

THE BRETON BOOSTER

Want To Win A Limo Ride?

How, you ask? By entering a team in “Chase’s Race”. This event is a walk through or around Breton.

Last year we tried this for the first time. People who participated said they enjoyed the event and would like to see it happen again. I think they just wanted another try at winning the limo ride. Truthfully, the participants raised a considerable amount of money for The Elks Camp; Royal Purple Fund for Children. Many local businesses last year helped by handing out clues for “the Amazing Walk”. This year we will be calling it “Chase’s Race”.

Teams gather some people, choose a captain, think up a name for your team, and send in your registration by March 15th and then the fun starts. Teams are encouraged to be creative, dress up, and most of all have fun!

Last year it was Chase’s team who won the Limo ride. The Health Care Hoodlums came in second place and we are looking forward to them entering a team again, especially since they have had a year to strategize how they can win this year. So we are looking for people who would like to help children and have fun doing it.

The big day will be May 2nd, 2020. For more information or a registration form contact: Diane Wilson at 780-514-4273 – phone or text. Watch for more updates as the time gets closer.

7:00 - 8:00 pm
Breton Civic Centre - Community Room
Cost: \$5 Ages 14 & older

As humans, we are very affected by others and how we connect and their energy in challenging situations. Learning to gain awareness and find acceptance brings ease to the mind and body. Being mindful of our bodies and tuning in to our intuition can be life altering.

Challenges can be looked at more objectively with separating our true selves from ego. Connections can grow deeper with others because we are able to see ourselves and others clearer.

E L K S

Greetings from the Elks

from Allan Smith,
Breton Elks Lodge #402

Well good day everyone. I believe I mentioned Spring was around the corner, but I did neglect to mention how long the corner was. But, we are seeing more daylight, warmer temperatures, less snow and more mud. So I guess these are sure signs of Spring.

I would like to start by welcoming Cathy Paramor into our Lodge as our latest Sister Elk. Welcome Cathy and we sincerely hope you will enjoy being an Elk member as much as we enjoy having you.

In other news, our Floor Curlers did well in Vermillion in early February, as there was mention of second place winnings.

The local skating rink was a popular spot on Family Day, where a large gathering of folks took place. The skate rink was a gathering point many times throughout the winter. Thank you to all who made an effort to keep the ice in prime condition, despite the bitter cold and heavy snow.

A joint installation of officers will take place May 18. This is when all Sister and Brother Elks renew their obligations to the order.

Breton Elks will be travelling to Fort Saskatchewan March 24 to deliver our traveling gavel. This is an opportunity to visit another lodge and raise a little cash for support of Children who are handicapped or suffer from other illness.

April will also be an opportunity to visit Fort Saskatchewan once again, as this Lodge will be hosting our District Meeting.

In June the Royal Purple Elks and Elks will journey to Whitehorse for the Provincial Conference and then off to Moosejaw in July for the National Convention. There is lots of travel involved, but this is all done to promote Elkdom and to try setting necessary policies.

At our March meeting, Megan Pollard our District Deputy will be attending on the occasion of her official visit. At this time she will also be judging the Lodge on their Ritual ability.

So until next time everyone, happy Springtime and soon it will be time to cut grass, B.B.Q. on the deck and reach for the Bug Spray.

An evening with Dr. Jody Carrington – Tuesday March 17 - Brought to you by Breton FCSS and the Brazeau Parenting Coalition we invite you to join us for a presentation by Dr. Jody Carrington – author of Kids These Days. Dr. Jody Carrington is high energy bringing a message that all ages can relate to. Her message will include “The biggest challenge facing each of us “these days” is that we’ve never been more disconnected, making it harder than ever to determine if we really, truly matter in this world. By exploring the most recent research on attachment and emotional regulation, I share what’s most critical in, first, helping our children learn how to manage emotions and, later, what that looks like in our friendships, marriages, and most importantly, in ourselves.”. Everyone is welcome to attend. Please be advised that there will be some adult language used during the presentation. This is being held at the Breton High School. 6:30 -8:30 pm. Light refreshments will be served.

Selfcare Workshop #3 – What Matters – Learning Your Values

- Monday April 6 – With Danielle Reed from Coach on The Go - This workshop is for anyone who wants to choose to live a life in alignment with the things that matter most to them. Sometimes we just get so caught up on the hamster wheel of life...and it can leave us feeling exhausted, disconnected, unhappy and stuck. The alternative is to step back, and really examine what you want to say yes to and what you want to say no to... all from a place of honouring yourself and what matters. When we choose to align who we want to be with how we are actually living our lives....everything changes! This evening will include:

- A brief talk about values, what they are, why they matter and how we dig in to find our own truth
 - An opportunity to use the What Matters™ cards to find your own top ten values
 - Time to create your values’ manifesto and set intentions for moving forward connected to all that matters
- It will be a night of connection, learning, fun and creativity. This is a night for you to focus on YOU!
We welcome anyone from Grade 4 to Adult – Cost is \$20 which includes supper. Workshop is from 5:30 – 9:00 pm.

