

TH^{RSBY} TARGET

Summer Fun Is Here!

On Saturday, August 22nd, Thorsby CIB in partnership with the Thorsby Hotel Bar and Grill will be teaming up to raise money by jointly hosting our first "Tunes For Blooms" Parking Lot Concert. This summer event is sure to be an incredible time - filled with live music, food and drink and all the fun you can handle with your boots on. We will be providing multiple photo booth opportunities for your full enjoyment to use but you are responsible for your own props. Dressing up is encouraged in order to absorb the entire atmosphere and get down with the music. Complementary bubble wands are available while supplies last, so we encourage people to arrive early. Our overall goal is to raise funds so that we can continue to build and improve existing trails in our community. With everyone contributing in a small way we can accomplish great things for the many families that call Thorsby home. Business and personal donations are still welcome. An affordable \$5 admission gets you into the event and a family up to 6 is \$20. Further, Thorsby CIB has also partnered with the Thorsby Lions Club to run a 50/50 raffle. Tickets are \$5 each with all proceeds going to trail development. Thorsby CIB is also partnering with the Thorsby Library to provide complimentary masks while supplies last. Sanitation Stations will be available throughout the grounds and social distancing will be in place. Thorsby CIB and the Thorsby Hotel reserves the right to stop admission into the grounds if the area begins to become too full or risk social distancing guidelines.

So why are we doing this? It's simple! "We want to create more options for our community and improve our natural tourism assets. Thorsby CIB continues to support trail development, and we'd like to see them more accessible for all ages and users".

Our Amazing Partner

Thorsby Hotel Bar and Grill:

- 100% of the ticket admission goes towards trail development
- 15% of all food and drink sales will be donated to trail development

The Thorsby Hotel Team will also be offering several gift certificates as door prizes.

What's on the menu you ask? Gourmet Food Selections to choose from such as: Sea Salt Dry Ribs, Cajun Chicken Wings, Veggie Spring Rolls, Samosas as well as a Pizza Variety Counter

Beer Garden: A Draft Beer Station On Tap – conveniently located in the parking lot. Yes that's right! Steam Whistle Fat Tire Amber Ale and Steam Whistle Session Lager on the tap.

"Thorsby Hotel is thrilled to work with the Thorsby Communities in Boom Team on this worthy fundraising event by providing planning support and donations".

Band: The Steven Spencer Band will be playing live music from 6pm to 10pm with the event opening at 4:00 to allow people to get settled

Beef Raffle Winners

The winners for the Beef Raffle for the Warburg Cultural Society were:

½ Beef: Elizabeth Szepeszy from Warburg

¼ Beef: Jeff Brodhagen from Beaumont

¼ Beef: Debbie Kadish from Thorsby

Elizabeth wanted to share her half with someone, so we drew another name and the winner was Dale Broadbent, beef going to his parents, Gary and Evelyn Broadbent of Warburg.

We want to thank everyone who helped with this raffle in any way. Prima Dairy Farms for donating a young Black Agnes, Ranchland Meats for donating the cutting and wrapping and for Al Gilchrist for donating half the cost of his services.

Candice Prins needs a special pat on the back for all the work she did to make this raffle successful. Also Warburg Village Market and Ranchlands for selling tickets for us.

Please check our Facebook page and our website for upcoming information on our monthly 50/50's. Your odds will be so much better than the Oiler's 50/50. LOL

Thanks to all who bought tickets for this raffle. The money is helping us keep the Cultural Centre going. Whatever is left from any of our fundraisers will go to maintenance & repairs of some water issues in the basement and to paying for the trees to be removed from our newly acquired property in behind the Cultural Centre.

We raised approximately \$8,000 with the Beef Raffle! YAYYY!

Also, please see Warburg Cultural Society Facebook page to watch the video of the drawing of the raffle tickets.

NOTE* Warburg Cultural Society is able to issue charitable receipts for any donations. These can be used for your income tax.

Devon and Breton RCMP Host Victim Services

Devon, Alta.- Devon RCMP and Breton RCMP host Victim Services in their Detachments monthly.

Starting in September 2020, Leduc & District Victim services will be working out of the Devon RCMP Detachment the second Tuesday of the month between the hours of 9:00 a.m. and 1:00 p.m. and out of the Breton RCMP Detachment every second and fourth Wednesday of the month between the hours of 9:45 a.m. and 3:30 p.m. to support victims of crime

It is an opportunity to bring awareness to the community as to how the RCMP in partnership with Victim Services can assist victims of crime.

"Victim Services is an integral part of policing. When police are dealing with the legal side, Victim Services provides the soft touch, the human side while assisting victims through a variety of processes", says Constable Cheri-Lee Smith.

Leduc & District Victim Services is an organization of individuals that make every effort to ensure victims are not left alone to face overwhelming circumstances. Victims Services work alongside the RCMP in the Devon and Breton Detachments and they start working to provide support as soon as the victim is referred.

"Once police provide us with a victim referral, we provide them with services such as victim impact statements, financial benefits, restitution and other resources that may benefit the victim such as counselling," says Stephanie Ricci, Executive Director with Leduc & District Victim Services.

The RCMP in partnership with Victim Services welcome the opportunity to provide support

The Bible Truth Page

From Tyler Untinen

Hello to all readers, from Tyler Untinen and family. We have been doing some extensive studying of the Word of God, and have made some awesome, amazing and exciting discoveries that we would like to share with you. The topic for this week is:

What is God's Will Concerning Healing?

