Our Community Without Volunteers

From Deanne Young, FCSS

What difference do volunteers make to our community? Well you may think that we could survive without volunteers and we could, but our community would look very different. Here are some of the ways our community would look different without the efforts of all our great volunteers.

- No Volunteer Fire Department to respond to your house / barn fire.
- Loved ones having to move out of their homes to extended care facilities without Meals on Wheels Drivers.
- No hot lunch program at your child's school
- The soccer, baseball and football fields, along with the hockey rinks becoming empty without coaches, managers and executives to run the program.
- The RV Park / Campground and skating rink closed without the Volunteer help of our ELKS.
- Our youth not developing leadership skills through Scouts and 4H programs and the Big Buddy Mentorship Program
- The history of our community lost without the volunteers of the museum keeping it alive.
- The quality of life for those at the Breton Extended care lowered without Volunteer help at meal time and entertainment.
- Children that do not learn to swim, without the Volunteer work of the West End Pool Society.
- The operation of the Food Bank, youth clubs and spiritual support without Volunteers from the churches.
- Preschool children losing the opportunity for social development without Pre-school and Playschool programs.
- Christmas time not being as festive for the families that receive food hampers and gifts for the children from Christmas Wishes.
- Rural residents not feeling as safe without a Rural Crime Watch Program.
- School being only about academics without the support of Parent Advisory Councils as-

sisting with extracurricular activities.

- Parks, playgrounds and community activities not being supported without the work of the Royal Purple ladies.
- Our seniors not being active and less socializing. Their sidewalks not being cleaned without our Snow Angels.
- Local Community Halls not being operational without the Volunteers of the Agriculture Society and Hall Association Volunteers.
- The work done by your municipal elected officials.
- Community programs such as Story time not being able to be offered.
- The opportunity of a new community center without the efforts of the Fundraising committee and the Building committee.
- The Volunteer work of your friends and neighbors who lend a helping hand with errands, childcare and being good neighbors.

These are just some of the examples of how our community would look different without the work that is done by VOLUNTEERS. Take the time to thank one today if you and your family participate in any of these activities. Thank you to all of our Volunteers for your commitment to our community.

Walking the Dog?

Under the current stay home restrictions, walking the dog with respectful social distancing is a great way to get exercise, provide a little stress relief and may even provide a way to get children actively involved and out of the house for a little while.

When walking the dog, please remember that local bylaws require that the owner or any other person having care or control of a dog when it is off the property of the owner, must have it under control and held on a leash not exceeding two meters in length at all times.

Please be cautious when allowing children to walk the dog with regards to the interactions with other animals or even people, and ensure that they are physically able to keep proper control of the dog should an incident occur.

The Owner of a Dog is guilty of an offence if the Dog defecates on any public or private property not owned or occupied by the Owner and the Owner fails to immediately remove the defecation.

These rules are applicable year-round with and without COVID-19.

Fine for first offence is \$100

Spring has arrived. It is wonderful to feel the warmth of the sun. Although we are all wanting to be outside more, we are asking that you continue to follow the COVID-19 Social Distancing protocol. We really appreciate all that our community members are doing to keep our community safe. The Breton FCSS office is closed to the public but we are here working in the office to help you. Please call 780-696-3636 or you can also follow the Breton and Area FCSS Facebook page for information. The Village of Breton website is also updating information and can be found at www.village.breton.ab.ca

Health Canada is advising that you Stay Home as much as possible to limit contact. The more that we are able to do this the sooner we will be able to resume our normal lives.

Village of Breton Office & Breton FCSS – Closed to the public but available by phone – 780-696-3636 or email – vbreton@telusplanet.net or bfcss@telus.net

Be A Good Neighbor – During this time it is even more important to be in contact with your neighbors as well as friends and family. Please practice social distancing. A quick phone call to see how someone is doing could make the world of difference to them. If you want to share a meal or some cookies. Leave them on the door step and then let them know they are there by phoning.

Government Funding COVID-19 - For any of the financial government programs that have been announced we are recommending that you apply for a account with either My Alberta – Digital ID at <https://account.alberta.ca/> or My Service Canada at <https://www.canada.ca/en/employment-social-development/services/my-account.html> This is how the government will be wanting you to apply for these programs. Due to the volume of people applying please be patient as the websites may be overloaded at times.

Home Delivery - Grocery orders can be placed over the phone for seniors., those that are self isolating and those that may not have transportation. Breton Family Foods, Breton Supermarket and Breton IDA are taking orders for those in the Breton area. Our Breton grocery stores have been working non stop to meet our need.

Thank you so very much to them and their staff for being an essential service to our community.

In order to ensure that your order goes smoothly, please be patient and understand that they may not have every item in stock that you require. Please allow flexibility on the brand of item that you are requesting, and make generic requests for “bread, milk, eggs”. This will make the process much easier and will allow for more orders to be filled. After your order is placed a volunteer will then deliver your groceries.

