## Volunteer Coordinators Needed

From TEPA

Are you a parent of an Elementary School student and want to make a big difference?

Thorsby Elementary Parents Association (TEPA) is seeking a replacement for our Hot Lunch and Casino Coordinator positions to begin immediately.

Our current hard-working volunteers must leave our organization due to life changes and busy schedules, but we thank them for all their past efforts.

Without a Hot Lunch Coordinator, we will not be able to offer hot lunch to your children at the capacity we currently are (if at all), and our Casino Coordinator is an integral part of coordinating our triennial casino fundraising event. Both positions are valuable to our organization, and require minimal effort and time at key moments throughout the school year.

If you are willing to fulfill one of these vacant positions, or if you are curious about what each position entails regarding level of effort or other requirements, please contact Kelli Warren at [tepaparents@gmail.com](mailto:tepaparents@gmail.com).

## Congratulations on Your Forty Year Achievement

From Jane Hanas, TOPS

Barb Benson was recently honoured at the Annual Anniversary celebration of (Take Off Pounds Sensibly) T.O.P.S.#1694 Thorsby. Barb received her Forty Year Pin as Weight Recorder. Congratulation to you, Barb!

T.O.P.S.#1694 Thorsby always welcomes new members. We meet on Monday mornings, and from 9 - 9:15 a.m. we have our weigh in. The meeting follows from 9:15 - 9:45 a.m. at the Thorsby Seniors Centre.

## Straight Out of Thorsby

*From the County of Leduc, from Alberta and Canada, from Singapore to the U.K., from Australia to Holland, from the USA to Panama, Thorsby graduates are making a difference. This is the 56th installment in a series of profiles which indicate what a small school and community can produce.*

### FRASER (THE ENFORCER) FILIPIC Part 2 of 2

And what advice would Fraser give to those wishing to achieve his level of fistic prowess, especially when you are on the smaller side in a league where there are very few under six feet tall? "I just try to get in close and get a couple of good shots in before they get their arm loose. Against bigger guys you've got to get inside or you're pretty much done". Joe Blaznek the talented forward for the Wichita Thunder said of Fraser during the 2005-2006 season: "You gotta respect a guy like that because he knows he might have to fight every night – I wouldn't want to do that. Fighting is a skill and he does it really well. He's not even that big of a guy but he is willing to go with anybody".

A newspaper of the day (2006) reported that: "It's important to note that Filipic is not a no-talent goon. He has chipped in forty points so far this season including eight power-play goals and four game-winning goals". To this Fraser replied, "I've been getting a lot of ice time, some time on the power play. The bounces are going my way this year". Regarding his role as an enforcer he says, "it's a good stress reliever; you can take your frustrations out. It keeps you out of trouble". At the time, Fraser's room-mate was Greg Pankewicz, a Drayton Valley product, who led the Eagles in scoring

and had a cup of coffee in the NHL with the Calgary Flames.

During the off-season Fraser worked as a rigger for Westtower Communications out of Thorsby. In the basement of the Filipic family home he had both a heavy bag and a speed bag and followed the regimen of the boxer faithfully. He commented that, "It seems to be working. It keeps my hand speed up there pretty good".

On Sept.17, 2010 the Colorado Eagles issued a news release:

### EAGLES FIGHTING FORWARD, FILIPIC, RETIRES

The Colorado press ran the following: Windsor, Colorado. The Colorado Eagles announced today that the first player signed by the franchise, Fraser Filipic, is retiring. The forward was best known for his fisticuffs – including two knockout fights on home ice during his seven seasons in Northern Colorado.

"It's not easy seeing Fraser step away from the game", said team president, General manager and head coach, Chris Stewart, "but his body has taken quite a toll in recent years and I understand and respect his decision. I'll miss his friendship personally, and our team will miss his toughness and tenacity on the ice. He was a true professional who brought his best to the rink every night".

The 5'9', 182 lb. pugilist retires as the franchise all-time leader in penalty minutes with 1,464 (only one other player in team history has more than 1,000 – Greg Pankewicz's 1,130). The majority of Filipic's penalty minutes came as a consequence of his 122 career fights.

Today Fraser is a settled and content family-man. He has a daughter (Saylor) and a son (Darko – named after Fraser's older brother) and three step-daughters (Mackenzee, Adalyn, and Kinleigh). While Fraser is away working for Precision Drilling in the Wyoming oil patch,

wife Trischa runs the family household as well as her own property management company in Severance, Colorado, just east of Fort Collins. He holds dual citizenship and recently spent a week, along with son Darko at the home of Marjan and Diane in Leduc. Fraser looks back fondly on his career in hockey, remembering his team-mates, the fans and the places he got to see.

## KNOW THE FACTS

# ABOUT CORONAVIRUS DISEASE (COVID-19)

COVID-19 is an illness caused by a coronavirus. Human coronaviruses are common and are typically associated with mild illnesses, similar to the common cold.

Symptoms of human coronaviruses may be very mild or more serious, such as:

**FEVER**

**COUGH**

**DIFFICULTY BREATHING**

Symptoms may take up to 14 days to appear after exposure to the virus.

Coronaviruses are most commonly spread from an infected person through:

- ▶ respiratory droplets when you cough or sneeze
- ▶ close personal contact, such as touching or shaking hands
- ▶ touching something with the virus on it, then touching your eyes, nose or mouth before washing your hands

These viruses are not known to spread through ventilation systems or through water.

The best way to prevent the spread of infections is to:

- ▶ wash your hands often with soap and water for at least 20 seconds;
- ▶ avoid touching your eyes, nose or mouth, especially with unwashed hands;
- ▶ avoid close contact with people who are sick;
- ▶ cough and sneeze into your sleeve and not your hands; and
- ▶ stay home if you are sick to avoid spreading illness to others.
