2020 but will remain a board member as Past President. Nominations are open for this year's elections. Positions of President, Vice President, Secretary, Treasurer and 3 Directors. Please see Cory Gilbert at GWI for nomination forms and submission. I look forward to a new executive. Our next general meeting will be held on December 18th at the Thorsby Firehall and our Annual General Meeting and Elections will take place on Jan 15th (place yet to be determined and advertised). Thank you all!

With that, it has pleased me to serve the community the past 5 years as President of The Chamber but will remain an active member, (don't worry, I'm not going anywhere). I wish you all a Merry Christmas and good fortune in 2020.

Sincerely, Nathan Raymond

## Lighting up the Longest Night

From Rev. Ron Flamand, Interim Pastor,  
St. Matthew Lutheran Church, Thorsby

**“The light shines in the darkness, and the darkness did not overcome it.” John 1:5**  
(NRSV)

We are in the midst of the darkest time of the year. 8:00 am and it is barely dawn. 4:00 pm and it is already becoming dark again. Many people have difficulty with this dark time of the year. Couple this with aspects of grief and/or loss and it can create difficulties with emotions, lifestyles and even life itself. The holiday season pictures people in a festive mood. Couple this with the perceived obligation of gift giving and it indeed can have the ability to create darkness in our lives.

Councillors and therapists tend to agree that instead of avoiding, circumventing or disowning these dark times or periods in our lives, the healthiest way to navigate them is to own them and to journey through them. It is often best not to do this alone. The Jewish and Christian scriptures tend to concur. Often, in scripture, these times are described as times in the wilderness.

Loss can be experienced in many ways: loss of job or vocation; loss of crop and farming challenges, loss of relationships; loss of life and loss of purpose or perspective to name only a few. These and other losses can lead to times of darkness and grief. New Life Fellowship, Our Lady of Victory Roman Catholic Church and St. Matthew Lutheran Church together are offering an alternative opportunity to journey through this darkness. On Sunday, December 22, 4:30 pm you are invited to gather at St. Matthew Lutheran Church. We will have a service entitled

“The Longest Night. A Service for Wholeness and Peace.”

During this service we will offer you the opportunity to listen, to join together in prayer, to sing together, to meditate upon the pain and anguish you may bring and to offer your pain to the Christ child. Though this service is in the Christian tradition it is open to all who desire to gather together, regardless of race, cultural or religious background. You are welcome here. It is also open to those who wish to offer support through their presence. Following the service we will have a simple soup supper.

## Public Notice

### Property Assessment Notice Change

Please be advised effective for the 2020 Property Taxation year, PROPERTY ASSESSMENT NOTICES will be separated out from the TAX NOTICE. This change will make it easier for rate payers to review their assessments prior to the tax bills being released in May.

A Property Assessment isn't a Property Tax Bill - The property assessment notice is a document that outlines the assessed value of your property.

A market value-based assessment does NOT necessarily identify a property's individual sale price or potential sale price. It attempts to provide a "fair actual" or average value based on several factors including similar properties which have sold.

Your current assessment value is based upon July 1st market conditions one year prior to today. Market trends since then may not be reflected on this assessment.

An increase or decrease in your property assessment does not automatically mean that your taxation amount will change in a similar fashion.

Assessors use a technique known as 'mass appraisal'. 'Mass appraisal' is the process of valuing a larger group of properties, as of a given date, using standard methods and statistical testing. The focus in property assessment is not on the individual property, rather the entire class or group of properties.

This assessment process helps to fairly distribute the annual municipal taxes.

For more information, or further clarification please check out the Town's website at [www.thorsby.ca](http://www.thorsby.ca) (search assessment) or contact the Municipal Office at (780) 789-3935.

# Straight Out of Thorsby

*From the County of Leduc, from Alberta and Canada, from Singapore to the U.K., from Australia to Holland, from the USA to Panama, Thorsby graduates are making a difference. This is the 46th installment in a series of profiles which indicate what a small school and community can produce.*

*The people who conduct the interviews are Audrey Brosseau and John Elson. If you have suggestions please contact John at 780-789-3822 or Audrey at 780-886-0658.*

MARIANN VIANELLO (SHYMANSKY)

I grew up in Thorsby with my parents Larry and Jeanette Shymansky and sister Sheena. I attended school in Thorsby from kindergarten to grade 12. One of my fun memories of school in Thorsby is winning the "Snow Queen" contest in grade 7 which at that time was a real highlight for me.