If you would like to place an order in Breton, please call:
Breton Family Foods - 780-696-2441
Breton Supermarket - 780-696-3933
Breton IDA - 780-696-3594

Deliveries are being made by VOLUNTEERS that have signed an oath of confidentiality, along with knowing the protocols for COVID-19.

Heart To Home Meal Delivery - If you are a senior or have an older adult family member this company delivers frozen nutritious meals to Breton once a month. The next delivery date will be April 29. Payment can be made online or by cheque on delivery day. <https://www.hearttohomemeals.ca/> If you would like to order and are comfortable with Deanne from Breton FCSS helping you on the phone please call her at 780-696-3636. You can also place an order by phone to the company at 1-800-704-4779

Income Tax - Breton FCSS will continue to provide the Volunteer Income Tax Program for low income individuals, families and seniors. We will be placing intake forms with an envelope in the information rack in the entrance of the Civic Centre. Please complete the form and place your personal information (T Slips, etc.) in the envelope and seal it. You can then slide it under the door of the Village Office. Your Income Tax will be filed. We will contact you to pick up your information at a later date. For more information please call 780-696-3636. Although the deadline has been extended to June 30, we recommend filing as soon as possible. The new financial increases to GST are processed when you file your taxes. If you did not file your income tax in 2018 you will not receive the additional GST Payment that is being distributed in April. We can do taxes for previous years.

Please be aware that **SERVICE ALBERTA HAS EXTENDED THE RENEWAL EXPIRY DATES ON PLATES AND DRIVERS LICENCES UNTIL MAY 15TH, 2020 WITH NO FEAR OF PUNISHMENTS.**

Help Us Recognise

OUR GREAT VOLUNTEERS THE UNSUNG HEROS!

If you know of a VOLUNTEER in our community that needs to be recognised, send us their name and how they make our community a better place. If you have a picture send that as well. We will share these in the Booster and on our Social Media Facebook Page.

Roadside Vegetation Control Program

Brazeau County Agricultural Services Division will be carrying out roadside spraying of prohibited noxious, noxious weeds and woody vegetation (brush) throughout the County from May to October. For public safety, a buffer zone will be maintained between these roadside spray areas and county residences/yard sites.

As per our Vegetation Management policy, spraying on roadsides is done under the authority of Alberta's *Weed Control Act*. Brazeau County is required to control the weeds in the roadside just like any other landowner is on privately owned land. As well, in the public interest of safety, brush control is performed to increase the sightlines on roadways and intersections. As a result, costs of maintaining these open roadways are reduced where brush and trees are managed properly as it makes snow removal easier and allows roads to dry out quicker after precipitation falls.

The following programs related to herbicide use are available to residents:

- Fence-line Program (County staff will treat area up to 5 meters inside a fence line at no cost)
- Hawkweed Program (County staff will treat up to 5 acres infested with Hawkweed on private land at no cost)
- Herbicide Rebate Program (the County will reimburse landowners 60% of the cost of herbicide used on the landowner's property)
- No Spray Agreement (the County will not use herbicides in the ditch adjacent to a landowner's property; responsibility for weed control is assumed by the landowner)

For further information about any of the above mentioned programs, please visit <https://www.brazeau.ab.ca/living-here/agriculture/services> or contact the Agricultural Services Division at (780) 542-7777.

2020 No Spray Program

Brazeau County property owners who do not wish to have roadside spraying performed adjacent to their property must enter into a No Spray agreement. In the agreement, the landowner consents to maintain the adjacent municipal right of way themselves, for the purpose of weed and brush control without herbicides, in compliance with the Alberta Weed Control Act. For highway right of ways, the landowners must contact Alberta Transportation if they do not want herbicides applied to the area adjacent to their property.

To enter into a No Spray agreement with the County, please fill out an application form by visiting the Brazeau County office or visiting www.brazeau.ab.ca. Agreements must be renewed annually.

**Deadline to apply for the program is May 1st, 2020.
No late agreements will be accepted.**

Meet Our Navigators

The Drayton Valley Integrated Services Hub for Youth is a not-for-profit project supported by the Healthy Communities Coalition and funded by Policy Wise Alberta. The Hub supports individuals between the ages of 11-24 within Drayton Valley, Brazeau County and surrounding areas. The role of the Hub is to encourage healthy relationships between individuals, families and community. The Hub also strives to support individuals with addictions and/or mental illness, encourages resiliency and provides positive opportunities for all youth. To support this initiative, the Hub has 2 navigators, Dani and Melissa to develop relationships with youth and help them navigate services best suited to their needs. In efforts to support the community through the Covid-19 crisis, Dani and Melissa have developed the Brazeau Empowerment Support Team (B.E.S.T.) and can be found on Facebook (Brazeau Empowerment and Support Team) and Instagram (dv_b.e.s.t.).

We would like to introduce you to our navigators:

Dani:

I am very excited to be a member of the Brazeau Empowerment and Support Team in Drayton Valley. I believe this to be a wonderful program for our community and I am excited to see how we can grow from this.

