PUBLIC NOTICE

Large farming equipment on roadways

Leduc County is an agricultural community, and during this time of year, farmers are cultivating, seeding and spraying their cropland.

As a commuter on the roads within Leduc County, please understand that farmers are working quickly to get from a-to-field to complete their spring work.

Please be patient and cautious as this large equipment is slow to move and difficult to maneuver. Be aware that large equipment must swing wide to make turns and has large blindspot areas; give it ample space.

We are all invested in the business of food. Please drive with attention and awareness and keep yourself and our farmers safe on the road.

Carnwood Red Angus: We started in 1995 with a small commercial Angus herd. About 15 years ago we moved our focus to purebred Angus and have worked hard to bring you these ready-to-work bulls. Our breeding program has always been about calving ease, good temperament and good gains. Please feel free to call us to discuss our program or to come visit the farm. Thank you for your consideration.

The sale would not have been the success that it was without the support we received from **TSI** and **Team Sekura Auctions** for all their help and time they put into the sale. We appreciate all the support from all the bidders to make it a wonderful sale.

The 4-H members would like to thank their buyers for their Support
