

THE BRETON BOOSTER

Is It Time For Your Mammogram?

Screen Test is coming to Breton July 15-17
and Drayton Valley July 18-29, 2020.

Alberta Health Services – Screen Test brings breast cancer screening to women across Alberta with its mobile mammography clinics. Call 1-800-667-0604 (toll-free) to book a mammogram.

Here are some common myths and facts about breast cancer screening:

Myth #1: Monthly self-examination is the best way to find breast cancer early.

What is most important is that women know how their breasts normally look and feel – from the whole area of breast tissue up to the collarbone and including the armpit. While it is not necessary to have a regimented method for checking your breasts, call your healthcare provider right away if you notice any unusual changes.

Myth #2: Regular mammograms can't find small tumours any sooner than women could find themselves.

Screening mammograms find many small tumours approximately 2-3 years before they can be felt. That's why screening is so important — it can find cancer before it has a chance to become more serious.

Who should get a screening mammogram? Women 50-74 should plan to have a mammogram every 2 years and may self-refer. Women 40-49 should discuss the risks and benefits of screening with their doctor, and need a referral for their first appointment. There is no cost for this service. For more information visit: www.screeningforlife.ca.

SCREEN TEST

A screening mammogram is the best way to find breast cancer early.

And it can truly save your life.

The **SCREEN TEST** mobile mammography unit will be in

Breton: July 15-17, 2020

VILLAGE OF BRETON DEVELOPMENT PERMIT

Development involving placement of a New Tin Roof on Mobile Home located at 4912 - 53 Avenue, legally described as Lot 3 Block 16 Plan 6043 MC as further described in Application No 0003-20 is:

APPROVED, subject to the following conditions:

1. The development must comply with Land Use Bylaw No. 13-02.
2. The development must comply with the Village of Breton Bylaws.
3. The development is subject to the Building Safety Codes Act, including permits and inspections. A copy of all final inspections must be submitted to the Village Office.
4. Before any work is performed, all necessary permits and notices must be applied for and received including Alberta One Call.

You are hereby authorized to proceed with the development specified provided that all stated conditions are complied with; that development is in accordance with any approved plans and application; and that a Building Permit is obtained if construction is involved. Should an appeal be made against this decision to the Development Appeal Board, the development permit shall be null and void.

Date of Decision: July 2, 2020

Date of Issue of Development Permit: July 2, 2020

Why Is Bicycle Safety So Important?

Bike riding is a lot of fun, but accidents happen. The safest way to use your bike is for transportation, not play. Every year, about 300,000 kids go to the emergency department because of bike injuries, and at least 10,000 kids have injuries that require a few days in the hospital. Some of these injuries are so serious that children die, usually from head injuries. Wear a bike helmet EVERY TIME YOU RIDE, even if you are going for a short ride.

Helmet On, Now What?

Riding a bike that is the right size for you also help keeps you safe.

When you are on your bicycle, stand straddling the top bar of your bike so that both feet are flat on the ground. There should be 1 to 3 inches (2.5 to 7.6 centimeters) of space between you and the top bar.

Here's a safety checklist your mom or dad can help you do:

Make sure your seat, handlebars, and wheels fit tightly. Check and oil your chain regularly. Check your brakes to be sure they work well and aren't sticking. Check your tires to make sure they have enough air and the right amount of tire pressure.

Be Seen, Be Safe!

Wearing bright clothes and putting reflectors on your bike also can help you stay safe. It helps other people on the road see you. And if they see you, that means they're less likely to run into you. Daytime riding is the safest so try to avoid riding your bike at dusk and later.

You'll also want to make sure that nothing will get caught in your bike chain, such as loose pant legs, backpack straps, or shoelaces. Wear the right shoes — sneakers — when you bike. Sandals, flip-flops, shoes with heels, and cleats won't help you grip the pedals. And never go riding barefoot! Riding gloves may help you grip the handlebars — and make you look like a professional! But avoid wearing headphones because the music can distract you from noises around you, such as a car blowing its horn so you can get out of the way.

Road Rules

If you're allowed to ride on the street, follow these road

rules:

Always ride with your hands on the handlebars.

Always stop and check for traffic in both directions when leaving your driveway, an alley, or a curb.

Cross at intersections. When you pull out between parked cars, drivers can't see you coming.

Walk your bike across busy intersections using the crosswalk and following traffic signals. Ride on the right-hand side of the street, so you travel in the same direction as cars do. Never ride against traffic.

Don't ride too close to parked cars. Doors can open suddenly. Stop at all stop signs and obey traffic (red) lights just as cars do.

Ride single-file on the street with friends. When passing other bikers or people on the street, always pass to their left side, and call out "On your left!" so they know that you are coming.

Hand Signals

It will also help to learn some hand signals. These are like turn signals and brake lights for bikers. It helps cars and trucks know what you will do next, so they don't run into you.

