LETTERS TO THE EDITOR

Dear Editor,

This is in response to the Letter to the Editor in last week's edition of the Breton Booster.

Just to let everyone know, I was defending my employers from nasty remarks about being price gaugers on toilet paper.

When my employer found out that there was not going to be any toilet paper on the supply truck they went out of their way to find some and bring it in for the people of Breton.

I have the utmost respect for them, they are good, decent people and would not use this pandemic as a reason to increase any prices!

As for the numerous people that are talking about me... good! I hope I take their minds off COVID-19.

Thank you,
Tracy Bolton

To the Editor:

Pursuant to my three previous letters about our county council actions, the following can be added:

On the first page of council meeting agendas is a statement of goals and values. In one value, it is stated that "We respect our citizens through active listening... "

At a public meeting held at the Breton Fire Hall shortly after the last election to discuss a change in subdivisions per quarter, the attendees unanimously rejected the idea of increasing the number of subdivisions.

At a public meeting held at Funnell Community Hall to discuss the spending of close to a million dollars to develop the west end of Township Road 474, all but one resident rejected the idea.

Since there has been a recent motion to raise the subdivisions per quarter to 9 (Motion 050/20-01-21) and Township Road 474 upgrade was approved, one must question the council's commitment to the above "value," as stated in paragraph 2.

What would be wrong with each councillor holding public meetings to discuss issues of significance and giving due consideration to their input. Would this not be part of what can be expected for the \$1500 per month they receive for citizens' concerns?

Lynn Oberle

Welcome to another week of our new normal. We hope that you are coping and managing as best as possible during this challenging time. The Breton FCSS office is closed to the public but we are here working in the office to help you. Please call 780-696-3636 or you can also follow the Breton and Area FCSS Facebook page for information. The Village of Breton website is also updating information and can be found at www.village.breton.ab.ca

Health Canada is advising that you **Stay Home** as much as possible to limit contact. The more that we are able to do this the sooner we will be able to resume our normal lives.

Home Delivery - Grocery orders can be placed over the phone for seniors, those that are self isolating and those that may not have transportation. Breton Family Foods, Breton Supermarket and Breton IDA are taking orders for those in the Breton area. Our Breton grocery stores have been working non stop to meet our need. Thank you so very much to them and their staff for being an essential service to our community.

In order to ensure that your order goes smoothly, please be patient and understand that they may not have every item in stock that you require. Please allow flexibility on the brand of item that you are requesting, and make generic requests for "bread, milk, eggs". This will make the process much easier and will allow for more orders to be filled. After your order is placed a volunteer will then deliver your groceries.

If you would like to place an order in Breton, please call:

Breton Family Foods - 780-696-2441

Breton Supermarket - 780-696-3933

Breton IDA - 780-696-3594

Deliveries are being made by VOLUNTEERS that have signed an oath of confidentiality, along with knowing the protocols for COVID-19.

Heart To Home Meal Delivery - If you are a senior or have an older adult family member this company delivers frozen nutritious meals to Breton once a month. The next delivery date will be April 29. Payment can be

made online or by cheque on delivery day. <https://www.hearttohomemeals.ca/> If you would like to order and are comfortable with Deanne from Breton FCSS helping you on the phone please call her at 780-696-3636. You can also place an order by phone to the company at 1-800-704-4779

Income Tax - Breton FCSS will continue to provide the Volunteer Income Tax Program for low income individuals, families and seniors. We will be placing intake forms with an envelope in the information rack in the entrance of the Civic Centre. Please complete the form and place your personal information (T Slips, etc.) in the envelope and seal it. You can then slide it under the door of the Village Office. Your Income Tax will be filed. We will contact you to pick up your information at a later date. For more information please call 780-696-3636. Although the deadline has been extended to June 30, we recommend filing as soon as possible. The new financial increases to GST are processed when you file your taxes.

If you did not file your income tax in 2018 you will not receive the additional GST Payment that is being distributed in April. We can do taxes for previous years.

Utility Payment Deferral

Residential customers can defer electricity and natural gas bill payments for the next 90 days to ensure no one will be cut off, regardless of the service provider. The amount owing will still need to be paid at the end of the 90 days. Call your utility provider directly to arrange for a 90-day deferral on all payments. This is only for Provincial utilities at this time

Please be aware that **SERVICE ALBERTA HAS EXTENDED THE RENEWAL EXPIRY DATES ON PLATES AND DRIVERS LICENCES UNTIL MAY 15TH, 2020 WITH NO FEAR OF PUNISHMENTS.**

Breton Landfill – Closed until further Notice

Breton Municipal Library – Closed until further Notice

Village of Breton Office & Breton FCSS – Closed to the public but available by phone – 780-696-3636 or email – vbreton@telusplanet.net or bfcss@telus.net

Volunteer Deliveries - Thank you to the Volunteers that have registered to do home deliveries of supplies, groceries and prescriptions. If you would like more information on being a Volunteer please contact Breton FCSS at 780-696-3636 or bfcss@telus.net

Please note the Pitch-In Program is **postponed until further notice** due to social distancing recommendations.

