Breton Welcomes New CAO

Hello everyone. I thought I'd write a quick blurb to introduce myself.

I am the new CAO for the Village of Breton. While I am new to the village, I am not totally new to the area itself. I lived and worked at Pigeon Lake for almost 4 years from 2011 – 2014 so I already know the general area. I originally hail from the Peace country where I spent most of my life. I have worked in municipal government since 2004 for a Municipal District, and a few Towns and Summer Villages giving me a range of knowledge and experiences. I also have a Business Diploma, a Bachelor in Accounting, and various municipal education earning me the CLGM (Certified Local Government Manager) designation.

It may confuse people at first since I also go by the name of Terri which was my predecessor's name, but I'm sure it won't take long to differentiate us. I look forward to meeting people in the community.

- Therese (Terri) Wiebe

A Christmas To Remember

Warburg Cultural Centre from Linda McLaughlin

The sparkling snow, the life size nativity scene and the sound of Christmas Carols playing from the steeple on Christmas Day made this event worthy of a Hallmark movie or a setting for a vintage Christmas card. Approximately 150 people streamed through the wreath clad doors and into the Warburg Cultural Centre. The energy in the air was filled with excitement, love and anticipation. Everyone was warmly welcomed by greeters and each given a Christmas Cracker and a paper worm for the fish pond/deep sea fishing. Some brought games to play. A table full of colouring books, crayons and more was set up for the kids to help themselves to. People greeted those they knew and introduced themselves to those they didn't. All were wearing smiles. They were anticipating the experience of what can only be described as a magical old time Country Christmas. This medium sized facility was set for 156 and beautifully decorated for Christmas complete with wreaths; a Christmas tree and garlands. Each table had twinkling light centre pieces. Each window had a lit snowflake, a berry wreath and a candle! The ambience was one of warmth and emitted energy of feeling welcome and belonging.

Many enthusiastic volunteers helped to make this event happen. Everything was donated both locally and as far as Leduc and Edmonton: turkeys, hams, carrots, potatoes, desserts, stuffing ingredients. Cash donations were used for purchasing the rest. Thank you is just not enough to say to all of these people!

Not shown in photos: Terri Syniak, Marg Soars, Helen & Ron-Spasoff (paper plates, napkins, pyrogies & cranberry sauce), Nat& Gerry Szepesy (Pyrogies), Joe & Becky Perfilow, Mr. Anonymous & Son, Jennifer, Joe, Elora and Arwyn Koren, Randy Comm, Lisa Manger, Cheryl & Trent Langner, Theresa Prins, Betty Seidel, Dwayne & Laurie Mayr (Warburg Village Market - buns), Janette Barager (Two B's Flowers) and all those anonymous donators for the turkeys, hams, desserts and Fish Pond/Deep Sea fishing prizes!

Special thanks to Ethan Cameron & Jan Scott for being our

Key Kitchen people and for donating all the Christmas Crackers & stuffing ingredients.. To Sasha McLaughlin for all her help and for MCing the event. To Art & Donna Dear for carrots and cookies. Bert Goutbeck (Bert's Tire Service Edm) for potatoes. Eric & Patty Lindstrom for all the amazing baking. Also thank-you to all those anonymous cash donators. We were able to break even because of all of you! If there is any left-over cash, it will be put into kitchen items that are needed ie large colander, more serving spoons.

This truly was a Christmas to Remember! It is over for another year, but let's promise each other to keep the wonderful spirit of love and caring going all year!! Be kind to one another. There is always someone who needs it. Chances are they will pass it on. This could be the best year ever! Love and Hugs to all!

HAPPY NEW YEAR TO EVERYONE! ** More photos and a video can be seen on Warburg Cultural Society Facebook page. View this article in colour at community39.com

Public Open House for the Brazeau County and the Village of Breton

Intermunicipal Development Plan - January 20 2020

An Intermunicipal Development Plan (IDP) is a statutory document prepared with two (or more) municipalities that share a common border. An IDP ensures future development and land use policy are coordinated between municipalities. Brazeau County and the Village of Breton have agreed to jointly engage in an IDP, as per the *Municipal Government Act*, for the lands located within a 100 metre boundary on either side of our shared border. If you live in this area, or are interested in this project, you are invited to drop in at the public open house to provide your input on the draft IDP. If you would like to access the IDP prior to the open house event, the information is on the Brazeau County website at https://www.brazeau.ab.ca/icf under the "Village of Breton IDP and ICF" banner.

Greetings from the Elks

from Allan Smith, Breton Elks Lodge #402

Well Happy New Year to everyone. We hope everyone had a great Holiday Season.

Now that our daylight hours are expanding, spring is just around the corner.

On November 21st the Breton Elks were host to a number of Elks. They came from Westlock, Edmonton, Fort Saskatchewan, Sherwood Park, Leduc and Drayton Valley.

Our National Grand Exaulted Ruler and his wife Marylin were in attendance bringing greetings from Grand Lodge. A Senior couple from Edmonton chose to spend the night at Big Tee. Their words were that the restaurant was beautiful, the room very clean, bathroom very spacious and the bed very comfortable. To the Big Tee Management and Staff congratulations on a job well done.

The message from Exhaulted ruler Derrik Barkey centered on 'why do people do the kind of projects they do'? Example, helping with hot lunches in school, building and maintaining skating rink, assisting parents who face unforeseen medical issues with their children. These are only a few of the projects that are ongoing. The answer, of course, is because we are Elks and this what we do and we care about our community.

On other business the skate rink is up and running. From a personnel observation it appears to be well used. The Annual Christmas Party was also well attended and Saint Nick did his usual tour.

On February 1, 2020, a team of floor curlers will be visiting Vegreville for a Floor Curling Tournament. So there are some fun spots in our world not all work and no play. Until next time all the best to everyone.

Not that it is in the Bible but a story familiar around this time of the year is Ebenezer Scrooge. Ebenezer is a man incapable of joy. Scrooge is rich, but he lives alone in squalor. He takes pleasure in nothing and is indifferent to human suffering.

On Christmas Eve, Scrooge is visited by a series of ghosts who take him on a journey of insight into his own character. They show him his sin. The ghost of Christmas future is the most shocking vision of them all. In a desolate graveyard, the spirit's bony finger points Scrooge toward a headstone. Scrooge is commanded to wipe the snow off and read the name carved on it. The name is his own. Weeping and shaking, Scrooge pleads with this spirit: "Are these the shadows of things that will be... or are they the shadows of things that may be only? Why would you show me this if I was past all hope? Tell me that I may sponge out the writing on this stone."

Can the past be removed? Humanly speaking, it's impossible. This is the human predicament. We are chained to our pasts, to things done and undone that cannot be changed. "What is twisted cannot be straightened; what is lacking cannot be counted." Ecclesiastes 1:15. The misdeeds of the past are like chains. Our sin is carved in stone- or so it seems. Scrooge awakens from his vision and discovers he is not dead. He still has time, the end may change.

Without Jesus, what kind of hope is offered? "Many see only a hopeless end, but the Christian rejoices in an endless hope." At the end we see that Ebenezer Scrooge had joy. Nobody knew how to celebrate Christmas like Ebenezer Scrooge. Dickens titled this tale, "A Christmas Carol." A carol is a song of joy. May we see ourselves as Scrooge saw himself and then see what God has done for us in Christ and then respond to the gospel. Then and only then there will be joy.

"Behold we bring good news of great joy that will be for all people!" Luke 2:10
