Snow Angel Sightings in Breton From Missee Staudt

This Angel (Fred Hubscher) comes to Breton and shovels our town's sidewalks. He does it because he's an angel, and I would like to say a huge thank you to him for it. Doesn't matter what temperature it is, he just does it, and he does it for free. Thank you Freddie Angel!.

What is REIKI? Reiki is a Japanese technique for stress reduction and relaxation that also promotes healing. It is done by light touch and is based on the idea that an unseen "life force energy" flows through us which causes us to be alive. If one's "life force energy" is low, then we are more likely to get sick or feel stress, and if it is high, we are more capable of being happy and healthy.

What is REFLEXOLOGY? Reflexology is a scientifically proven, alternative medicine involving application of pressure to the feet, hands, face or ears with specific thumb, finger, and hand techniques. Crystals are sometimes used on the face. It is based on a system of zones and reflex areas that purportedly reflect with physical change to the body. It reduces stress thus creating homeostasis (balance).

Ways to Save in 2020 – from Money Mentors

1. Don't Buy It

- Stay out of the malls & stores. Shop by catalogues or online if that is less tempting.
- Don't take debit and credit cards with you.
- Set limits. Take a limited amount of cash, a calculator and a list.
- Practice "the 24 hour wait and see."
- If you need produce, dairy or bakery goods, shop the perimeter of the store and avoid the other aisles.

2. Borrow

- Use the library for videos, DVDs, books, eBooks, CDs and computer games.
- Borrow bigger tools from neighbours.

3. Share

- Car pool.
- Share tools.
- Buy in bulk & split the purchase with a friend.
- Use baby-sitting cooperatives.

4. Substitute

- Movies at home or our community movie night instead of Movie theatres
- Pay as you go plans instead of fixed cell contracts (but check your math!)
- Take your lunch instead of Eating out
- Generic brands instead of Brand names

5. Use It Wisely

- Turn off lights, use lower wattage bulbs, & turn down heat when you can.
- Use programmable thermostats, block heaters, & lights outside.
- Recycle bottles.
- Use rain barrels.
- Consider long distance phone plans.
- Use only your own bank's automated bank machines.

6. Find the Best Buy

- Look for and use coupons for goods you would normally purchase. Check sales flyers.
- Buy second hand goods from garage sales & classified ads & internet.
- Buy from consignment stores, thrift stores & liquidation stores.

7. Make It

- Do your own repairs & painting.
- Grow a garden, even a balcony garden for produce you usually buy.
- Make gifts, and the cards & wrapping paper too.
- Learn to mend --- and to cook.

8. Find It Free

- Tell people if you need something like a desk or clothes. Often people have these things & want to get rid of them. They just don't know who might want it.
- Give people a list of items you could REALLY use at Christmas or for your birthday.

10. Trade

- Join a local "trade for services" community group.
- Trade, books, videos, games, equipment.

Money Mentors also offer FREE Online course to help in several financial areas. Check them out at <http://www.moneymentors.ca/learning-centre/opd-client-courses.html>

Public Open House for the Brazeau County and the Village of Breton

Intermunicipal Development Plan – January 20 2020

An Intermunicipal Development Plan (IDP) is a statutory document prepared with two (or more) municipalities that share a common border. An IDP ensures future development and land use policy are coordinated between municipalities. Brazeau County and the Village of Breton have agreed to jointly engage in an IDP, as per the *Municipal Government Act*, for the lands located within a 100 metre boundary on either side of our shared border. If you live in this area, or are interested in this project, you are invited to drop in at the public open house to provide your input on the draft IDP. If you would like to access the IDP prior to the open house event, the information is on the Brazeau County website at <https://www.brazeau.ab.ca/icf> under the "Village of Breton IDP and ICF" banner.

Details of the Brazeau County and the Village of Breton IDP Public Open House:

Date: January 20, 2020

Time: 5:00 P.M. to 7:00 P.M.

Location: Breton Golden Age Friendship Centre, 5020 – 50 Avenue, Breton, Alberta

NOTICE OF PUBLIC HEARINGS

TAKE NOTICE that the Councils of Brazeau County and the County of Wetaskiwin No. 10 will be holding public hearings with regard to the Brazeau County and County of Wetaskiwin No. 10 Intermunicipal Development Plan (IDP). An IDP is a document required by the *Municipal Government Act*, which ensures future development and land use policy is coordinated between municipalities, reduces the possibility of any potential conflicts between Counties and ensures the relationship remains collaborative. The proposed Brazeau County and County of Wetaskiwin No. 10 IDP Plan Area has been revised since the September 9, 2019 public open house from 1.6 kilometre buffer on either side of the municipal boundary to 800 metres. The updated plan area is shown on the map below.

