**An evening with Dr. Jody Carrington** – Tuesday, March 17 - Brought to you by Breton FCSS and the Brazeau Parenting Coalition. We invite you to join us for a presentation by Dr. Jody Carrington – Author of Kids These Days. Dr. Jody Carrington is high energy, bringing a message that all ages can relate to. Her message will include “The biggest challenge facing each of us “these days” is that we’ve never been more disconnected, making it harder than ever to determine if we really, truly matter in this world. By exploring the most recent research on attachment and emotional regulation, she will share what’s most critical in, first, helping our children learn how to manage emotions and, later, what that looks like in our friendships, marriages, and most importantly, in ourselves.”.

Everyone is welcome to attend. Please be advised that there will be some adult language used during the presentation. This is being held at the Breton High School from 6:30 p.m. - 8:30 p.m. Light refreshments will be served.

**Selfcare Workshop #3 – What Matters – Learning Your Values** - Monday, April 6 – With Danielle Reed from Coach on The Go - This workshop is for anyone who wants to choose to live a life in alignment with the things that matter most to them. Sometimes we just get so caught up on the hamster wheel of life...and it can leave us feeling exhausted, disconnected, unhappy and stuck. The alternative is to step back, and really examine what you want to say yes to and what you want to say no

to...all from a place of honouring yourself and what matters. When we choose to align who we want to be with how we are actually living our lives.... everything changes!

This evening will include:

- A brief talk about values, what they are, why they matter and how we dig in to find our own truth
- An opportunity to use the What Matters™ cards to find your own top ten values
- Time to create your values' manifesto and set intentions for moving forward connected to all that matters

This will be a night of connection, learning, fun and creativity. This is a night for you to focus on YOU! We welcome anyone from Grade 4 to Adult – Cost is only \$20, which includes supper. Workshop is from 5:30 p.m. – 9:00 p.m.

**Save the Date – Celebrating Breton** - Friday, April 17th – Mark your calendars to join us as we celebrate everyone in Breton and all that they contribute and add to the quality of life in our community.

This evening will be filled with fabulous food prepared by the ladies of StarKist Catering, and hilarious entertainment by Camilla Jones, the face behind The Feel Good Network. From her childhood on a farm, to raising four sons, to facing illness and near-death experiences, Camilla's wealth of life adventures has provided her with plentiful stories to share with us. She really has experienced it all – and is adept at capturing the attention of audiences of all ages, lifestyles and occupations.

We will also take some time to recognize Volunteers in our community for the valued work that they do. Everyone is welcome to attend. Tickets will be available at the Village of Breton office on March 25th. Tickets are \$10.00

## LETTER TO THE EDITOR

To the Editor:

On January 21, 2020, Brazeau Council passed a motion (050/20-01/-21) to allow the number of subdivisions per quarter to increase from 4 to 9.

It is my understanding that such a move requires public hearings, as a change in the Land Use Bylaw (LUB) would be required.

If this is of concern to you, then watch for these public meetings to attend and make your opinions known.

Currently subdivisions of more than 4 requires water studies, concept plans, etc. to be provided at the cost of the developer. The proposed change means that such costs would be borne by the county (you and I).

There was a vote (unofficial) taken at a meeting in the Breton Firehall some time ago with the result being ALL residents in attendance saying NO to the above proposal.

## Covenant Corner

from Pastor Jeff Gooderham

What the Name "Hoover" means in Finland  
At the end of World War I, Herbert Hoover, later to become President of the United States, led the allied relief efforts in Europe. He kept hundreds of thousands from starving, and a new word en-

tered the Finnish language. In Finland, to "HOOVER" means to be kind, to help, to give. If someone coined a word from your name, what would it be? Would it signify goodness? Helpfulness? Cheerfulness? Or would it mean something much less, something even harmful?

The great news is, its never to late to change that! The bible speaks of man named Saul, who was an enemy to the early church. He was responsible for imprisoning and even killing Christians. Just the mention of his name struck fear in the lives of many. One day however, that would all change. How you may ask, could a man of such reputation be changed? He met Jesus, and he would never again be the same. Listen to his words from Galatians chapter 5 verse 22 and 23; "But, the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, and self-control. Against these there is no law." How can we leave a lasting legacy? By meeting Jesus, and living out the fruit of the Spirit!

## ATTENTION BRAZEAU COUNTY RESIDENTS

Brazeau County has contracted Accurate Assessment Group for the 2020 General Assessment. As part of that contract, assessors have started the re-inspection process. Each year approximately ¼ of the County is re-inspected by assessors.

Please be aware that assessors will also be conducting inspections throughout the County, pertaining to development permits, subdivisions and incomplete structures.

Assessors will be easily identifiable, as they will be carrying identification tags and will be driving Brazeau County marked vehicles.

If no one is present when the assessor visits your property, a call back card will be left. The County requests your co-operation in returning calls and providing the assessors with the necessary information.

If you have any questions or concerns, please contact the Tax and Assessment Coordinator at 780-542-7777. Additional information, including a map of the 2020 re-inspection area can also be found here: <https://www.brazeau.ab.ca/county-hall/corporate-services/tax-and-assessment-review>

The Lin-Berry-Buck 4-H Beef Club started regular meetings at the Lindale Hall in the fall.

We held a safe Weigh-in on Nov. 3 at Adullam Ranch. The average steer was 650-700 Lbs and it ran smoothly without any incidents.

Our club went bowling for our Christmas party at the Thorsby Rec. Center.

The Lin-Berry-Buck Club is a great learning experience to learn about cattle as well as skills you use in your everyday life.

Public speaking competitions started at the end of February, and we will be participating in a calf tour on the 21st of March. We will also be hosting our annual Spring Supper & Member Auction on April 3rd in Breton.

## Media Release

March 3, 2020

For immediate release

### **Thorsby/Warburg Nurse Practitioner ready to start seeing patients**

Announced last month, the underserved towns of Thorsby and Warburg, and their surrounding communities, are going to be receiving primary care support from a dedicated Nurse Practitioner (NP). Michelle Williams, NP, has been hired by the Leduc Beaumont Devon Primary Care Network (LBD PCN) through a grant provided by the Government of Alberta via the Nurse Practitioner Support Program.

Space for the Thorsby and Warburg Nurse Practitioner-Led Clinics has been secured and while minor renovations to the spaces are being completed, Michelle will begin “meet and greets” with potential patients at the LBD PCN office in Leduc starting March 16<sup>th</sup>. If you live in Thorsby or Warburg or their surrounding communities and do NOT have a family physician, you can request a meet and greet with the Nurse Practitioner by calling 780-986-6624.

After your meet and greet, if you then think that the Nurse Practitioner is a good fit for you, you would then agree that Michelle will be your primary care provider and you will be counted on her patient panel. This means that you will see the Nurse Practitioner for your health care needs whenever possible. As a patient of an LBD PCN health care professional, you are then able to access any of the programs and services offered at the PCN.

Michelle will provide health services to individuals, families, and communities including health promotion, disease and injury prevention, and treatment of acute and chronic illness. NPs provide healthcare that is grounded in nursing care and includes the physical, emotional, social, and psychological aspects of your health. NPs can:

- Diagnose and treat illness and injury
- Perform physical examinations and screening interventions
- Order and interpret diagnostic tests, such as lab tests and x-rays
- Provide counselling and education
- Refer you to other healthcare professionals and specialists
- Prescribe medications
- Manage chronic diseases such as diabetes, COPD and asthma
- Provide palliative care