2020 No Spray Program

Brazeau County property owners who do not wish to have roadside spraying performed adjacent to their property must enter into a No Spray agreement. In the agreement, the landowner consents to maintain the adjacent municipal right of way themselves, for the purpose of weed and brush control without herbicides, in compliance with the Alberta Weed Control Act. For highway right of ways, the landowners must contact Alberta Transportation if they do not want herbicides applied to the area adjacent to their property.

To enter into a No Spray agreement with the County, please fill out an application form by visiting the Brazeau County office or visiting www.brazeau.ab.ca. Agreements must be renewed annually.

Deadline to apply for the program is May 1st, 2020.
No late agreements will be accepted.

Roadside Vegetation Control Program

Brazeau County Agricultural Services Division will be carrying out roadside spraying of prohibited noxious, noxious weeds and woody vegetation (brush) throughout the County from May to October. For public safety, a buffer zone will be maintained between these roadside spray areas and county residences/yard sites.

As per our Vegetation Management policy, spraying on roadsides is done under the authority of Alberta's *Weed Control Act*. Brazeau County is required to control the weeds in the roadside just like any other landowner is on privately owned land. As well, in the public interest of safety, brush control is performed to increase the sightlines on roadways and intersections. As a result, costs of maintaining these open roadways are reduced where brush and trees are managed properly as it makes snow removal easier and allows roads to dry out quicker after precipitation falls.

The following programs related to herbicide use are available to residents:

- Fence-line Program (County staff will treat area up to 5 meters inside a fence line at no cost)
- Hawkweed Program (County staff will treat up to 5 acres infested with Hawkweed on private land at no cost)
- Herbicide Rebate Program (the County will reimburse landowners 60% of the cost of herbicide used on the landowner's property)
- No Spray Agreement (the County will not use herbicides in the ditch adjacent to a landowner's property; responsibility for weed control is assumed by the landowner)

For further information about any of the above mentioned programs, please visit <https://www.brazeau.ab.ca/living-here/agriculture/services> or contact the Agricultural Services Division at (780) 542-7777.

Community Challenge - April has started off cool, it isn't feeling very spring like right now. Maybe we can fill the community with some color by decorating our street side windows. Get creative with your kids and family members, or make some faux stained glass or tissue flowers. Post a picture of your window on the Breton and Area FCSS Facebook Page. Or email to bfcss@telus.net and we will post it for you.

Craft supplies are available in the lobby of the Civic Centre. If you live in the rural area, also send us a picture of your window so that we can share on our Facebook page.

Be A Good Neighbor – During this time it is even more important to be in contact with your neighbors as well as friends and family. Please practice social distancing. A quick phone call to see how someone is doing could make the world of difference to them. If you want to share a meal or some cookies. Leave them on the door step and then let them know they are there by phoning.

Government Funding COVID-19 - For any of the financial government programs that have been announced we are recommending that you apply for a account with either My Alberta – Digital ID at <https://account.alberta.ca/> or My Service Canada at <https://www.canada.ca/en/employment-social-development/services/my-account.html> This is how the government will be wanting you to apply for these programs. Due to the volume of people applying please be patient as the websites may be overloaded at times.

Internet Services for Government Programs – If you do not have a computer or access to the internet at this time, and require assistance with applying for EI or a Service Canada Account, please contact the office of our MP – Gerald Soroka at 780-723-6068 and his staff may be able to assist you.

Vegetable Growing Kit – You may have seen on

social media or information that was mailed, about a program for growing vegetables in containers. We have had an over whelming response to this program. We were able to make a few adjustments to the program and find some additional resources that will now allow over 100 families take part in the program. Unfortunately, by the time you read this our list will be full. Thank you for everyone that showed interest and for those that have contacted us we will be in touch in the next few days. Please be patient with us. We look forward to seeing all of the wonderful food that you produce for your families over the summer.

Covenant Corner

from Pastor Jeff Gooderham

The day of resurrection?
Earth, tell it out abroad;
The Passover of gladness,
The Passover of God.
From death to life eternal,
From this world to the sky,
Our Christ hath brought us over
With hymns of victory.
Now let the heavens be joyful,
Let earth her song begin;
Let the round world keep triumph,
And all that is therein;
Let all things seen and unseen
Their notes in gladness blend,
For Christ the Lord hath risen,
Our Joy that hath no end.

Community United Church During COVID-19

WORSHIP SERVICE & MEETINGS

In light of the recommendations made by the Public Health Agency of Canada we will not be having Sunday services or meetings for the foreseeable future (the board meeting April 5 is postponed indefinitely).

REV BERT GIFFEN

Rev Bert will be at home doing church business and pastoral care by phone. He welcomes your calls (780-719-7786). Please leave a message or text if you are unable to reach him directly.