After graduating from THS in 1997, I attended NAIT and received a diploma in Court Reporting in 1999. I then moved to Calgary and worked there until June 2002. In July 2002 I had the opportunity to move to The Hague Netherlands to begin work at the International Criminal Tribunal for the former Yugoslavia where I worked until July 2015. Also during that time I worked at the International Criminal Court (ICC), the Special Tribunal for Lebanon (STL) and the Specialist Kosovo Chambers (KSC). In 2006 I married Tony Vianello who is from South Africa and we have 3 children.

I have both my RPR and RCR designations. RPR stands for Registered Professional Reporter, a designation I hold with the NCRA (National Court Reporters Association out of the States). To obtain this designation you need to complete a literary at 180 WPM, a jury charge at 200, and a Q & A at 225 WPM. Those are also the tests I had to pass to complete my training at NAIT. The professional designation

is recognized in the industry as a standard that everyone knows. RCR is Realtime Court Reporter. This was a designation I obtained in BC from the BCSRA (BC Shorthand Reporters Association). This one is a realtime test given at 180 WPM, requiring 98% accuracy. The difference between the two tests is in a realtime test you hand in the test as is. In the RPR, you are allowed time to go through your notes and edit and proofread before handing it in. Since moving to The Hague, I have been providing realtime transcripts, meaning the participants can see the transcript on the screens as I'm writing it on my steno machine.

In 2015 I moved to Vienna, Austria and then in 2016 to Vernon, BC to work for a local court reporting firm. In August of 2018 we moved to Ottawa as I got a job at the Senate. I am currently working at the Senate and in my times off I am doing broadcast captioning as well as providing communication access for deaf and hard-of-hearing individuals. I have also been a court reporter in pre-litigation hearings as well as working on hearings at the Canadian International Trade Tribunal, here in Ottawa.

My dad passed away in 2006 and my mom Jeanette lives in Warburg and still joins in many activities in Thorsby. I feel that growing up in a small town and/or on a farm gives people the ability to handle a wide variety of situations. I'm glad for the time I spent in Thorsby and am also glad for the opportunity to work abroad. You never know what opportunity is right around the next corner.

The Thorsby Target would like to send a

### Holiday health tips: ensure your holiday isn't a pain in the neck

Enjoying your holiday can easily become a painful experience. Here are some helpful tips to ensure your holiday season is full of joy and pain free:

If you have to drive more than two hours to visit friends and relatives, take a break – get out of your vehicle and stretch. This temporarily restores normal posture, which will help prevent a recurrence of neck or lower back pain or conditions.

When loading your vehicle for the trip, organize your luggage and packages into smaller loads instead of one large suitcase, cardboard box or carrying case.

Wear your seatbelt and adjust vehicle headrests so that they are no more than two inches behind the centre of the back of the head. Many of the estimated 20 million car accident victims suffering whiplash injuries in North America could have prevented much of the injury had their vehicle seat headrests been adjusted properly.

It's OK to be a couch potato, but don't slouch on the sofa and don't fall asleep on the recliner, as two or three vertebrae in the spine can assume a sharp angle. When you sit up, the normal movement is not restored. Chiropractors often see patients walking into their offices with their heads held sideways, because slouching irritates the nerves and blood vessels, causing muscle spasm.

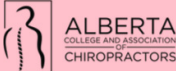

Avoid bending directly over the oven door to lift out the turkey. Crouch down, pull out the oven shelf and use your legs for better balance. This helps reduce the potential of unnecessary strain on the lower spine.

If you experience back, muscle or joint pain, consult a chiropractor. Chiropractors are specialists in back and neck disorders and are specifically trained to diagnose and correct spinal dysfunction.

I will always make you smile  
BECAUSE **You Smile.... I Smile**

An old man calls his son and says, "Listen, your mother and I are getting divorced. Forty-five years of misery is enough."

"Dad, what are you talking about?" the son screams.

"We can't stand the sight of each other any longer," he says. "I'm sick of her face, and I'm sick of talking about this, so call your sister and tell her," and he hangs up....

Now, the son is worried. He calls his sister. She says, "Like hell they're getting divorced!" She calls their father immediately. "You're not getting divorced! Don't do another thing. The two of us are flying home tomorrow to talk about this. Until then, don't call a lawyer, don't file a paper. DO YOU HEAR ME?" She hangs up the phone.

The old man turns to his wife and says, "Okay, they're both coming for Christmas and paying their own airfares."