With a degree in Community Rehabilitation, I have worked front line with adults and children with dis-

abilities for almost 7 years. I have a passion for helping others within their natural environments and making their community as accessible as possible. I have also spent much of my career in the classroom supporting young children with various disabilities in their learning environments.

When I'm not in the office, you can find me taking my dog for hikes through the trails around town or practicing at-home yoga videos on youtube! I love staying active and being in the outdoors.

Melissa:

I am an RN with 13 years experience. My passion is helping people get what they need to be independent and safe, whether it is fulfilling their physical needs or emotional support. Working with youth and their families in our community is my dream job. I am so excited to be a part of this initiative!

Outside of the office, I get to use the tips and tools that I share with all of you. I have 4 kids ranging from 6 to 13. My home is filled with lots of laughs, hugs and just enough chaos to make it normal. I grew up in the Warburg area, did my first year of nursing school at the Consortium in Drayton Valley and returned to the area to raise my kids.

People often ask me why I do what I do. My "why" is to build connections with the youth and help them become resilient. I strive to meet people where they are at, connect with them and help link them with supports and resources right at our fingertips. I have so much love for this community and have learned that there is so much to be offered and shared right here!

Greetings from the Elks

from Allan Smith,
Breton Elks Lodge #402

Well, Spring has finally arrived. Snow is much less, mud is much more and water is running very quickly. Green grass and new flowers are much closer.

Breton Elk members attended a new adventure in very recent time. They held a Zoom meeting. For the computer experts it was perhaps a more enjoyable experience than for those of us not so well versed on computers.

Business at hand, the District Meeting is on hold and the Conference Meeting that was scheduled for Whitehorse is postponed to October. Our Travelling Gavel trip is cancelled for now. National Convention is postponed to 2021.

July 1st pancake breakfast has been put on hold along with our year-end Barbeque. The R.V. Park will not open until sometime in June.

These items are a result of the present COVID-19 situation. On a more positive note the Lodge chose to send \$400.00 to a family suffering a health issue in our area. So the Elks cannot be on the street as in the past, but we are still here for our community.

In the meantime, everyone stay safe and stay healthy. Will stay in touch.

Covenant Corner

from Pastor Jeff Gooderham

There is a great quote from an anonymous author that I pray will be an encouragement to you. "In order to realize the strength of the anchor, we need to feel the stress of the storm."

How often the anchor is only an after thought when life is moving without any trouble. It is when the storm begins to buffet that we look to the anchor and pray that it holds. In the book of Hebrews, we are told of a hope, a hope that holds us like an anchor in the midst of the storm. An anchor that is sure and steadfast. That is a powerful picture. The anchor cannot move.

I have always loved fishing. I am more of a target fisherman I like to hunt for the big ones. But, often I will fish what is known as a honey hole, maybe out on Pigeon Lake. You find that perfect spot right on the edge of a drop off and as long as you can stay anchored in that spot the fishing is great. But if your anchor won't hold you continually drift away from the spot and away from the honey hole! Drifting, especially in times of trouble is never good. We need to know that we can trust the anchor to hold us fast.

So what is the hope that is for us a sure and steadfast anchor no matter the storms of life. The hope is Jesus Christ. He is our salvation, an unmovable rock that offers to us hope not only in this life but hope for eternal life. All things will pass, but the hope we have in Christ is never ending, and that hope is sure and it is steadfast!

MESSAGE TO MY CONSTITUENTS

I would like to thank you for continuing to do your part in the fight against COVID-19. I realize that as this goes on, some people will be tempted to ignore social distancing, but it is very important that we don't let up until the time is right.

I understand that there is confusion around some of the programs being implemented to support Canadians. With new measures and changes being announced frequently, it can be difficult to keep up with. My team and I are here to help. We have been getting a lot of questions on the Canada Emergency Response Benefit (CERB), so I have some info on that.

This week, the government announced new changes to the CERB. Workers earning less than \$1,000 a month, or who have seasonal employment and can't find a job due to COVID-19, as well as those who are running out of employment insurance, are now eligible to apply for the CERB.

If you applied for the CERB last week, just a reminder that you must reapply for subsequent periods if you continue to qualify.

That said, if you were transferred from Employment Insurance to the CERB, you will still need to do bi-weekly reports for EI as you did in the past to remain on the CERB but will not need to reapply monthly like those who apply directly for the CERB must do. If you have any questions, please don't hesitate to reach out to my constituency office in Edson. As always, keep well stay safe and healthy.

Do you need assistance with getting groceries? Did you know some stores are offering pick-up or delivery services?

Please check to see if your local grocery stores are offering these services. You can order your groceries from home and pick them up when you get to the store or have them delivered to your residence.

Canada Emergency Response Benefit (CERB) UPDATE

New eligibility:

- 🍁 workers earning \$1,000 or less per month
- 🍁 seasonal workers with no job to return to
- 🍁 workers who recently exhausted their regular EI benefits