OFFICE HOURS

For the time being, office hours at CUC remain as before ~ Wednesday & Friday 9am-1pm. Phone calls are welcome (780-848-2227) but face to face meetings will not be possible in order to keep everyone safe. There are frequent updates from National and Regional church offices offering advice, resources and strategies for faith communities during this challenging time. Watch for updates to the church website (www.communityunitedchurch.ca) and the Telfordville Pastoral Charge Facebook group.

TREASURES

Treasures Thrift Shop is temporarily closed until it can safely open.

WORSHIP ONLINE

At CUC we do not have this option, but numerous United Church communities of faith are live-streaming Sunday worship services during the COVID-19 pandemic. See the interactive worship map at www.united-church.ca for links to some of them. Bert says he will be worshipping online Sunday mornings with Southminster-Steinhauer United Church in Edmonton available in real time as a streaming option at 10am at www.ssucedmonton.com/live.

PRAYER

Our world and its people need Sabbath time in order to heal. Let's continue to pray for the world and especially for those we know as family and friends, for frontline workers and residents of care facilities – wherever they may be. And let's continue to be in touch with each other.

CHURCH FINANCIAL SUPPORT

If you are able to continue to support Community United Church during this crisis, you can do so by mailing your contribution to:
Community United Church
Box 212
Warburg, AB T0C 2T0

FUTURE SERVICES

When services begin again, we'll send an email and change the phone message at the church office (780-848-2227). Updates will also be on the church website (www.communityunitedchurch.ca) and on the Telfordville Pastoral Charge Facebook group. We will also try to catch up ASAP with notices in the local papers (Thorsby, Warburg, Breton).

EASTER

Good Friday and Easter services will be delayed to a time when it is possible to gather again to worship. (Hopefully before summer?!)

REV. BERT'S RETIREMENT

Though Bert Retires (again!) at the end of April, he, Christine, and daughter Margaret, will not be moving till later in the year. We hope to arrange a safe time and place to say good-bye. TBA

May God's blessing and Spirit be with you in these difficult times.

COVID-19 pandemic in Alberta (April 6 at 7 p.m.)

April 06, 2020 - Ninety-eight new cases of COVID-19 have been reported, bringing the total number of cases in Alberta to 1,348. One Albertan has died since the last report, bringing the total deaths in the province to 24.

A total of 953 cases are laboratory confirmed and 395 are probable cases (symptomatic close contacts of laboratory confirmed cases). Laboratory positivity rates remain consistent at two per cent.

Cases have been identified in all zones across the province:

817 cases in the Calgary zone

351 cases in the Edmonton zone

89 cases in the North zone

66 cases in the Central zone

22 cases in the South zone

Three cases in zones yet to be confirmed

Of these cases, there are currently 40 people in hospital, 16 of whom have been admitted to intensive care units (ICU). Of the 1,348 total cases, 204 are suspected of being community acquired. There are now a total of 361 confirmed recovered cases.

One additional death has been reported in the Calgary zone. There have been 15 deaths in the Calgary zone, four in the Edmonton zone, four in the North zone, and one in the Central zone.

Strong outbreak measures have been put in place at continuing care facilities. To date, 112 cases have been confirmed at these facilities.

Those who choose to wear a non-medical face mask should:

continue to follow all other public health guidance (staying two metres away from others, wash hands regularly, stay home when sick) wash their hands immediately before putting it on and immediately after taking it off (in addition to practising good hand hygiene while wearing it) ensure it fits well (non-gaping) not share it with others avoid touching the mask while wearing it change masks as soon they get damp or soiled

As Albertans look forward to the upcoming holiday weekend, they are being reminded to:
avoid gatherings outside of their immediate household
find ways to connect while being physically separated
worship in a way that does not put people at risk, including participating in virtual or live-streamed religious celebrations

More guidelines for faith-based organizations can be found online.

Emergency Isolation Support closure

The Government of Alberta's Emergency Isolation Support program is now closed after successfully distributing more than \$91 million to about 79,600 eligible Albertans over the last 12 days.

The temporary program provided one-time funding for working Albertans required to isolate by public health guidelines, or who had to take care of a dependent who was isolating and were not receiving compensation from any other source during their period of self-isolation. The purpose of the program was to bridge the short period until the Government of Canada announced its own support program.

The Government of Canada's new Canada Emergency Response Benefit is available and accepting applications. Payments for eligible applicants are retroactive to March 15.

Temporary employment standards changes

The Government of Alberta is taking immediate action to allow employers to appropriately respond to public health measures and, at the same time, allow employees to remain attached to jobs and have the ability to access federal assistance programs.

The temporary Employment Standard changes take effect immediately and will be in place as long as government determines it is needed and the public health emergency order remains.

Healthy at home

Albertans are encouraged to stay healthy at home by maintaining their physical and mental health during COVID-19. Tips and ideas are available from a variety of online sources, including Active for Life. Post your wellness activities by using the hashtag #HealthyAtHomeAB.

Bits and Pieces program

More than 2,900 offers of support have poured into the government's Bits and Pieces program from private and non-profit organizations. Offers include commercial vehicles, hotel rooms and mobile trailers, food and water services, hospital gowns, face masks, ventilators and other personal protective equipment. More information is available online.
