

THE WARBURG BUGLE

During their Bottle Drive on January 4th Warburg School senior girls basketball team visited the HUGE snowman built at the residence of Rob & Janet Sarvas. This Frosty measures at almost 23 feet tall and is made entirely from snow using the incredible excavator operating skills of Rob Sarvas. The 4 foot tall hat made from tarp and chicken wire does not appear to have any magic powers that are suggested within the 'Frosty the Snowman' song, but this remains to be seen. Submitted by Janet Sarvas

JUBILEE PARK ON WIZARD LAKE CONCESSION SERVICES CONTRACT

Leduc County is requesting the service of a concession operator for Jubilee Park on Wizard Lake. Jubilee Park is located at Wizard Lake, 15 minutes south of Calmar off of Highway 795. Facilities at the park include 110 camping sites and a day-use area, with a parking area that can accommodate 100 vehicles. Estimated yearly park customers exceeds 20,000 visitors.

Proposal specifications

The concession services contract will be inclusive beginning May 11, 2020 through Sept. 12, 2020. Multi-year proposals will be accepted to a maximum of three years following one year of service. **Deadline for applications is noon, Wednesday, Feb. 5, 2020.**

A concession facility is provided and includes:

- grill and deep fryer
- freezers
- ice cream coolers

General duties:

- Provide concession services to the guests of Jubilee Park.
- Maintain a safe and clean facility for guests.
- Support park staff in providing a high level of customer service.
- Provide at own cost any additional equipment or materials for concession services.
- Comply with and maintain all required certifications related to the operations of a concession facility.

Responsibility of Leduc County:

- Ensure all provided equipment is working at time of facility opening and assist with repairs throughout the year. *All equipment repairs will be covered by the county.*
- Ensure that all safety equipment is maintained.
- Pay all costs associated with facility operations, including gas, power, safety inspections and minor repairs. Costs to Leduc County should be a consideration of contract bid proposal.

Commitment:

The concession operator is expected to provide concession services for a minimum of nine hours per day during weekends and statutory holidays. Weekday services will be negotiated with Leduc County. July and August weekday operations will be expected.

Proposal requirements:

- Interested applicants are encouraged to call the Leduc County Parks and Recreation department for specific requirements related to concession operations.
- Proposals should include ideas to improve food service and innovative service ideas to set them apart from other applicants.

Conditions:

- The successful applicant will be required to provide criminal record and child welfare checks at time of contract acceptance for all contract personnel.
- The contractor will be expected to provide proof of insurance (\$1,000,000) and WCB certification prior to acceptance.
- Proposals will be accepted until a suitable candidate is found.

A Christmas To Remember

Warburg Cultural Centre from Linda McLaughlin

The sparkling snow, the life size nativity scene and the sound of Christmas Carols playing from the steeple on Christmas Day made this event worthy of a Hallmark movie or a setting for a vintage Christmas card. Approximately 150 people streamed through the wreath clad doors and into the Warburg Cultural Centre. The energy in the air was filled with excitement, love and anticipation. Everyone was warmly welcomed by greeters and each given a Christmas Cracker and a paper worm for the fish pond/deep sea fishing. Some brought games to play. A table full of colouring books, crayons and more was set up for the kids to help themselves to. People greeted those they knew and introduced themselves to those they didn't. All were wearing smiles. They were anticipating the experience of what can only be described as a magical old time Country Christmas. This medium sized facility was set for 156 and beautifully decorated for Christmas complete with wreaths; a Christmas tree and garlands. Each table had twinkling light centre pieces. Each window had a lit snowflake, a berry wreath and a candle! The ambience was one of warmth and emitted energy of feeling welcome and belonging.

Many enthusiastic volunteers helped to make this event happen. Everything was donated both locally and as far as Leduc and Edmonton: turkeys, hams, carrots, potatoes, desserts, stuffing ingredients. Cash donations were used for purchasing the rest. Thank you is just not enough to say to all of these people!

Not shown in photos: Terri Syniak, Marg Soars, Helen & Ron Spasoff (paper plates, napkins, pyrogies & cranberry sauce), Nat & Gerry Szepeszy (Pyrogies), Joe & Becky Perfilow, Mr. Anonymous & Son, Jennifer, Joe, Elora and Arwyn Koren, Randy Comm, Lisa Manger, Cheryl & Trent Langner, Theresa Prins, Betty Seidel, Dwayne & Laurie Mayr (Warburg Village Market - buns), Janette Barager (Two B's Flowers) and all those anonymous donators for the turkeys, hams, desserts and Fish Pond/Deep Sea fishing prizes!