The answer is simple, God's will is that all would be in good health all the time, and I can prove it from His own word. I will start with Exodus 15:26 in the last part of the verse God identified himself as **"the Lord that healeth thee"**. When God brought his people out of Egypt **"there was not one feeble person among their tribes"** Psalm 105:37. There were about 600 000 men besides children that left Egypt, Exodus 12:37, and no body was sick or weak. There are several healings recorded in the Old Testament but I would like to look at the New testament now.

We can know God's will by looking at what Jesus did because as He said in John 6:38 **"For I came down from heaven, not to do mine own will, but the will of him that sent me."** And Jesus said in Hebrews 10:7 **"Then said I, Lo, I come (in the volume of the book it is written of me,) to do thy will, O God."** So what did Jesus do while he was on earth? Acts 10:38 sums it up **"How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with him"** Notice that it says he HEALED ALL THAT WERE OPPRESSED OF THE DEVIL. Matthew 4:24 **"And his fame went throughout all Syria: and they brought unto him all sick people that were taken with divers diseases and torments, and those which were possessed with devils, and those which were lunatic, and those that had the palsy; and he healed them."**

Matthew 12:15 **"But when Jesus knew it, he withdrew himself from thence: and great multitudes followed him, and he healed them all;"** In Luke 19:10 Jesus said **"For the Son of man is come to seek and to save that which was lost"**. The word save in this verse is translated from the Greek word "sozo" which is defined in the Strongs Concordance as: to save, that is deliver or protect, heal, preserve, save, make whole. So according to Luke 19:10 Jesus came to seek and to save and HEAL the lost. The Greek word "sozo" is also used in John 3:15-17 **"That whosoever believeth in him should not perish, but have eternal life. For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved."** Did you see that?!! **"that the world through him might be saved"**, saved is "sozo" saved and healed!!! That is exactly what Jesus did. He saved and healed people and he did it because it is the Father's will.

As Jesus said, he came to do the Father's will, and that is exactly what he was doing when he went about doing good and healing all who were oppressed of the devil. Here is another place where Jesus said why he came. John 10:10 **"The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly."** Sickness and disease is not abundant life, health and healing is abundant life!! I would also like to add that **"Jesus Christ the same yesterday, and to day, and for ever,"** Hebrews 13:8. Jesus healed then and now.

MP REPORT

from The Office of MP Gerald Soroka,
Member of Parliament for Yellowhead

Trudeau Prorogues Parliament Amid WE Scandal

Justin Trudeau and the Liberal government are wrapped up in a scandal once again; this time they needed to prorogue Parliament. Prime Minister Justin Trudeau is under investigation by the Conflict of Interest and Ethics Commissioner for the third time since 2015. First, he was under investigation for illegally accepting a vacation to the Aga Khan's private island in 2016. Last year he was under investigation for the SNC Lavalin scandal. Now, Trudeau is dealing with his latest ethical lapse, the WE scandal

Back in April, Trudeau announced the Canada Student Service Grant (CSSG). This was one of many programs the government had announced to help Canadians get through the COVID-19 pandemic. The stated objective of the program was to deliver financial compensation to students volunteering over the summer. These funds would have helped many youths finance their education upon returning to school in the fall. Instead, the money for this program ended up in the hands of Trudeau's friends at WE Charity. The government repeatedly claimed that WE was the only organization capable of running this program despite the fact that WE Charity had no experience running a program of this size ever before. When the \$900,000,000 contract was awarded it did not even go to WE Charity, it was sent to a shell corporation setup by WE with no financial history.

In July, WE Charity backed out of the deal after Conservatives discovered that Trudeau did not recuse himself from the decision to award WE

this contract. Additionally, it was discovered that Trudeau's family had received \$500,000 in compensation from WE since he had been elected Prime Minister. Conservatives have been using the tools at our disposal and working hard to get answers for Canadians. Since the news initially broke, the Finance Committee and the Ethics Committee have been tirelessly attempting to get to the bottom of all of this. Conservatives have made huge headway on this fact-finding mission. In fact, within 24 hours of MP Pierre Poilievre receiving 5000 pages of redacted documents regarding the WE scandal, Minister of Finance Bill Morneau resigned, and Trudeau asked the Governor General to prorogue parliament.

What does it really mean to prorogue Parliament? Many people have reached out asking questions as to what this means and why Trudeau can prorogue Parliament without holding a vote on it. The answer is that a sitting Prime Minister reserves the right to request that the Governor General prorogue the House of Commons. Trudeau requested a prorogation and his handpicked Governor General Julie Payette complied. Proroguing the House of Commons effectively resets it to a post-election state without having an election. This means there is now no business on the docket and no committees formed. Already, during the COVID Committee, our ability to hold the Liberals to account was limited. Now, it is non-existent. A new throne speech will be delivered on September 23rd and following that there will be a vote of no confidence and if passed, would trigger an election.

If Trudeau wanted to introduce a throne speech and test the confidence of the House, he could have simply allowed these important committees to continue their work and then prorogue Parliament in the days before his proposed date for a Speech from the Throne (September 23rd). Instead he chose to shut down the Opposition's last avenue for accountability so that he can avoid the tough questions.
