

### Local Musicians Release Rock Album From Ben Tobiasson

On May 11, 2020, my brother Clint and I released our first "rock" album and it's based on the music we used to play in the '70s.

Clint and I have been working on this for a few years and had to dust off some old recordings to help us 'remember' how some of it went.

We released it under the Tunecore Label and it's all over the world now. We are proud to say it was recorded entirely in the Warburg area. The new album is entitled "Fresh Tracks Tobiasson Brothers".

Many may remember Clint and I playing sockhops in the gym in Warburg School. In later years Clint and I (hiring and rehearsing a drummer) played all over Western Canada with our band "Equinox". We were mostly a smaller venue band.....the biggest bar we played was The St. Albert Inn before the bar was all chopped into pieces....would have seated about 500 people then. We BARELY had enough amplification on stage to play there. We have played some bigger venues (not a lot of them): Winstock 2016; Winstock 2019 and the reopening of the Sunnybrook Hall. Both the Winstock shows did have some amateur video done and we had some of them professionally produced.....unfortunately too late to replace the audio recording that we had released already.

Our new album can be heard very easily on YouTube. Just search "Tobiasson Brothers" and find Fresh Tracks.....play all. There are 12 tracks on the album and all of them Clint and I wrote and have performed live. This 70's rock album and the recording are available on all major retailers: iTunes, amazon, etc..

Editor's Note: (Ben has won two ARIA (Alberta Recording Industry Association) awards for previous classical releases. The awards he's won include "Best Classical Artist on Record" and "Best Classical Artist of the Year"....both from ARIA. You can check out the website for more info at www.bentobiasson.com

#### Strawberry Hall Vandalism From Cindy Miller

The Strawberry Hall Board is very sad to say to the community we have been the victim of VANDALISM!

It came to our attention on June14/2020 that someone decide to visit our hall grounds the previous evening and chose to drive all over the infield of our ball diamond, rutting it up and in the process crash into the back -stop fence resulting in broken fence, gate, and bent posts.

June 13/2020 a evening that we the community should have been celebrating Farmers' Day with our annual Steak Bar-B-Que and social evening but as like many things this year, we the Hall Board of Strawberry Community Hall made the decision to cancel our celebration.

The community and Hall Board volunteers worked many hours to have this great feature added- the backstop and fence installed at the hall a few years ago, along with many loads of sand on the infield to provide a safe and fun environment for the community and public to play ball at our hall.

Strawberry Hall like all community halls are suffering due to Covid-19 restrictions, therefore all our summer rentals to this point which are our main source of income have been canceled. These rentals help cover the cost such as gas, electricity, insurance and upkeep.

Now this VANDALISM is an added expense and hours of volunteer time that we will have to put into the repair of damage done.

We, the Hall Board want to continue to have Strawberry Hall as a place where families can enjoy the hall and grounds.

We ask that anyone that has any information

about vehicles' and people at the hall grounds June 13, 2020 please get in touch with either Thorsby RCMP or Hall President Lyle Miller -780-789-2446.

### Mulhurst Raises Money for Cancer Patient Comfort From Marion Wilson

Special thanks to David and Kathy at the Mulhurst Book Store, Randal and David at the Mulhurst Legion #246, Richard Conrad, Bo and Bern Potzki.

The Walker's taking a much deserved break, pictured below.

from The Office of MLA Mark Smith, Member of the Legislative Assembly for Drayton Valley - Devon

This month is a time to celebrate the history and diversity that make our province, and country, a great place to live. I take great pride in being Canadian and I wish everyone a very happy Canada Day! I hope you will get a chance to enjoy the great attributes of our province and country by getting out in the beautiful sunshine we have been blessed with recently.

After a difficult beginning of the year, our province has been gradually reopening businesses and facilities. Our province's relaunch strategy puts the health and safety of our community first. Our province has expanded its testing capacity and contact tracing ability, and put a rapid response plan in place for possible outbreaks to ensure that our province can continue to prevent the spread of COVID-19. General workplace and industry-specific guidelines, which can be found at alberta.ca/bizconnect, are in place to protect employees and customers of businesses across the province. Our wonderful local businesses are at the heart of our community, and I encourage you to shop local and show them your support!

I am happy to share that the hard work and sacrifices of Albertans has paid off, and our province was able to begin Phase 1 of the Alberta Relaunch Strategy in May. With strict guidelines in place, our community can and should confidently support Alberta businesses as our economy begins to reopen. Alberta's relaunch strategy puts safety first as restrictions are gradually lifted. Our province is prepared to gradually allow some businesses and facilities to reopen, including retail, hairstylists and barber shops, and cafes and restaurants in the first stage. General workplace and industryspecific guidelines, available at alberta.ca/bizconnect, must be implemented to keep patrons and employees safe in this stage.

This week our province launched the Human Trafficking Task Force, which will find ways to prevent human trafficking, and protect and empower survivors. Anti-human trafficking advocate Paul Brandt will lead the seven-member task force that will provide guidance and recommendations on how to best implement the government's strategy to combat human trafficking in Alberta. This task force will also help shed a light on an often overlooked and underreported crime that causes serious harm. The task force will provide recommendations on how to support survivors, enhance collaboration between organizations working on this issue, engage experts on how to bring sustainable change, and lobby other levels of government to take coordinated action against human trafficking. Alberta should be a place where people can live free from exploitation and coercion. The new Human Trafficking Task Force will help shine a light on an important issue in our province and make change.

As always, it is my honour to serve as your MLA.