TAKE NOTICE that **Brazeau County Council** will hold a Public Hearing for the proposed adoption of the IDP at which any person claiming to be affected by the proposed IDP may ask questions or make their views known. **The Public Hearing will be held on January 21, 2021 at 10:15 am** or as soon thereafter as possible in the Council Chambers of Brazeau County office at 7401 Township Road 494, Drayton Valley, Alberta.

Any written submission mailed or delivered to Brazeau County, Box 77, 7401 Township Road 494, Drayton Valley, Alberta, T7A 1R1 or faxed to 780-542-7770 by 4:30 p.m., January 10, 2020, will be included in the Council Report. Written and oral submissions may also be made at the Council meeting without prior notification to Brazeau County. Copies of the written submissions received will be provided to Council for consideration. Please note that personal information (address, phone numbers, email address, signature, etc.) will be redacted as per the *Freedom of Information and Privacy Act*; however, names will still appear with the submission.

A copy of Brazeau County Bylaw 1031-19, which includes the draft Brazeau County and County of Wetaskiwin No. 10 Intermunicipal Development Plan, will be available for public inspection at the Brazeau County Office during regular business hours, Monday through Friday. You may also access this information on the Brazeau County website at <https://www.brazeau.ab.ca/icf>.

RCMP POLICING PRIORITIES

The RCMP is committed to preserving the peace, upholding the law and providing quality service in partnership with the communities it serves. The purpose of this brief, seven-question survey is to ensure the public has a say in what the RCMP priorities are for the region. This is not a crime reporting tool but allows the public to provide input into how policing priorities are formed.

Each year, RCMP from the Drayton Valley and Breton detachments establish policing priorities to ensure that, in addition to responding to calls for service, members focus on the policing issues identified by the public as being the most important. These priorities are determined based on the feedback the RCMP receives from the municipalities and communities they serve.

Brazeau County, the Town of Drayton Valley, and Parkland County have partnered with the RCMP to conduct this brief survey to ensure that RCMP priorities align with those of the public. Information collected from this survey will be reviewed and considered by the RCMP, County and Town Councils. Please note, Tomahawk is served by the Drayton Valley RCMP detachment and this survey is intended for residents of Tomahawk and the immediate area only.

This survey will remain open until February 10th, 2020.

This survey can be taken online at: <https://www.surveymonkey.com/r/RCFTQWZ>

Alternatively, surveys can be dropped off in-person or mailed to any of the addresses found below.

Covenant Corner

from Pastor Jeff Gooderham

When Hudson Taylor went to China, he made the voyage on a sailing vessel. As it neared the channel between the southern Malay Peninsula and the island of Sumatra, the missionary heard an urgent knock on his stateroom door. He opened it, and there stood the captain of the ship. "Mr. Taylor," he said, "we have no wind. We are drifting toward an island where the people are heathen, and I fear they are cannibals." "What can I do?" asked Taylor. "I understand that you believe in God. I want you to pray for wind." "All right, Captain, I will, but you must set the sail." "Why that's ridiculous! There's not even the slightest breeze. Besides, the sailors will think I'm crazy." But finally, because of Taylor's insistence, he agreed. Forty-five minutes later he returned and found the missionary still on his knees. "You can stop praying now," said the captain. "We've got more wind than we know what to do with!" "That your faith might not rest in the wisdom of men but in the power of God!" 1st Corinthians 2:5.

Happy New Year! The Club did a couple of activities and had a lot of fun, the first one was underwater hockey at the Manluk Center in Wetaskiwin. We would like to thank UFA for the grant that made this activity possible.

We were able to purchase a club jacket for each member because we received a County of Wetaskiwin FCSS grant. Thank you very much. We held a Christmas Social where we shared a meal, played games, and had a lot of fun!

The next activity was tubing at Drayton Valley ski hill and this activity was funded by County of Wetaskiwin Rec Board.

We've held a bottle drive and thank you to people who donated their bottles.