Save the Date – Celebrating Breton - Friday April 17th

– Mark your calendars to join us on Friday April 17th to celebrate everyone in Breton and all that they contribute and add to the quality of life in our community. This evening will be filled with fabulous food prepared by the ladies of StarKist Catering, hilarious entertainment by Camilla Jones, the face behind The Feel Good Network. From her childhood on a farm, to raising four sons, to facing illness and near-death experiences, Camilla’s wealth of life adventures has provided her with plentiful stories to share with us. She really has experienced it all – and is adept at capturing the attention of audiences of all ages, lifestyles and occupations. We will also take some time to recognize Volunteers in our community for the valued work that they do. Everyone is welcome to attend. Tickets will be available at the Village of Breton office on March 25th. Tickets are \$10.00

Our club did public speaking on February 2 and these were the winners: Junior public speaking - 1st Cooper Duffy; Intermediate public speaking - 1st. Erich Pietsch, 2nd Morri Grover, 3rd Keara Grover; Senior public speaking - 1st Tanner Magnuson; Senior Presentations Senior 1st - Jay Hopfe, Logan Duffy

Thanks to AltaLink for a sponsorship to make our public speaking possible. Also thanks to the judges who gave us such great feedback on everyone's speeches.

For our February activity our club went to Drayton Valley Airport where we were able to go up in a small airplane in groups of 3. During the flight we did a giant loop around Drayton Valley and over the surrounding area.

Thanks to the pilots and COPA for making the flights possible, I think everyone had lots of fun flying and would like to do it again.

MLA REPORT

from The Office of MLA Mark Smith,
Member of the Legislative Assembly
for Drayton Valley - Devon

Balancing the Budget

Last year, in Budget 2019, we introduced a balanced, prudent and thoughtful four-year plan to eliminate the largest deficit in Alberta's history while maintaining essential services and supporting the most vulnerable Albertans.

Budget 2020 continues this plan, and we are on track to balance Alberta's budget by fiscal year 2022-23. In fact, the projected deficit has decreased even faster than we initially planned. This year's deficit will be \$1.2 billion dollars less than we had projected in Budget 2019. Our government spends about \$2 billion every year just to service our debt. This works out to nearly \$5 and a half million a day! That's enough money to buy 30 ambulances every day, build a new school every week, or pave the QEII from Calgary to Red Deer every month.

Getting back to balance is the first step towards paying down our debt and redirecting this money towards the front-line services that Albertans rely on. Our plan involves reducing government's operating spending by 2.8 per cent, less than three cents on the dollar, over the four-year fiscal plan. This is both responsible and fair.

Budget 2020 is also about creating jobs. The Alberta 2020 budget changes will make Alberta more competitive than other jurisdictions, encouraging sustainable diversification, and while rewarding innovation. We are attracting private investment to Alberta with the Job Creation Tax Cut. This will reduce Alberta's corporate income tax rate to 8 per cent by 2022. And we are already seeing results from this

initiative:

For example, CNRL, Mainstreet Equity and others have made big investments here in part because of our lower tax regime and Capital Cost Allowance.

In addition, our commitment to reducing red tape by one third by the end of 2023 is removing major obstacles and creating opportunities for business to expand and hire Albertans. This will allow businesses to focus on their bottom line, improve their revenues, and hire Albertans instead of wasting time navigating burdensome regulatory hoops.

Budget 2020 also underlines our commitment to Albertans to get the best value for their tax dollars and to maintain funding for health care, social services and education. We've kept that promise. There have not been any funding cuts to health or education. In fact, we will be funding Health and Education at record levels:

Health Care has a slight increase to its budget coming out at \$20.6 billion.

Education has a small increase to its budget at \$8.3 billion.

Community and Social Services \$3.9 billion and Children's Services at \$1.6 billion.

We are also re-focusing how dollars are spent to ensure that funding is sent straight to the front line and are supporting Albertans who need it most. The new funding formula in education is designed to give school boards predictability in their budgets and ensure that education dollars are going to the classroom where they are needed most.

We will reduce overall expenses and are making prudent investments that will pay off this year, and in years to come. Budget 2020 takes the steps we need to take to rebuild the ground we lost during the past 5 years. The fiscal plan that started in 2019 is still strong, still in place, and already proving successful. We are on track.