VILLAGE OF BRETON LAWN BUSTERS PROGRAM

*The Village of Breton has received funding through
Canadian Summer Jobs 2020*

*We are offering a lawn cutting service for all seniors (65+)
and residents with a medical disability
that are unable to maintain their lawn*

Welcome to Summer. Our doors are back open! Although there is some new procedures and protocol in place, we are glad to have our doors open. We are asking that you continue to follow the COVID-19 Social Distancing protocol. We really appreciate all that our community members are doing to keep our community safe. Please call 780-696-3636 or you can also follow the Breton and Area FCSS Facebook page for information. The Village of Breton website is also updating information and can be found at www.village.breton.ab.ca

Volunteer Income Tax Program – Now that our office doors are open to the public again, we ask that if you had your Income Tax completed by our office that you drop by Monday – Thursday and pick up your personal papers.

Summer Programming – Due to Covid-19, we will not be able to hold our Summer Program like we have had in past years. We will be bringing different learning opportunities and activities as the regulations allow. Please follow our Facebook Page – Breton and Area FCSS, watch the Village of Breton website – www.village.breton.ab.ca and the Breton Booster for more information. July Programs

Outdoor Chair Yoga – Tuesday mornings - 10:00 am. Drop In for this beginner Yoga class. Limited space. Cost: \$5 Chairs provided. This class will help with improve balance & flexibility, strength, breathing & bone health. Location: Outdoor skating rink. Instructor - Desiree from Flow Your OM Way Yoga.

Extended due to weather -Sidewalk Chalk Competition June 29 – July 15 - Pick up a package of chalk and show us your wonderful art work. If you don't live in the Village of Breton and would like to participate, choose a piece of municipal sidewalk and get creative. Once you have completed your artwork, take a picture and email to fcss@breton.ca

Let us know who the artists were and where the artwork is located (street address). By submitting these you are agreeing to let us share them on our Facebook page.

Summer Programs – July – current programs

July 14 – Circus Camp – Come on out and learn Circus Skills of juggling, hula hoop dancing, plate spinning and

more! Our morning class will be for ages 5 – 8 and the afternoon 9 and older. Ages 5 and older. Cost - \$5. Pre-registration only.

July 22 – The ever-popular Zoo 2 U will be back in town – Spend some time learning about spiders, snakes, bunnies and tortoises. All ages welcome. Those under 5 must be accompanied by an adult. Pre-registration will be required to maintain attendance numbers

July 29 – AM – 10:00 – 12:00 - Soapstone Carving– Teachers Pet will be back to teach and help you make your own soap stone carving of a turtle. Ages 5 and older. Cost - \$5. Pre-registration only.

July 29 – PM - 1:00 – 3:00 – Dream Catcher – During our afternoon session each participant will make their own Dream Catcher. Ages 5 and older. Cost - \$5. Pre-registration only.

Brighter Futures – Summer Craft Kits – If you are looking for some cool crafts to do at home on the rainy days of summer (and we seem to be getting a few of those) stop by the Breton FCSS office and pick up a kit for your family. Breton FCSS is pleased to partner with Brighter Futures on this program.

Please note that the new email address for Breton and Area FCSS is – fcss@breton.ca

Village of Breton Lawn Busters – The Village of Breton has received funding through the Canadian Summer Jobs 2020 Program. They are offering a lawn cutting service for all seniors (65+) and residents with a medical disability that are unable to maintain their lawn. Application forms are available at the Village of Breton Office. Priority will be given to those with the greatest need if more applications are received than we can accommodate. Services are available for July & August. For more information please contact the Village of Breton Office at 780-696-3636

Additional Programs may be added for August.

All of our programs will follow Social distancing practices and COVID-19 regulations as set out by AHS will be followed to ensure the health and safety of all participants.

**Keep up to date with Breton FCSS happenings on our new Facebook page.

MP REPORT

from The Office of MP Gerald Soroka,
Member of Parliament for Yellowhead

Conservatives' Propose 'Back to Work Bonus' to Help Workers and Local Businesses

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead, joined his Conservative colleagues in announcing a new proposal to improve the Canada Emergency Response Benefit (CERB) – called Back to Work Bonus. This plan would ensure that Canadians will no longer be put in a position where they will earn less money by working more.

"As our province moves forward with its re-opening plan, I've heard from many of my constituents wondering how the transition back to a more open local economy will affect them. I've listened to your concerns and expectations for the future, and I'm proud to say that Conservatives have put forward a proposal that will help you get ahead. We are focused on getting workers and businesses in this community and across the country back on their feet." MP Soroka stated.

Since the beginning of the pandemic, Conservatives have been putting forward constructive solutions to fix the design flaws in the Liberals' programs and help deliver better outcomes for Canadians. We are building on that success with the new Back to Work Bonus. We know helping workers and local businesses will drive Canada's economic recovery.

