

THE BRETON BOOSTER

Greeting from Breton Elks Lodge #402 From Allan Smith

Well it appears that spring has arrived and is in full swing, mosquitoes, green grass and rain. Some B.B.Q.'s are also becoming the norm. Unfortunately, we are still bothered with the terrible COVID-19 virus and we are facing many restrictions.

The Breton RV Park is set to open June 1st and will be under the supervision of the Breton Elks. Once again restrictions will be in place. There will be 19 sites open and reservations are required. Scheduling will be necessary as a gate will be in place and manned by an Elk member. These restrictions are not pleasant, but we want to ensure the safety of all our visitors. We want to respect the efforts of all Health Care Workers.

Help Youth to RYSE From Danielle Mellis

Now more than ever, it is important that we support the well-being of our young people. Youth are the cornerstone of our society and the foundation of our future. However, their ability to thrive can be impacted by social, economic, and environmental forces, and their ability to get the support they need when they need it. To better understand youth well-being in Drayton Valley, a team of researchers from Dalhousie University have been following more than 500 young people over two years, trying to understand both their challenges and their resilience.

The Resilient Youth in Stressed Environments (RYSE) project is a 5-year study led by Dr. Michael Ungar at Dalhousie University, in partnership with Family and Community Support Services (FCSS) Drayton Valley, the oil and gas industry, government, school boards, and other key organizations within our community. The study will give more information on how youth handle the boom-bust cycles of living in an oil-field town, as well as how

government, families, peers, industry, educators, and health and social service providers can support the health and well-being of young people in Drayton Valley. Importantly, youth themselves are pioneers of RYSE. By forming a RYSE Youth Advisory Committee, young people will be able to use the information collected from the project to spearhead activities that promote youth well-being, and to be change-makers in our community. In fact, the idea for a youth hub came from youth using the RYSE data. Early findings from the study showed that youth felt there was a "lack of things to do"; they wanted a safe place to hang out, as well as better access to mental health supports. The Healthy Communities Coalition of Drayton Valley heard the youth and put together a board of members to create the Drayton Valley Integrated Services Hub for Youth. The youth hub is funded by Policy Wise Alberta and is supported by FCSS and the Primary Care Network in Drayton Valley.

Our program is here to support youth with navigating resources in our community, mentorship, and career/life-skills building. The youth hub is just one example of young people creating change with RYSE data, and we look forward to other new and exciting ways they are using information from the project to better our community.

Another round of data collection is now underway which will help researchers further understand the stress and resilience of youth during the bust cycle of the oil and gas industry we continue to face. If you completed a survey and a hair sample in 2018, we encourage you to participate again. You could earn up to \$125 for filling out the survey (\$75) and providing a hair sample (\$50)!

If you (or someone you know) would like to complete another survey and hair sample for RYSE, are interested in the Youth Advisory Committee, or want more information on the services of the youth hub, let us know!

Wow what an old fashion rain we had last week. This should get all of our yards and gardens growing. Although we are all wanting to be outside more, we are asking that you continue to follow the COVID-19 Social Distancing protocol. We really appreciate all that our community members are doing to keep our community safe. The Breton FCSS office is closed to the public but we are here working in the office to help you. Please call 780-696-3636 or you can also follow the Breton and Area FCSS Facebook page for information. The Village of Breton website is also updating information and can be found at www.village.breton.ab.ca Health Canada is advising that you Stay Home as much as possible to limit contact. The more that we are able to do this the sooner we will be able to resume our normal lives. Please continue to practice the protocol in place by Health Canada.

Village of Breton Office & Breton FCSS – Closed to the public but available by phone – 780-696-3636 or email – vbreton@telusplanet.net or bfcss@telus.net

Be A Good Neighbor – During this time it is even more important to be in contact with your neighbors as well as friends and family. Please practice social distancing. A quick phone call to see how someone is doing could make the world of difference to them. If you want to share a meal or some cookies. Leave them on the door step and then let them know they are there by phoning.

Government Funding COVID-19 - For any of the financial government programs that have been announced we are recommending that you apply for a account with either My Alberta – Digital ID at <https://account.alberta.ca/> or My Service Canada at <https://www.canada.ca/en/employment-social-development/services/my-account.html> This is how the government will be wanting you to apply for these programs. Due to the volume of people applying please be patient as the websites may be overloaded at times.

Income Tax - Breton FCSS will continue to provide the Volunteer Income Tax Program for low income individuals, families and seniors. We will be placing intake forms with an envelope in the information rack in the entrance of the Civic Centre. Please complete the form and place your personal information (T Slips, etc.) in the envelope and seal it. You can then slide it under the door of the Village Office. Your Income Tax will be filed. We will contact you to pick up your information at a later date. For more information please call 780-696-3636. Although the deadline has been extended to June 30,

we recommend filing as soon as possible. The new financial increases to GST are processed when you file your taxes. If you did not file your income tax in 2018 you will not receive the additional GST Payment that is being distributed in April. We can do taxes for previous years.

Seniors Week is June 1- 7. We need your help in celebrating the Seniors of our Community. There are two ways that you can get involved.

Nominate / Register a Senior with the Breton and Area FCSS Office. You can register by email at bfcss@telus.net or phone 780-696-3636. We require the Seniors Name, Street address or Blue Emergency Address for the seniors in Brazeau County and the number of seniors in the home. We will then have VOLUNTEERS deliver a special gift to their porch during Seniors Week. Registrations must be received by May 25th.

Decorate a card, write a note or draw a picture to let our Seniors know how much they are valued. These will be placed with the special gifts that we are delivering during Seniors Week. Craft supplies and cards are available in the lobby of the Civic Centre building. For more information please contact Breton and Area FCSS @ bfcss@telus.net or 780-696-3636

Breton FCSS Program Survey - For many summers the youth and families in our community have been able to enjoy many activities through our summer program. We are continuing to monitor the COVID -19 regulations as set out by Health Canada and how this will look for our programming. We would still like to offer activities for our community during the summer months. Please complete our survey at <https://www.surveymonkey.com/r/GRNRRNX>

If you have any ideas for activities that are within the social distancing protocol and would like to discuss them please contact Breton FCSS at 780-696-3636 or bfcss@telus.net

Upcoming Programing – We are in the process of putting together some online and virtual programming to launch in June. The following courses will be offered for residents of the Village of Breton and the eastern side of Brazeau County. Please watch the Breton and Area FCSS Facebook Page, the Village of Breton website – www.village.breton.ab.ca or email Breton FCSS for more information at bfcss@telus.net