Special thanks to Ethan Cameron & Jan Scott for being our

Key Kitchen people and for donating all the Christmas Crackers & stuffing ingredients.. To Sasha McLaughlin for all her help and for MCing the event. To Art & Donna Dear for carrots and cookies. Bert Goutbeck (Bert's Tire Service Edm) for potatoes. Eric & Patty Lindstrom for all the amazing baking. Also thank-you to all those anonymous cash donators. We were able to break even because of all of you! If there is any left-over cash, it will be put into kitchen items that are needed ie large colander, more serving spoons.

This truly was a Christmas to Remember! It is over for another year, but let's promise each other to keep the wonderful spirit of love and caring going all year!! Be kind to one another. There is always someone who needs it. Chances are they will pass it on. This could be the best year ever! Love and Hugs to all!

HAPPY NEW YEAR TO EVERYONE! ** More photos and a video can be seen on Warburg Cultural Society Facebook page. View this article in colour at community39.com

Submitted by Warburg School

2020 greetings from Warburg School!

Remember to drop off your old electronics (televisions, computers, cell phones, etc.) at Warburg School for recycle. This fundraiser within the BGSD schools has a recycle company paying for electronics. Clean out the old outdated electronics in your home or business, and help fund our school programming: Win-Win. Electronics drop off can be made at any time during school hours at the office.

Thank you to all in our community who gave bottles to our Senior Girls Basketball Team Bottle Drive on January 4th! A special thanks to Laura and Sherwood Botsford of Sherwood's Forest for their huge donation of bottles & cans. Much appreciated!

Our Senior basketball teams will be attending a tournament in Westlock on the weekend of January 11th. Go Panthers! Our athletic calendar is posted on the Warburg School website under Programs and 'Athletics' if you would like to come out and cheer on our teams.

2020-21 Kindergarten registration opens on January 22, 2020. This is a very exciting time for parents and children, so watch our website ws.blackgold.ca for more information on registration requirements. Your child's education journey with Warburg School starts in September 2021 and we are looking forward to meeting our new students!

Elementary students can look forward to enjoying a Rocks & Rings Canadian Curling presentation at the end of the month. Rocks & Rings came to our school last year and was enjoyed by all participants.

Junior High will be enjoying a Ski Trip to Rabbit Hill on January 30th. Parents/Guardians should watch for information sent home in the near future regarding requirements for this awesome field trip!

The high school exam schedule has been posted to our website, ws.blackgold.ca. Students should be reviewing and studying for mid-term and final exams that are scheduled for the end of January.

**With the extreme cold weather forecast,
we remind students to always dress
appropriately for the cold temperatures.
Inclement weather information is posted to
our website, ws.blackgold.ca,
under the Parent tab.
Ensure your contact information is correct
on PowerSchool as messages regarding
any bus cancellations will be sent out
prior to 7:00 a.m.**

Library Chatter

From Gail O'Neil

This is a good time of year for curling up reading a book, watching tv, listening to audio books, music. Let's discuss Book Club at the Library Saturdays 2-3 pm, any suggestions for a book to read and discuss? I am interested in reading "Child's Play" by Danielle Steel, this book is about a woman whose orderly world is turned upside down and who does not know how easy this can happen, especially by our children. If you are interested in reading this book, contact staff, as we will be ordering these books.

RB Digital is an online magazine site that can be accessed using your trac card, I have signed up and this is so easy to use, I tried it on the computer, it can be accessed by any device with access to wifi. Lots of magazines to choose from!

Yoga at the Library/Village Office is postponed until further notice and an Instructor can be found, Stefanie is on maternity leave now, thanks Stefanie for giving your time and helping us all out over these months.

Library Board meeting is Wednesday January 15 at 6 pm in the Library.

Library Hours: Tuesdays, Wednesdays, Thursdays 10 am -6 pm and Saturdays Noon to 4 pm (exceptions long weekends).

Open Invitation From Rev. Warrick Pollard

We invite the community of Thorsby and surrounding areas to attend the Philippian Christian Church of Canada Services. Our first service was held on January 5th. We are located at 4816A Hankin Street in Thorsby.

We invite you to join us to come and see what God wants to do for you! Regular Church services are on Sundays at 9:30 am. and again at 6:00 p.m. Bible Studies will be held on Tuesday and Friday evenings at 7:00 p.m. and Youth Bible Studies on Thursdays at 7 p.m. We will also have a Prayer Night on Saturdays starting at 6:00 p.m.

