Library Chatter

From Gail O'Neil

COVID-19 Update

Library's are a part of the province's Phase Two reopening. In mid June the province will evaluate how Phase One is going and then determine when the Library's will be able to reopen. It will be with policies and changes to everyday operations to allow patrons safely access the Library. The changes could be things like sneeze guards, hand sanitizers, masks, gloves, and reducing the amount of people per square feet of library space. The Public Library Services Branch (PLSB) set out a suggestion of one person per 10 square metres (108 square feet), but you cannot allow more than 15 people in at one time, even if the calculation indicates otherwise. Public computers until further notice cannot be accessed. Staff is looking at ways to make the key board and mouse safe for all users. Warburg Library has started curbside pickup by appointment only, as long as the patron is not sick. For more information visit this website: alberta.ca/coronavirus-info-for-albertans.aspx

Monday June 15/2020 the TD Summer Reading Program starts online, due to all of the changes from the COVID-19 pandemic, Library's need to run the SRC online. Staff will be learning new ways to run this program online and not in the Library. Some changes will be interactive videos for crafts and entertainment. Check out this website for more information: tdsummerreadingclub.ca

The Library Staff is here to help you on Tuesdays, Wednesdays and Thursdays from 10 am. On Saturdays we will stay closed until September. Call 780-848-2391 or check on Facebook for information about the Library and for current updates.