Under our Conservative plan, Canadians who lost their jobs through no fault of their own during the pandemic will continue to receive their full \$2,000 CERB. In addition, as businesses reopen, workers who make between \$1,000 and \$5,000 per month would qualify for a CERB top-up that would be gradually phased

out by 50 cents for every extra dollar earned over the \$1,000 threshold.

For a part-time server making \$2,000 per month, the Back to Work Bonus would result in a top-up of \$1,500, for a total monthly income of \$3,500.

"Our plan is flexible and generous because Conservatives believe it should always pay to work," MP Soroka said. "After all this country has been through, Canadians should not be penalized for picking up a shift or gradually returning to their job as their employer reopens. We're going to keep working to get all Canadians the help they need."

"I hope the government will listen to Conservatives' and implement these much-needed changes."

MLA REPORT

from The Office of MLA Mark Smith,
Member of the Legislative Assembly
for Drayton Valley - Devon

I am proud to announce that the Alberta Government will be doubling its funding towards the Strategic Transportation Infrastructure Program as part of Alberta's economic recovery plan. This grant program will insure an additional \$50 million towards critical infrastructure such as bridges, roads and community airports across smaller municipalities over the remainder of 2020. This infrastructure boost will also help to provide over 475 jobs across the province with as many as 70 different projects kicking off. The STIP grants funding is awarded in four categories: improvements to local bridges; community airports; resource roads for industrial use; and local municipal initiatives. These are cost-shared projects, with the province covering up to 75 per cent of the eligible cost and will be awarded based on initiatives identified by municipalities.

Our government is also investing \$150 million in water infrastructure grants that will support 55 water and wastewater improvement projects and approximately 1,300 jobs. These water infrastructure grants support improvements to water supply and treatment facilities, and upgrades to wastewater services, including lagoons, berms and sewage treatment. In particular the County of Brazeau will be seeing long awaited improvements to the wastewater lagoon at our local water treatment plant.

This week, several new bills were introduced into the Legislature to help make our communities safer places to live. Bill 25, the Protecting Alberta Industry from Theft Act, 2020, takes important steps to combat metal theft. If passed, this bill will require scrap metal dealers to report all transactions involving commonly stolen metals and items, such as catalytic converters, to law enforcement. Thieves terrorize property and business owners by trespassing and stealing materials such as copper wire and industrial batteries,

and frequently damage and interfere with critical systems like electrical lines, telecommunications networks and transportation infrastructure. Our government is taking action to protect the safety and property of our community.

Finally, I am pleased to share that our government is upholding its commitments to Albertans and protecting choice within Alberta's robust and diverse education system. This week, the Choice in Education Act passed third reading in the Legislature. This bill will amend the Education Act to affirm that parents have the right to choose the kind of education they feel is best for their children, and it will strengthen Alberta's successful history of education choice, including public schools, Francophone schools, charter schools, and home education. This legislation also expands options for parents to deliver home education for their children, and will allow charter schools to be established with a focus on vocation-based education. Our government believes that parents know what is best for their children, and this bill creates more choice for parents on this important issue.

WE'RE REOPENING!

June 17 | 10:30-4:30

Here's what you need to know.

LIMITED HOURS

The library will reopen with limited hours.

Monday - Friday: 10:30am - 4:30pm
Saturdays & Sundays: Closed

HEALTH & SAFETY PRECAUTIONS

The well-being of our community and staff is always our top priority.

What we're doing to keep you safe:

- Continuing to offer contactless holds pickup.
- Maintaining 6 feet of distance between each other.
- Wearing face coverings while inside the library.
- Following cleaning and disinfecting protocols put out by Alberta Health Services.

What we're asking you to do:

- Do not enter the library if you currently have or recently had a fever, cough, shortness of breath, or are feeling unwell.
- Please come in with purposeful borrowing in mind.
- Keep your hands clean. Hand sanitizer will be provided throughout the library.
- Maintain at least 6 feet of distance from others.
- We encourage the wearing of a face covering while inside the library.
- Follow all floor markings.

LIMITED COMPUTER USE

Computers have been spaced 6 feet apart and will be disinfected between each use. Please visit the front desk to reserve a computer. We ask that you wear a mask and sanitize your hands before and after using the computers.

RETURNING ITEMS AND DUE DATES

Book Drop Hours:
Everyday | 24hrs

- Returned items will be quarantined for 3 days before getting checked in.
- All overdue fines that occurred during the library's closure have been waived during this time.

PLACING ITEMS ON HOLD FOR PICKUP

Place items on hold and pick them up when you're notified that they are ready. Items are still from the Breton Library shelves until further notice. Ordering from other libraries is still closed.

What you need to know:

- Place your holds by emailing bretonlibrary@yrl.ab.ca or by phone 780-696-3740
- Need help deciding what you want? Call us for help.
- Wait until you are notified that your items are ready for pick up.

Breton Municipal Library

4916 50 Avenue | Breton, Alberta T0C 0P0 | 780-696-3740 | <http://www.bretonlibrary.ab.ca/>