The community can also call for Prayer or a home visit or message at 587.921.7790. The Church is open daily during the week from Monday - Friday from 9:00 a.m. - 4:00 p.m. if you'd like to drop by.

4-H Club**
Submitted by
Justin Kronschnabl
Club Reporter

Being Merry

The Strawberry 4-H Club visited the Cloverleaf Manor in Warburg on December 13th, and the Thorsby Seniors Center on December 20th, all of us had a wonderful time visiting.

We also had our Christmas Party on January 3rd at the Arctic Spa Recreation Center, the Members went bowling and had a gift exchange afterwards.

As for the upcoming events the Strawberry 4-H Club would like to invite everybody to our Public speaking Event on January 19th at the Morrowdale Hall at 10.00 a.m.

We have set up accounts for collecting bottles at the Thorsby and Warburg Bottle Depot for the Strawberry 4-H bottle drive for anyone who would like to support our Club. If you have bottles for us to pick up, please contact any Strawberry 4-H Member or Tim Wegner at 780-789-4103 or 780-940-9645 to arrange for pick up.

MLA REPORT

from The Office of MLA Mark Smith,
Member of the Legislative Assembly
for Drayton Valley - Devon

Technology and Diversification in Drayton Valley-Devon

January 7, 2020

Can you believe we made it all the way into 2020 already? I hope everyone had the opportunity to rest up this holiday season and enjoy the wonderful new year's celebrations.

As the holidays come to an end, I want to discuss a topic that I have found myself continuously championing over the last few years; technological advancements and resource production in the constituency of Drayton Valley-Devon.

As an MLA in a resource rich constituency, I am asked time and time again what our government is doing to diversify the provincial economy and create future jobs. My answer and the solution to many questions regarding our resource industries is the application of technology.

As we know, Alberta is home to a world class oil and gas sector and as a result, host to some of the most rapidly developing technological industries and products in the world. Throughout the history of our province, we have seen highly advanced technology continue to grow and adjust in step with the needs of our economy and resources. In just the past 15 years we have witnessed a 25% reduction in carbon produced in Fort McMurray as Alberta engineers continue to make advances in the area of carbon capture. A new development by Safe Seal 360, a company based out of Drayton Valley, has created a valve that self-greases

and has a fail-safe leak stopper for use in pipeline production. A second company, Cerulean Carbon Corp., has created a product that could completely change the way we respond to an oil spill.

This product is called HYDRO-C6H6 and is a combination of Synthetic Rubber and other ingredients that form a powder that absorbs oil. These components are essentially non-toxic, making them a safer and more affordable product for use in nature. Currently, it can cost multiple millions of dollars and an extended amount of time to clean up an oil spill. I visited an oil spill clean-up this past summer which cost over 3 million dollars for a relatively small spill that was discovered shortly after a pipe ruptured. This new technology, could have been applied to spill I visited and absorbed and eliminated the oil spill and its affects almost immediately. The long chain hydrocarbon molecules that make up Hydro-C surround and then encapsulate the undesired oil, making complete removal efficient and effective, even in water.

While many argue that we must immediately shut down natural resource production across our country to prevent damage to ecosystems and climate, I would contest that the changes needed to address many environmental concerns are already very much available or in development. New technologies and advancing science are demonstrating to us every single day that there are often modern solutions for the modern problems we face today. We produce in Alberta world class engineers out of the University of Alberta, who continue to apply their world class engineering skills and knowledge to the problems faced in our 21st Century Alberta economy. Alberta is currently home to hundreds of new and emerging technologies that will only help to advance our economic place in the world. So as we proceed into a new decade this knowledge reassures me that we can and should have hope in the economic future of Alberta.

Leduc County Launches New Website From Leduc County

Leduc County's website has officially launched. It was designed with our residents in mind, from the content to the pictures and the navigation, we wanted it to be friendly, easy to understand and easy to navigate.

"Throughout the redesign process, we were constantly thinking of the end users of our website - our residents and business owners. We looked at everything from their perspective, including how our information should be organized so it was most intuitive and helpful for those visitors. We're incredibly happy with the end result."

Duane Coleman, county manager

A few new features include:

An applications, permits and licences page, which lists all of our available application forms, such as building permit applications, weed control applications and more. A council calendar that lets you access agendas and past meeting minutes (current and previous year) for council and committees. A subscribe-to-page feature, which lets you sign up to receive an email every time that page is updated.

Visit Leduc County's website at leduc-county.com.
